Statute amending initiative act providing for honorarium for World War II veterans eligible to receive honorariums

did not violate this section. *Cottingham v. State Board of Examiners*, — M —, 328 P 2d 907, 918.

### Sec. 14.

#### Just Compensation

In eminent domain proceedings, the jury findings will generally not be disturbed on appeal unless they are so obviously and palpably out of proportion to the injury done as to be in excess of just compensation provided by this section.

#### Rights-of-Way of Necessity

There are no implied grants or reservations of rights-of-way of necessity in Montana. Property for roads must be con-

demned. *Simonson v. McDonald*, 131 M 494, 311 P 2d 982, 984, overruling *Herrin v. Sieben*, 46 M 226, 127 P 323; *Violet v. Martin*, 62 M 355, 205 P 221.

### Sec. 19.

#### Amount of Bail

The amount of bail which the judge may fix is within his sound legal discretion, and is always to be a reasonable amount. *State v. McLeod*, 131 M 478, 311 P 2d 400, 407.

The trial judge in determining the amount of bail to be fixed, should take into consideration the enormity of the crime charged; the maximum penalty which the law authorizes; the pecuniary condition of the defendant; the probabil-

ity of the defendant's flight to avoid punishment; his general character and reputation; the apparent nature and strength of the proof as bearing upon the probability of his conviction; and other matters bearing upon the particular case. *State v. McLeod*, 131 M 478, 311 P 2d 400, 407.

Court did not err in refusing defendant's motion to reduce bail which was initially set at \$25,000, where the person assaulted was in a very precarious condition and it was not known whether he would

live or die. When the judge was advised that the victim would probably live, he reduced the bail to \$7,500 which was a

very reasonable amount. *State v. McLeod*, 131 M 478, 311 P 2d 400, 407, 408.

## Sec. 20.

### Tax Penalty

The double penalty provided for in the income tax statute (84-4924, subd. 2, before the 1955 amendment) did not violate this section. *State ex rel. Hardy v. State Board of Equalization*, 133 M 43, 319 P 2d 1061, 1063.

### Destruction of Property Without a Trial or Hearing

Proceedings for the destruction of property in many cases must necessarily be summary and without a previous trial or hearing in such cases, and such proceedings are due process. *Ruona v. City of Billings*, — M —, 323 P 2d 29, 31.

### Fundamental Rights

"Due process of law" refers to and means certain fundamental rights which our system of jurisprudence has always recognized, that is, of requiring notice to be given and a hearing had before the property may be taken, or impressed with a lien, giving to the owner thereof these constitutional prerogatives. *Great Northern Railway Co. v. Roosevelt County*, — M —, 332 P 2d 501, 505.

### Laws Not Violating This Provision

Statute amending initiative act providing for honorarium for World War II veterans so as to make Korean veterans eligible to receive honorariums did not violate this section. *Cottingham v. State Board of Examiners*, — M —, 328 P 2d 907, 918.

### Operation and Effect

A city, the chief of police, and police officers were not liable to a dog owner for damages, where the owner's dog was killed by officers acting under an emergency quarantine measure which was passed to meet a threatening situation involving rabies. *Ruona v. City of Billings*, — M —, 323 P 2d 29.

### Rural Fire Districts Law

Rural fire districts law, sections 11-2008, 11-2009, before 1957 amendment, was unconstitutional as being in direct conflict with this section. *Great Northern Railway Co. v. Roosevelt County*, — M —, 332 P 2d 501, 502, 505, 506.

### Statutes and Proceedings Held Valid Under This Provision

A city, the chief of police, and police officers were not liable to a dog owner for damages, where the owner's dog was killed by officers acting under an emergency quarantine measure which was passed to meet a threatening situation involving rabies. *Ruona v. City of Billings*, — M —, 323 P 2d 29.

A rule made by a board of health which has a relation to securing protection from bites of animals which may be rabid is a proper exercise of its functions, and determination of the means of meeting a threatening situation has been vested in the board of health, and not in the courts. *Ruona v. City of Billings*, — M —, 323 P 2d 29, 31.

### Tax Penalty

The double penalty provided for in the income tax statute (84-4924, subd. (2), before the 1955 amendment) did not violate this section. *State ex rel. Hardy v. State Board of Equalization*, 133 M 43, 319 P 2d 1061, 1064.

Effect of Subsequent Codification on Defect

Section 91-4321 as it is now written was enacted in 1943, and was carried forward in our Codes of 1947 without change. The 1947 Codes were regularly adopted by

the legislature with this act incorporated therein without reference to its original title. Any defect in title was cured by its adoption into the 1947 Code. *State v. Rice*, — M —, 329 P 2d 451, 453.

Sec. 26.

Divorce Proceedings

Proceedings for divorce undoubtedly are statutory, but jurisdiction in matters of divorce is constitutional and may not be abridged. *Trudgen v. Trudgen*, — M —, 329 P 2d 225, 232.

Operation and Effect in General

Chapter 34, Laws of 1957 (43-709 to 43-715), creating the legislative council, does not violate this section. *State ex rel. James v. Aronson*, 132 M 120, 314 P 2d 849, overruling *State ex rel. Mitchell v. Holmes*, 128 M 275, 274 P 2d 611.

Sec. 32.

Construction

This section refers to the raising of money for defraying the expenses of the general government. *Morgan v. Murray*, — M —, 328 P 2d 644, 648.

for local purposes are not bills for "raising revenue" within the meaning of this section. *Morgan v. Murray*, — M —, 328 P 2d 644, 649.

Operation and Effect

Chapter 197, Laws of 1957, authorizing indebtedness to be incurred by state for construction of educational facilities is illegal, unconstitutional and void, for the reason that it was a revenue bill which originated in the senate, contrary to the interdiction of this section. *Morgan v. Murray*, — M —, 328 P 2d 644, 654.

License Tax

Bills imposing tax or license fee to enforce policing regulation are not revenue raising measures. *Morgan v. Murray*, — M —, 328 P 2d 644, 648.

Local Taxes

**Proposed Amendment**

Chapter 194, Laws of 1959 proposed an amendment to this section of the Constitution of Montana. This proposed amendment is to be submitted to the voters at the general election in November, 1960. The amendment reads as follows: "Section 20. The governor, secretary of state and attorney general shall constitute a board of examiners, with power to examine all claims against the state, except salaries or compensation of officers fixed by law, and perform such other duties as may be prescribed by law; and no claim against the state, except for salaries and compensa-

tion of officers fixed by law, shall be passed upon by the legislative assembly without first having been considered and acted upon by said board. The legislative assembly may provide for the temporary suspension of the state treasurer by the governor, when the board of examiners deems such action necessary for the protection of moneys of the state." ARTICLE VIII—JUDICIAL DEPARTMENTS

**Sec. 3.**

**Exclusive Power**

The constitution vests in the courts the exclusive power to construe and interpret legislative acts, as well as provisions of the constitution. *Cottingham v. State Board of Examiners*, — M —, 328 P 2d 907, 913.

**Scope of Power to Issue Writs in General**

Even if a stay, in a case where a writ of

mandate is issued by a district court to compel the issuance of a license, is not provided for in the code, still the supreme court has power under this section to issue a supersedeas, or other appropriate writ, to effectuate its appellate jurisdiction, thus to insure the aggrieved board an appeal that otherwise might be of no value. *Gill v. Rafn*, 133 M 505, 326 P 2d 974.

**Sec. 11.**

ARTICLE IX—RIGHTS OF SUFFRAGE AND QUALIFICATIONS  
TO HOLD OFFICE

**Sec. 2.**

**Operation and Effect**

This section, in adding the property holding qualification to voting on debts or liabilities, confined the additional qualification to only those debts or liabilities which look to ad valorem taxes for their retirement. *Cottingham v. State Board of Examiners*, — M —, 328 P 2d 907, 915.

This section amended the words "debt or liability" as they appear in section 2, article XIII of the Montana Constitution, and has effectively confined them to debts or liabilities which must be retired out of ad valorem taxes. *Cottingham v. State Board of Examiners*, — M —, 328 P 2d 907, 916.

ARTICLE XI—EDUCATION

**Sec. 11.**

**Proposed Amendment**

Chapter 191, Laws of 1959 proposed an amendment to this section of the Constitution of Montana. This proposed amendment is to be submitted to the voters at the general election in November, 1960. The amendment reads as follows: "Section 11. The general control and supervision of the public, free, common schools shall be vested in a state board of education, whose powers and duties shall be prescribed and regulated by law. The said board shall consist of eight (8) members,

appointed by the governor; subject to the confirmation of the Senate, under the regulations and restrictions to be provided by law. The general control and supervision of the University of Montana shall be vested in a board of regents, whose powers and duties shall be prescribed by law. The said board shall consist of eight (8) members, appointed by the governor, subject to confirmation of the Senate, under the regulations and restrictions to be provided by law." Laws 1959, Ch. 191, Sec. 2.

ARTICLE XII—REVENUE AND TAXATION

**Sec. 1a.**

**Income Tax**

The provisions of section 84-4905, before the 1955 amendment, relating to adjusted gross income, did not violate this

section. *State ex rel. Anderson v. State Board of Equalization*, 133 M 8, 319 P 2d 221, 228.

**Sec. 12.**

**Laws Not Violating This Provision**

Statute amending initiative act providing for honorarium for World War II veterans so as to make Korean veterans

eligible to receive honorariums did not violate this section. *Cottingham v. State Board of Examiners*, — M —, 328 P 2d 907, 920.

**Sec. 15.**

**Writ of Prohibition**

District court acted prematurely in issuing writ prohibiting state board of equalization from proceeding further under section 84-605, holding a public hearing and equalizing or increasing the as-

Chapter 5. Miscellaneous regulatory provisions, 5-506.

9. Examination and supervision—state examiner's fund, 5-904 to 5-910.

### CHAPTER 5—MISCELLANEOUS REGULATORY PROVISIONS

Section 5-506. Limitation on real estate loans.

**5-506. (6014.31) Limitation on real estate loans.** Any commercial bank organized under the laws of the state of Montana may make real estate loans, secured by first liens upon improved real estate, including improved farm land and improved business and residential properties and may purchase any obligation so secured when the entire amount of such obligation is sold to the bank. Provided that, the amount of any such loan hereafter made shall not exceed fifty per centum (50%) of the appraised value of the real estate offered as security, and no such loan shall be made for a longer period than five (5) years, except that:

(1) Any such loan may be made in an amount not to exceed sixty per centum (60%) of the appraised value of the real estate offered as security and for a term not longer than twenty (20) years if such loan is secured by an amortized mortgage, deed of trust or other such instrument, under the terms of which the installment payments are sufficient to amortize forty per centum (40%) or more of the principal of the loan within a period of not more than twenty (20) years; and

(2) No such commercial bank shall make such loans in an aggregate sum in excess of the amount of its capital stock paid in and unimpaired plus the amount of its unimpaired surplus or in excess of sixty per centum (60%) of the amount of its time and saving deposits, whichever is the greater.

Loans made to finance the construction of residential or farm buildings and having maturities of not to exceed six (6) months, whether or not secured by a mortgage or a similar lien on real estate upon which the residential or farm building is being constructed, shall not be considered as loans secured by real estate within the meaning of this act, but shall be classed as ordinary commercial loans, provided that no commercial bank shall invest in or be liable on any such loans in an aggregate amount in excess of fifty per centum (50%) of its actually paid in and unimpaired capital.

Loans made to establish rural or commercial businesses which are in whole or in part discounted or loaned against as security by a federal reserve bank for any part of which a commitment shall have been made by a federal reserve bank or in which the Reconstruction Finance Corporation cooperated or purchases a participation in, shall not be subject to the restrictions or limitations of this act upon loans secured by real estate, provided any commercial bank in this state shall from time to time have the same authority to make loans upon real estate as may be

given by acts of Congress of the United States or the federal reserve system to national banks or bank members of the federal reserve system.

(3) The foregoing limitations and restrictions shall not prevent the renewal or extension of loans heretofore made and shall not apply to real estate loans which are insured under the provisions of any act of the Congress of the United States; and said limitations and restrictions shall not apply to the making, extension or renewal of any loans which are made under subchapter II of the act of Congress, known as the servicemen's readjustment act of 1944, or any amendment thereof or supplement thereto, as to any part of such loans.

These provisions, however, shall not prevent any bank from taking another and immediately subsequent mortgage or deed of trust when it already holds a first mortgage or deed of trust thereon on such real estate, nor from accepting a second lien on real estate to secure the repayment of a debt previously contracted in good faith; nor shall it prevent subsequent liens of any kind from being taken to secure the payment of a debt previously contracted in good faith, when, in the judgment of the directors of such bank, such subsequent liens are necessary further to secure the payment of any debts and save such bank from loss; provided, the term "commercial bank" as used in this section, shall mean a bank organized to do the business specified in sections 5-104 to 5-108 of this code, only.

##### **Residence of Petitioner**

Since the court's jurisdiction had to be determined as of the time a proceeding was commenced, the issue of the petitioner's residence did not become moot even though the petitioner had established the necessary residence since the hearing in the proceeding. State v. District Court, 131 M 502, 312 P 2d 119, 123.

The word "resident" as used in this section must denote one actually domiciled within the county and in a proceeding to have a child declared dependent and ne-

glected, where the petitioner was not a resident of the county where the child resided, the court was without jurisdiction to proceed. State v. District Court, 131 M 502, 312 P 2d 119, 122, 123.

Where petitioner was not domiciled, and thus not a resident of the county where the child resided, the court was without power to attempt to confer jurisdiction by an amendment to conform to the alleged proof that petitioner was domiciled in such county. **Repeal of Conflicting Laws**

**Right to Trial by Jury**

Where a minor, charged with being a delinquent, made a demand for a jury trial on the day preceding the trial and at the opening of the trial, the court was without jurisdiction to try him without a jury. Application of Banschbach, 133 M 312, 323 P 2d 1112, 1113.

A child under the age of 16 years may never be tried for a law violation in the district court. He is solely under the exclusive jurisdiction of the juvenile court. State ex rel. Dahl v. District Court, — M —, 333 P 2d 495, 498, 499.

District criminal court has no jurisdiction to authorize or order the filing of a criminal information against a juvenile child of the age of 15 years and less than

16 years of age, nor to try such child in the district court. State ex rel. Dahl v. District Court, — M —, 333 P 2d 495, 497.

10-617. Penalty for improper and negligent training of children. Any parent or parents, legal guardian, or any other person who shall encourage, wilfully cause or contribute to, or through negligence in the care, custody, guidance, education, maintenance, or direction of any child under eighteen years of age, cause or permit such child to violate any law of this state, or the ordinance or ordinances of any city of this state, or to be or become incorrigible, or to knowingly associate with thieves, vicious or immoral persons; or to grow up in idleness or crime, or to knowingly enter a house of prostitution; or to knowingly visit or patronize any place, house, or apartment building where any gambling device is or gambling devices are or shall be operated or run, or where any gambling is done or conducted, or to patronize or visit any saloon or saloons, or dram shop or dram shops, where intoxicating liquors are sold, or to wander about the streets of any town or city in the nighttime, without being on lawful business or occupation, or to habitually wander about or visit any railroads

amd. Sec. 1, Ch. 22, L. 1959.

#### **Amendment**

The 1959 amendment inserted the word "any" after the words "legal guardian, or" near the beginning of this section; deleted the words "or to patronize or visit any public poolroom or poolrooms, or

bucketshop" which appeared after the words "where intoxicating liquors are sold"; made the word "railroad" plural, and deleted the word "yards" which had appeared after the word "railroad."

### CHAPTER 4—ADDITIONS OF PLATTED TRACTS TO CITIES AND TOWNS

Section 11-403. Extension of boundaries to include contiguous platted tracts or other parcels of land.

**11-403. (4978) Extension of boundaries to include contiguous platted tracts or other parcels of land.** (1) Cities or towns of the first class. Any tracts or parcels of land, which have been or may hereafter be platted into lots or blocks, streets, and alleys, and the map or plat thereof filed in the office of the county clerk and recorder of the county in which the same are situated, or any unplatted land that has been surveyed and for which a certificate of survey has been filed, as provided in these codes, and which platted or unplatted land shall be contiguous to any incorporated city of the first class, may be embraced within the corporate limits thereof, and the boundaries of such city of the first class extended so as to include the same in the following manner: When, in the judgment of any city council of a city of the first class, expressed by resolution duly and regularly passed and adopted, it will be to the best interest of such city and the in-

habitants of any contiguous platted tracts or parcels of land, or unplatted land for which a certificate of survey has been filed, that the boundaries of such city shall be extended, so as to include the same within the corporate limits thereof, the city clerk of such city shall forthwith cause to be published in the newspaper published nearest such platted tracts or parcels of land, or unplatted land for which a certificate of survey has been filed, at least once a week for two successive weeks, a notice which shall be to the effect that such resolution has been duly and regularly passed, and that for a period of twenty days after the first publication of such notice, such city clerk will receive expressions of approval or disapproval, in writing, of the proposed extensions of the boundaries of such city of the first class, from resident freeholders of the territory proposed to be embraced therein. The clerk shall, at the next regular meeting of the city council of such city of the first class after the expiration of said twenty days, lay before the same all communications in writing by him so received for its consideration, and if, after considering the same, such council shall duly and regularly pass and adopt a resolution to that effect, the boundaries of such city of the first class shall be extended so as to embrace and include such platted tracts or parcels of land or unplatted land for which a certificate of survey has been filed, the time when the same shall go into effect to be fixed by such resolution; provided, that such resolution shall not be adopted by such council if disapproved, in writing, by a majority of the resident freeholders, if any, of the territory proposed to be embraced.

Provided also, that cities of the first class may include as part of such city any platted or unplatted tract or parcel of land that is wholly surrounded by such city upon passing a resolution advertising and upon passing a further resolution or following such advertising, all in the manner aforesaid, and such land shall be annexed, if so resolved, whether or not a majority of the resident freeholders, if any, of the land to be annexed object; provided, however, that land used for agricultural, mining, smelting, refining, transportation, recreational area, or any industrial or manufacturing purpose or for the purpose of maintaining or operating a golf or country club, an athletic field or aircraft landing field, a cemetery or a place for public or private outdoor entertainment or any purpose incident thereto, shall not be annexed under this provision.

(2) Cities and towns of the second and third class. Any tracts or parcels of land, which shall be contiguous to any incorporated cities or towns of the second and third class, may be embraced within the corporate limits thereof and the boundaries of such cities or towns of the second and third class extended so as to include the same in the following manner: When, in the judgment of any such city or town council, expressed by resolution duly and regularly passed and adopted, it will be to the best interest of such city, or town and the inhabitants thereof, and of the inhabitants of any contiguous tracts or parcels of land, as aforesaid, that the boundaries of such city or town shall be extended, so as to include the same within the corporate limits thereof, the city or town clerk of such city or town shall forthwith notify in writing all property holders within the boundaries of the territory proposed to be embraced, and cause to be published in the newspaper published nearest such tracts or parcels of

land, at least once a week for two successive weeks, a notice which shall be to the effect that such resolution has been duly and regularly passed and that for a period of twenty days after the first publication of such notice, such city or town clerk will receive expressions of approval or disapproval, in writing, of the proposed extensions of the boundaries of such city or town, from freeholders of the territory proposed to be embraced therein. The clerk shall, at the next regular meeting of the city or town council after the expiration of said twenty days, lay before the same all communications in writing by him so received for its consideration, and if, after considering the same, such council shall duly and regularly pass and adopt a resolution to that effect, the boundaries of such city or town of the second or third class, shall be extended so as to embrace and include such tracts or parcels of land, the time when the same shall go into effect to be fixed by such resolution; provided, that such resolution shall not be adopted by such council, if disapproved, in writing, by a majority of the freeholders of the territory proposed to be embraced.

(3) Whenever two or more adjacent tracts taken as a whole shall adjoin the city, they may be included in one resolution under subdivision (2) hereof, although one or more of said tracts taken alone may not be adjacent to the corporate limits as then existing.

**History:** En. Sec. 1, Ch. 30, L. 1905; re-en. Sec. 3214, Rev. C. 1907; re-en. Sec. 4978, R. C. M. 1921; amd. Sec. 1, Ch. 52, L. 1925; amd. Sec. 1, Ch. 239, L. 1957; amd. Sec. 1, Ch. 238, L. 1959.

#### **Amendment**

The 1959 amendment in subd. (1) deleted the phrase "and the inhabitants thereof" which appeared after the words "best interests of such city"; added the second paragraph of subd. (1), and changed the word "caused" to "cause" which appeared after the words "proposed to be embraced, and" in subd. (2).

#### **Repealing Clause**

Section 2 of Ch. 238, Laws 1959 repealed all acts and parts of acts in conflict therewith.

#### **Effective Date**

Section 3 of Ch. 238, Laws 1959 provided the act should be in effect from and after its passage and approval. Approved March 11, 1959.

#### **Appeal**

In taxpayers' suit opposing annexation of a city subdivision where trial court found that less than the required majority had protested, it must be presumed on appeal that the lower court's proceedings are regular and contain no substantial error until otherwise shown preponderantly by the plaintiff. *Kunesh v. Great Falls*, 132 M 285, 317 P 2d 297, 298.

#### **Disapproval by Residents**

Residents of an area sought to be annexed must register their disapproval by showing such disapproval in writing to the city clerk as required by statute. They cannot do so in courts of law. *Penland v. Missoula*, 132 M 591, 318 P 2d 1089, 1092.

Time limitation for disapproval cannot be extended. *Penland v. Missoula*, 132 M 591, 318 P 2d 1089, 1092, 1093.

#### **Discretion of City Council**

City council has the discretion to determine whether or not it is in the best interests of the city and the inhabitants of the area that it be annexed. *Penland v. Missoula*, 132 M 591, 318 P 2d 1089, 1092.

#### **Evidence of Benefits**

In action for injunctive relief against resolution of intention of city council to annex land court properly excluded all evidence relating to benefits. *Penland v. Missoula*, 132 M 591, 318 P 2d 1089, 1092.

#### **Resident Freeholder**

A freeholder becomes a resident under section 83-303 upon union of act and intent. If the intention to establish a permanent residence be ascertained, the recency of the establishment is immaterial. *Kunesh v. Great Falls*, 132 M 285, 317 P 2d 297, 301.

A resident freeholder qualified to protest annexation may be defined as one who is a resident within the area to be annexed, holding a present legal title to a freehold estate in real property located

within the area to be annexed. *Kunesh v. Great Falls*, 132 M 285, 317 P 2d 297, 301.

Date through which timely protest could be received, set forth in the notice of resolution of intention to annex, as protest date, determines qualifications of resident freeholders to protest annexation. *Kunesh v. Great Falls*, 132 M 285, 317 P 2d 297, 301.

It is not necessary for resident freeholder to reside upon his freehold in order

to protest annexation. *Kunesh v. Great Falls*, 132 M 285, 317 P 2d 297, 301.

#### **Resolution of Intention**

Exercise of discretion of city council in passing resolution of intention to annex land may be reviewed by court only when, and if, they have proceeded contrary to statute. *Penland v. Missoula*, 132 M 591, 318 P 2d 1089, 1092.

### **11-404. Land when deemed contiguous.**

#### **Operation and Effect**

Triangle piece of unplatted land separated area sought to be annexed into two tracts of land. Although the triangular strip was a part of a much larger tract, that fact was immaterial. The only part of the land which was significant was the strip separating the area sought to be an-

nexed, not the larger area of which the separating strip was a part. If the triangular separating strip is too small or too narrow to be platted, then the tracts separated by it will be deemed contiguous. *Penland v. Missoula*, 132 M 591, 318 P 2d 1089, 1093.

## **CHAPTER 7—OFFICERS AND ELECTIONS**

### **11-702. (4996) Officers of city of second and third classes.**

#### **Commissioner of Public Works**

Commissioner of public works, appointed by the mayor, being a public officer of the city, was under a duty to account

for all funds which might come into his hands as such officer, including funds of public housing projects. *Roundup v. Liebetrau*, — M —, 327 P 2d 810, 816.

## **CHAPTER 9—POWERS OF CITY AND TOWN COUNCILS**

Section 11-966. Purposes for which indebtedness may be incurred—limitation—additional indebtedness for sewer or water system—procuring water supply and system—jurisdiction of public works appurtenances.

11-966. (5039.63) Purposes for which indebtedness may be incurred—limitation—additional indebtedness for sewer or water system—procuring water supply and system—jurisdiction of public works appurtenances. The city or town council has power: (1) To contract an indebtedness on behalf of a city or town, upon the credit thereof, by borrowing money or issuing bonds for the following purposes, to-wit: Erection of public buildings, construction of sewers, sewage treatment and disposal plants, bridges, docks, wharves, breakwaters, piers, jetties, moles, waterworks, reservoirs and reservoir sites, lighting plants, supplying the city or town with water by contract, the purchase of fire apparatus, street and other equipment, the construction or purchase of canals or ditches and water rights for supplying the city or town with water, to acquire, open and/or widen any street and to improve the same by constructing, reconstructing and repairing pavement, gutters, curbs and vehicle parking strips and to pay all or any portion of the cost thereof, and the funding of outstanding warrants and maturing bonds; provided, that the total amount of indebtedness authorized to be contracted in any form, including the then existing indebtedness, must not, at any time, exceed five per centum (5%) of the total value of the taxable property of the city or town, as ascertained by the last assessment for state and county taxes, said words "value of the

taxable property" being used herein in the same sense as in section 6 of article XIII of the Constitution; provided, that no money must be borrowed on bonds issued for the construction, purchase, or securing of a water plant, water system, water supply, sewage treatment and disposal plant, or sewerage system, until the proposition has been submitted to the vote of the taxpayers affected thereby of the city or town, and the majority vote cast in favor thereof; and, further provided, that an additional indebtedness shall be incurred, when necessary, to construct a sewerage system or procure a water supply for the said city or town, which shall own or control said water supply and devote the revenue derived therefrom to the payment of the debt.

#### Amendment

The 1959 amendment in subd. (1) added the phrase "sewage treatment and dis-

posal plants" preceding the word "bridges" and the phrase "sewage and disposal plant" following the words "water supply."

#### Repealing Clause

Section 2 of Ch. 38, Laws 1959 repealed all acts and parts of acts in conflict therewith.

## CHAPTER 12—CONTRACTS AND FRANCHISES

Section. 11-1202. Awarding contracts—advertisement—limitations—installments—sales of supplies—purchases from government agencies—~~exemptions~~.

**11-1202. (5070) Awarding contracts—advertisement—limitations—installments—sales of supplies—purchases from government agencies—exemptions.** All contracts for work, or for supplies, or for material, for which must be paid a sum exceeding one thousand dollars (\$1,000.00), must be let to the lowest responsible bidder after advertisement for bids; provided that no contract shall be let extending over a period of three (3) years or more without first submitting the question to a vote of the taxpaying electors of said city or town. Such advertisement shall be made in the official newspaper of the city or town, if there be such official newspaper, and if not it shall be made in a daily newspaper of general circulation published in the city or town, if there be such, otherwise by posting in three (3) of the most public places in the city or town. Such advertisement if by publication in a newspaper shall be made once each week for two consecutive weeks and the second publication shall be made not less than five (5) days nor more than twelve (12) days before the consideration of bids. If such advertisement is made by posting, fifteen (15) days must elapse, including the day of posting, between the time of the posting of such advertisement and the day set for considering bids. The council may postpone action as to any such contract until the next regular meeting after bids are received in response to such advertisement, may reject any and all bids and readvertise as herein provided. The provisions of this section as to advertisement for bids shall not apply upon the happening of any emergency caused by fire, flood, explosion, storm, earthquake, riot

or insurrection, or any other similar emergency, but in such case the council may proceed in any manner which, in the judgment of three-fourths ( $\frac{3}{4}$ ) of the members of the council present at the meeting, duly recorded in the minutes of the proceedings of the council by aye and nay vote, will best meet the emergency and serve the public interest. Such emergency shall be declared and recorded at length in the minutes of the proceedings of the council at the time the vote thereon is taken and recorded.

When the amount to be paid under any such contract shall exceed one thousand dollars (\$1,000.00) the council may provide for the payment of such amount in installments extending over a period of not more than three (3) years; provided that when such amount is extended over a term of two (2) years at least forty per centum (40%) thereof shall be paid the first year and the remainder the second year, and when such amount is extended over a term of three (3) years, at least one-third ( $\frac{1}{3}$ ) thereof shall be paid each year; provided that at the time of entering into such contract, there shall be an unexpended balance of appropriation in the budget for the then current fiscal year available and sufficient to meet and take care of such portion of the contract price as is payable during the then current fiscal year, and the budget for each following year, in which any portion of such purchase price is to be paid, shall contain an appropriation for the purpose of paying the same.

Old supplies or equipment may be sold by the city or town to the highest responsible bidder, after calling for bid purchasers as herein set forth for bid sellers, and such city or town may trade in supplies or old equipment on new supplies or equipment at such bid price as will result in the lowest net price.

Also a city or town may, without bid, when there are sufficient funds in the budget for supplies or equipment, purchase such supplies or equipment from government agencies available to cities or towns when the same can be purchased by such city or town at a substantial saving to such city or town.

All necessary contracts for professional, technical, engineering and legal services are excluded from the provisions of this act.

**History:** En. Sec. 1, Ch. 48, L. 1907; re-en. Sec. 3278, Rev. C. 1907; re-en. Sec. 5070, R. C. M. 1921; amd. Sec. 1, Ch. 22, L. 1927; amd. Sec. 1, Ch. 18, L. 1939; amd. Sec. 1, Ch. 59, L. 1941; amd. Sec. 1, Ch. 153, L. 1947; amd. Sec. 1, Ch. 139, L. 1949; amd. Sec. 1, Ch. 220, L. 1959.

#### **Amendment**

The 1959 amendment, in the first paragraph, substituted the phrase "once each week for two consecutive weeks and the second publication shall be made not less

than five (5) days nor more than twelve (12) days" for the phrase "twice, the first publication to be made not more than twenty-two (22) days nor less than fifteen (15) days before the consideration of bids and the second publication shall be made not less than five (5) days nor more than ten (10) days."

#### **Repealing Clause**

Section 2 of Ch. 220, Laws 1959 repealed all acts and parts of acts in conflict therewith.

CHAPTER 13—PRESENTATION AND PAYMENT OF CLAIMS—  
CITY WARRANTS

## 11-1305. (5080) Defective highways and public works—notice, etc.

**Notice to City of Defective Condition**

In an action by a pedestrian against a municipality for injuries sustained in a fall on a sidewalk, a telephone conversation by the owner of a business adjacent to the site of the fall, to the city engineer's office to the effect that he reported a defect in the walk to the person who answered the phone, was admissible and the absence of proof that the city clerk made a record of the report did not deny the right of the pedestrian, having carried the burden of proof, to recover damages. *Ratliff v. City of Great Falls*, 132 M 89, 314 P 2d 880.

Notice to the city may be proved "by any method through competent evidence." *Ratliff v. City of Great Falls*, 132 M 89, 314 P 2d 880, 883.

**Operation and Effect**

A cause of action for damage to property allegedly caused by the insufficiency of a storm sewer to handle water from a heavy rain was barred by the failure to give notice to the city within 60 days. *Thompson v. City of Shelby*, — M —, 323 P 2d 33.

**Purpose**

The purpose of this section is to give knowledge of the injury to the city authorities so that the expense of litigation may be avoided, not alone that the city may have an opportunity to investigate, and it is not sufficient that city officers had notice of the defect. *Thompson v. City of Shelby*, — M —, 323 P 2d 33, 34.

**Liability of City for Tortious Act of City Policeman**

A city is not liable for tortious acts of a city policeman committed while acting within the course and scope of his employment in enforcing the laws and ordinances of a city. *Kingfisher v. City of Forsyth*, 132 M 39, 314 P 2d 876, 878.

**Operation and Effect**

A municipality has the duty to maintain an adequate police force and, it follows, the duty to preserve order, and in performing that duty the municipality is performing a governmental function. *Kingfisher v. City of Forsyth*, 132 M 39, 314 P 2d 876, 879.

11-1804.1. Third class cities—appointment of commission upon request of policemen—procedure for discharge of policemen. It is hereby made the duty of the mayor of any city of the third class which does not have a police commission, upon the written request of any policeman who has been employed by said city as such for a period of ten years or more, to appoint a police commission in accordance with the provisions of section 11-1804, Revised Codes of Montana, 1947, which commission shall then proceed under the provisions of section 11-1806, Revised Codes of Montana, 1947, before such policeman can be discharged or terminated from his employment as a policeman.

#### Amendment

The 1959 amendment in the first paragraph deleted the words "but this restriction shall not apply to any member of any present police department," which appeared after the words "forty years of age," and in the second paragraph sub-

stituted the words "must have resided in the state of Montana at least two years, and have been a resident of the city or town in which he is appointed at least six (6) months" for the words "and have been a resident of the city or town in which he is appointed at least two years."

#### Repealing Clause

Section 2 of Ch. 29, Laws 1959 repealed all acts and parts of acts in conflict therewith.

**11-1823. (5108.7) Fund for payment of officers on reserve lists—tax levy.** For the purpose of paying the salaries of policemen who have been placed upon the reserve list of the cities of the first and second class, the city or town council, or commissioners, shall in the manner provided for by law, and at the time of the levy of the annual tax, levy such special tax of not to exceed one (1) mill on the dollar upon the assessed valuation of all taxable property within the limits of said city or town, which said tax shall be collected as other taxes and when so collected, shall be paid into the fund created for the payment of such salaries of police officers upon the reserve list.

However, in case the demand against such fund shall be heavier than said levy can provide, then and in such case such additional levy of not to exceed two (2) mills may be made until such returns from the first mill levy be sufficient to meet the demand.

**History:** En. Sec. 7, Ch. 100, L. 1927; amd. Sec. 7, Ch. 120, L. 1929; amd. Sec. 2, Ch. 78, L. 1937; amd. Sec. 1, Ch. 78, L. 1949; amd. Sec. 1, Ch. 8, L. 1959.

#### Repealing Clause

Section 2 of Ch. 8, Laws 1959 repealed all acts and parts of acts in conflict therewith.

#### Amendment

The 1959 Amendment, in the second paragraph raised the additional levy authorized from one mill to two mills.

**11-1832. (5108.16) Minimum wage of police in first and second class cities.**

#### Annual Increase

Although the wages provided for by the 1957 amendment are payable only after July 1, 1957, this does not mean that the legislature did not intend to consider service prior to that date in computing what the wages shall be. *Hill v. Billings*, — M —, 328 P 2d 1112, 1115.

In enacting Laws of 1957, chapter 28, amending this section, the legislature intended to recognize the status of police officers according to the length of service in the past and to reward the more ex-

perienced by paying them a higher wage scale. The legislature drew no distinction between years of service performed before July 1, 1957, and those performed after that date. *Hill v. Billings*, — M —, 328 P 2d 1112, 1116.

Under this section as amended by Laws of 1957, chapter 28, added wages must be added to the actual current salary and not to the minimum of \$350 a month. *Hill v. Billings*, — M —, 328 P 2d 1112, 1115.

- Section 11-2008. Fire protection—creation of fire districts—contracts with cities, towns and private service—dissolution and change of boundaries.  
 11-2010. Trustees of fire districts—appointment—powers.  
 11-2030. Fire insurance premium tax to be paid into fund.

**11-2008. (5148) Fire protection—creation of fire districts—contracts with cities, towns and private service—dissolution and change of boundaries.** (a) The board of county commissioners is authorized to establish fire districts in any unincorporated territory, town or village upon presentation of a petition in writing signed by the owners of fifty per cent (50%) or more of the area included within the proposed district who constitute a majority of the taxpayers who are freeholders of such area, and whose names appear upon the last completed assessment roll; the board shall within ten (10) days after the receipt of such petition; give notice of the hearing thereof at least ten (10) days prior thereto by causing notices of the time and place of such hearing to be posted in at least three (3) of

the most public places within the area proposed to be established as a fire district, and published at least once not less than ten (10) or more than twenty (20) days prior to the time of said hearing in a newspaper regularly published in the county in which such proposed district is situated. The board shall proceed to hear the said petition at the time set therefor, or at any time within five (5) days thereafter to which the same shall have been postponed or continued with due notice, and may grant the same unless it shall be established thereat that the petition bears insufficient signatures as above required, or, if originally sufficient, that by reason of written withdrawals thereof it has become insufficient. The board shall render its decision within thirty (30) days after said hearing. At the time of the annual levy of taxes the board of county commissioners may levy a special tax upon all property within such districts for the purpose of buying or maintaining fire protection facilities and apparatus for such districts, or for the purpose of paying to a city, town or private fire service the consideration provided for in any contract with the council of such city, town or private fire service for the purpose of furnishing fire protection service to property within such district, and such tax must be collected as are other taxes. That the relationship between the fire district and the city, town or private fire service shall be that of an independent contractor.

(b) Any fire district organized under this act may be dissolved by the board of county commissioners upon presentation of a petition therefor signed by the owners of fifty per cent (50%) or more of the area included within such fire district and who constitute a majority of the taxpayers who are freeholders of such area, and whose names appear upon the last completed assessment roll. The procedure and requirements outlined in subsection (a) above shall apply to such requests for dissolution of fire districts.

(c) Change of boundaries—division. Fire districts may be divided in the following manner: Whenever a petition in writing shall be made to the county commissioners, signed by the owners of twenty per cent (20%), or more, of an area proposed to be detracted from the original district, and who constitute twenty per cent (20%), or more, of the taxpayers who are freeholders within such proposed detracted area, whose names appear upon the last completed assessment roll, the county commissioners shall, within ten (10) days from the receipt of such petition give notice of the hearing of said petition by causing to be posted, a notice thereof at least ten (10) days prior to the time appointed by them for the consideration of said petition, in at least three (3) of the most public places within the proposed detracted area, and also in at least three (3) of the most public places within the remaining area. The petition for detraction shall describe the boundaries of the proposed detracted area, and also the boundaries of the remaining area. The county commissioners shall, on the day fixed for hearing such petition (or on any legally postponed day), proceed to hear said petition; and said petition shall be granted, and the original district shall thereupon be divided into separate districts, unless at the time of the hearing on such petition protests shall be presented by the owners of fifty per cent (50%), or more, of the area included within

the entire original district, and who constitute a majority of the taxpayers who are freeholders of the entire original district, and whose names appear upon the last completed assessment roll. If such required amount of protests are presented, the petition for division shall be disallowed. Upon the division of districts, moneys on hand shall be apportioned between the divided areas according to their respective taxable valuations; all other assets of the original district shall become the property of the remaining area, but a reasonable value shall be placed upon such "other assets" and the remaining area shall become indebted to the detracted area for its proportionate share thereof, based upon taxable valuations. Provided, however, that any detracted area shall remain liable for any existing warrant and bonded indebtedness of the original district.

(d) Change of boundaries—annexation. Adjacent territory that is not already a part of a fire district may be annexed in the following manner: A petition in writing by the owners of fifty per cent (50%), or more, of the adjacent area proposed to be annexed, and who constitute a majority of the taxpaying freeholders within such proposed area to be annexed, whose names appear upon the last completed assessment roll, shall be presented to the board of county commissioners. The commissioners shall hold a hearing on such petition, in accordance with the procedure outlined in subsection (c) above: and shall allow the annexation of such proposed adjacent territory, unless protests are presented at the hearing by the owners of fifty per cent (50%), or more, of the area included within the original district, and who constitute a majority of the taxpaying freeholders within the original district. Such annexed territory shall become liable for any outstanding warrant and bonded indebtedness of the original district.

Adjacent territory that is already a part of a fire district may withdraw from such fire district and become annexed to another fire district in the following manner: A petition in writing by the owners of fifty per cent (50%), or more, of an area which is part of any organized fire district, and who constitute a majority of the taxpaying freeholders within such area, according to the last completed assessment roll, shall be presented to the county commissioners asking that such area be transferred to, and included in, any other organized fire district to which said area is adjacent. Said petition must set forth the change of boundaries to be affected by such proposed transfer of area. The commissioners shall hold a hearing on the petition in accordance with the procedure outlined in subsection (c), above; and the withdrawal and annexation shall be allowed unless protests are presented at the hearing by the owners of fifty per cent (50%), or more, of the area included within either district affected, and who constitute a majority of the taxpaying freeholders of either district, according to the last completed assessment roll, and provided, that such withdrawals and annexation shall be allowed only upon a showing of more advantageous proximity and communications with the fire-fighting facilities of the other district.

A city may create a special improvement district for street improvements where the street is also a part of a state highway and, in such instance, the con-

tracts for the work must be awarded by the state highway commission. *Wood v. City of Kalispell*, 131 M 390, 310 P 2d 1058, 1062.

### 11-2204. (5227) Resolution of intention—notice—materials.

(1). \* \* \* [Same as parent volume.]

(2) Upon having passed such resolution the council must give notice of the passage of such resolution of intention, which notice must be published for five days in a daily newspaper, or in some one issue of a weekly paper published in the city or town, or in case no newspaper be published in such city, then by posting for five days in three public places in the city or town, and a copy of such notice shall be mailed to every person, firm, or corporation, or the agent of such person, firm, or corporation having real property within the proposed district listed in his name upon the last completed assessment roll for state, county and school district taxes, at his last known address, upon the same day such notice is first published or posted. Such notice must describe the general character of the improvement or the improvements so proposed to be made, and state the estimated cost thereof, and designate the time when and the place where the council will hear and pass upon all protests that may be made against the making of such improvements, or the creation of such district; and said notice shall refer to the resolution on file in the office of the city clerk for the description of the boundaries. The city council may include in one proceeding under one resolution of intention and in one contract any of the different kinds of work mentioned in this act, and any number of streets and rights-of-way, or portions thereof, and it may except therefrom any of said work, already done, upon a street to the official grade.

(3) and (4). \* \* \* [Subdivisions (3) and (4), same as parent volume.]

**History:** En. Sec. 3, Ch. 89, L. 1913; amd. Sec. 2, Ch. 142, L. 1915; re-en. Sec. 5227, R. C. M. 1921; amd. Sec. 1, Ch. 261, L. 1959.

#### Amendment

The 1959 amendment in subd. (2) inserted the word "real" before the word "property" and inserted the words "listed

in his name upon the last completed assessment roll for state, county and school district taxes."

#### Repealing Clause

Section 2 of Ch. 261, Laws 1959 repealed all acts and parts of acts in conflict therewith.

#### Construction of Section

The words "approximate estimate" should not be construed liberally. *Koich v. Helena*, 132 M 194, 315 P 2d 811, 814, 815.

#### Notice

Until there is service of notice in strict compliance with the statute, no jurisdiction would attach to the municipality. *Wood v. City of Kalispell*, 131 M 390, 310 P 2d 1058.

Notice of the resolution of intention given by city to landowners was not sufficient where it did not contain an "approximate estimate" of the cost of improvements, the original estimate having been increased by 7½%. *Koich v. Helena*, 132 M 194, 315 P 2d 811, 816.

The landowner whose property is affected by the special improvement district must be given notice of the intention of the city's intent to create one. The notice must be sufficiently definite to apprise the landowner of the extent, nature and cost of the various improvements proposed.

*Koich v. Helena*, 132 M 194, 315 P 2d 811, 814.

#### Operation and Effect

A special improvement district for the purpose of raising funds was void where one of the property owners affected was not mailed a notice. *Wood v. City of Kalispell*, 131 M 390, 310 P 2d 1058.

#### Public Hearing

The statute contemplates a public hearing where the various objections made to the resolution of intention may be aired before actual work on the project has commenced. *Koich v. Helena*, 132 M 194, 315 P 2d 811, 813.

#### Purpose of Resolution

Notification is the prime purpose of the statute so that taxpayers will not be burdened with some improvement which they do not want, cannot afford, or do not need. *Koich v. Helena*, 132 M 194, 315 P 2d 811, 813.

The essential purpose of a resolution of intention is to: (1) apprise the taxpayers that the city intends to propose a special improvement district; (2) what area will be encompassed in the district; (3) what type and character of improvements will be included within the district; and (4) the cost of the improvements to be made. *Koich v. Helena*, 132 M 194, 315 P 2d 811, 813.

#### **Title of Act**

An act to provide for the rehabilitation, redevelopment, and clearance of blighted areas in cities and towns in this state in accordance with urban renewal plans approved by the governing bodies thereof; to define the duties, liabilities, exemptions and powers of such cities and towns in undertaking such activities, including the power to acquire property through the exercise of the power of eminent domain or otherwise; to dispose of property subject to any restrictions deemed necessary to prevent the development or spread of

future deteriorated or blighted areas, to issue revenue bonds and other obligations, to levy taxes and assessments and to enter into agreements to secure federal aid and comply with conditions imposed in connection therewith; to provide for an urban renewal agency and its powers hereunder if a city or town determines it to be in the public interest; to authorize public bodies to furnish funds, services, facilities and property in aid of urban renewal projects hereunder, and to provide that properties while held by a public agency hereunder shall be exempt from taxation.

**11-3902. Findings and declarations of necessity.** It is hereby found and declared that blighted areas which constitute a serious and growing menace, injurious to the public health, safety, morals and welfare of the residents of the state exist in municipalities of the state; that the existence of such areas contributes substantially and increasingly to the spread of disease and crime and depreciation of property values, constitutes an economic and social liability, substantially impairs or arrests the sound growth of municipalities, retards the provision of housing accommodations, aggravates traffic problems and substantially impairs or arrests the elimination of traffic hazards and the improvement of traffic facilities; and that the prevention and elimination of such areas is a matter of state policy and state concern in order that the state and its municipalities shall not continue to be endangered by areas which are focal centers of disease, promote juvenile delinquency, are conducive to fires, are difficult to police and to provide police protection for, and, while contributing little to the tax income of the state and its municipalities, consume an excessive proportion of its revenues because of the extra services required for police, fire, accident, hospitalization and other forms of public protection, services, and facilities.

It is further found and declared that certain of such areas, or portions thereof, may require acquisition, clearance, and disposition subject to use restrictions, as provided in this act, since the prevailing condition of decay may make impracticable the reclamation of the area by rehabilitation; that other areas or portions thereof may, through the means provided in this act, be susceptible of rehabilitation in such a manner that the con-

ditions and evils hereinbefore enumerated may be eliminated, remedied or prevented; and that to the extent feasible salvable blighted areas should be rehabilitated through voluntary action and the regulatory process.

It is further found and declared that the powers conferred by this act are for public uses and purposes for which public money may be expended and the power of eminent domain exercised; and that the necessity in the public interest for the provisions herein enacted is hereby declared as a matter of legislative determination.

**History:** En. Sec. 2, Ch. 195, L. 1959.

**11-3903. Encouragement of private enterprise.** A municipality, to the greatest extent it determines to be feasible in carrying out the provisions of this act, shall afford maximum opportunity, consistent with the sound needs of the municipality as a whole, to the rehabilitation or redevelopment of the urban renewal area by private enterprise. A municipality shall give consideration to this objective in exercising its powers under this act, including the formulation of a workable program, the approval of urban renewal plans (consistent with the comprehensive plan or parts thereof for the municipality), the exercise of its zoning powers, the enforcement of other laws, codes and regulations relating to the use of land and the use and occupancy of buildings and improvements, the disposition of any property acquired, and the provision of necessary public improvements.

**History:** En. Sec. 3, Ch. 195, L. 1959.

**11-3904. Workable program.** A municipality for the purposes of this act may formulate a workable program for utilizing appropriate private and public resources to eliminate, and prevent the development or spread of, blighted areas, to encourage needed urban rehabilitation, to provide for the redevelopment of such areas, or to undertake such of the aforesaid activities, or other feasible municipal activities as may be suitably employed to achieve the objectives of such workable program. Such workable program may include, without limitation, provision for; the prevention of the spread of blight into areas of the municipality which are free from blight through diligent enforcement of housing, zoning, and occupancy controls and standards; the rehabilitation of blighted areas or portions thereof by replanning, removing congestion, providing parks, playgrounds and other public improvements, by encouraging voluntary rehabilitation and by compelling the repair and rehabilitation of deteriorated or deteriorating structures; and the clearance and redevelopment of blighted areas or portions thereof.

**History:** En. Sec. 4, Ch. 195, L. 1959.

**11-3905. Finding of necessity by local governing body.** No municipality shall exercise any of the powers hereafter conferred upon municipalities by this act until after its local governing body shall have adopted a resolution finding that: (1) one or more blighted areas exist in such municipality; and (2) the rehabilitation, redevelopment, or a combination thereof, of such area or areas is necessary in the interest of the public health, safety, morals, or welfare of the residents of such municipality; and (3) that the proposed urban renewal project has been approved by

the taxpayers of such municipality at an election as provided in section 6, subsection (g) [11-3906] thereof.

**History:** En. Sec. 5, Ch. 195, L. 1959.

**11-3906. Preparation and approval of urban renewal projects and urban renewal plans.** (a) A municipality shall not approve an urban renewal project for an urban renewal area unless the local governing body has, by resolution, determined such area to be a blighted area and designated such area as appropriate for an urban renewal project. The local governing body shall not approve an urban renewal plan until a comprehensive plan or parts of such plan for an area which would include an urban renewal area for the municipality have been prepared. For this purpose and other municipal purposes, authority is hereby vested in every municipality to prepare, to adopt, and to revise from time to time, a comprehensive plan or parts thereof for the physical development of the municipality as a whole (giving due regard to the environs and metropolitan surroundings), to establish and maintain a planning commission for such purpose and related municipal planning activities, and to make available and to appropriate necessary funds therefor. A municipality shall not acquire real property for an urban renewal project unless the local governing body has approved the urban renewal project plan in accordance with subsection (d) hereof.

(b) The municipality may itself prepare or cause to be prepared an urban renewal plan, or any person or agency, public or private, may submit such a plan to the municipality. Prior to its approval of an urban renewal project, the local governing body shall submit such plan to the planning commission of the municipality for review and recommendations as to its conformity with the comprehensive plan or parts thereof for the development of the municipality as a whole. The planning commission shall submit its written recommendations with respect to the proposed urban renewal plan to the local governing body within sixty (60) days after receipt of it. Upon receipt of the recommendations of the planning commission, or if no recommendations are received within said sixty (60) days, then without such recommendations, the local governing body may proceed with the hearing on the proposed urban renewal project plan prescribed by subsection (c) hereof.

(c) The local governing body shall hold a public hearing on an urban renewal plan after public notice thereof. Such notice shall be given by publication once each week for two consecutive weeks not less than ten (10) nor more than thirty (30) days prior to the date of the hearing in a newspaper having a general circulation in the urban renewal area of the municipality and by mailing a notice of such hearing not less than ten (10) days prior to the date of the hearing to the persons whose names appear on the county treasurer's tax roll as the owner or reputed owner of the property, at the address shown on the tax roll. The notice shall describe the time, date, place, and purpose of the hearing, shall generally identify the urban renewal area affected, and shall outline the general scope of the urban renewal plan under consideration.

(d) Following such hearing, the local governing body may approve an urban renewal project if it finds that (1) a workable and feasible plan

exists for making available adequate housing for the persons who may be displaced by the project; (2) the urban renewal plan conforms to the comprehensive plan or parts thereof for the municipality as a whole; (3) the urban renewal plan will afford maximum opportunity, consistent with the sound needs of the municipality as a whole, for the rehabilitation or redevelopment of the urban renewal area by private enterprise; and (4) that a sound and adequate financial program exists for the financing of said project.

Provided, that the local governing body must find the urban renewal project area to be blighted area as defined in section 1 (b) [11-3901] hereof.

(e) An urban renewal project plan may be modified at any time by the local governing body: Provided, that if modified after the lease or sale by the municipality of real property in the urban renewal project area, such modification shall be subject to such rights at law or in equity as a lessee or purchaser, or his successor or successors in interest may be entitled to assert.

(f) Upon the approval of an urban renewal project by a municipality, the provisions of the urban renewal plan with respect to the future use and building requirements applicable to the property covered by said plan shall be controlling with respect thereto.

(g) Upon the approval of an urban renewal project by a municipality the plan shall be submitted to a vote of the taxpayers of such municipality and shall be approved by a majority of those taxpayers voting in such election.

**History: En. Sec. 6, Ch. 195, L. 1959.**

**11-3907. Powers.** Every municipality shall have all the power necessary or convenient to carry out and effectuate the purposes and provisions of this act, including the following powers in addition to others herein granted:

(a) To undertake and carry out urban renewal projects within the municipality, to make and execute contracts and other instruments necessary or convenient to the exercise of its powers under this act, and to disseminate blight clearance and urban renewal information.

(d) To invest any urban renewal project funds held in reserves or sinking funds or any such funds which are not required for immediate disbursement, in property or securities in which mutual savings banks may legally invest funds subject to their control; to redeem such bonds as have been issued pursuant to section 10 [11-3910] of this act at the redemption price established therein or to purchase such bonds at less than redemption price, all such bonds so redeemed or purchased to be cancelled.

(e) To borrow money and to apply for, and accept, advances, loans, grants, contributions and any other form of financial assistance from the federal government, the state, county, or other public body, or from any sources, public or private, for the purposes of this act, and to enter into and carry out contracts in connection therewith. A municipality may include in any application or contract for financial assistance with the federal government for an urban renewal project such conditions imposed pursuant to federal laws as the municipality may deem reasonable and appropriate and which are not inconsistent with the purposes of this act.

(f) Within the municipality, to make or have made all plans necessary to the carrying out of the purposes of this act and to contract with any person, public or private, in making and carrying out such plans and to adopt or approve, modify, and amend such plans. Such plans may include, without limitation: (1) a comprehensive plan or parts thereof for the locality as a whole, (2) urban renewal plans, (3) plans for carrying out a program of voluntary or compulsory repair and rehabilitation of buildings and improvements, (4) plans for the enforcement of state and local laws, codes, and regulations relating to the use of land and the use and occupancy of buildings and improvements and to the compulsory repair, rehabilitation, demolition, or removal of buildings and improvements, and (5) appraisals, title searches, surveys, studies, and other preliminary plans and work necessary to prepare for the undertaking of urban renewal projects. The municipality is authorized to develop, test, and report methods and techniques, and carry out demonstrations and other activities, for the prevention and the elimination of

urban blight and to apply for, accept, and utilize grants of, funds from the federal government for such purposes.

(g) To prepare plans for the relocation of families displaced from an urban renewal area, and to make relocation payments and to coordinate public and private agencies in such relocation, including requesting such assistance for this purpose as is available from other private and governmental agencies, both for the municipality and other parties.

(h) To appropriate such funds and make such expenditures as may be necessary to carry out the purposes of this act, and in accordance with state law; (1) levy taxes and assessments for such purposes; (2) acquire land by negotiation and/or eminent domain; (3) close, vacate, plan, or replan streets, roads, sidewalks, ways, or other places; (4) plan or replan, zone or rezone any part of the municipality; (5) adopt annual budgets for the operation of an urban renewal agency, department, or offices vested with urban renewal project powers under section 15 [11-3915] of this act; (6) enter into agreements with such agencies or departments (which agreements may extend over any period) respecting action to be taken by such municipality pursuant to any of the powers granted by this act.

(i) Within the municipality, to organize, coordinate, and direct the administration of the provisions of this act as they apply to such municipality in order that the objective of remedying blighted areas and preventing the causes thereof within such municipality may be most effectively promoted and achieved, and to establish such new office or offices of the municipality or to reorganize existing offices in order to carry out such purpose most effectively.

(j) To exercise all or any part or combination of powers herein granted.

(k) Nothing in this act shall be construed to authorize any municipality to construct or operate, as a part of any urban renewal project, any electric generation plant, electric transmission or distribution lines or other public utility facilities excepting water and sewer lines then operated by municipalities.

**History: En. Sec. 7, Ch. 195, L. 1959.**

**11-3908. Eminent domain.** A municipality shall have the right to acquire by condemnation, any interest in real property, which it may deem necessary for an urban renewal project under this act after the adoption by the local governing body of a resolution declaring that the acquisition of the real property described therein is necessary for such purpose. Condemnation for urban renewal of blighted areas is declared to be a public use, and property already devoted to any other public use or acquired by the owner or his predecessor in interest by eminent domain may be condemned for the purposes of this act.

The award of compensation for real property taken for such a project shall not be increased by reason of any increase in the value of the real property caused by the assembly, clearance, or reconstruction, or proposed assembly, clearance, or reconstruction in the project area. No allowance shall be made for the improvements begun on real property after notice to the owner of such property of the institution of proceedings to

condemn such property. Evidence shall be admissible bearing upon the insanitary, unsafe, or substandard condition of the premises, or the unlawful use thereof.

**History:** En. Sec. 8, Ch. 195, L. 1959.

**11-3909. Provided, that such sale, lease, other transfer, or retention, and any agreement relating thereto, may be made only after the approval of the urban renewal plan by the local governing body. The purchasers or lessees and their successors and assigns shall be obligated to devote such real property only to the uses specified in the urban renewal plan, and may be obligated to comply with such other requirements as the municipality may determine to be in the public interest, including the obligation to begin, within a reasonable time, any improvements on such real property required by the urban renewal plan. Such real property or interest shall be sold, leased, otherwise transferred, or retained at not less than its fair value for uses in accordance with the urban renewal plan. In determining the fair value of real property for uses in accordance with the urban renewal plan, a municipality shall take into account, and give consideration to, the uses provided in such plan; the restrictions upon, and the covenants, conditions, and obligations assumed by, the purchaser or lessee or by the municipality retaining the property; and the objectives of such plan for the prevention of the recurrence of blighted areas. The municipality in any instrument of conveyance to a private purchaser or lessee may provide that such purchaser or lessee shall be without power to sell, lease, or otherwise transfer the real property without the prior written consent of the municipality until he has completed the construction of any and all improvements which he has obligated himself to construct thereon. Real property acquired by a municipality which, in accordance with the provisions of the urban renewal plan, is to be transferred, shall be transferred as rapidly as feasible, in the public interest, consistent with the carrying out of the provisions of the urban renewal plan. The inclusion in any such contract or conveyance to a purchaser or lessee of any such covenants, restrictions, or conditions (including the incorporation by reference therein of the provisions of an urban renewal plan or any part thereof) shall not prevent the recording of such contract or conveyance in the land records of the clerk and recorder or the county in which such city or town is located, in such manner as to afford actual or constructive notice thereof.

(b) A municipality may dispose of real property in an urban renewal area to private persons only under such reasonable competitive bidding procedures as it shall prescribe or as hereinafter provided in this subsection. A municipality may, by public notice by publication once each week for three consecutive weeks in a newspaper having a general circulation in the community, prior to the execution of any contract or deed to sell, lease, or otherwise transfer real property and prior to the delivery of any instrument of conveyance with respect thereto under the provisions of this section, invite bids from, and make available all pertinent information to, private redevelopers or any persons interested in undertaking to redevelop or rehabilitate an urban renewal area, or any part thereof. Such notice shall identify the area, or portion thereof and shall state that such further information as is available may be obtained at such office as shall be designated in said notice. The municipality shall consider all redevelopment or rehabilitation bids and the financial and legal ability of the persons making such bids to carry them out. The municipality may accept such bids as it deems to be in the public interest and in furtherance of the purposes of this act. Thereafter, the municipality may execute, in accordance with the provisions of subsection (a), and deliver contracts, deeds, leases, and other instruments of transfer.

(c) A municipality may operate and maintain real property acquired in an urban renewal area pending the disposition of the property for redevelopment, without regard to the provisions of subsection (a) above, for such uses and purposes as may be deemed desirable even though not in conformity with the urban renewal plan. Provided, however, that the municipality may, after a public hearing, extend the time for a period not to exceed three years.

**History:** En. Sec. 9, Ch. 195, L. 1959.

**11-3910. Such bonds shall not pledge the general credit of the municipality and shall be made payable, as to both principal and interest, solely from the income, proceeds, revenues, and funds of the municipality derived from, or held in connection with, its undertaking and carrying out of urban renewal projects under this act; provided, however, that payment of such bonds, both as to principal and interest, may be further secured by a pledge of any loan, grant, or contribution from the federal government or other source, in aid of any urban renewal projects of the municipality under this act.

(b) Bonds issued under this section shall not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction, and shall not be subject to the provisions of any other law or charter relating the authorization, issuance, or sale of bonds. (d) Such bonds may be sold at not less than ninety-eight per cent (98%) of par at public or private sale, or may be exchanged for other bonds on the basis of par: Provided, that such bonds may be sold to the federal government at private sale at not less than par and, in the event less than all of the authorized principal amount of such bonds is sold to the federal government, the balance may be sold at public or private sale at not less than ninety-eight per cent (98%) of par at an interest cost to the municipality of not to exceed the interest cost to the municipality of the portion of the bonds sold to the federal government.

(e) The municipality may annually pay into a fund to be established for the benefit of such bonds any and all excess of the taxes received by it from the same property over and above the average of the annual taxes authorized without vote for a five-year period immediately preceding the acquisition of the property by the municipality for renewal purposes, such payment to continue until such time as all bonds payable from the fund are paid in full. Any other taxing unit in a municipality is authorized to allocate a like amount of such excess taxes to the municipality or municipalities in which it is situated.

(f) In case any of the public officials of the municipality whose signatures appear on any bonds or coupons issued under this act shall cease to be such officials before the delivery of such bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if such officials had remained in office until such delivery. Any provision of any law to the contrary notwithstanding, any bonds issued pursuant to this act shall be fully negotiable.

(g) In any suit, action, or proceeding involving the validity or enforceability of any bond issued under this act or the security therefor, any such bond reciting in substance that it has been issued by the municipality in connection with an urban renewal project, as herein defined, shall be conclusively deemed to have been issued for such purpose and such project shall be conclusively deemed to have been planned, located, and carried out in accordance with the provisions of this act.

**History:** En. Sec. 10, Ch. 195, L. 1959.

Such bonds and other obligations shall be authorized security for all public deposits. It is the purpose of this section to authorize any persons, political subdivisions, and officers, public or private, to use any funds owned or controlled by them for the purchase of any such bonds or other obligations. Nothing contained in this section with regard to legal investments shall be construed as relieving any person of any duty of exercising reasonable care in selecting securities.

**11-3915. Exercise of powers in carrying out urban renewal project.** (a) A municipality may itself exercise its urban renewal project powers (as herein defined) or may, if the local governing body by resolution determines such action to be in the public interest, elect to have such powers exercised by the urban renewal agency (created by section 16 [11-3916]) or a department or other officers of the municipality as they are authorized to exercise under this act.

(b) In the event the local governing body makes such determination, such body may authorize the urban renewal agency or department or other officers of the municipality to exercise any of the following urban renewal project powers:

(3) To prepare recommended modifications to an urban renewal project plan.

Any powers granted in this act that are not included in section 15 (b) [subsection (b) of this section] as powers of the urban renewal agency or a department or other officers of a municipality in lieu thereof, may

only be exercised by the local governing body or other officers, boards, and commissions as provided under existing law.

**History:** En. Sec. 15, Ch. 195, L. 1959.

**11-3916. Urban renewal agency.** (a) When a municipality has made the finding prescribed in section 5 [11-3905] and has elected to have the urban renewal project powers, as specified in section 15 [11-3915], exercised, such urban renewal project powers may be assigned to a department or other officers of the municipality or to any existing public body corporate, or the legislative body of a city may create an urban renewal agency in such municipality to be known as a public body corporate to which such powers may be assigned.

(b) If the urban renewal agency is authorized to transact business and exercise powers hereunder, the mayor, by and with the advice and consent of the local governing body, shall appoint a board of commissioners of the urban renewal agency which shall consist of five commissioners. The initial membership shall consist of one commissioner appointed for one year, one for two years, one for three years, and two for four years; and each appointment thereafter shall be for four years.

(c) A commissioner shall receive no compensation for his services but shall be entitled to the necessary expenses, including traveling expenses, incurred in the discharge of his duties. Each commissioner shall hold office until his successor has been appointed and has qualified. A certificate of the appointment or reappointment of any commissioner shall be filed with the clerk of the municipality and such certificate shall be conclusive evidence of the due and proper appointment of such commissioner.

The powers and responsibilities of an urban renewal agency shall be exercised by the commissioners thereof. A majority of the commissioners shall constitute a quorum for the purpose of conducting business and exercising the powers and responsibilities of the agency and for all other purposes. Action may be taken by the agency upon a vote of a majority of the commissioners present, unless in any case the by-laws shall require a larger number. Any persons may be appointed as commissioners if they reside within the municipality.

The urban renewal agency or department or officers exercising urban renewal project powers shall be staffed with the necessary technical experts and such other agents and employees, permanent and temporary, as it may require. An agency authorized to transact business and exercise powers under this act shall file, with the local governing body, on or before March 31 of each year, a report of its activities for the preceding calendar year, which report shall include a complete financial statement setting forth its assets, liabilities, income, and operating expense as of the end of such calendar year. At the time of filing the report, the agency shall publish in a newspaper of general circulation in the community a notice to the effect that such report has been filed with the municipality and that the report is available for inspection during business hours in the office of the city clerk and in the office of the agency.

(d) For inefficiency, neglect of duty, or misconduct in office, a commissioner may be removed.

**History:** En. Sec. 16, Ch. 195, L. 1959.

**11-3917. Prohibition against discrimination.** For all of the purposes of this act, no person shall, because of race, creed, color, or national origin, be subjected to any discrimination.

**History:** En. Sec. 17, Ch. 195, L. 1959.

**11-3918. Interested public officials, commissioners, or employees.** No public official, or employee of a municipality or urban renewal agency or department or officers which have been vested by a municipality with urban renewal project powers and responsibilities under section 15 [11-3915], shall voluntarily acquire any interest, direct or indirect, in any urban renewal project, or in any property included or planned to be included in any urban renewal project of such municipality, or in any contract or proposed contract in connection with such urban renewal project. Where such acquisition is not voluntary, the interest acquired shall be immediately disclosed in writing to the local governing body and such disclosure shall be entered upon the minutes of the governing body. If any such official, department or division head owns or controls, or owned or controlled within two years prior to the date of hearing on the urban renewal project, any interest, direct or indirect, in any property which he knows is included in an urban renewal project, he shall immediately disclose this fact in writing to the local governing body, and such disclosure shall be entered upon the minutes of the governing body, and any such official, department or division head shall not participate in any action on that particular project by the municipality or urban renewal agency, department, or officers which have been vested with urban renewal project powers by the municipality pursuant to the provisions of section 15 [11-3915]. A majority of the commissioners of an urban renewal agency exercising powers pursuant to this act shall not hold any other public office under the municipality other than their commissionership or office with respect to such urban renewal agency, department, or offices. Any violation of the provisions of this section shall constitute misconduct in office.

**History:** En. Sec. 18, Ch. 195, L. 1959.

**11-3919. Separability—act controlling.** Notwithstanding any other evidence of legislative intent, it is hereby declared to be the controlling legislative intent that if any provision of this act, or the application thereof to any person or circumstances, is held invalid, the remainder of the act and the application of such provision to persons or circumstances other than those as to which it is held invalid, shall be not affected thereby.

Insofar as the provisions of this act are inconsistent with the provisions of any other law, the provisions of this act shall be controlling. The powers conferred by this act shall be in addition and supplemental to the powers conferred by any other law.

**History:** En. Sec. 19, Ch. 195, L. 1959.

**11-3920. Short title.** This act shall be known and may be cited as the "Urban Renewal Law."

#### 13-308. (7480) Actual fraud, acts constituting.

##### Bad Faith

Where seller of land made representation that he had authority to sell his brother's land, which was adjoining, whereas in fact he did not have such authority, and where other evidence indi-

cated that the seller made no effort to carry out other provisions of his contract for sale, the district court was correct in finding him guilty of bad faith. *Hart v. Honrud*, 131 M 284, 309 P 2d 329, 332.

##### Sale of Ranch

In action for specific performance of contract for purchase of ranch of defendants, writings were sufficient to take the case out of the statute of frauds where instrument giving broker exclusive right

for 30 days to sell ranch for \$30,000, provided that defendants were to pay broker a \$1,000 commission, recited that terms of sale were cash to defendants, possession should be taken by purchaser on named date and that defendants, who retained a 5% royalty, agreed to pay 1953 taxes and transfer all lease land to purchaser, who accepted unqualifiedly in writing accompanied by check as down payment. *Ward v. **13-707. (7532) Effect to be given to every part of contract.**

**Lease With Option to Buy**

Plaintiff's option to buy was exclusive and not conditioned upon defendants' decision to sell where instrument did not use the term "first option to buy" and the entire language of the agreement showed that plaintiff was given an exclusive option to buy the property described under the lease; that his method of exercising his option was by tendering \$1,500 to the defendant, as called for by "Plan No. 2." *Steen v. More isolated tracts, clauses and words will not be allowed to prevail over the general language utilized in the instrument. *Steen v. Rustad*, 132 M 96, 313 P 2d 1014, 1018.

**Property Settlement**

Agreements as to disposition of property between estranged husband and wife, which were obviously to become operative in the future when a divorce proceeding was instituted, with condition that resistance to divorce would render the property settlement nugatory, when construed together, facilitated divorce and were void as a violation of public policy. *Western Life Ins. Co. v. Bower*, 153 F Supp 25, 30.

Provision of property settlement agreement under which husband relinquished right to change beneficiary of life insurance policy, was severable from provisions facilitating divorce, and was enforceable, where wife presumably released certain property rights in consideration therefor. *Western Life Ins. A resolution of the board of county commissioners which extinguished the assessed tax of a taxpayer was void as such boards have no power, authority or jurisdiction under the constitution nor statutes to reduce, compromise, remit, release, cancel, diminish or extinguish any state tax, obligation or liability, nor any assessed tax valuation or percentage assignments of property after the same has been found, determined and fixed by the state board of equalization. #### **Repealing Clause**

Section 2 of Ch. 76, Laws 1957 repealed all acts and parts of acts in conflict therewith.

**16-1009. (4465.9) Sale of property.** (1) The board of county commissioners of the several counties in this state shall have the power to sell any property, real or personal, however acquired, belonging to the county, and which is not necessary to the conduct of the county's business or the preservation of its property. If the property, real or personal, sought to be sold, is reasonably of a value in excess of one hundred (\$100.00) dollars, the sale shall be at public auction at the courthouse door after previous notice given by publication in a newspaper published in said county, notice to be published once a week for four successive weeks and posted in five (5) public places in the county. The sale shall be for cash, or on such terms as the board of county commissioners may approve, provided at least twenty per cent (20%) of the purchase price shall

be paid in cash. In all sales of property of a value in excess of one hundred (\$100.00) dollars, there must before any sale be an appraisal thereof by the board and at a price representing a fair market value of such property, and such appraised value shall be stated in the notice of sale, provided, that whenever a county purchases equipment, as provided in section 16-1803, Revised Codes of Montana, 1947, county equipment which is not necessary to the conduct of the county business may be traded in as part of the purchase price after appraisal as herein provided, or may be sold at public auction as herein provided, in the discretion of the board of county commissioners.

(2) The board of county commissioners shall have the power to sell any property, real or personal, however acquired, belonging to the county and which is not necessary to the conduct of the county's business or the preservation of its property, to the school district directly for its appraised value which shall represent a fair market value of such property without the necessity of a public auction. If the property to be sold to the school district is reasonably of a value in excess of one hundred (\$100.00) dollars, notice of the sale shall be given by publication in a newspaper in said county, notice to be published once a week for four (4) successive weeks and posted in five (5) public places in the county.

(3) Any taxpayer who may believe that such appraised value is less than the actual value of the property, may at any time before the day fixed for the sale of such property, file with the board of county commissioners written objections to such appraised value. When any such objection is filed it vacates the sale and the board of county commissioners must at once apply to the judge of the district court to have such property re-appraised. Upon such application the district judge shall appoint for such purpose three (3) disinterested persons whose appraisal must be made and filed with the county clerk and recorder, which new appraisal or re-appraisal shall be used in the next sale of such property. Such appraisers, when appointed by the district judge, and after filing their appraisal report with the county clerk and recorder, shall be allowed five dollars (\$5.00) per day for each day necessarily employed in making such appraisal, and their necessary and actual expenses. No sale shall be made at public auction or to any school district without public auction of any property unless it has been appraised within three (3) months prior to the date of the sale, and no such sale shall be made for less than ninety per cent (90%) of the appraised value.

(4) If no bid or offer is made for any property offered for sale at public auction, after appraisal and notice given, as provided herein, the board of county commissioners may, at any time thereafter, sell such property at private sale, and may on such private sale accept as the purchase price therefor an amount not less than ninety per cent (90%) of the appraised value thereof. All deferred payments on the purchase price of any property sold, shall bear interest at the rate of six per cent (6%) per annum, payable annually and may be extended over a period of not more than five (5) years. If the property to be sold is reasonably of a value of less than one hundred dollars (\$100.00), sale thereof may be had at either public or private sale, as in the discretion of the board of county

commissioners, may appear to be to the best interests of the county. If it be at public sale, notice shall be given by posting in five (5) public places in the county at least five (5) days before the date of sale. No title to any property sold under the provisions hereof, shall pass from the county until the purchaser, or his assigns, shall have paid the full amount of the purchase price therefor, into the county treasury for the use and benefit of the county.

(5) Provided, however, if within one (1) year no immediate sale be had of real estate attempted to be sold under the provisions of this section, the board of county commissioners may make trades or exchanges of such real estate owned by the county for any other lands or real estate of equal value located within the same county.

(6) The funds derived from the sale in the discretion of the board of county commissioners may be credited to a construction reserve account and thereafter used for capital outlay for present or future construction of or an addition to a courthouse, or county jail or county hospital.

The treasurer shall take from such bank such security as the board of county commissioners, in the case of a county, or the council, in the case of a city or town, may prescribe, approve and deem fully sufficient and necessary to insure the safety and prompt payment of all such deposits, together with the interest on any time or savings deposits, provided that said board of county commissioners or city or town council is hereby authorized to deposit such public moneys not necessary for immediate use by such county, city or town with any bank authorized herein above in a time deposit as evidenced by certificates of deposit or deposits, which by agreement may not be withdrawn on less than thirty (30) days' notice by the said board of county commissioners, or city or town council; and provided that said board of county commissioners, or city or town council is hereby authorized to invest such public moneys not necessary for immediate use by such county, city or town, in direct obligations of the United States government, payable within not to exceed one hundred eighty (180) days from the time of such investment.

It shall be the duty of the board of county commissioners in the case of county funds, or the council in the case of funds of a city or town, upon the acceptance and approval of any of the above-mentioned bonds or securities, to make a complete minute entry of such acceptance and approval upon the record of their proceedings, and such bonds and securities shall be reapproved at least quarter annually thereafter.

(4) When more than one bank is available in any county, for the deposit of county funds, or in any city or town for the deposit of city or town funds, such deposits shall be distributed ratably among all of such banks qualifying therefor, substantially in proportion to the paid-in capital and surplus of each such bank willing to receive such deposits under the terms of this act, and it shall be the duty of said county, city or town treasurer to prorate all such deposits among all of the banks qualified to receive the same as in this act provided, to the end that an equitable distribution of such deposits shall be maintained.

Any bank or banks receiving such deposits, shall, through its president and cashier, make a statement quarter annually of account, under oath, showing all such moneys that have been deposited with such bank during the quarter, the amount of daily balance in dollars, and the amount of interest by such bank or banks credited or paid therefor, and showing that neither such bank nor any officer thereof, nor any person for it, has paid or given any consideration or emolument whatsoever to the treasurer or to any other person other than the interest provided for herein, for or on account of the making of such deposits, with any such bank. All such deposits shall be subject to withdrawal by the treasurer in such amounts as may be necessary from time to time, and no deposit of funds shall be made, or permitted to remain in any bank, until the security for such deposits shall have been first approved by the board of county commissioners in the case of county funds, or by the council in the case of city or town funds, and delivered to the treasurer.

(6) All interest paid and collected on such deposits or investments shall be credited to the general fund of the county, city or town to whose credit such funds are deposited. - (d) the general character of the sanitary and/or storm sewer system and its proposed location,

- (f) the estimated cost thereof.

**History:** En. Sec. 1, Ch. 185, L. 1957.

#### **Title of Act**

An act relating to the creation of metropolitan sanitary and storm sewer districts to serve inhabitants of both cities and incorporated towns and rural areas within counties; to empower the county commissioners to create metropolitan sanitary districts with the consent of city or town councils for the purpose of constructing sanitary or storm sewer systems; provid-

ing for the levy and collection of special assessments to pay for the same; and to adequately maintain same and extend payment of installments over any period not exceeding twenty years; to provide for the issuance of special improvement warrants or bonds in such metropolitan sanitary or storm sewer districts; providing for the powers and duties of the county commissioners in respect thereto; and repealing chapter 292, Laws of 1947.

**16-4402. City or town concurrence in resolution—notice.** Upon passage of such resolution of intention, the board of county commissioners shall transmit a copy of the same to the executive head of any city or town within the proposed district for consideration by such city or town council, and if the city or town council shall by resolution concur in the resolution of the board of county commissioners a copy of the resolution of concurrence shall be transmitted to the board of county commissioners.

If the city or town council does not concur in the resolution of the board of county commissioners, the board shall have no authority to proceed further with the creation of the district. However, if the city or town council concurs in the resolution of the board of county commissioners, the board must give notice of the passage of its resolutions of intention, and of the concurrence therein by the city or town council, which notice must be published for ten consecutive days in a daily newspaper or

in two issues of a weekly newspaper published nearest to the place where such improvement district is to be created, and shall also cause to be posted within the boundaries of such special improvement district, a copy of such notice in three public places, and a copy of such notice shall be mailed to every person, firm or corporation, or the agent of such person, firm or corporation owning property within the proposed district, at his last known place of residence upon the same day such notice is first published or posted.

Such notice must describe the general character of the improvement, or improvements, so proposed to be made, state the estimated cost thereof, and designate the time when, and the place where, the board of county commissioners will hear and pass upon all protests that may be made against the making or maintenance of such improvements, or the creation of such district, and the said notice shall refer to the resolution on file in the office of the county clerk for the description of the boundaries.

**History:** En. Sec. 2, Ch. 185, L. 1957.

**16-4403. Protests and hearing.** At any time within thirty days after the date of the first publication of the passage of the resolution or intention, any owner of property liable to be assessed for said work may make written protest against the proposed work. Such protest must be in writing and be delivered to the county clerk, who shall endorse thereon the date of the receipt by him. At the next regular meeting of the board of county commissioners, after the expiration of the time within which said protest may be so made, the board of county commissioners shall proceed to hear and pass upon all protests so made, and its decision shall be final and conclusive; provided, however, if the protest against the proposed work is made by the owners of more than fifty per cent of the area in the proposed district, no further proceedings shall be taken by the board of county commissioners.

In determining whether or not sufficient protests have been filed in the proposed district to prevent further proceedings therein, property owned by the city, county, and school districts shall be considered the same as any other property in the district. The board of county commissioners may adjourn said hearing from time to time.

**History:** En. Sec. 3, Ch. 185, L. 1957.

**16-4404. Resolution creating district.** When no protests have been delivered to the county clerk within thirty days after the date of the first publication of the notice of the passing of the resolution of intention, or when a protest shall have been found by said board of county commissioners to be insufficient, or shall have been overruled, immediately thereupon the board of county commissioners shall be deemed to have acquired jurisdiction to order improvements, but before ordering any of the said proposed improvements, the board of county commissioners shall pass a resolution creating the said metropolitan sanitary and/or storm sewer district in accordance with the resolution of intention theretofore introduced and passed by the board of county commissioners.

**History:** En. Sec. 4, Ch. 185, L. 1957.

**16-4405. Description.** In all resolutions, notices, orders, and determinations subsequent to the resolution of intention and notice of improvements it shall be sufficient to briefly describe the work or the metropolitan sanitary and/or storm sewer district, or both, and to refer to the resolution of intention for further particulars.

**History:** En. Sec. 5, Ch. 185, L. 1957.

**16-4406. Federal property omitted from assessment.** Whenever any lot, piece or parcel of land belonging to the United States or mandatory of the government shall front upon the proposed work or improvement, or is to be included within the district declared by the board of county commissioners in its resolution of intention to be a district to be assessed to pay the cost and expenses thereof, the said board of county commissioners shall in the resolution of intention declare that the said lots, pieces or parcels of land or any of them shall be omitted from the assessment thereto to be made to cover the cost and expenses of said work or improvement, and the cost of said work or improvement in front of said lots, pieces or parcels of land shall be paid by the county from its general fund.

**History:** En. Sec. 6, Ch. 185, L. 1957.

**16-4407. Method of assessment.** To defray the cost of installing and maintaining either sanitary or storm sewer systems under the provisions of this act, the board of county commissioners shall adopt the following method of assessment: The board of county commissioners shall assess the entire cost of the improvements against the entire metropolitan sanitary district, and each lot or parcel of land assessed in such district is to be assessed with that part of the whole cost which its area bears to the area of the entire district, exclusive of streets, avenues, alleys and public places.

**History:** En. Sec. 7, Ch. 185, L. 1957.

**16-4408. Cost of making improvements in special improvement districts—resolution, levy, and assessment.** To defray the cost of making improvements in any special improvement district, the board of county commissioners shall, by resolution, levy and assess a tax upon all property in the district created for such purpose, by using for a basis for such assessment the method provided for by this act. Such resolution shall contain a description of each lot or parcel of land, with the name of the owner, if known, and the amount of each partial payment, when made, and the day when the same shall become delinquent. The payment of the assessment to defray the cost of constructing any improvements in said metropolitan sanitary and/or storm sewer districts may be spread over a term of not to exceed twenty (20) years, payment to be made in equal installments.

**History:** En. Sec. 8, Ch. 185, L. 1957.

**16-4409. Resolution—notice—hearing.** Such resolution, signed by the chairman of the board of county commissioners, shall be kept on file in the office of the county clerk, and a notice signed by the county clerk, stating that the resolution levying a special assessment to defray the cost of making such improvements is on file in the office of the county

clerk, subject to inspection, shall be published in at least one publication in a newspaper published nearest to where the special improvement is to be made. Such notice shall state the time and place in which objections to the final adoption of such resolution will be heard by the board of county commissioners, and the time for such hearing shall be not less than five days after the publication of such notice. At the time so fixed, the board of county commissioners shall meet and hear all such objections, and for that purpose may adjourn from day to day and may by resolution modify such assessment in whole or in part. A copy of such resolution, certified by the county clerk, must be delivered to the county treasurer two days after its passage.

**History:** En. Sec. 9, Ch. 185, L. 1957.

**16-4410. Assessments as lien.** Any special assessment made and levied to defray the cost and expenses of any of the work enumerated in this act, together with any percentages imposed for delinquency and for cost of collection, shall constitute a lien upon and against the property upon which such assessment is made and levied, and from and after the date of the passage of the resolution levying such assessment, which lien can only be extinguished by payment of such assessment, with all penalties, costs and interest.

**History:** En. Sec. 10, Ch. 185, L. 1957.

**16-4411. Ex-officio commissioners of district—jurisdiction.** The board of county commissioners shall be ex-officio commissioners of the metropolitan sanitary and/or storm sewer district formed under the provisions of this act, and shall have sole and complete jurisdiction over all drainage structures and sewage treating plants which are now or may be hereafter built and situated within said district. The commission shall be responsible for the proper functioning and maintenance thereof, and for the condition and maintenance of all publicly owned streets, alleys, land, parks or other thoroughfares within the boundaries of such district insofar as such may be affected by the construction or maintenance of the structures under control and jurisdiction of such district.

**History:** En. Sec. 11, Ch. 185, L. 1957.

**16-4412. Federal funds for local public works programs.** The board of county commissioners are hereby authorized to apply for, and receive from, the federal government on behalf of said metropolitan sanitary and/or storm sewer district, any moneys that may be appropriated by the congress for aiding in local public works projects, and likewise the board of county commissioners may borrow from the federal government any funds available for assisting in the planning or financing of local public works projects, and repay the same out of the moneys received from the tax levy provided for in this act.

**History:** En. Sec. 1, Ch. 242, L. 1957.

**Title of Act**

An act to provide for the incorporation and organization and management of county water districts; to provide for the acquisition of water-rights or construc-

tion thereby of water-works; and for the acquisition of all property necessary therefor; and also to provide for the distribution and sale of water by said districts; providing for severability and an effective date.

**16-4502. Organization of county water districts.** The people of any county, or portion of a county, or city and county, whether such portion includes unincorporated territory or not, in the state of Montana, having a population of not less than three hundred (300) inhabitants, may organize a county water district under the provisions of this act by proceeding as herein provided.

**History:** En. Sec. 2, Ch. 242, L. 1957.

**16-4503. Petition—boundaries of district—publication.** A petition, which may consist of any number of separate instruments, shall be presented at a regular meeting of the board of commissioners of the county in which the proposed water district is located, signed by the registered voters within the boundaries of the proposed water district, equal in number to at least ten per centum (10%) of the registered voters of the territory included in such proposed water district. Such petition shall set forth and describe the proposed boundaries of such water district, and shall pray that the same be incorporated under the provisions of this act, and the text of such petition shall be published for ten (10) consecutive days in a daily newspaper or in two (2) issues of a weekly newspaper printed and published in such county, together with a notice stating the time of the meeting at which same will be presented. The first publication shall be at least two (2) weeks before the time at which the petition is to be presented. When contained upon more than one (1) instrument, one (1) copy only of such petition need be published. No more than five of the names attached to said petition need appear in such publication of said petition and notice, but the number of signers shall be stated.

**History:** En. Sec. 3, Ch. 242, L. 1957.

**16-4504. Time of consideration—final hearing.** With such publication there shall be published a notice of the time of the meeting of the board when such petition will be considered and that all persons interested therein may then appear and be heard. At such time the board of commissioners shall hear the petition and those appearing thereon together with such written protests as shall have been filed with the county clerk and recorder prior to such hearing by or on behalf of owners of taxable property situated within the boundaries of the proposed district and may adjourn such hearing from time to time, not exceeding four (4) weeks in all. No defect in the contents of the petition or in the title to or form of the notice or signatures, or lack of signatures, thereto shall vitiate any proceedings thereon, provided such petition or petitions have a sufficient number of qualified signatures attached thereto. On the final hearing said board shall make such changes in the proposed boundaries as may be deemed advisable and shall define and establish such boundaries, but said board shall not modify said boundaries as to exclude from such proposed district any territory which would be benefited by the formation of such district; nor shall any lands which will not, in the judgment of said board, be benefited by such district be included within such proposed district. Any person whose lands are benefited by such district may upon his application, in the discretion of said board, have such lands included within said proposed district.

**History:** En. Sec. 4, Ch. 242, L. 1957.

16-4505. Proposition submitted—who may vote—certificate of secretary of state—district deemed incorporated—must hear testimony—suit commenced within one year—election. Upon such hearing of said petition, the board of commissioners shall determine whether or not said petition complies with the requirements of the provisions of this act, and for that purpose must hear all competent and relevant testimony offered in support of or in opposition thereto. Such determination shall be entered upon the minutes of said board of commissioners. A finding of the board of commissioners in favor of the genuineness and sufficiency of the petition and notice shall be final and conclusive against all persons except the state of Montana upon suit commenced by the attorney general. Any such suit must be commenced within one (1) year after the order of the board of commissioners declaring such district organized as herein provided, and not otherwise. Upon the final determination of the boundaries of the district the board of commissioners shall give notice of an election to be held in said proposed water district for the purpose of determining whether or not the same shall be incorporated, the date of which election shall be not more than sixty (60) days from the date of the final hearing of such petition. Such notice shall describe the boundaries so established and shall state the proposed name of the proposed incorporation (which name shall contain the words “——— county water district”), and this notice shall be published for ten (10) consecutive days in a daily newspaper or in two (2) issues of a weekly newspaper printed and published in said county. The first publication shall be made at least two (2) weeks before the time at which the election is to be held. At such election the proposition to be submitted shall be: “Shall the proposition to organize ——— county water district under (naming the chapter containing this act) of the acts of the ——— session of the Montana legislature and amendments thereto be adopted?” And the election thereupon shall be conducted, the vote canvassed and the result declared in the same manner as provided by law in respect to general elections, so far as they may be applicable, except as in this act otherwise provided. No person shall be entitled to vote at any election under the provisions of this act unless such person possesses all the qualifications required of electors under the general election laws of the state, and is the owner of taxable real property situated within the boundaries of the proposed district. Within four (4) days after such election the vote shall be canvassed by the board of commissioners. If a majority of the votes cast at such election in each municipal corporation or part thereof and in the unincorporated territory included in such proposed water district shall be in favor of organizing such county water district, said board shall by an order entered on its minutes declare the territory enclosed within the proposed boundaries duly organized as a county water district under the name theretofore designated, and the county clerk shall immediately cause to be filed with the secretary of state and shall cause to be recorded in the office of the county recorder of the county in which such district is situated, each, a certificate stating that such a proposition was adopted. Upon the receipt of such last-mentioned certificate the secretary of state shall, within ten (10) days, issue his certificate reciting that the county water district (naming it) has

been duly incorporated according to the laws of the state of Montana. A copy of such certificate shall be transmitted to and filed with the county clerk of the county in which such county water district is situated. From and after the date of such certificate, the district named therein shall be deemed incorporated as a county water district, with all the rights, privileges and powers set forth in this act and necessarily incident thereto. In case less than a majority of the votes cast are in favor of said proposition the organization fails but without prejudice to renewing proceedings at any time in the future.

**History:** En. Sec. 5, Ch. 242, L. 1957.

**16-4506. Election of directors—term of office.** At an election to be held within such district under the provisions of this act and the laws governing general elections not inconsistent herewith, the county water district thus organized shall proceed within ninety (90) days after its formation to the election of a board of directors consisting, if there are no municipalities within the boundaries of said district, of five (5) members. In all cases where the boundaries of such water district include any municipality or municipalities, said board of directors, in addition to said five (5) directors to be elected as aforesaid, shall consist of one (1) additional director for each one of said municipalities within such county water district, each such additional director to be appointed by the mayor of the municipality for which said additional director is allowed; and if there be any unincorporated territory within said water district, of one additional director, to be appointed by the said board of commissioners. Any director so elected or appointed shall be a qualified freeholder and a resident of said district. All directors, elected or appointed, shall hold office until the election and qualification or appointment and qualification of their successors. The term of office of directors elected under the provisions of this act shall be four (4) years from and after the date of their election; provided, that the directors first elected after the passage of this act shall hold office only until the election and qualification of their successors as hereinafter provided. The term of office of directors appointed by said mayor or mayors or by said board of commissioners shall be six (6) years from and after the date of appointment. Directors to be first appointed under the provisions of this act shall be appointed within ninety (90) days after the formation of the district. The election of directors of such county water district shall be in every fourth year after its organization, on the fourth Tuesday in March, and shall be known as the "general water district election." All other elections which may be held by authority of this act, or of the general laws, shall be known as special water district election.

**History:** En. Sec. 24, Ch. 242, L. 1957.

**16-4525. Water rates.** The board of directors shall fix all water rates, and shall through the general manager collect the charges for the sale and distribution of water to all users.

**History:** En. Sec. 25, Ch. 242, L. 1957.

**16-4526. Rate to pay operating expenses.** The board of directors in the furnishing of water shall fix such rate as will pay the operating expenses of the district, provide for repairs and depreciation of works owned or operated by it, pay the interest on any bonded debt, and, so far as possible, provide a sinking or other fund for the payment of the principal of such debt as it may become due; it being the intention of this section to require the district to pay the interest and principal of its bonded debt from the revenues of the district.

**History:** En. Sec. 26, Ch. 242, L. 1957.

**16-4527. Commissioners to levy water taxes.** If, from any cause, the revenues of the district shall be inadequate to pay the interest or principal of any bonded debt as it becomes due or any other expenses or claims against the district, then the board of directors must, at least fifteen (15) days before the first day of the month in which the board of commissioners of the county, or city and county, in which such water district is located, is required by law to levy the amount of taxes required for county or city and county purposes, furnish to the board of commissioners and to the auditor, respectively, an estimate in writing of the minimum amount of money required by the district for the payment of the principal or interest on any bonded debt as it becomes due, together with a description of the lands benefited thereby, as stated by the board of directors in the

resolution declaring the necessity to incur such bonded indebtedness, and also of the minimum amount of money required by the district for any other purpose in this section set forth, and the board of commissioners of such county or city and county must annually, at the time and in the manner of levying other county or city and county taxes and until any such bonded debt is fully paid, levy upon the lands so benefited and cause to be collected, a tax sufficient for the payment thereof to be known as the "----- county water district bond tax"; and until all other expenses or claims are fully paid, levy upon all of the lands of the district and cause to be collected a tax sufficient for the payment thereof to be known as the "----- county water district water tax."

When the minimum amount of money required for any purpose in this section enumerated has been determined, each lot or parcel of land to be assessed shall be assessed with that part of the amount of money required which its area bears to the total area of all of the lands to be assessed; or said assessment may, at the option of the board of county commissioners, be based upon the taxable valuation, as stated in the last completed county assessment roll, of the lots or parcels of land, exclusive of improvements thereon, within said district, in which case, each lot or parcel of land to be assessed shall be assessed with that part of the amount of money required which its taxable valuation bears to the total taxable valuation of all of the lands to be assessed.

When the written estimate of the minimum amount of money required has been delivered to the board of commissioners, said board shall give notice of its intention to levy and collect a tax sufficient for the payment thereof. Such notice shall be given:

(1) By posting notice thereof in five (5) public places within the boundaries of the lands upon which the tax is to be levied, and

(2) By publishing a copy of the notice for ten (10) consecutive days in a daily newspaper or in two (2) issues of a weekly newspaper published in the county wherein the district is located.

(3) By forwarding registered mail, at least ten (10) days prior to the hearing provided for in paragraph (d) of this section, a copy of the notice addressed to the owners of taxable real property within the district as shown by the current assessment book on file in the office of the assessor of the county or counties the boundaries of which include taxable real property of the district.

The legislative assembly hereby finds, determines and declares that the giving of notice in accordance with paragraphs (1), (2) and (3) of this section is reasonably calculated to inform the owners of taxable real property located within the boundaries of the district of the hearing provided for in paragraph (d) of this section, and that the giving of any further notice is impracticable and is unnecessary to the assurance of due process of law to such property owners.

Such notice shall state:

(a) The amount of money required;

(b) The method of assessment which the board of commissioners intends to employ;

(c) The boundaries or description of the lands to be assessed; and

(d) The time when and the place where, the board of commissioners will hear and pass upon all protests that may be made against the levy of the tax or any matter pertaining thereto, which said hearing shall be had no less than fifteen (15) days after the last publication of the notice.

At the time and place designated for said hearing any owner of property situated within the area to be assessed may appear and protest the levy of the tax or any matter pertaining thereto. All protests must be heard, considered and ruled upon by the board of commissioners. The board of commissioners may adjourn said hearing from time to time.

Where such tax is, for any reason, deemed unlawful by the person whose property is taxed, whether he has protested the same at the hearing above provided or not, he may pay the tax or the installments thereof under protest in the manner provided by section 84-4502, Revised Codes of Montana, 1947, and thereupon, and within the time prescribed and in the manner provided by said section 84-4502, may commence an action to recover such tax, or installments, and in such action contest and litigate the payment of such tax on the same grounds and for the same reasons that he has stated in his written protest, and for no other reasons and on no other grounds; provided, that all of the provisions of said section 84-4502 for the retention or refunding of taxes paid under protest shall apply to taxes paid under protest under this section.

**History:** En. Sec. 27, Ch. 242, L. 1957;  
amd. Sec. 3, Ch. 258, L. 1959.

#### **Amendment**

The 1959 amendment, in the second paragraph, deleted a phrase "where the water district is located more than one (1) mile from the boundary of an incorporated city or town" which appeared after the words "total area of all of the lands to be assessed; or"; substituted "taxable valuation, as stated in the last completed county assessment roll, of the lots or parcels of land, exclusive of improvements thereon, within said district" for "the assessed value of the lots or parcels of land within said district" and added all the remaining portion of this section.

**16-4528. Levy and collection of tax.** Such taxes for the payment of any such bonded debt shall be levied on the property benefited thereby, as stated by the board of directors in the resolution declaring the necessity therefor, and all taxes for other purposes shall be levied on all property in the territory comprising the district. All such taxes shall be collected at the same time and in the same manner and form as county taxes are collected, and when collected shall be paid to the district for which such taxes were levied and collected. If such taxes are levied for the payment of a bonded debt for the benefit of certain property within the district, as so stated in the resolution of the board of directors aforesaid, such taxes shall be a lien upon each lot or parcel of said property to the extent of the levy of said taxes upon said lot or parcel; and all taxes for other purposes shall

be a lien upon each lot or parcel of land within the entire area comprising the district, to the extent of the levy of said taxes upon said lot or parcel; and said taxes, whether for the payment of a bonded indebtedness or for other purposes, shall be of the same force and effect as other liens for taxes, and their collection shall be enforced by the same means as provided for in the enforcement of liens for state and county taxes. Such taxes if not paid shall become delinquent at the same time as do county taxes.

**History:** En. Sec. 28, Ch. 242, L. 1957; amd. Sec. 1, Ch. 45, L. 1959.

#### **Amendment**

The 1959 amendment substituted the first part of the third sentence for one which formerly read: "Such taxes, if for the payment of a bonded debt, shall be a lien on all the property benefited thereby, as so stated in the resolution of

the board of directors aforesaid, and all taxes for other purposes shall be a lien on all the property in the territory comprising the district"; and added the last sentence.

If such ordinance is approved, the president and secretary of the board of directors shall certify that fact to the secretary of state and to the county recorder of the county in which such water district is located. Upon the receipt of such last mentioned certificate the secretary of state shall, within ten (10) days, issue his certificate, reciting the passage of said ordinance and the addition of said territory to said district. A copy of such certificate shall be transmitted to and filed with the county clerk of the county in which such county water district is situated. From and after the date of such certificate the territory named therein shall be deemed added to and form a part of said county water district, with all the rights, privileges and powers set forth in this act and necessarily incident thereto.

**History:** En. Sec. 31, Ch. 242, L. 1957.

**16-4532. The term "municipality," as used in this act, shall include a consolidated city and county, city or town, and shall be understood and so construed as to include, and is hereby declared to include, all corporations heretofore organized and now existing and those hereafter organized for municipal purposes within such water districts. **History:** En. Sec. 32, Ch. 242, L. 1957.

**16-4533. Exclusion of territory—petition—contents—duties of secretary—hearing—order excluding lands.** Any territory, included within any county water district formed under the provisions of this act, and not benefited in any manner by such district, or its continued inclusion therein, may be excluded therefrom by order of the board of directors of such district upon the verified petition of the owner or owners in fee of lands whose assessed value, with improvements, is in excess of one-half of the assessed value of all the lands, with improvements, held in private ownership in such territory. Said petition shall describe the territory sought to be excluded and shall set forth that such territory is not benefited in any manner by said county water district or its continued inclusion therein, and shall pray that such territory may be excluded and taken from said district. Such petition shall be filed with the secretary of the water district and shall be accompanied by a deposit with such secretary of the sum of one hundred dollars (\$100.00), to meet the expenses of advertising and other costs incident to the proceedings for the exclusion of such territory, including the cost of recording a certified copy of the order hereinafter provided for, any unconsumed balance to be returned to the petitioner. Upon the filing of such petition with the secretary of the water district he shall call a meeting of the board of directors of the district at a time not less than twenty-five (25) days nor more than fifty (50) days after the filing of the petition and cause a notice of the filing of such petition to be published for ten (10) consecutive days in a daily newspaper or in two (2) issues of a weekly newspaper within said district, if there be one, and if not, in some newspaper of general circulation published in the county in which the district is situated. Any landowner or taxpayer within the

district shall have the right to appear at said hearing, either in behalf of or in opposition to the granting of said petition. Said petition shall come on for hearing before the board of directors of the district at the time and place specified in the notice of hearing. If upon such hearing the board of directors determines that it is for the best interests of the district that the lands mentioned in the petition, or some portion thereof, be excluded from the district, or if it appears that such lands, or some portion thereof, will not be benefited by their continued inclusion in the district, then the board of directors shall make an order that such lands, or such portion thereof, be excluded from the district, such order to describe specifically the lands so excluded. From the time of the making of such order the lands so excluded shall be deemed to be no longer included in the district, but such order of exclusion shall not be taken to invalidate in any manner any taxes or assessments theretofore levied or assessed against the lands so excluded. A copy of such order of exclusion, certified to by the secretary of the district, shall be recorded in the office of the county recorder of the county in which the district is situated and the record of such certified copy shall be deemed prima facie evidence of the exclusion from the district of the lands purporting to be excluded thereby.

Such proceedings shall be initiated by the board of directors by the passage of a resolution requiring all persons interested to appear and show cause before the board of directors, at a time and place specified, why such lands, describing them, should not be excluded from the district and fixing a time and place for such hearing and directing the secretary of the district to give notice of the passage of such resolution and of such hearing. Upon the passage of such resolution the secretary of the district shall give notice thereof and of the time and place of such hearing in the manner hereinbefore prescribed for notice of hearing upon petition by a landowner or landowners, and thereafter all proceedings shall be had in the manner and with the effect herein provided for proceedings upon a petition by a landowner or landowners. The time of hearing fixed by the board of directors by its resolution hereinbefore mentioned shall be not less than twenty-five (25) days nor more than fifty (50) days after the passage of such resolution and the place of hearing so fixed shall be a convenient place within the district; provided that the final action of the board of directors under this section shall be subject to the referendum by the electors of the water district according to section 30 [16-4530] of this act.

**History:** En. Sec. 1, Ch. 280, L. 1959.

impounding nor, in the case of dogs suspected of rabies, before release by the county health officer; providing for the fixing of pound fees and charges by the board of county commissioners and the payment thereof from the county treasury or by the owner of such impounded dog; providing that failure of the owner of a dog to pay pound fees and charges after notice of impounding constitutes abandonment of the dog; providing that fees and fines collected under this act shall be paid into the county treasury for the enforcement of this act; providing that violation of this act shall constitute a misdemeanor; providing that the owner of livestock or poultry killed or injured by a dog or dogs may recover damages from the owner or owners thereof and that lack of knowledge of the dog's disposition or whereabouts shall constitute no defense to said action; defining the word "owner" in relation to dogs; providing that if any part of this act is adjudged invalid, inoperative or unconstitutional, such decision shall not affect,

impair or invalidate the remaining portions of this act; and providing for the repeal of all acts and parts of acts in conflict herewith.

**16-4602. County commissioners may issue licenses—license year—application for license—application for kennel license.** The board of county commissioners of any county in the state of Montana may provide for the annual issuance of serially numbered dog license tags, stamped with the name of the county and the year of issue, which shall be issued by the county treasurer to owners of dogs who make application and pay the dog license fee, or to owners of kennels who make application and pay the kennel license fee. The license year shall commence on the first day of July and end on the thirtieth day of the following June. Each application, except by a kennel owner, shall state the age, sex, color, and breed of the dog for which the license is desired and the address of the owner. An application for a kennel license shall state the name and address of the owner of the kennel. The term "kennel" shall mean any establishment wherein or whereon five (5) or more dogs are kept for the purpose of boarding, breeding, sale, sporting or commercial purposes.

The fee for issuance of a kennel license shall be five dollars (\$5.00), but the board of county commissioners may increase the fee to not more than twenty dollars (\$20.00) if deemed advisable for proper administration of this act. Upon issuance of a kennel license, the county treasurer shall deliver to the applicant ten (10) serially numbered license tags stamped with the name of the county and the year of issue. Such tags shall be made in a form so that they are readily distinguishable from individual license tags for that year. Such tags may be transferred from one dog to another within the kennel. The kennel owner shall retain such license tags when he sells or otherwise disposes of a dog. All applications for dog license tags and kennel licenses, endorsed with the numbers of the license tags issued thereunder, shall be kept on file in the office of the county treasurer open to public inspection.

**History:** En. Sec. 3, Ch. 280, L. 1959.

**16-4604. **History:** En. Sec. 4, Ch. 280, L. 1959.

**16-4605. Seizure and impounding of dogs running at large without tag.** Any dog found running at large without a valid current dog license tag issued by the authority of a county or municipal corporation pursuant

**History:** En. Sec. 8, Ch. 280, L. 1959.

**16-4609. Fee for impounding and keeping dog.** The board of county commissioners shall fix the fee for impounding any dog and the amount to be paid for keeping the dog.

**History:** En. Sec. 9, Ch. 280, L. 1959.

**16-4610. Fees and charges as charge against county—payment by owner claiming dog.** The fees and pound charges for taking up and impounding and for keeping the dogs shall be a charge against the county treasury, to be paid as other claims against the county are paid; provided, however, that in any case where a dog so impounded is claimed by the owner, the fee for impounding and keeping the dog as fixed by the board of county commissioners, shall be paid by the owner to the person, or-

ganization or association having custody of the dog, to be retained by him or them, and no charge for fees pertaining to the dog shall be paid by the county.

**History:** En. Sec. 10, Ch. 280, L. 1959.

**16-4611. Failure of owner to pay pound fee constitutes abandonment.** The refusal or failure of the owner of any such dog to pay the pound fee and charges after due notification shall be held to be an abandonment of the dog by the owner.

**History:** En. Sec. 11, Ch. 280, L. 1959.

**16-4612. Disposition of license fees and fines.** All fees for the issuance of dog license tags, kennel licenses, and all fines collected under the provisions of this act shall be paid into the county treasury and shall be used to pay fees, salaries, costs, expenses, or any or all of them for the enforcement of this act.

**History:** En. Sec. 12, Ch. 280, L. 1959.

**16-4613. Violation constitutes misdemeanor.** Violation of any provision of this act shall constitute a misdemeanor.

**History:** En. Sec. 13, Ch. 280, L. 1959.

**16-4614. Liability of owner of dog for damages to livestock or poultry.** The owner of livestock or poultry injured or killed by any dog may recover as liquidated damages from the owner of the dog, the actual value of the animals killed or the value of the damages sustained by reason of the injuries as the case may be. If two or more dogs kept by two or more owners or keepers injure or kill any livestock or poultry at the same time, the owners or keepers of the dogs are jointly and severally liable for such damages. It shall be no defense to said action that the owner or keeper of the dog had no knowledge of the dog's whereabouts at or prior to the time when the dog injured or killed livestock or poultry or that the owner or keeper of the dog had no knowledge of the dog's disposition or inclination to worry, kill or injure livestock or poultry.

**History:** En. Sec. 14, Ch. 280, L. 1959.

**16-4615. "Owner" defined.** The word "owner" when used in this act in relation to property in, or possession of, dogs, shall include every person who owns, harbors or keeps a dog.

## TITLE 17—DAMAGES AND RELIEF

### CHAPTER 1—RELIEF IN GENERAL

#### 17-102. (8658) Relief in case of forfeiture.

##### Essential Allegations

In an action involving rights of parties to written contract for sale of property where defendants sought to rescind contract, if the defendants could make out a case under this section, they should be permitted to do so and ought not to forfeit all of the money which they paid. To prevail on this ground they were required to allege and prove a case following within the terms of the statute. *Joy v. Little*, — M —, 328 P 2d 636, 639, 641.

##### Right to Relief

In action to prohibit defendant from cancelling an agreement for sale of lands even though the deposit in court might be legally insufficient as a tender to defendant, plaintiff might be relieved from forfeiture upon a showing of facts sufficient to appeal to the conscience of a court of equity. *Blackfeet Tribe of the Blackfeet Indian Reservation v. Kliebs Livestock Co.*, 160 F Supp 131, 133, 141.

### CHAPTER 2—COMPENSATORY RELIEF—DAMAGES—INTEREST—EXEMPLARY DAMAGES

#### 17-201. (8659) Person suffering detriment may recover damages.

##### Operation and Effect

In an action for damages to an automobile, it was not a condition precedent to recovery that the plaintiff should have

first incurred an indebtedness or that he should actually have paid the sum claimed for the repairs. *Hoenstine v. Rose*, 131 M 557, 312 P 2d 514, 517.

#### 17-202. (8660) Detriment defined.

##### References

### CHAPTER 3—MEASURE OF DAMAGES

#### 17-301. (8667) Measure of damages for breach of contract.

##### Detriment Proximately Caused

In action by plaintiffs, who purchased residence from contractor before it was completed, to recover for defective material and workmanship, instruction, although broad, was not prejudicial, where it read: "You are instructed that if you find from a preponderance of the evidence in this action that plaintiffs are entitled

to damages, then in arriving at the measure of damages, it is the amount which will compensate the plaintiff for all detriment proximately caused thereby, or which, in the ordinary course of things, would be likely to result therefrom, or which has resulted therefrom." *Mitchell v. Carlson*, 132 M 1, 313 P 2d 717, 719, 720.

#### 17-310. (8676) Breach of agreement to pay for personal property sold.

## CHAPTER 8—SPECIFIC RELIEF—PERFORMANCE OF OBLIGATIONS

## 17-803. (8716) No remedy unless mutual.

**Operation and Effect**

Vendee of a contract for the sale of mining property cannot compel specific performance by the vendor, where the contract called for the vendee to deposit a specific amount of cash in the bank, and the vendee had not done so. *Sidwell v.*

*The New Mine Sapphire Syndicate*, 130 M 189, 297 P 2d 299, 303. (Dissenting opinion, 130 M 189, 297 P 2d 299, 303.)

**References**

Cited in *Steen v. Rustad*, 132 M 96, 313 P 2d 1014, 1018.

## 17-807. (8720) What cannot be specifically enforced.

**Certainty and Completeness of Contract**

Absolute certainty and completeness in every detail is not a prerequisite of specific performance, only reasonable certainty and completeness being required. *Steen v. Rustad*, 132 M 96, 313 P 2d 1014, 1020.

A contract to be specifically enforced must be complete and certain in all essential matters included within its scope. Nothing must be left to conjecture or surmise, or be so vague as to make it impossible for the court to glean the intent of the parties from the instrument, or the acts sought to be enforced. *Steen v. Rustad*, 132 M 96, 313 P 2d 1014, 1020.

Those matters which are merely subsidiary, collateral, or which go to the performance of the contract are not essential, and therefore need not be ex-

pressed in the informal agreement. *Steen v. Rustad*, 132 M 96, 313 P 2d 1014, 1020.

**Lease with Option to Buy**

Plaintiff was entitled to specific performance of agreement by which defendants gave plaintiff an exclusive option to purchase land under the existing lease for \$8,500; plaintiff's method of exercising the option was to pay defendants \$1,500 before November 1, 1951; that sum would constitute the down payment on the property; payment of the balance was provided for by the plaintiff delivering to the defendants two-thirds of the crop raised each year, such crop share to cover the payment due and owing on the contract for that year; and it was further provided that the plaintiff was to summer fallow 45 acres of land during the year 1951. *Steen v. Rustad*, 132 M 96, 313 P 2d 1014, 1020, 1021.

## 17-809. (8722) What parties cannot have specific performance, etc.

**Operation and Effect**

Vendee of a contract for the sale of mining property cannot compel specific performance by the vendor, where the contract called for the vendee to deposit a specific amount of cash in the bank and he had not done so. An allegation in the

complaint that the vendee had deposited a substantial sum in the bank was not sufficient since the contract called for a specific amount. *Sidwell v. The New Mine Sapphire Syndicate*, 130 M 189, 297 P 2d 299, 303. (Dissenting opinion, 130 M 189, 297 P 2d 299, 303.)

## CHAPTER 9—SPECIFIC RELIEF—REVISION AND RESCISSION OF CONTRACTS

## 17-901. (8726) When contract may be revised.

**Operation and Effect**

Where a landowner, induced by the fraud of the person with whom he was contracting, assigned a 1/32 royalty interest instead of an undivided 1/32 interest in and to minerals under and upon his lands, the assignment will be reformed, amended, and corrected by the courts to correctly embody the agreement of the

parties. *Carroll v. Funk*, 222 F 2d 508, 511.

Where plaintiff knew that defendant was acting under a mistake with regard to a writing, he was not entitled to revision on the ground of mistake. *Schilling v. Huber*, 133 M 80, 320 P 2d 346, 348.

**17-902. (8727) Presumption as to intent of parties.**

**Mineral Rights**

Grantors seeking reformation of deeds by which they retained portions of land-owners' mineral royalties were not entitled to relief where evidence did not

show that deeds contained no provision reserving all mineral and leasing rights in grantors. *Voyta v. Clonts*, — M —, 328 P 2d 655, 661.

**17-903. (8728) Principles of revision.**

CHAPTER 10—SPECIFIC RELIEF—CANCELLATION OF INSTRUMENTS

**17-1002. (8734) Instrument obviously void.**

**Effect on Lease**

This section fortifies a holding that when a tax claim has been removed as a cloud on title, a lease given by the

tax claimant no longer constitutes a cloud on the title even though the lessee was not a party to the quiet title action. *Purcell v. Gibbs*, 133 M 481, 326 P 2d 679.

## TITLE 21—DIVORCE

### CHAPTER 1—DISSOLUTION OF MARRIAGE—DIVORCE

#### 21-103. (5736) Causes for divorce.

##### Relief Granted

There is no authority in the Montana Civil Code whereby the courts, by statute, could grant a divorce where only separate maintenance is sought. *Reed v. Reed*, 130 M 409, 304 P 2d 590, 592. (Dissenting opinions, 130 M 409, 304 P 2d 590 at 593 and 605.)

Where wife files complaint seeking separate maintenance, and husband files

cross-complaint seeking an absolute divorce but court finds against husband, the court cannot, in finding for the wife, decree an absolute divorce in her favor, since the court may not grant any relief beyond that which is sought for by the prevailing party. *Reed v. Reed*, 130 M 409, 304 P 2d 590, 592. (Dissenting opinions, 130 M 409, 304 P 2d 590 at 593 and 605.)

#### 21-106. (5738) Extreme cruelty defined.

##### Bodily Injury

Husband was entitled to divorce where wife had repeatedly inflicted and threatened bodily injury and personal violence upon him. *Bell v. Bell*, 133 M 572, 328 P 2d 115, 119.

Trial judge must determine whether sufficient provocation exists to provoke

#### 21-112. (5744) Desertion—how cured.

##### Cruel Treatment

Wife seeking separate maintenance was not guilty of desertion where she was forced to leave defendant because of his

cruel treatment and brutal acts. *Reynolds v. Reynolds*, 132 M 303, 317 P 2d 856, 859.

#### 21-118. (5750) Divorces denied, on showing what.

##### Recrimination

The doctrine of recrimination is that if both parties have a right to divorce, neither party has. The principle is of ancient origin and reached back to the Mosaic Code and beyond. Although the Roman law did not allow divorce yet some legal historians trace the rule back to the "compensatio criminum" of the Roman law relating to property settlements. The ecclesiastical courts of England adopted the principle from the canon law and then injected it into proceedings for separation from bed and board. *Bissell v. Bissell*, 129 M 187, 284 P 2d 264, 270.

It is not an absolute but a qualifying doctrine. If it were to be applied strictly great inequity would be done, for it so often happens that neither party to a suit has been free from fault. *Bissell v. Bissell*, 129 M 187, 284 P 2d 264, 271.

When the record clearly shows "the legitimate objects of the marriage have been destroyed" then the parties are entitled to have the marriage dissolved. No public policy would be served by denying a divorce because each party was guilty of extreme cruelty toward the other. *Bissell v. Bissell*, 129 M 187, 284 P 2d 264, 271.

Doctrine of recrimination was inapplicable where court found that defendant husband was not guilty of the infliction of extreme cruelty upon the plaintiff wife, nor was he guilty of the infliction of grievous mental suffering upon the plaintiff. *Bell v. Bell*, 133 M 572, 328 P 2d 115, 120.

**21-122. (5754) Requisites to condonation.****Absence of Good Faith**

Offers and solicitation of condonation were not made in good faith and did not bar plaintiff's action for separate maintenance where record showed that defendant was exploring the possibility of obtaining a church annulment of the mar-

riage; there was an absence of good faith on his part in seeking condonation; and there was no evidence tending to show that plaintiff would be free of danger of renewed cruelty were she to return and live with defendant. *Reynolds v. Reynolds*, 132 M 303, 317 P 2d 856, 858.

**21-128. (5760) Recrimination, what constitutes.****Recrimination**

**21-136. (5768) Relief may be adjudged, when divorce is denied.****Legislative Policy**

The apparent policy of the legislature in adopting this section was to discourage the incautious granting of divorces and in doubtful cases to give the court the authority to grant a separation rather than to destroy the vinculum of the marriage, the reason for this being that a reconciliation of the parties may be accomplished by legally separating them for a time thus permitting their passions and prejudices to subside and for the further and more important reason that the children, if any, resulting from the marriage must come foremost in the court's consideration. *Reed v. Reed*, 130 M 409, 304 P 2d 590, 592. (Dissenting opinions, 130 M 409, 304 P 2d 590 at 593 and 605.)

**Separate Maintenance**

There is no authority in the Montana Civil Code whereby the courts, by statute, could grant a divorce where only separate maintenance is sought. *Reed v. Reed*, 130 M 409, 304 P 2d 590, 592. (Dissenting opinions, 130 M 409, 304 P 2d 590 at 593 and 605.)

Where a wife files a complaint seeking separate maintenance the court cannot, in finding for the wife, decree an absolute divorce in her favor, since the court may not grant any relief beyond that which is sought for by the prevailing party. *Reed v. Reed*, 130 M 409, 304 P 2d 590, 592. (Dissenting opinions, 130 M 409, 304 P 2d 590 at 593 and 605.)

**21-137. (5769) Expenses of action—alimony.****Attorney's Fees**

Additional attorney's fee was properly disallowed wife where she had been found guilty of gross misconduct. *Bell v. Bell*, 133 M 572, 328 P 2d 115, 121.

Attorneys' fees are wholly within the discretion of the court to grant upon a showing of necessity. *Bell v. Bell*, 133 M 572, 328 P 2d 115, 121.

Costs and counsel fees may be allowed on motion to modify child custody. *Trudgen v. Trudgen*, — M —, 329 P 2d 225, 231, 232, overruling *Wilson v. Wilson*, 128 M 511, 516, 278 P 2d 219, 222, and reinstating *McDonald v. McDonald*, 124

M 26, 218 P 2d 929; *Barbour v. Barbour*, — M —, 330 P 2d 1093, 1096, 1097.

**Continuing Jurisdiction**

Generally the court's jurisdiction is continuing in child custody matters. *Barbour v. Barbour*, — M —, 330 P 2d 1093, 1095.

**Expenses of Action**

Upon timely and proper application made in advance of the performance of the professional services and the incurring of expenses rested within the discretion of the trial court to grant expense money regardless of whose acts and conduct were

responsible for the granting of the divorce. *Bissell v. Bissell*, 129 M 187, 284 P 2d 264, 269.

### Jurisdiction

Proceedings for divorce undoubtedly are statutory, but jurisdiction in matters of divorce is constitutional and may not be abridged. *Trudgen v. Trudgen*, — M —, 329 P 2d 225, 232.

### Maintenance Money

Although this section uses the term "alimony" generically to mean "any money necessary to enable the wife to support herself or her children," it is distinguishable from money for support of wife provided in section 21-139. *Barbour v. Barbour*, — M —, 330 P 2d 1093, 1098.

## 21-138. (5770) Orders respecting custody of children.

### Appeal

In the absence of a strong showing of abuse of discretion by district court, custody orders should not be disturbed on appeal. *Trudgen v. Trudgen*, — M —, 329 P 2d 225, 226.

### Attorney's Fees

Costs and counsel fees may be awarded in custody modifications. *Trudgen v. Trudgen*, — M —, 329 P 2d 225, 231, 232, overruling *Wilson v. Wilson*, 128 M 511, 516, 278 P 2d 219, 222, and reinstating *McDonald v. McDonald*, 124 M 26, 218 P 2d 929; *Barbour v. Barbour*, — M —, 330 P 2d 1093, 1096, 1097.

### Continuing Jurisdiction

Generally the court's jurisdiction is continuing in child custody matters. *Barbour v. Barbour*, — M —, 330 P 2d 1093, 1095.

### Custody of Children

The statutes expressly invest the trial judge with much discretion regarding the custody of children. *Wilson v. Wilson*, 128 M 511, 278 P 2d 219, 222.

### Habeas Corpus to Gain Custody

When decree of divorce was rendered in Utah and custody of children was granted to mother she then had the preference right. She waived this right when she offered to give up their custody and father took them to his home in Montana, and she could not deprive father of custody by habeas corpus proceedings in Montana unless he was an unfit person to have the custody, or unless it was shown that the best welfare of the children required that they be taken from him. *State ex rel. Lessley v. District Court*, 132 M 357, 318 P 2d 571, 574.

### Reduction of Support and Maintenance

Award of \$700 per month for support and maintenance was reduced to \$300 where parties were married only 27 days until separation took place; plaintiff did nothing to help accumulate the financial resources held by defendant; she had been receiving about \$25 per week as wages in Ireland prior to her marriage; she had not been accustomed to living in New York City and evidence showed that apartments were available at the cost of about \$100 per month. *Reynolds v. Reynolds*, 132 M 303, 317 P 2d 856, 859.

Cited or applied in *Reed v. Reed*, 130 M 409, 304 P 2d 590, 593 at 595 (dissenting opinion).

### Interlocutory Nature

Child custody orders are interlocutory in nature. *Trudgen v. Trudgen*, — M —, 329 P 2d 225, 226; *Barbour v. Barbour*, — M —, 330 P 2d 1093, 1097.

### Jurisdiction

Although proceedings for divorce are undoubtedly statutory, jurisdiction in matters of divorce is constitutional and may not be abridged. *Trudgen v. Trudgen*, — M —, 329 P 2d 225, 232.

### Modification

Child custody orders are modifiable in the sound discretion of the district court for good cause shown. *Trudgen v. Trudgen*, — M —, 329 P 2d 225, 226.

In hearings on motions to modify child custody orders, parties desiring written findings of facts and conclusions of law must move for them in writing at the close of the evidence, as the statute requires. Even then, if the evidence justifies but one conclusion, formal findings are not necessary. *Trudgen v. Trudgen*, — M —, 329 P 2d 225, 230.

In the absence of statute, the court need not make formal findings of fact in support of its order modifying the custody provisions of divorce decrees. *Trudgen v. Trudgen*, — M —, 329 P 2d 225, 229.

Mother's affidavit on which citation for hearing on modification of custody decree was issued was properly controverted by father's verified answer. *Trudgen v. Trudgen*, — M —, 329 P 2d 225, 229.

When the custodial fitness of neither spouse is questioned a bill of exceptions and a judgment roll reflecting four modifications of custody orders in nine weeks, no matter how well intended or by whom sought or ordered, supported by undis-

puted testimony, is clear prima facie record of substantial change affecting the children warranting modification of decree. *Trudgen v. Trudgen*, — M —, 329 P 2d 225, 228.

Father who refuses to make payments for support of children required by the decree is not entitled to petition for modification of the decree unless the best interests and welfare of the children require the modification. *Barbour v. Barbour*, — M —, 330 P 2d 1093, 1098.

#### **Mother Preferred**

Other things being equal, custody in the mother is to be preferred where children are of tender years. *Trudgen v. Trudgen*, — M —, 329 P 2d 225, 226.

#### **Operation and Effect**

An order by a California court which modified a prior California divorce decree and awarded custody of minor children to the father was void because it was made without jurisdiction where it was shown that the children were domiciled in Montana with their mother, even though the mother made a general appearance in the California court to contest the modification. Where the minor's domicil is not within the jurisdiction at the time, the "res" likewise is not within the jurisdiction. The courts may not proceed even with both parents before it. A minor has a juristic status of his own to which it is difficult indeed to deny recognition when his custody is the question before the court, and even though the contest is between his parents, who themselves have submitted to the jurisdiction of the court. For he is the real party in interest in any such case as is evidenced by the familiar

rule that in awarding his custody the paramount inquiry is always his welfare and best interests. *Application of Enke*, 129 M 353, 287 P 2d 19, 24, cert. den. 350 U S 923, 100 L Ed 808, 76 S Ct 212.

#### **Order of Visitation**

The privilege of visitation should not be left entirely to the discretion of the party having the child in custody. *Barbour v. Barbour*, — M —, 330 P 2d 1093, 1097.

Right of visitation may be conditioned upon prompt payment of money decreed for support of children. *Barbour v. Barbour*, — M —, 330 P 2d 1093, 1098.

#### **Residence of Children**

Limitations on residence of children are to be conditioned by what appears best for the children and the trial judge is invested with much discretion in these matters. *Trudgen v. Trudgen*, — M —, 329 P 2d 225, 230; *Barbour v. Barbour*, — M —, 330 P 2d 1093, 1097.

There was no abuse in the discretion exercised by the district court in refusing to restrict residence of children where their well-being was not so much dependent upon continuance or change of their present residence as upon change in their parents' hearts. *Barbour v. Barbour*, — M —, 339 P 2d 1093, 1097.

#### **Stay of Appeal**

An appeal from an order modifying divorce decree does not stay the enforcement of the order. It can only be stayed by an application for an order staying the proceedings under section 93-8003, subd. 2. *Application of Nelson*, 132 M 252, 316 P 2d 1058, 1059.

### **21-139. (5771) Support of wife and children on divorce, etc.**

#### **"Maintenance Money" Distinguished**

The term "alimony" as used in this section is distinguishable from "maintenance money" provided by section 21-137. *Barbour v. Barbour*, — M —, 330 P 2d 1093, 1098.

### CHAPTER 3—QUALIFICATIONS AND PRIVILEGES OF ELECTORS

Section 23-304. Lists and precinct registers.

**23-304. Lists and precinct registers.** After the closing of registration the county clerk of each county shall promptly prepare lists of registered electors of all voting precincts in his county. He shall also prepare the precinct register for each precinct in the manner provided by section 23-515, and deliver the same to the judges of election prior to the opening of the polls. In preparing precinct registers it shall not be necessary for the county clerk to make separate precinct registers containing only the names of electors who are qualified to vote on the question of the incurring of a state debt, the issuance of bonds or debentures by the state or the levying of a state tax. In lieu of preparing such a list of electors qualified to vote on such question, the county clerk shall stamp the word "TAX-PAYER" on the precinct register opposite the name of each qualified elector who is a taxpayer and entitled to vote upon any of the questions hereinbefore indicated. No other showing shall be required to establish that such elector is in fact a taxpayer and entitled to vote as such.

All of the laws of this state applying to the holding of general biennial state elections, insofar as the same are applicable thereto and not in conflict with any of the provisions of this act, shall apply to, and govern and control such election and the canvassing and return of the votes cast on such question at such election; and abstracts made by the several county clerks shall be returned to the secretary of state in the manner provided by sections 23-1812, 23-1813, for the abstract of votes for state officers.

amd. Sec. 1, Ch. 92, L. 1949; amd. Sec. 1,  
Ch. 64, L. 1959.

#### Amendment

The 1959 amendment substituted the words "precinct register" for the words "poll books" each time they appear.

### CHAPTER 5—REGISTRATION OF ELECTORS

Section 23-503. Method of registering.

- 23-511. Cancellation of registry for failure to vote—reregistration—exception of persons in United States service.

- 23-515. Precinct register—combining—when not furnished city or town.  
 23-519. Compensation of county clerks.  
 23-527. Omission of name from precinct register—remedy.

**23-503. (555) Method of registering.** Any elector residing within the county may register by appearing before the county clerk and ex officio registrar and making correct answers to all questions propounded by the county clerk touching the items of information called for by such registry card, and by signing and verifying the affidavit or affidavits on the back of such card. Any elector in the United States service who is absent from the state of Montana and the county of which he or she is a resident may register either (a) by mailing such registry card filled out and signed under oath to the county clerk of the county in which said elector resides, or (b) by mailing the federal post card application filled out and signed under oath to said county clerk.

If any person shall falsely personate another and procure the person so personated to be registered, or if any person shall represent his name to the county clerk or to the registration clerk or to any other person qualified to register an elector, to be different from what it actually is, and cause such name to be registered, or if any person shall cause any name to be placed upon the registry lists otherwise than in the manner provided in this act, he shall be guilty of a felony, and upon conviction be imprisoned in the state penitentiary for not less than one (1) nor more than three (3) years.

**History:** En. Sec. 8, Ch. 122, L. 1915; re-en. Sec. 555, R. C. M. 1921; amd. Sec. 4, Ch. 172, L. 1937; amd. Sec. 1, Ch. 83, L. 1953; amd. Sec. 1, Ch. 18, L. 1959.

#### **Amendment**

The 1959 amendment substituted the present second sentence in the first paragraph for a former sentence for text of which see parent volume.

**23-511. (562) Cancellation of registry for failure to vote—reregistration—exception of persons in United States service.** Immediately after every general election, the county clerk of each county shall compare the list of electors who have voted at such election in each precinct, as shown by the official poll books, with the official register of said precinct, and he shall remove from the official register herein provided for the registry cards of all electors who have failed to vote at such election, and shall mark each of said cards with the word "cancelled," and shall place such cancelled cards for the entire county in alphabetical order in a separate drawer to be known as the "cancelled file"; but any elector whose card is thus removed from the official register may reregister in the same manner as his original registration was made, and the registration card of any elector who thus reregisters shall be filed by the county clerk in the official register in the same manner as original registration cards are filed. The county clerk shall, at the same time, cancel, by drawing a red line through the entry thereof, the name of all such electors who have failed to vote at such election.

In the case of an elector in the United States service who shall fail to vote, his or her registry card shall not be cancelled, except for causes designated under section 23-518.

**History:** En. Sec. 15, Ch. 122, L. 1915; re-en. Sec. 562, R. C. M. 1921; amd. Sec. 1, Ch. 147, L. 1937; amd. Sec. 1, Ch. 144, L. 1941; amd. Sec. 1, Ch. 177, L. 1943; amd. Sec. 2, Ch. 18, L. 1959.

#### **Amendment**

The 1959 amendment substituted the present second paragraph for the former second paragraph for the text of which see parent volume.

**23-515. (568) Precinct register—combining—when not furnished city or town.** During the time intervening between the closing of the official register and the day of the ensuing election, the county clerk shall prepare for each precinct a book to be known as the "precinct register" which shall be for the use of the clerks and judges of election in each such precinct. Such books shall be arranged for the listing of the names of the electors in alphabetical divisions, each division to be composed of ruled columns with appropriate headings, under which the information contained upon the registry card of each elector shall be transcribed, excepting the oath of the elector, and the certified copy of the precinct registers so prepared shall be delivered to the judges of the election at or prior to the opening of the polls in each precinct. Where the precincts in municipal elections, or in elections in school districts of the first class, include more than one county precinct, the county clerk shall combine into one precinct register the names of all electors in the several precinct registers of the precincts of which such municipal or school district precinct is composed. The county clerk shall omit from the list of names of all certified voters so inserted in the precinct register herein provided for, the names and registry of all electors which it is the duty of the county clerk to cancel under the provisions of section 23-518, provided that the requirements contained in the provisions of said section shall have been brought to the attention of the county clerk not less than twenty days preceding the election. If the city clerk of any city or town shall, in writing, certify to the county clerk, not less than twenty-five days before the date fixed by law for the holding of any primary nominating election, that no petitions for nomination under the direct primary election law for any office to be filled at the next ensuing annual city election have been filed with such city clerk, not less than thirty days before the date fixed by law for the holding of the primary nominating election, then the county clerk shall not prepare for the city any precinct register or precinct registers for that year.

**History:** En. Sec. 23, Ch. 113, L. 1911; amd. Sec. 23, Ch. 74, L. 1913; amd. Sec. 18, Ch. 122, L. 1915; amd. Sec. 3, Ch. 97, L. 1919; re-en. Sec. 568, R. C. M. 1921; amd. Sec. 2, Ch. 61, L. 1933; amd. Sec. 2, Ch. 64, L. 1959.

#### **Amendment**

The 1959 amendment substituted the words "precinct register" or "precinct registers" for the words "poll book" or "poll books" each time they appear.

**23-519. (571) Compensation of county clerks.** The county clerks shall receive, for the use and benefit of the county, from every city or town, or from every school district of the first class, (to which the precinct registers referred to in the last section have been furnished), the sum of three (\$0.03) cents for each and every name entered in such precinct registers, and in addition he shall receive in like manner the amount of the actual expense incurred in printing and posting the lists of electors, and in publishing the notices required by this law, and any other expense incurred on account

of any such municipal or school district election. It shall be the duty of the city or town council, or board of school trustees, to order a warrant drawn for such sum as may be due to the county clerk under the provisions of this section, within thirty (30) days after the presentation of the account to them by said county clerk, provided, however, that in event of the election of candidates at municipal primary elections, as provided for in 11-3113, and no general municipal election is required to be held, the county clerk shall prepare no precinct registers for such general municipal election and shall make no charge therefor; provided further, that in elections of school districts of the first class if only as many candidates are nominated as there are vacancies to be filled, the county clerk shall furnish no precinct registers and make no charge therefor to such school district.

It shall be the duty of the city clerk or the clerk of the school district to notify the county clerk in such case as above mentioned, where no precinct registers are required, immediately after the facts become known to the city council or the board of trustees of the school district, which makes unnecessary the furnishing of such precinct registers.

**History:** En. Sec. 29, Ch. 113, L. 1911; amd. Sec. 29, Ch. 74, L. 1913; amd. Sec. 21, Ch. 122, L. 1915; re-en. Sec. 571, R. C. M. 1921; amd. Sec. 1, Ch. 71, L. 1935; amd. Sec. 3, Ch. 64, L. 1959.

**Amendment**

The 1959 amendment substituted the words "precinct registers" for the words "poll books" each time they appear.

**23-527. (579) Omission of name from precinct register—remedy.** Any elector whose name is erroneously omitted from any precinct register may apply for and secure from the county clerk a certificate of such error, and stating the precinct in which such elector is entitled to vote, and upon the presentation of such certificate to the judges of election in such precinct, the said elector shall be entitled to vote in the same manner as if his name had appeared upon the precinct register. Such certificate shall be marked "voted" by the judges, and shall be returned by them with the precinct register.

**History:** En. Sec. 29, Ch. 122, L. 1915; re-en. Sec. 579, R. C. M. 1921; amd. Sec. 4, Ch. 64, L. 1959.

**Amendment**

The 1959 amendment substituted the words "precinct register" for either the words "precinct poll-book" or "poll book" each time they appear.

## CHAPTER 6—JUDGES AND CLERKS OF ELECTIONS

Section 23-608. Clerks to mail to judges notices of election—form of notices.  
23-612. Instructions of judges of elections.

**23-608. (594) Clerks to mail to judges notices of election—form of notices.** The clerks of the several boards of county commissioners must, at least twenty (20) days before any general election, make and forward by mail to such judge or judges as are designated by the county commissioners, three written notices for each precinct, said notices to be substantially as follows:

Notice is hereby given that on the first Tuesday after the first Monday of November, 19\_\_, at the house \_\_\_\_\_, in the county of \_\_\_\_\_,

an election will be held for \_\_\_\_\_ (naming the offices to be filled, including electors of president and vice-president, a representative in congress, state, county and township officers), and for the determination of the following questions (naming them), the polls of which election will be open at 8:00 A.M. and continuing open until 8:00 P.M. of the same day.

Dated this \_\_\_\_\_ day of \_\_\_\_\_, A.D. 19\_\_.

Signed A. B., clerk of the board of county commissioners.

#### Amendment

The 1957 amendment substituted "8:00 A. M. and continuing open until 8:00 P. M." for "8 o'clock in the morning and continuing open until 6 o'clock in the afternoon."

**23-612. Instructions of judges of elections.** Before each election, general or primary, all judges appointed to act at said election, who do not possess a certificate of instruction as provided for in this act, shall be instructed by a person delegated by the board of county commissioners in regard to the powers, duties, and liabilities imposed upon election judges by the election laws of the state of Montana. For the purpose of giving such instruction, the delegate of the board of county commissioners shall call such meeting or meetings of the judges of election as shall be necessary. Each judge of election shall attend such meeting or meetings and receive at least two (2) hours of instruction, and as compensation for the time spent in receiving such instruction, each judge that shall serve in the election shall receive the sum of one dollar (\$1.00) per hour of instruction, to be paid to him at the same time and in the same manner as compensation is paid to him for his or her services on election day.

Upon the completion of the two (2) hours of instruction, the judge shall receive a certificate from the person delegated by the board of county commissioners from whom he or she received instruction, that the instruction has been completed, provided that no certificate of instruction shall be valid for a period of greater than two (2) years. No person shall serve as a judge of election unless this certificate has been received, provided, however, that this shall not prevent the appointment of a judge of election to fill a vacancy in an emergency. Notice of place and time of instruction of the political judges must be given by the board of county commissioners to the county chairmen of the two major political parties in the county.

**History:** En. Sec. 1, Ch. 210, L. 1957.

#### Title of Act

An act to provide for instruction of election judges; providing for the appointment by the board of county commissioners of an instructor; providing for compensation for the election judges being instructed; providing for certificates of instruction; providing for notice to the

county chairman of the two major political parties of the county of the place and time of instruction; and containing a repealing clause.

#### Repealing Clause

Section 2 of Ch. 210, Laws 1957 repealed all acts and parts of acts in conflict therewith.

**23-1313. (727) Envelopes containing ballots—deposit in box and rejection of ballot.** At any time between the opening and closing of the polls on such election day, the judges of election of such precinct shall first open the outer envelope only, and compare the signature of such voter to such application, with the signature to such affidavit.

In case the judge finds the affidavit is sufficient and that the signatures correspond, and that the applicant is then a duly qualified elector of such precinct, and has not voted at such election, they shall open the absent or physically incapacitated voter's envelope, in such manner as not to destroy the affidavit thereon, and take out the ballot or ballots therein contained, and without unfolding the same, or permitting the same to be opened or examined, shall ascertain whether the stub or stubs is or are still attached to the ballot or ballots, and whether the number thereon corresponds to the number in the county or city or town clerk's certificate. If so, they shall endorse the same in like manner that other ballots are endorsed, shall detach the stub as in other cases, and deposit the ballot or ballots in the proper ballot-box or boxes, and make in their election records the proper entries to show such elector to have voted. In case such affidavit is found to be insufficient, or that the said signatures do not correspond, or that such applicant is not then a duly qualified elector of such precinct, such vote shall not be allowed, but, without opening the absent or physically incapacitated voter envelope, the judges of such election shall mark across the face thereof "rejected as defective" or "rejected as not an elector" as the case may be. The absent or physically incapacitated voter envelope, when such absent vote or vote by a person physically incapacitated from going to the polls is voted, and the absent or physically incapacitated voter envelope with its contents, unopened, when such absent vote or vote by a person physically incapacitated from going to the polls is rejected, shall be deposited in the ballot-box containing the general or party ballots, as the case may be, retained and preserved in the manner by law provided for the retention and preservation of official ballots voted at such election. If, upon opening the absent or physically incapacitated voter's envelope, it be found that the stub of any ballot has been detached, or that the number thereon does not correspond to the number in the county or city or town clerk's certificate of the number issued to such absent or physically incapacitated voter, the ballot shall be rejected, and it shall then and there, and without looking at the face thereof, be marked on the back "rejected on the ground of \_\_\_\_\_," filling the blank with the statement of the reason of the rejection; which statement shall be dated and signed by the majority of the judges. The ballot or ballots so rejected, together with the absent or physically incapacitated voter's envelope bearing the application, and the said application, shall be all enclosed in an envelope, which shall be then and there securely sealed, and on such en-

velope the judges shall write or cause to be written (if not already printed thereon) the words, "rejected ballot of absent or physically incapacitated voter" (writing in the name of the elector). "The rejected ballot or ballots is or are \_\_\_\_\_." The judges shall designate the rejected ballot as "general ballot," if it be a ballot for candidates that be rejected. If the rejected ballot be a one put on a question submitted to the vote of the electors, the judges shall designate such ballot as ballot question No. \_\_\_\_\_ in the certificate on the envelope. There shall be a separate enclosing envelope for the ballot or ballots of each absent or physically incapacitated voter whose ballot or ballots may have been rejected and such enclosing envelope shall be placed in the envelope in which the other ballots voted or (are) required to be placed and shall not be opened without an order of a court of competent jurisdiction. The county or city or town clerk shall provide and have delivered to the judge of election suitable envelopes for enclosing rejected absent or physically incapacitated voter's ballots.

## CHAPTER 17—ELECTION RETURNS

- Section 23-1702. Mode of canvassing.  
 23-1703. Where ballots are in excess of names on poll-books.  
 23-1709. Election returns by judges—how made.  
 23-1714. Disposition of returns prior to canvass of vote.  
 23-1715. Clerk to file in his office books, papers, etc.

**23-1702... (775) Mode of canvassing.** The canvass must commence by a comparison of the poll-books from the commencement, and the correction of any mistakes that may be found therein, until they are found to agree. The judges must then take out of the box the ballots unopened except to ascertain whether each ballot is single, and count the same to determine whether the number of ballots corresponds with the number of names on the poll-books. If two or more ballots are found so folded together as to present the appearance of a single ballot, they must be laid aside until the count of the ballots is completed, and if, on comparing the count with the poll-books and further considering the appearance of such ballots, a majority of the judges are of the opinion that the ballots thus folded together were voted by one elector, they must be rejected; otherwise they must be counted.

**Amendment**

The 1959 amendment substituted the words "poll-books" for "poll-lists" each time they appear.

**23-1703. (776) Where ballots are in excess of names on poll-books.** If the ballots then are found to exceed in number the whole number of names on the poll-books, they must be placed in the box (after being purged in the manner above stated), and one of the judges must, publicly, and without looking in the box, draw therefrom singly and destroy unopened so many ballots as are equal to such excess. And the judges must make a record on the poll-books of the number of ballots so destroyed.

counted or allowed, and all detached stubs from ballots voted, and endorse on the outside thereof "ballots voted." Each of the judges must write his name across the seal of each of said envelopes or packages. The ballot box must be returned to the county clerk.

(4), and substituted the end of that subdivision relating to enforcement of compliance with a summons, citation, or subpoena, for the former provision, for text of which see the parent volume.

#### Transportation Costs

Milk control board could give producers the option to share in the cost of moving their milk to outside marketing areas. *Heimbichner v. Montana Milk Control Board*, — M —, 332 P 2d 922, 924.

**27-406. Markets.** Pursuant to the declaration of policy relating to milk set forth in section 27-401 of the Revised Codes of Montana of 1947, the milk control board is vested with the duty and authority to designate natural marketing areas which shall together embrace all the geographical area of the state and to prescribe and enforce minimum producer, wholesale, and retail prices in such areas in the manner set forth in this act; provided, that at all times there shall not be less than five (5) natural marketing areas in the state.

(a) Natural marketing areas shall be established forthwith throughout the state by the board; provided that before any proposed natural

marketing area is established the board, after notice of at least thirty (30) days, shall hold a hearing or hearings, at a place or places within the proposed area, at which producers and distributors doing business within said proposed natural marketing area, who are licensed by the Montana livestock sanitary board, and the consuming public may present evidence and testify; and in the event the hearing or hearings make it evident to a majority of the board that the establishment of such proposed natural marketing area is in the public interest, the board shall make findings and conclusions and proceed to establish such natural marketing area.

(b) The board shall have the power, from time to time and at its discretion, to adjust and alter the boundaries of natural marketing areas after they have been established, if after a hearing upon notice of at least thirty (30) days to all interested parties its finds and orders such adjustment to be in the public interest.

(c) All previously established marketing areas and all price schedules, rules and regulations issued and promulgated by any previously existing milk control board in this state at the time of passage of this act are in force and effect, are hereby declared to be and remain in force and effect until altered or rescinded in the manner provided by this act.

(d) The board shall at all times maintain current information on quantities of surplus Grade A milk available in the various marketing areas throughout the state, and such information shall be available to all interested parties on request.

**History:** En. Sec. 6, Ch. 204, L. 1939;  
amd. Sec. 4, Ch. 192, L. 1959.

**Amendment**

The 1959 amendment completely rewrote this section. For section prior to amendment see parent volume.

**27-407. Orders fixing minimum prices.** Prior to the fixing of prices in any market the board shall conduct a public hearing and admit evidence under oath relative to the matters of its inquiry, at which hearing the consuming public shall be entitled to offer evidence and be heard the same as persons engaged in the milk industry. The board shall by means of such hearing or from facts within its own knowledge, investigate and determine what are reasonable costs and charges for producing, hauling, handling, processing, and/or other services performed in respect to milk and what prices for milk in the several localities and markets of the state, and under varying conditions, will best protect the milk industry in the state and insure a sufficient quantity of pure and wholesome milk to adults and minors in the state, and be most in the public interest.

The board shall take into consideration the balance between production and consumption of milk, the costs of production and distribution, and prices in adjacent and neighboring areas and states, so that minimum prices which are fair and equitable to producers, distributors and consumers may result.

The board shall, at least ten (10) days prior to the date set for any public hearing on minimum prices, cause notice to be given to the consuming public and the milk industry of the specific factors which shall be taken into consideration in determining costs of production and dis-

tribution and of the actual dollars and cents costs of production and distribution which preliminary studies and investigations of auditors or accountants in its employment indicate will or should be shown at the hearing, so that all interested parties will have opportunity to be heard and to question or rebut such considerations as a matter of record.

If the board at any time proposes to base all or any part of any official order fixing minimum prices upon facts within its own knowledge, as distinguished from evidence which may be presented to it at a public hearing by the consuming public or the milk industry, the board shall, at least ten (10) days prior to the date set for any public hearing on minimum prices, cause notice to be given to the consuming public and the milk industry of the specific facts within its own knowledge which it will consider, so that all interested parties will have opportunity to be heard and to question or rebut such facts as a matter of record.

The board, after consideration of the evidence produced at such hearing, shall make written findings and conclusions and shall fix by official order:

(a) The minimum prices to be paid by the milk dealers to producers and others for milk. Each order fixing minimum prices shall classify milk by forms, classes, grades or uses as the board may deem advisable and shall specify the minimum prices therefor.

The milk produced in one natural marketing area and sold in another natural marketing area shall be paid for by a distributor or dealer in accordance with the pricing order of the area where produced at the price therein specified of the class or use in which it is ultimately used or sold.

No allowance for freight, other than freight for transportation of milk from the farm to plant, shall be charged to a producer by a distributor or dealer unless it is found and ordered by the board, after notice and hearing in the manner hereinbefore specified, that such an additional freight allowance is necessary to permit the movement of milk in the public interest.

All milk purchased within a natural marketing area by a distributor shall be purchased on a uniform basis of either butterfat or hundred-weight. The basis to be used shall be established by the board after the producers and the distributors of the area have been consulted.

(b) The minimum wholesale prices to be charged for milk in its various forms, classes, grades, and uses when sold by distributors or producer-distributors to retail stores, restaurants, boarding houses, fraternities, sororities, confectioneries, public and private schools, including colleges and universities, and both public and private institutions and instrumentalities of all types and description.

(c) The minimum retail prices to be charged for milk in its various forms, classes, grades and uses when sold by distributors, producer-distributors, and retail stores to consumers.

A minimum producer, wholesale or retail price to be charged for milk shall not be fixed higher than is necessary to cover the costs of ordinarily efficient and economical milk dealers, including a reasonable return upon necessary investment.

The board may, upon its own motion, or upon application in writing from any market, or from any party at interest, alter, revise or amend any official order theretofore made by the board provided that before making, revising, or amending any order fixing prices to be charged or paid for milk in any of its forms, classes, grades or uses, the board shall hold a public hearing on such matter in the same manner provided herein for the original fixing of prices.

#### **Amendment**

The 1959 amendment made numerous changes and rewrote this section. For section prior to amendment see parent volume.

#### **Retail Price**

Where retail price charged for some of the milk is more than twice the price paid by the distributor to the producer there is a violation of the statute. *Heimbichner v. Montana Milk Control Board*, — M —, 332 P 2d 922, 923.

### **27-408. Licenses to producers, producer-distributors, and distributors.**

#### **Application of Section**

#### **Collection of License Fees**

**27-409. Licenses — milk control fund.** No producer, producer-distributor, or distributor shall engage in the business of producing or selling milk subject to this act in this state without first having obtained a license from the Montana livestock sanitary board and without being licensed under this act by the milk control board. The annual fee for such license from the milk control board shall be two dollars (\$2.00), shall be due and payable on or before the first day of July, commencing in the year 1959 and shall be deposited by said board to the credit of the general fund.

In addition to said annual license fee, the board shall, in each year, on or before the first day of April, for the purpose of securing funds to administer and enforce this act, levy an assessment upon producers, producer-distributors, and distributors as follows:

(b) A fee of not more than two and one-half cents (2½¢) per hundred weight on the total volume of all milk subject to this act sold by a producer.

(c) A fee of not more than two and one-half cents (2½¢) per hundred weight on the total volume of all milk subject to this act sold by a distributor, excepting that which is sold to another distributor.

Said assessment upon producer-distributors, producers, and distributors shall be paid quarterly on or before the fifteenth (15th) day of July, October, January and April of each year, commencing in July of 1959, and the amount of such assessment shall be computed by applying the fee designated by the board to the volume of milk sold in the calendar quarter immediately preceding.

Failure of any producer, producer-distributor, or distributor to pay said assessment when due shall constitute violation of this act and his license under this act shall thereupon automatically terminate and be null and void and of no effect. Reinstatement of a license so terminated shall be effected by payment of a delinquency fee equal to thirty per cent (30%) of the assessment which was due.

All assessments hereinbefore required to be paid shall be deposited by the milk control board in a special fund which is hereby created and is designated the state milk control fund; and all costs of administering this act, including the salaries of employees and assistants, per diem and expenses of board members, and all other disbursements necessary to carry out the purpose of this act, shall be paid out of said state milk control fund.

The rates of assessment above provided are maximum rates, and the board may, if it finds the costs of administering and enforcing this act can be derived from lower rates, fix the rates at a less amount on or before the first day of April in any year.

The board shall adopt a uniform system of accounting to be used by the distributor to account for the usage of all milk received by the distributor.

Every distributor and producer-distributor shall keep the following records:

### **27-423. Constructions, exceptions and limitations.**

#### **Collection of License Fees**

Milk control board may collect license fees based on whole volume of milk sold by producer whether within a certain

marketing area or anywhere else within the state of Montana. *Heimbichner v. Montana Milk Control Board*, — M —, 332 P 2d 922, 925.

**27-426. Bonds required of distributors—amounts—forms and conditions.** Every distributor before purchasing any milk from a producer shall execute and deliver to the milk control board a surety bond in the minimum sum of one thousand dollars (\$1000.00), executed by the applicant as principal and by a surety company qualified and authorized to do business in this state as surety. Said bond shall be upon a form approved by the board, and shall be conditioned upon the payment in the manner required by this act, of all amounts due to producers for milk purchased by such licensee or applicant during the license year. Said bond shall be to the state in favor of every producer of milk. In case of failure by a distributor to pay any producer or producers for milk in the manner required by this act, the board shall proceed forthwith to ascertain the names and addresses of all producer-creditors of such distributor, together with the amounts due and owing to them and each of them by such distributor, and shall request all such producer-creditors to file a verified statement of their respective claims with the board. Thereupon the board shall bring an action on the bond on behalf of said producer-creditors. Upon any action being commenced upon said bond, the board may require the filing of a new bond; and immediately upon a recovery in any action upon such bond, such distributor shall file a new bond; and

upon failure to file same within ten (10) days in either case, such failure shall constitute grounds for the revocation or suspension of the license of such distributor. In the event that recovery upon the bond is not sufficient to pay all of the claims as finally determined and adjudged by the court, any such amount recovered shall be divided pro rata among said producer-creditors.

The minimum bond of one thousand dollars (\$1000.00) shall be required of distributors purchasing an average daily quantity of milk of less than one hundred gallons; distributors purchasing an average daily quantity of one hundred gallons and less than two hundred gallons during any calendar month during a license year shall post a bond in the amount of two thousand dollars (\$2000.00); distributors purchasing an average daily quantity of two hundred gallons and less than three hundred gallons during any calendar month during a license year shall post a bond in the amount of three thousand dollars (\$3000.00); distributors purchasing an average daily quantity of three hundred gallons or more during any calendar month during a license year shall post a bond in the sum of five thousand dollars (\$5000.00).

In the event that any distributor so increases his purchases of milk during the license year that said purchases exceed the amount for which said distributor is bonded, said distributor shall forthwith post such additional bond or bonds as may be required to comply with the provisions of this section.

Failure of any distributor who purchases milk from producers to execute and deliver the bond as herein provided and required shall constitute a violation of this act; failure of any such distributor to post such additional bond or bonds as may be required to comply with the provisions of this act shall likewise constitute a violation of this act.

**History:** En. Sec. 10, Ch. 192, L. 1959.

**27-427. Local advisory boards.** Whenever a public hearing is scheduled by the milk control board in any marketing area for the purpose of fixing prices, the board shall, at least ten (10) days prior to the date set for such hearing, appoint a local advisory board, the function of which shall be to assist and advise the milk control board in matters pertaining to the production and marketing of milk in said marketing area. The local advisory board shall consist of two producers and two distributors, who are respectively actively engaged in milk production and distribution in the area. Such local advisory board shall meet with the milk control board at the call of the milk control board before, during, or after such public hearing to fix prices; and a verbatim transcript of all matters and things discussed by the milk control board with such local advisory board at all such conferences or meetings shall be prepared and shall be considered a part of the record of the hearing. The members of such local advisory board shall serve without pay, but in case conferences or meetings with the milk control board are held outside of the marketing area in which they produce or distribute milk they shall be entitled to receive actual and necessary expenses incurred in attending such meetings or conferences. In no event shall there be more than three meetings or conferences between

the milk control board and such local advisory board; and in all events such local advisory board shall cease to exist when the milk control board promulgates its decision or order fixing prices following the public hearing heretofore mentioned.

**History:** En. Sec. 11, Ch. 192, L. 1959.

**27-428. Judicial review of orders.** Any person or persons, jointly or severally, aggrieved by any decision or order of the milk control board may present to a court of record a petition, duly verified, setting forth that such decision or order is illegal, in whole or in part, specifying the grounds of the illegality. Forest fire is defined as a fire burning uncontrolled on forest lands.

Organized forest fire protection district is defined as a definite forest land area, the boundaries of which are fixed, and wherein, forest fire protection is provided through the medium of an agency recognized by the board.

Recognized agency is defined as an agency representing owners of forest lands in an organized forest fire protection district, organized for the purpose of providing forest fire protection in such district and recognized by the board as giving adequate fire protection to such forest lands in accordance with rules and regulations prescribed by the board.

Any public agency administering and protecting forest lands may also be recognized by the board as such an agency.

Forest fire season is defined as the period of each year beginning on May first and ending on September thirtieth, inclusive; provided, however, that in the event of excessive or great fire danger, this period may be expanded when in the judgment of the state forester dangerous fire conditions exist. When so expanded, the state forester shall give public notice.

Forest fire protection is defined as the work of prevention, detection and suppression of forest fires.

Protection zone is a broad area within which the forest fire protection costs are approximately the same. Protection zones will be designated by the state forester, with the approval of the board.

The 1959 amendment added the definitions of forest land, forest fire and protection zone; deleted a definition of fire district which read "fire district is defined as a subdivision of an organized forest protection district, or a forest area outside the boundaries of an organized forest protection district, but adjacent thereto and which can be made a part thereof"; in the definition of organized forest fire protection district, the amendment inserted the words "forest fire protection is provided" and deleted from the end of that definition

the words "the forest landowners, whether state, county, municipal or private, pay the actual cost of fire protection and fire suppression on a pro-rata basis for acreage owned within the district"; in the definition of recognized agency the amendment substituted "agency representing" for "an association," inserted the words "fire" each time they appear after the word "forest" and deleted a phrase "and fire suppression in such district and financed by the owners in said district," which appeared after the words "forest fire protection in such district"; in the definition of forest fire season the amendment substituted that portion of the definition beginning with the words "this period may" for the words "the board may expand the said season within any district, or in any part thereof, for not more than sixty (60) extra days, and when so expanded the board shall give such public notice thereof as it may deem necessary" and in the definition of forest fire protection the amendment substituted "forest fires" for "fire in forest material or on forest land."

**28-402. (2778.6) Disposal of slashings.** Every person, firm or corporation, hereinafter called the operator, who shall hereafter, for commercial purposes, cut any timber, logs, trees, posts, ties, poles, cordwood, pulpwood or any other forest product upon any lands within the state of Montana, shall remove any forest fire hazard to the property of others that may be created by the slashings, or other forest debris incident to such cutting operations. Provided, however, that an expenditure in excess of seventy-five cents (75c) for each one thousand (1,000) feet log scale, or the equivalent thereof if products other than logs are cut, shall not be required. Slash and debris will be disposed of during the cutting operations or as soon thereafter as is practical. Provided, however, that any fire hazard to the property of others created by said slash and debris shall under no conditions be allowed to remain for more than eighteen (18) months in any portion of the cutting area except with written permission of the state forester. If and when the operator has satisfactorily disposed of said slash or debris in accordance with the law and the rules and regulations of the state board of forestry he will be so notified, in writing, by the state forester.

Any operator, as defined herein, may elect to have said slash and debris, incident to his cutting operations treated, protected or disposed of by the state forester under the rules and regulations of the state board of forestry. Said operator will deposit with the state forester the estimated costs of such disposal at such times and in such amounts as the state forester may direct, but in no event shall such deposit or payment exceed, in the aggregate, an amount equal to seventy-five cents (75c), multiplied by the number of thousand of feet log scale cut from the forest area involved. The state forester will refund to said operator all sums deposited over and above costs of slash and debris treatment, protection or disposal.

Each person, firm or corporation, hereinafter called the purchaser, who shall hereafter purchase or contract to purchase any timbers, logs, ties, posts, poles or other forest products cut from any forest lands within the state of Montana, shall within five (5) days after making said purchase or contract to purchase, notify the state forester of such purchase or contract together with the name of the person furnishing said forest products and the name of the owner of the land from which said products are cut. Each purchaser shall withhold, before making payment for such products a sum equal to seventy-five cents (75c) for each thousand (1,000) feet log scale or the equivalent thereof if forest products other than logs are to be cut under such contract, unless the state forester has notified said purchaser that slash and debris from the cutting operator furnishing the forest products has been disposed of, or that the cutting operator has complied with the law. When the state forester is satisfied that said slash and debris, creating a fire hazard to the property of others, has been or will be legally treated, protected or disposed of by the cutting operator in accordance with the requirements of law and of the rules and regulations of the state board of forestry, he will release said money withheld

by purchaser to insure compliance with the law. If, on or before the conclusion of said purchase or contract to purchase, the state forester has not released said withheld moneys the purchaser shall, upon demand, immediately remit the moneys withheld to the state forester. The state forester will issue receipt, therefore, to the purchaser. Said receipt shall discharge the purchaser from any and all liability for moneys withheld from cutting operator in the amounts shown by said receipt. The state forester shall retain such moneys as a surety covering treatment, protection or removal of said slash and debris or may, at his discretion procure the treatment, protection or disposal of said slash and debris by applying said money, or so much thereof as may be necessary in payment of the costs of such abatement.

**28-404. Reduction or management of fire hazard created by cutting timber.** Everyone engaged, or about to engage, in the cutting of any forest product or conducting standing improvement such as, but not limited to, thinning, weeding and pruning, upon private lands within the state of Montana shall provide for the reduction or management of the fire hazard to the property of others thus created or to be created by entering into a fire hazard reduction agreement as provided in sections 5 through 9 [28-408 to 28-412], inclusive of this act, or by posting a bond to the state of Montana in such form and for such amount as may be prescribed by the state forester; provided, however, that the amount of the bond so prescribed shall not be in excess of the amount which such person would be required to pay under said sections 5 through 9 [28-408 to 28-412], inclusive, and that the bond shall be conditioned upon full and faithful compliance with all requirements under said sections 5 through 9 [28-408 to 28-412], inclusive, and the faithful reduction or management of such fire hazards in the manner prescribed by law. Such bond shall be released upon completion of the work in compliance with the terms of the bond. The state forester shall issue a certificate of compliance with the terms of this section to all persons who have complied therewith.

**28-405. Reduction of slash and forest debris along right-of-way.** Everyone clearing right-of-way for any railroad, public highway, public trail, private road, trail, ditch, dyke, pipeline or wire lines, or any other transmission or transportation utility right-of-way, except temporary roads located within the boundaries of the cutting area and which are used in the actual logging operations, shall reduce the hazard resulting from such clearing or from the cutting of material for the construction of such public or private utility unless exempted by the state forester.

Hazard reduction, including burning where this method of disposal is used, shall be done as rapidly as cutting or clearing progresses; provided that upon application to the state forester he may grant a permit extending the time within which such burning must be done in compliance with all the provisions of this chapter relating to burning permits during the closed season.

The provisions of the section shall apply to all clearing of rights-of-way across private land and on behalf of the state, county, highway districts and road districts, whether the work be done by day labor, or by contract, and unless unavoidable emergency prevents, provision shall be made by the proper officials conducting, directing, or letting said work for withholding until it is complete, a sufficient portion of the payment therefor to assure compliance with this act.

Violations of any of the provisions of this section shall be deemed a misdemeanor and be punishable by a fine of not less than one hundred dollars (\$100.00) nor more than one thousand dollars (\$1000.00).

In addition to the penalty herein provided the offender may be enjoined, at the instance of the state forester from proceeding with such work until the provisions of this section shall have been complied with; and, upon application of the state forester to any court of competent jurisdiction, a writ of mandate shall issue compelling the offender to fully comply with the provisions thereof.

When the hazard reduction agreement provides that the purchaser of forest products shall withhold moneys to insure faithful compliance with sections 1 through 9 [28-404 to 28-412] of this act, said purchaser will transmit any moneys which are withheld to the state forester.

Violation of any of the provisions of this section shall be deemed a misdemeanor and be punishable by a fine of not less than one hundred dollars (\$100.00) nor more than one thousand dollars (\$1000.00).

3 [28-404 and 28-406]. Such injunction proceedings may be instituted by the state forester as plaintiff and the court may in its discretion grant a temporary injunction. In any such proceedings no bond shall be required of the plaintiff and such proceedings shall be handled with expedition in the district court of the county where the land is located.

If one responsible therefor has for any reason failed to comply with sections 1 and 3 [28-404 and 28-406], and has without such compliance cut any forest products and shall fail, refuse, or neglect to obtain compliance for a period of thirty days after being notified so to do by the state forester, the state forester, may, if he deems it advisable, complete, direct or authorize the disposal of such slash at the expense of the owner of the timber or other forest products cut or produced from the land upon which such fire hazard remains undisposed of as aforesaid.

The cost and expense of such disposal, plus twenty per cent (20%) of the cost and expense of such disposal as a penalty, shall constitute a lien upon the forest products so cut or produced from such land. If payment of the sum demanded be not made to the state forester within ten (10) days of such written demand, the state forester must transfer all papers relative to the unsatisfied demand for payment to the attorney general of the state, who shall bring legal action on behalf of the state to recover the debt.

The state forester shall not file for record any lien against the property of any person who has been issued a certificate of compliance with sections 1 and 3 [28-404 and 28-406], covering such property.

contract the state forester may assume all responsibility for the reduction or management of any fire hazard; any such contract shall provide the amount to be paid by the owner or operator to the state forester by reason of his agreement to assume the reduction or management, of such fire hazard. Said amount shall not exceed one dollar (\$1.00) for each one thousand (1000) feet log scale, or the equivalent thereof if forest products other than logs are cut.

Any charges involving suspension or dismissal of the supervisor or a captain shall be filed directly with the highway patrol board.

Upon the filing of the same, if the supervisor, in his opinion, believes that such charges constitute grounds for discharge, he shall order a hearing to be had thereon before the highway patrol board and fix a time for such hearing, otherwise he shall dismiss such charges.

(c) At least ten (10) days before the time appointed for said hearing, written notice specifying the charge or charges filed and stating the name of the person or persons making the charge or charges shall be served on the said employee personally, if his whereabouts is known, in the state of Montana. If such decision or determination of the highway patrol board shall be finally reversed or modified by said court, the said employee shall be reinstated in his position and the highway patrol board shall pay to the said employee any salary or wages withheld from him pending the determination of the charge or charges, or as may be directed by the court.

The highway patrol board shall have the authority to order the supervisor to file charges with the board if the supervisor in his judgment does not believe the charge or charges warrant a hearing.

When the highway patrol supervisor has cause to believe that any member of the highway patrol has violated any of the hereinabove specified grounds for suspension, demotion or discharge, or his conduct has

warranted reprimanding, he may, with the approval of the Montana highway patrol board, suspend, demote or reprimand the member. Hill*, 167 F Supp 320, 327.

**32-1127. (1751.6) Permits for excess size and weight.** The state highway commission, and local authorities in their respective jurisdiction, may, in their discretion, upon application in writing and good cause being shown therefor, issue a special permit in writing, authorizing the applicant to operate or move a vehicle of a size or weight exceeding the maximum specified in this act upon any highway under the jurisdiction of and for the maintenance of which the body granting the permit is responsible; provided, however, that no permits are to be issued for movement of vehicles carrying build-up or reducible loads in excess of nine (9) feet in width or exceeding the length, height, or weight specified in this act; provided, however, that no permits are to be issued for the moving of loads for any considerable distances over such highways when the loads in question are of such excess width that all traffic lanes upon the highway concerned would be blocked to the serious inconvenience of normal traffic; and further provided that no permits are to be granted for the moving of loads of such excess width that a hazard to traffic would be

involved for any considerable distances over the highways concerned except to those applicants who carry public liability and property damage insurance for the protection of the traveling public as a whole. No permit shall be issued for a period of more than nine (9) months.

The applicant for any special permit shall specifically describe the vehicle or vehicles and load to be operated or moved, and the particular state highways for which permit to operate is requested and whether such permit is required for single trip or for continuous operation. All fees collected under this act shall be forwarded to the state treasurer for deposit in the state highway general fund.

(a) Special Permits—Discretion of Issuer—Conditions. The state highway commission or local authority is authorized to issue or withhold such special permit at its discretion, or, if such permit is issued, to limit the number of trips, or to establish seasonal or other time limitations within which the vehicle described may be operated on the public highways indicated, or otherwise to limit or prescribe conditions of operation of such vehicle or vehicles when necessary to assure against damage to the road foundation, surfaces or structures or safety of traffic and may require such undertaking or other security as may be deemed necessary to compensate for injury to any roadway or road structure.

(b) Special Permits—Fees. The following fees, in addition to the regular license and gross vehicle weight fees, shall be paid for all movements under special permits on the public highways under the jurisdiction of the state highway commission:

Three dollars (\$3.00) for each permit issued in excess of the size and weight specified in this act: provided, however, that term or blanket permits shall not be issued for overwidth loads in excess of fifteen (15) feet, overlength loads in excess of seventy (70) feet, and overheight loads in excess of a limit determined by the highway commission. Loads in excess of these dimensions will be limited to trip permits.

In addition to the three dollar (\$3.00) fee specified herein for overweight permits, there shall be charged (1) for single trip permits five dollars (\$5.00) for distances to and including one hundred (100) miles, fifteen dollars (\$15.00) for distances from one hundred one (101) to one hundred ninety-nine (199) miles, and twenty-five dollars (\$25.00) for distances over two hundred (200) miles traveled, for such excess load over the gross allowable load specified in this section or the sum of the excess axle loads, whichever is greater.

(c) Special Permits—Misrepresentations and Violations—Penalty—Display of Permit. Any person who knowingly and wilfully misrepresents the size or weight of any load in obtaining a special permit or does not follow the requirements and conditions of the special permit or who operates any vehicle, the gross weight of which is in excess of the maximum for which such vehicle may be eligible for license, without first obtaining a special permit, is guilty of a misdemeanor.

Every special permit issued hereunder shall be carried in the vehicle or combination of vehicles to which it refers and shall be open to inspection by any peace officer, officer of the Montana highway patrol, or

employees of the maintenance department of the Montana highway commission.

A peace officer, officer of the Montana highway patrol, or employees of the maintenance department of the Montana highway commission who shall find any person operating a vehicle in violation of the conditions of a special permit issued hereunder may confiscate such permit and forward the same to the state highway commission which may return it to the permittee or revoke, cancel, or suspend it without refund. The state highway commission shall keep a record of all action taken upon permits so confiscated and if a permit shall be returned to the permittee, the action taken by the commission shall be endorsed thereon. Any permittee whose permit is suspended or revoked may, upon request, receive a hearing before the commission or person designated by the commission. The commission, after such hearing, may reinstate any permit or revise its previous action.

Every such permit or a true copy thereof shall be carried in the vehicle to which

it refers and shall be open to inspection by any peace officer, officer of the Montana highway patrol, or employees of the maintenance department of the Montana highway commission and it shall be a misdemeanor for any person, firm or corporation to violate any of the terms or conditions of such permit" which appeared at the end of the first paragraph and added all of this section following the first paragraph.

The commission shall file and safely keep a record of all proceedings and orders pertaining to the matters under its direction and copies of all plans, specifications, contracts, estimates and official acts. **32-1608. (1790) Contracts, how awarded.** All contracts for work on state highways shall be let by the state highway commission, except as hereinafter provided. When the estimated cost of any piece of work shall exceed one thousand dollars (\$1,000.00), it shall be the duty of the state highway commission to let such contract by competitive bidding, upon such

notice and upon such terms as the commission by its rules and regulations prescribe; provided that if the commission shall find such work may be done and performed by force account or by day's labor in a more efficient manner, it may so conduct the work, and provided further that the commission may use convict labor as, in its judgment, is deemed proper. A contractor upon being awarded a contract for construction, improvement, maintenance or marking upon a state highway, and before entering upon such work shall execute to the state of Montana a bond to be approved by the commission, and to be conditioned for the faithful discharge of its duties under such contract. Provided, however, that on any highway construction work, which is financed in whole or in part by federal funds, and the secretary of commerce of the United States of America shall affirmatively find that under the circumstances relating to a given project some other method than competitive bidding is in the public interest, the state highway commission is authorized and empowered to enter into contracts with any board of county commissioners of any county, whereby such county is authorized to acquire rights of way, survey and construct farm to market, secondary or feeder roads within such county, by force account, unit price or otherwise, as may be agreed upon by said state highway commission and said board of county commissioners.

All contracts for work on state highways where federal and/or state funds are involved shall, when applicable, contain the prevailing rates of wages as set by collective bargaining in effect in the areas covered by heavy and highway labor agreements.

#### Repealing Clauses

Sec. 2 of Ch. 43, Laws 1957 repealed all acts and parts of acts in conflict therewith.

#### Street Improvements by Municipality

A city may create a special improvement district for street improvements where the street is also a part of a state highway and, in such instance, the contracts for the work must be awarded by the state highway commission. *Wood v. City of Kalispell*, 131 M 390, 310 P 2d 1058, 1062.

### 32-1609. (1791) Assent to federal aid road act.

#### Operation and Effect

Where, in order to comply with federal requirements in order to make a city street part of federal aid highway, the city adopted a resolution limiting its power to place speed limits and signs on the street, it was not a surrender of the police power of the city, but rather a limitation upon the method or means by

which such power might be exercised. City streets belong to the state and the city is but the trustee thereof. *Bidlingmeyer v. City of Deer Lodge*, 128 M 292, 274 P 2d 821, 823.

#### Repeal

These sections (Secs. 11, 12, Ch. 10, Ex. L. 1921), relating to the erection of standard guide signs and providing a penalty

for the defacing thereof, were repealed by Sec. 158, Ch. 263, Laws 1955, effective July 1, 1955.

32-1616. Highway commission may sell or trade lands when and how, personal property and printed matter. (a) The state highway commission of the state of Montana shall have the power to sell any interest in real estate, however acquired, by its state highway commission, belonging to the state of Montana and which is not necessary to the laying out, altering, construction, improvement or maintenance of any state highway. If the property sought to be sold is reasonably of a value in excess of one hundred dollars (\$100.00), the sale shall be to the highest bidder at public auction or by sealed bids to the discretion of the highway commission, at the office of the state highway commission, highway building in the city of Helena, Montana, after previous notice given by publication in a newspaper published in the county in which said real estate is situated, notice to be published once a week for two (2) successive weeks. Provided, however, the landowner from whom such land had been originally acquired by the state, or his successor in interest, shall have the option to purchase such land by offering therefor an amount of money equal to the highest bid received for such land. Such offer must be sent to the state highway commission by registered mail within ten (10) days from the date of such sale and such sale shall be for cash, lawful money of the United States. In all sales in property of a value in excess of one hundred dollars (\$100.00) there must, before any sale, be an appraisal thereof by the highway commission and at a price representing a fair market value of such property and such appraised value shall be stated in the notice of sale. No sale shall be made of any property unless it has been appraised within three (3) months prior to the date of sale and no such sale shall be made for less than ninety per cent (90%) of the appraised value. If no bid or offer is made for any property offered for sale after appraisal and notice given as provided herein, the highway commission may at any time thereafter sell such property at private sale and may on such private sale accept as the purchase price therefor an amount not less than ninety per cent (90%) of the appraised value thereof. No title to any property sold under the provision thereof shall pass from the state of Montana until the purchaser shall have paid the full amount of the purchase price therefor into the state treasury to the credit of the state highway fund. Provided, however, that whenever the state highway commission determines that any real property or any interest therein which is owned by the state through its state highway commission, however acquired, is no longer necessary to the laying out, altering, construction, improvement or maintenance of any state highway, the highway commission may exchange such real property or any interest therein, either as whole or partial consideration, for any other real property or interest therein needed for highway purposes, in the manner and upon the terms and conditions approved by the highway commission. Provided further, that the landowner from whom such land had been originally acquired by the state, or his successor in interest, shall have the right to require the state highway commission to offer such land for sale upon the same terms and conditions hereinbefore set out. The state highway commission must notify such landowner or successor in interest of its intention to exchange such real property and such landowner or successor in interest must make his demand for sale upon the state highway commis-

sion by registered mail within ten (10) days after receipt of such notice of intention to exchange.

(b) The state highway commission shall further have the power to sell at public or private sale, to be determined by the commission, any interest in personal property however acquired by the state highway commission, and belonging to the state of Montana, and which is not necessary to the laying out, altering, construction, improvement or maintenance of any state highway or the administration thereof.

(c) The highway commission shall also have the power to sell at public or private sale, maps, books, pamphlets or other printed matter prepared, or acquired, by the highway commission, and copies of any highway records to the public, and is authorized to set a reasonable price therefor.

The proceeds from each such sale shall be paid into the state treasury to the credit of the state highway fund.

Such studies or tests may be made either by designating existing highway or the construction of test strips, including natural resource roads, to the end that a proper solution of the many problems connected with the imposition on highways of motor vehicle weights may be determined.

 32-2004. Powers of highway authorities.  
 32-2005. Design of controlled access facility—ingress and egress restricted.  
 32-2006. Acquisition of property for facility.

**32-2001. Purpose.** It is the declared policy of this state to facilitate the flow of traffic and promote public safety by controlling access to highways included by the bureau of public roads in the national system of interstate highways.

**History:** En. Sec. 1, Ch. 104, L. 1955.

**Title of Act**

An act to provide for the planning, designation, establishment, use, regulation, alteration, improvement, maintenance, and vacation of controlled-access facilities; the acquisition of lands required therefor; the restriction of intersections

and control of approaches; the establishment of local service roads; the prohibition of certain acts thereon and provision for penalties therefor; repealing all acts and parts of acts in conflict therewith; and providing that this act shall be in full force and effect from and after its passage and approval.

**32-2002. Definitions.** When used in this act:

(a) "Interstate highway" means any highway now included or which shall hereafter be included as a part of the National System of Interstate Highways.

(b) "Controlled access highway" means all portions of an interstate highway which the state highway commission shall determine and designate for through traffic, over, from or to which owners or occupants of abutting land or other persons have no easement of access or only a limited easement of access, light, air or view, by reason of the fact that the property abuts upon such highway, or for any other reason, and shall further include those portions of spurs to the interstate highway system which the state highway commission shall determine and designate as unsafe for or impeded by unrestricted access of traffic from intersecting streets or alleys or public or private roads or ways of passage.

(c) "Controlled access facility" means and includes all streets, alleys, public roads, private roads and ways of passage intersecting any controlled access highway and all real property contiguous to the right of way of any controlled access highway.

(d) "Existing highway" means and includes all highways, roads and streets heretofore established, constructed and in use. It shall not include new highways, roads or streets, or relocated highways, roads or streets, or portions of existing highways, roads or streets which are relocated.

**History:** En. Sec. 2, Ch. 104, L. 1955; amd. Sec. 1, Ch. 121, L. 1957.

**Amendment**

The 1957 amendment substituted pres-

ent subd. (b) for one which formerly read "(b) 'Controlled access highway' means all portions of an interstate highway which the state highway commission shall

determine and designate as unsafe for and impeded by unrestricted access of traffic from intersecting streets or alleys or public or private roads or ways of passage."

**32-2003. Designation as controlled access highway—resolution—findings.** No part or portion of an interstate highway shall be designated as a controlled access highway unless the state highway commission shall, by resolution adopted by the majority vote of the members in attendance at any regular or special meeting thereof, find and determine that it is necessary and/or desirable that the owners or occupants of the abutting land or other persons have no easement of access or only a limited easement of access, light, air or view by reason of the fact that their property abuts upon such highway or for any other reason: It is hereby declared that the requirement by the federal government that access be controlled is necessity for the passing of such resolution by the highway authorities; nor shall any part or portion of any interstate, or spurs to the interstate highway system be designated as a controlled access highway unless the state highway commission shall, by resolution adopted by the majority vote of the members in attendance at any regular or special meeting thereof, find and determine that it is necessary and/or desirable that the rights of, or easements to access, light, air or view be acquired by the state so as to prevent such part or portion of highway from becoming unsafe for or impeded by unrestricted access of traffic from intersecting streets or alleys or public or private roads or ways of passage. Such resolution shall contain a statement of the reasons for the adoption thereof, and shall set forth the location, distance and termini of the portion of the highway designated as a controlled access highway.

**History:** En Sec. 3, Ch. 104, L. 1955; amd. Sec. 2, Ch. 121, L. 1957.

#### **Amendment**

The 1957 amendment substituted that part of this section beginning with the words "it is necessary and/or desirable that the owners \* \* \*" and continuing to the last sentence for the words "traffic

congestion will result from unrestricted access thereto, or that hills, curves, or other conditions with respect to traffic control or public safety render it unsafe to permit unrestricted access thereto." The amendment also deleted the word "interstate" which appeared after the words "portion of the" in the last sentence.

**32-2004. Powers of highway authorities.** The highway authorities of the state, counties, incorporated cities and towns, having authority to participate in the construction and maintenance of highways, are hereby authorized to plan, designate, establish, regulate, vacate, alter, improve, maintain, and provide controlled access facilities for public use wherever such authority or authorities shall find and determine the necessity or desirability of such controlled access facilities as defined in this chapter. Provided, that within incorporated cities and towns, and upon county roads within counties, such authority or authorities shall be subject to the consent of the governing body. Said highway authorities of the state, counties, incorporated cities and towns, in addition to the specific powers granted in this act, shall also have and may exercise, relative to controlled access facilities, any and all additional authority now or hereafter vested in them relative to highways or streets within their respective jurisdic-

tions. Said units may regulate, restrict, or prohibit the use of such controlled access facilities by the various classes of vehicles or traffic.

**History:** En. Sec. 4, Ch. 104, L. 1955; amd. Sec. 3, Ch. 121, L. 1957.

**Amendment**

The 1957 amendment substituted the words "the necessity or desirability of such

controlled access facilities as defined in this chapter" for the words "that traffic conditions will justify such special facilities" which appeared after the word "determine" near the end of the first sentence.

**32-2005. Design of controlled access facility—ingress and egress restricted.** The highway authorities of the state, counties, incorporated cities and towns are authorized to so design any controlled access facility and to so regulate, restrict or prohibit access as to best serve the traffic for which such facility is intended. In this connection such highway authorities are authorized to divide and separate any controlled access facility into separate roadways by the construction of raised curbsings, central dividing sections, or other physical separations, or by designating such separate roadways by signs, markers, stripes, and other devices. No person shall have any rights of ingress or egress to, from or across controlled access facilities to or from abutting lands, except at such designated points at which access may be permitted, upon such terms and conditions as may be specified from time to time.

**History:** En. Sec. 5, Ch. 104, L. 1955.

**32-2006. Acquisition of property for facility.** For the purpose of this act, the highway authorities of the state, counties, incorporated cities and towns, respectively, or in cooperation one with the other, may acquire private or public property and property rights for controlled access facilities and service roads, including rights of access, air, view, and light, by gift, devise, purchase, or condemnation, in the same manner as such authorities are now or hereafter may be authorized by law to acquire property or property rights in connection with highways and streets within their respective jurisdictions. A right of way is hereby given, dedicated and set apart for controlled access facilities through, over, upon or across any county road and any street or alley intersecting a controlled access highway, and the acquisition of any such county road, street, or alley for use as a controlled access facility shall be deemed superior and a more necessary public use and purpose than the public use or purpose to which such road, street or alley has theretofore been dedicated.

**History:** En. Sec. 6, Ch. 104, L. 1955.

**32-2007. New and existing facilities—grade crossing eliminations.** The state or any of its subdivisions shall have authority to provide for the elimination of intersections at grade of controlled access facilities with existing state and county roads, and city or town streets at the right-of-way boundary line of such controlled access facility; and after the establishment of any controlled access facility, no highway or street which is not a part of said facility shall intersect the same at grade. No incorporated city or town street, county or state highway, or other public way shall be opened into or connected with any such controlled access

facility without the consent and previous approval of the highway authority in the state, county, incorporated city or town having jurisdiction over such controlled access facility. Provided, however, that the commission may, whenever it determines that traffic is not thereby impeded and that public safety is not thereby impaired, authorize the continued intersection at grade of lightly traveled farm entrances and minor public roads as ways of access to controlled access highways in sparsely populated rural areas.

**History:** En. Sec. 7, Ch. 104, L. 1955.

**32-2008. Existing roads and streets as service roads.** In connection with the development of any controlled access facility the state, county, or incorporated city or town highway authorities are authorized to plan, designate, establish, use, regulate, alter, improve, maintain, and vacate local service roads and streets or to designate as local service roads and streets any existing road or street, and to exercise jurisdiction over service roads in the same manner as is authorized over controlled access facilities under the terms of this act, whenever such local service roads are necessary for carrying out any of the provisions of this act. Such local service roads or streets shall be of appropriate design, and shall be separated from the controlled access facility proper by means of all devices determined to be necessary in carrying out the provisions of this act.

**History:** En. Sec. 8, Ch. 104, L. 1955.

**32-2009. Marking of facility with signs.** After the opening of any new and additional controlled access facility, or after the designation and establishment of any existing street or highway as included, the particular highways and streets or those portions thereof designated and established, shall be physically marked and indicated by the erection and maintenance of signs indicating to drivers of vehicles that they are entering a controlled access area and that they are leaving a controlled access area.

**History:** En. Sec. 9, Ch. 104, L. 1955.

**32-2009.1. Commercial enterprise or structure.** No commercial enterprise or structure can be constructed or operated on the publicly-owned right of way of, or on any publicly-owned or publicly-leased land used for, or in connection with a controlled-access facility.

**History:** En. 32-2009.1 by Sec. 1, Ch. 134, L. 1959.

#### **Title of Act**

#### **Repealing Clause**

2. If there was at that time in excess of 0.05 per cent but less than 0.15 per cent by weight of alcohol in the defendant's blood, such fact shall not give rise to any presumption that the defendant was or was not under the influence of intoxicating liquor, but such fact may be considered with other competent evidence in determining the guilt or innocence of the defendant:

3. If there was at that time 0.15 per cent or more by weight of alcohol in the defendant's blood, it shall be presumed that the defendant was under the influence of intoxicating liquor:

4. The foregoing provisions of paragraph (b) shall not be construed as limiting the introduction of any other competent evidence bearing upon the question whether or not the defendant was under the influence of intoxicating liquor.

#### Subd. (a)

#### Operation and Effect

By defining the words "actual," "physical," and "control" as they are used in their ordinary meanings, it was held that if a person has existing or present bodily restraint, directing influence, domination or regulation of an automobile while under the influence of intoxicant he violates the statute. *State v. Ruona*, 133 M 243, 321 P 2d 615, 618.

Movement of the vehicle is unnecessary to charge an offense under this provision. *State v. Rouna*, 133 M 243, 321 P 2d 615, 618.

#### Validity

The term "actual physical control" as used in this section is not so vague, ambiguous, and uncertain as to render the statute void. *State v. Rouna*, 133 M 243, 321 P 2d 615.

(c) It is unlawful and punishable as provided in paragraph (d) of this section for any person who is an habitual user of or under the influence of any narcotic drug or who is under the influence of any other drug to a degree which renders him incapable of safely driving a motor vehicle to drive a motor vehicle within this state. The fact that any person charged with a violation of this paragraph is or has been entitled to use such a drug under the laws of this state shall not constitute a defense against any charge of violating this paragraph.

(d) Every person who is convicted of a violation of this section shall be punished by imprisonment in the county or city jail for not more than six (6) months or by a fine of not less than one hundred dollars (\$100.00) or more than five hundred dollars (\$500.00) or by both such fine and imprisonment. On a second conviction he shall be punished by imprisonment in the county or city jail for not less than ten (10) days nor more than six (6) months, to which may be added, at the discretion of the court a fine of not less than three hundred dollars (\$300.00) nor more than five hundred dollars (\$500.00). On the third or subsequent conviction he shall be punished by imprisonment for a term of not less than thirty (30) days nor more than one (1) year, to which may be added at the discretion of the court a fine of not less than five hundred [dollars] (\$500.00) nor more than one thousand dollars (\$1,000.00).

The board shall forthwith revoke the license or permit to drive and operating privilege and any nonresident operating privilege of any person convicted under this section; providing, however, that the board shall have the authority after such revocation upon proper application and proper showing made to the board by the party whose license has been revoked to issue to said party a restricted operator's or chauffeur's license allowing the said party to drive a motor vehicle to and from and in the course of his business only, and such restricted license shall remain in effect at the will of said board.

#### Compiler's Note

Section 32-2142 was amended twice in the 1957 Session. Once by section 3 of Ch. 201, Laws 1957, effective March 9, 1957 and once by section 1 of Ch. 194, Laws 1957, effective July 1, 1957. Neither chapter mentioned nor contained the changes by the other chapter but each amended the section in different particulars. The amendments do not seem to conflict with each other, and both would be good if they are not in conflict. The section as set out above is the one as amended by Ch. 194. The section as amended by Ch. 201 is set out as 32-2142(1).

#### Amendment

The 1957 amendment in subd. (a) inserted the word "motor" and substituted "upon the highways of" for "within"; added subd.(b) renumbering former subds. (b) and (c) as (c) and (d); inserted the word "motor" each time it appears in

subd. (c); inserted the word "a" after the words "entitled to use such" in that subdivision; and made numerous changes in subd. (d), formerly it read: "Every person who is convicted of a violation of this section will be punished by imprisonment for not more than six (6) months, or by fine of not less than fifty dollars (\$50.00) nor more than five hundred dollars (\$500.00), or by both such fine and imprisonment. On a second or subsequent conviction he shall be punished by imprisonment for not less than thirty (30) days nor more than one (1) year, or in the discretion of the court, a fine of not less than three hundred dollars (\$300.00) nor more than one thousand dollars (\$1,000.00), or by both such fine and imprisonment."

#### Repealing Clause

Section 2 of Ch. 194, Laws 1957 repealed all acts or parts of acts in conflict therewith.

#### Separability Clause

Section 3 of Ch. 194, Laws 1957 read

"If any clause, sentence, section, paragraph or part of this act shall for any reason be adjudged by any court of competent jurisdiction to be invalid or inoperative, such judgment shall not affect, impair or invalidate the remainder of this act but shall be confined in its operation to the clause, sentence, section, paragraph or part directly adjudged to be invalid or inoperative."

#### Effective Date

Section 4 of Ch. 194, Laws 1957 provided the act should be in full force and effect from and after July 1, 1957.

#### Blood Test

Under information charging driver of death car with manslaughter, blood test taken from defendant soon after his arrival at hospital pursuant to his written consent, which was transmitted to state board of health, analyzed and showed an alcohol concentration of 0.13 per cent, was admissible in evidence as was the testimony of chemist of state board of health that the percentage of alcohol concentration was high enough to indicate that defendant was under the influence of intoxicating liquor at the time his car hit garage. *State v. Haley*, 132 M 366, 318 P 2d 1084, 1087.

**32-2143. Reckless driving.** (a) Any person who drives any vehicle in willful or wanton disregard for the safety of persons or property is guilty of reckless driving.

(b) Every person convicted of reckless driving shall be punished upon a first conviction by imprisonment for a period of not more than ninety (90) days, or by fine of not less than twenty-five dollars (\$25.00) nor more than three hundred dollars (\$300.00), or by both such fine and imprisonment, and on a second or subsequent conviction shall be punished by imprisonment for not less than ten (10) days nor more than six (6) months, or by a fine of not less than fifty dollars (\$50.00) nor more than five hundred dollars (\$500.00), or by both such fine and imprisonment.

(c) Each and every municipality in this state is hereby given authority to enact the foregoing paragraphs (a) and (b) of this section as an ordinance, and is hereby given jurisdiction of the enforcement of said ordinance and of the imposition of the fines and penalties therein provided.

**32-2144. Speed restrictions—basic rule.** (a) Every person operating or driving a vehicle of any character on a public highway of this state shall drive the same in a careful and prudent manner, and at a rate of speed no greater than is reasonable and proper under the conditions existing at the point of operation, taking into account amount and character of traffic, condition of brakes, weight of vehicle, grade and width of highway, condition of surface, and freedom of obstruction to view ahead, and so as not to unduly or unreasonably endanger the life, limb, property, or other rights of any person entitled to the use of the street or highway.

(b) Where no special hazard exists that requires lower speed for compliance with paragraph (a) of this section the speed of any vehicle not in excess of the limits specified in this section or established as hereinafter authorized, shall be lawful, but any speed in excess of the limits specified in this section or established as hereinafter authorized shall be unlawful:

1. Twenty-five (25) miles per hour in any urban district;
2. Thirty-five (35) miles per hour on any highways under construction or repairs;
3. Fifty-five (55) miles per hour in such other locations during the nighttime;

Daytime means from a half ( $\frac{1}{2}$ ) hour before sunrise to a half ( $\frac{1}{2}$ ) hour after sunset. Nighttime means at any other hour.

The speed limits set forth in this section may be altered as authorized in sections 42 and 43 [32-2145 and 32-2146].

(c) The driver of every vehicle shall, consistent with the requirements of paragraph (a), drive at an appropriate reduced speed when approaching and crossing an intersection or railway grade crossing, when approaching and going around a curve, when approaching a hill crest, when traveling upon any narrow or winding roadway, and when special hazard exists with respect to pedestrians or other traffic or by reason of weather or highway condition.

#### Passenger Carriers

#### Compiler's Note

Sections 32-2144 to 32-2150 comprised Article V of Ch. 263, Laws 1955 entitled "Speed Restrictions."

**32-2145. Establishment of state speed zones.** Whenever the board shall determine upon the basis of an engineering and traffic investigation that any speed hereinbefore set forth is greater or less than is reasonable or safe under the conditions found to exist at any intersection or other place or upon any part of a highway, said board may determine and declare a reasonable and safe speed limit thereat which when appropriate signs giving notice thereof are erected shall be effective at all times or during hours of daylight or darkness or at such other times as may be determined at such intersections or other place or part of the highway. This act is not in any way to be construed as authority to set a state-wide speed limit.

**History:** En. Sec. 42, Ch. 263, L. 1955; amd. Sec. 1, Ch. 204, L. 1959.

#### Amendment

The 1959 amendment added the last sentence.

**32-2146. When local authorities may and shall alter limits.** (a) Whenever local authorities in their respective jurisdictions determine on the basis of an engineering and traffic investigation that the speed permitted under this act is greater or less than is reasonable and safe under the conditions found to exist upon a highway or part of a highway, the local authority may determine and declare a reasonable and safe limit thereon which:

1. Decreases the limit at intersection; or
2. Increases the limit within an urban district but not to more than fifty-five (55) miles per hour during nighttime; or
3. Decreases the limit outside an urban district, but not to less than thirty-five (35) miles per hour.

(b) Local authorities in their respective jurisdictions shall determine by an engineering and traffic investigation the proper speed for all arterial streets and shall declare a reasonable and safe limit thereon which

may be greater or less than the speed permitted under this act for an urban district.

(c) Any altered limit established as hereinabove authorized shall be effective at all times or during hours of darkness or at other times as may be determined when appropriate signs giving notice thereof are erected upon such street or highway.

(d) Any alteration of speed limits on state highways or extensions thereof in a municipality by local authorities shall not be effective until such alteration has been approved by the commission.

**History:** En. Sec. 43, Ch. 263, L. 1955.

**32-2147. Minimum speed regulations.** (a) No person shall drive a motor vehicle at such a slow speed as to impede or block the normal and reasonable movement of traffic except when reduced speed is necessary for safe operation or in compliance with law.

Police officers or highway patrolmen are hereby authorized to enforce this provision by directions to drivers, and in the event of apparent willful disobedience to this provision and refusal to comply with direction of an officer in accordance herewith the continued slow operation by a driver shall be a misdemeanor, except that inability to comply with such order will not be construed as willful disobedience.

(b) Whenever the board or local authorities within their respective jurisdictions determine on the basis of an engineering and traffic investigation that slow speeds on any part of a highway consistently impede the normal and reasonable movement of traffic, the board or such local authority may determine and declare a minimum speed limit below which no person shall drive a vehicle except when necessary for safe operation or in compliance with law.

**History:** En. Sec. 44, Ch. 263, L. 1955.

(b) No person shall operate any motor-driven cycle at any time mentioned in section 112, chapter 263, Laws of 1955 [32-21-115], at a speed greater than thirty-five (35) miles per hour unless such motor-driven cycle is equipped with a head lamp or lamps which are adequate to reveal a person or vehicle at a distance of three hundred (300) feet ahead.

(c) No person shall operate a vehicle which is towing a house trailer at a speed greater than a maximum of fifty (50) miles per hour.

#### **Repealing Clause**

Section 2 of Ch. 241, Laws 1957 repealed all acts and parts of acts in conflict therewith.

**32-2149. Special speed limitations.** (a) No person shall drive any vehicle equipped with solid rubber or cushion tires at a speed greater than a maximum of ten (10) miles per hour.

(b) No person shall drive a vehicle over any bridge or other elevated structure constituting a part of a highway at a speed which is greater than the maximum speed which can be maintained with safety to such bridge or structure, when such structure is signposted as provided in this section.

(c) The board upon request from any local authority may, or upon its own initiative shall, conduct an investigation of any bridge or other elevated structure constituting a part of a highway, and if it shall thereupon find that such structure cannot with safety to itself withstand vehicles traveling at the speed otherwise permissible under this act, the board shall determine and declare the maximum speed of vehicles which such structure can withstand, and shall cause or permit suitable signs stating such maximum speed to be erected and maintained at a distance of not less than one hundred (100) feet before each end of such structure.

(d) Upon the trial of any person charged with a violation of this section, proof of said determination of the maximum speed by said board and the existence of said signs shall constitute conclusive evidence of the maximum speed which can be maintained with safety to such bridge or structure.

**History:** En. Sec. 46, Ch. 263, L. 1955.

**32-2150. Charging violations.** In every charge of violation of any speed regulation in this act the complaint, also the summons, or notice to appear, shall specify the speed at which the defendant is alleged to have driven, also the speed applicable within the district or at the location.

**History:** En. Sec. 47, Ch. 263, L. 1955.

**32-2150.1. Use of radar—evidence admissible.** The speed of any motor vehicle may be measured by the use of radiomicro waves or other electrical device. The results of such measurements shall be accepted as evidence of the speed of such motor vehicle in any court or legal proceedings where the speed of the motor vehicle is at issue.

**History:** En. Sec. 1, Ch. 120, L. 1959.

#### **Title of Act**

An act relating to the use of radiomicro waves or other electrical devices to detect speed of vehicles being operated upon the public highways of the state of Montana; providing that the speed of vehicles may be measured by use of radiomicro or other electrical device; providing that the results of such measurements shall be accepted as evidence of speed in any court or legal proceedings where the speed of

a vehicle is at issue; authorizing arrests without a warrant when officer is in uniform or displays his badge of authority and when such officer has observed the recording of vehicle's speed by radiomicro waves or other electrical device or has received a radio message from another officer and where made immediately thereafter or as a result of an uninterrupted pursuit; providing for the erection of signs to warn motorists; repealing all acts or parts of acts in conflict herewith.

**32-2150.2. Arrest without a warrant in radar cases.** The driver of any such motor vehicle may be arrested without a warrant under this act provided the arresting officer is in uniform or displays his badge of authority and has either:

(a) Observed the recording of the speed of the vehicle by radiomicro waves or other electrical device; or

(b) Received, from the officer who has observed the speed of the vehicle recorded by the radiomicro waves or other electrical device, a radio

message giving the license number or other sufficient identification of the vehicle and the recorded speed, dispatched immediately after the speed of the vehicle was recorded; and

(c) That the arrest without a warrant of any such driver must be made immediately after such observation or radio message and as the result of uninterrupted pursuit.

**History:** En. Sec. 2, Ch. 120, L. 1959.

**32-2150.3. Erection of radar signs.** (a) No operator of a motor vehicle may be arrested under this act unless signs have been placed at or near the state line on the primary highway system, outside towns or cities having over two thousand five hundred (2,500) population, and outside county seats on the primary highways to indicate the legal rate of speed and that the speed of vehicles may be measured by radiomicro waves or other electrical device.

(b) Any municipality which uses radiomicro waves or other electrical device for law enforcement purposes shall erect and maintain appropriate signs giving notice of such use at a conspicuous place at or near the corporate limits of the municipality, upon each state highway and arterial street or highway entering the municipality, and at such other places as may be deemed necessary by the municipal authorities for the information of the traveling public.

1. When overtaking and passing another vehicle proceeding in the same direction under the rules governing such movement;
2. When the right half of a roadway is closed to traffic while under construction or repair;
3. Upon a roadway divided into three (3) marked lanes for traffic under the rules applicable thereon; or

**32-2152. Passing vehicles proceeding in opposite directions.** Drivers of vehicles proceeding in opposite directions shall pass each other to the right, and upon roadways having width for not more than one (1) line of

traffic in each direction each driver shall give to the other at least one-half ( $\frac{1}{2}$ ) of the main-traveled portion of the roadway as nearly as possible.

**History:** En. Sec. 49, Ch. 263, L. 1955.

**32-2153. Overtaking a vehicle on the left.** The following rules shall govern the overtaking and passing of vehicles proceeding in the same direction, subject to those limitations, exceptions, and special rules hereinafter stated:

(a) The driver of a vehicle overtaking another vehicle proceeding in the same direction shall pass to the left thereof at a safe distance and shall not again drive to the right side of the roadway until safely clear of the overtaken vehicle.

(b) Except when overtaking and passing on the right is permitted, the driver of an overtaken vehicle shall give way to the right in favor of the overtaking vehicle on audible signal and shall not increase the speed of his vehicle until completely passed by the overtaking vehicle.

**History:** En. Sec. 50, Ch. 263, L. 1955.

2. Upon a street or highway with unobstructed pavement not occupied by parked vehicles of sufficient width for two (2) or more lines of moving vehicles in each direction;
3. Upon a one-way street, or upon any roadway on which traffic is restricted to one (1) direction of movement, where the roadway is free from obstructions and of sufficient width for two (2) or more lines of moving vehicles.

(b) The driver of a vehicle may overtake and pass another vehicle upon the right only under conditions permitting such movement in safety. In no event shall such movement be made by driving off the pavement or main-traveled portion of the roadway.

**History:** En. Sec. 51, Ch. 263, L. 1955.

**32-2155. Limitations on overtaking on the left.** No vehicle shall be driven to the left side of the center of the roadway in overtaking and passing another vehicle proceeding in the same direction unless such left side is clearly visible and is free of oncoming traffic for a sufficient distance ahead to permit such overtaking and passing to be completely made without interfering with the safe operation of any vehicle approaching from the opposite direction or any vehicle overtaken. In every event the overtaking vehicle must return to the righthand side of the roadway before coming within one hundred (100) feet of any vehicle approaching from the opposite direction.

**History:** En. Sec. 52, Ch. 263, L. 1955.

**32-2156. Further limitations on driving to left of center of roadway.** (a) No vehicle shall at any time be driven to the left side of the roadway under the following conditions:

1. When approaching the crest of a grade or upon a curve in the highway where the driver's view is obstructed within such distance as to create a hazard in the event another vehicle might approach from the opposite direction;

2. When approaching within one hundred (100) feet of or traversing any intersection or railroad grade crossing;

3. When the view is obstructed upon approaching within one hundred (100) feet of any bridge, viaduct, or tunnel.

(b) The foregoing limitations shall not apply upon a one-way roadway.

History: En. Sec. 53, Ch. 263, L. 1955.

**32-2157. No-passing zones.** (a) The commission is hereby authorized to determine those portions of any highway where overtaking and passing or driving to the left of the roadway would be especially hazardous and may by appropriate signs or markings on the roadway indicate the beginning and end of such zones and when such signs or markings are in place and clearly visible to an ordinarily observant person every driver of a vehicle shall obey the directions thereof.

(b) Where signs or markings are in place to define a no-passing zone as set forth in paragraph (a) no driver shall at any time drive on the left side of the roadway within such no-passing zone or on the left side of any pavement striping designed to mark such no-passing zone throughout its length.

(b) Upon a roadway which is divided into three (3) lanes a vehicle shall not be driven in the center lane except when overtaking and passing another vehicle where the roadway is clearly visible and such center lane is clear of traffic within a safe distance, or in preparation for a left turn or

where such center lane is at the time allocated exclusively to traffic moving in the direction the vehicle is proceeding and is signposted to give notice of such allocation.

(c) Official signs may be erected directing slow-moving traffic to use a designated lane or designating those lanes to be used by traffic moving in a particular direction regardless of the center of the roadway and drivers of vehicles shall obey the directions of every such sign.

**History:** En. Sec. 56, Ch. 263, L. 1955.

**32-2160. Following too closely.** (a) The driver of a motor vehicle shall not follow another vehicle more closely than is reasonable and prudent, having due regard for the speed of such vehicles and the traffic upon and the condition of the highway.

(b) The driver of any truck tractor, truck or motor vehicle drawing another vehicle when traveling upon a roadway outside of a business or residence district and which is following another truck tractor, truck or motor vehicle drawing another vehicle shall, whenever conditions permit, leave sufficient space so that an overtaking vehicle may enter and occupy such space without danger, except that this shall not prevent a truck tractor, truck or motor vehicle drawing another vehicle from overtaking and passing any like vehicle or other vehicle.

(c) Motor vehicles being driven upon any roadway outside of a business or residence district in a caravan or motorcade whether or not towing other vehicles shall be so operated as to allow sufficient space between each such vehicle or combination of vehicles so as to enable any other vehicle to enter and occupy such space without danger. This provision shall not apply to funeral processions.

**History:** En. Sec. 57, Ch. 263, L. 1955.

**32-2161. Driving on divided highways.** Whenever any highway has been divided into two (2) roadways by leaving an intervening space or by physical barrier or clearly indicated dividing section so constructed as to impede vehicular traffic, every vehicle shall be driven only upon the right-hand roadway and no vehicle shall be driven over, across, or within any such dividing space, barrier, or section except through an opening in such physical barrier or dividing section or space or at a cross-over or intersection established by public authority.

**History:** En. Sec. 58, Ch. 263, L. 1955.

**32-2162. Restricted access.** No person shall drive a vehicle onto or from any controlled-access roadway except at such entrances and exits as are established by public authority.

**History:** En. Sec. 59, Ch. 263, L. 1955.

**32-2163. Restrictions on use of controlled-access roadway.** The commission may by resolution or order entered in its minutes, and local authorities may by ordinance with respect to any controlled-access roadway under their respective jurisdictions prohibit the use of any such roadway by pedestrians, bicycles, or other nonmotorized traffic or by any person operating a motor-driven cycle.

The commission or the local authority adopting any such prohibitory regulation shall erect and maintain official signs on the controlled-access roadway on which such regulations are applicable and when so erected no person shall disobey the restrictions stated on such signs.

**History:** En. Sec. 60, Ch. 263, L. 1955.

(a) **Right Turns.** Both the approach for a right turn and a right turn shall be made as close as practicable to the right-hand curb or edge of the roadway.

(b) **Left Turn on Two-Way Roadways.** At any intersection where traffic is permitted to move in both directions on each roadway entering the intersection, an approach for a left turn shall be made in that portion of the right half of the roadway nearest the center line thereof and by passing to the right of such center line where it enters the intersection and after entering the intersection the left turn shall be made so as to leave the intersection to the right of the center line of the roadway being entered. Whenever practicable the left turn shall be made in that portion of the intersection to the left of the center of the intersection.

(c) **Left Turns on Other Than Two-Way Roadways.** At any intersection where traffic is restricted to one (1) direction on one (1) or more of the roadways, the driver of a vehicle intending to turn left at any such intersection shall approach the intersection in the extreme left-hand lane lawfully available to traffic moving in the direction of travel of such vehicle and after entering the intersection the left turn shall be made so as to leave the intersection, as nearly as practicable, in the left-hand lane lawfully available to traffic moving in such direction upon the roadway being entered.

(d) **Placing of Markers, Buttons and Signs.**

1. Local authorities in their respective jurisdictions may cause markers, buttons, or signs to be placed within or adjacent to intersections and thereby require and direct that a different course from that specified in this section be traveled by vehicles turning at an intersection, and when markers, buttons, or signs are so placed no driver of a vehicle shall turn a vehicle at an intersection other than as directed and required by such markers, buttons, or signs.

**32-2177. Pedestrians' right of way in crosswalk.** (a) When traffic-control signals are not in place or not in operation the driver of a vehicle shall yield the right of way, slowing down or stopping if need be to so yield, to a pedestrian crossing the roadway within a crosswalk when the pedestrian is upon the half of the roadway upon which the vehicle is traveling, or when the pedestrian is approaching so closely from the opposite half of the roadway as to be in danger, but no pedestrian shall suddenly

leave a curb or other place of safety and walk or run into the path of a vehicle which is so close that it is impossible for the driver to yield. This provision shall not apply under the conditions stated in section 75 (b) [32-2178 (b)].

**History:** En. Sec. 75, Ch. 263, L. 1955.

#### **Last Clear Chance**

Decedent, who was killed while crossing highway, did not come into a position of peril any appreciable length of time before the injury. Had he stood still defendant would have avoided striking him. The evidence showed that it was the sudden running of deceased into the moving automobile that produced his injuries and death. Under the evidence defendant had

no reasonable opportunity to avoid striking decedent after he took the perilous step. Under such circumstances an instruction on last clear chance had no place in the case. *Hightower v. Alley*, 132 M 349, 318 P 2d 243, 248.

All other vehicles and combinations with a manufacturer's gross vehicle weight rating of 10,000 or more pounds-----	50	14	43.5%

Compliance with standards set forth herein shall be determined either (1) by actual road tests conducted on a substantially level (not to exceed a plus or minus one per cent (1%) grade), dry, smooth, hard-surfaced road that is free from loose material, and with stopping distances measured from the actual instant braking controls are moved and from an initial speed of twenty (20) miles per hour, or else (2) by suitable mechanical tests in a testing lane which recreates such same conditions, or (3) by a combination of both methods.

Stopping distance shall be measured from the instant braking controls are moved and from an initial speed of twenty (20) miles per hour.

**35-104. (5309.4) Notice, hearing and creation of authority.** Any twenty-five (25) residents of a city and of the area within ten (10) miles from the territorial boundaries thereof may file a petition with the city clerk setting forth that there is a need for an authority to function in the city and said surrounding area. Upon the filing of such a petition the city clerk shall give notice of the time, place and purposes of a public hearing at which the council will determine the need for an authority in the city and said surrounding area. Such notice shall be given at the city's expense by publishing a notice, at least ten (10) days preceding the day on which the hearing is to be held, in a newspaper having a general circulation in the city and said surrounding area or, if there be no such newspaper, by posting such a notice in at least three (3) public places within the city, at least ten (10) days preceding the day on which the hearing is to be held.

Upon the date fixed for said hearing held upon notice as provided herein, an opportunity to be heard shall be granted to all residents and taxpayers of the city and said surrounding area and to all other interested persons. After such a hearing, the council shall determine:

- (1) Whether unsanitary or unsafe inhabited dwelling accommodations exist in the city and said surrounding area, and/or
- (2) Whether there is a lack of safe or sanitary dwelling accommodations in the city and said surrounding area available for all the inhabitants thereof.

In determining whether dwelling accommodations are unsafe or unsanitary, the council shall take into consideration the following: the physical condition and age of the buildings; the degree of overcrowding; the percentage of land coverage; the light and air available to the inhabitants of such dwelling accommodations; the size and arrangement of the rooms; the sanitary facilities; and the extent to which conditions exist in such buildings which endanger life or property by fire or other causes.

If it shall determine that either or both of the above enumerated conditions exist, the council must draft an ordinance authorizing the mayor to appoint five (5) commissioners to act as an authority, which said ordinance shall not be effective until it has been approved by a majority vote of the electors within the city limits voting, either at a special or general election. Said commission shall be a public body and a body corporate and politic upon the completion of the taking of the following proceedings:

The commissioners shall present to the secretary of the state an application signed by them, which shall set forth (without any detail other than the mere recital) (1) that a notice has been given and public hearing has been held as aforesaid, that the council made the aforesaid determination after such hearing, and that the mayor has appointed them as commissioners; (2) the name, and official residence of each of the commis-

sioners, together with a certified copy of the appointment evidencing their right to office, the date and place of induction into and taking oath of office, and that they desire the housing authority to become a public body and a body corporate and politic under this act; (3) the term of office of each of the commissioners; (4) the name which is proposed for the corporation; and (5) the location of the principal office of the proposed corporation. The application shall be subscribed and sworn to by each of said commissioners before an officer authorized by the laws of the state to take and certify oaths, who shall certify upon the application that he personally knows the commissioners and knows them to be the officers as asserted in the application, and that each subscribed and swore thereto in the officer's presence. The secretary of state shall examine the application and if he finds that the name proposed for the corporation is not identical with that of a person or of any other corporation of this state or so nearly similar as to lead to confusion and uncertainty he shall receive and file it and shall record it in an appropriate book of record in his office.

When the application has been made, filed and recorded, as herein provided, the authority shall constitute a public body and a body corporate and politic under the name proposed in the application; the secretary of state shall make and issue to the said commissioners, a certificate of incorporation pursuant to this act, under the seal of the state, and shall record the same with the application.

The boundaries of such authority shall include said city and the area within ten (10) miles from the territorial boundaries of said city but in no event shall it include the whole or a part of any other city unless a resolution shall have been adopted by the governing body of such other city declaring that there is a need for such authority to exercise its powers within that city. In case an area lies within ten (10) miles of the boundaries of more than one city, such area shall be deemed to be within the boundaries of the authority embracing such area which was first established, all priorities to be determined on the basis of the time of the issuance of the aforesaid certificates by the secretary of state. No housing authority shall operate in any area in which an authority already established is operating without the consent by resolution of the authority already operating therein. After the creation of an authority, the subsequent existence within its territorial boundaries of more than one city shall in no way affect the territorial boundaries of such authority. •

If the council, after a hearing as aforesaid, shall determine that neither of the above enumerated conditions exist, it shall adopt a resolution denying the petition. After three (3) months shall have expired from the date of the denial of any such petition, subsequent petitions may be filed as aforesaid and new hearings and determinations made thereon.

In any suit, action or proceedings involving the validity or enforcement of, or relating to any contract of the authority, the authority shall be conclusively deemed to have been established in accordance with the provisions of this act upon proof of the issuance of the aforesaid certificate by the secretary of state. A copy of such certificate, duly certified by the secretary of state shall be admissible in evidence in any such suit, action

or proceeding, and shall be conclusive proof of the filing and contents thereof.

**History:** En. Sec. 4, Ch. 140, L. 1935; amd. Sec. 1, Ch. 68, L. 1953; amd. Sec. 3, Ch. 193, L. 1957.

#### Amendment

The 1957 amendment in the first sentence of the ninth paragraph substituted the words "unless a resolution shall have

**40-2413. Prohibiting regulation of dividends—regulating deviations.** Nothing in this act shall be construed to prohibit or regulate the payment of dividends, savings, or unabsorbed premium deposits allowed or returned by insurers to their policyholders, members or subscribers.

(a) In connection with regulating deviations, every member of or subscriber to a rating organization shall adhere to the filings made on its behalf of such organization except that:

1. In the case of casualty insurance to which this act applies any such insurer may make written application to the commissioner for permission to file a uniform percentage decrease or increase to be applied to the premiums produced by the rating system so filed for a kind of insurance, or for a class of insurance which is found by the commissioner to be a proper rating unit for the application of such uniform percentage decrease or increase, or for a subdivision of a kind of insurance (1) comprised of a group of manual classifications which is treated as a separate unit for rate making purposes, or (2) or for which separate expense provisions are included in the filings of the rating organization. Such application shall specify the basis for the modification and shall be accompanied by the date upon which the applicant relies. A copy of the application and data shall be sent simultaneously to such rating organization; and

2. In the case of fire, marine, and inland marine insurance to which this act applies any insurer may make written application to the commissioner for permission to file a deviation from the class rates, schedules, rating plans or rules respecting any kind of insurance, or class of risk within a kind of insurance or combination thereof. Such application shall specify the basis for the deviation and a copy thereof shall be sent simultaneously to such rating organization.

(b) The commissioner shall set a time and place for a hearing on such application at which the insurer and such rating organization may be heard and shall give them not less than ten (10) days' written notice thereof. In the event the commissioner is advised by the rating organization that it does not desire a hearing he may, upon the consent of the applicant, waive such hearing. In considering the application for permission to file such deviation in the case of fire, marine and inland marine insurance, the commissioner shall give consideration to the available statistics and the principles for rate making as provided in section 40-2406 of this chapter. The commissioner shall issue an order permitting the modification for such insurer to be filed if he finds it to be justified and it shall thereupon become effective. He shall issue an order denying such application if he finds that the modification is not justified or that the resulting premiums would be excessive, inadequate or unfairly discriminatory. Each deviation permitted to be filed shall be effective for a period of one (1) year from the date of such permission unless terminated sooner with the approval of the commissioner.

Should the com-

missioner find such rate unfair, discriminatory, or of such a nature as to affect the solvency of the insurer, he shall order a hearing. The commissioner shall set a time and place for a hearing at which all interested parties may be heard and shall give the insurer not less than ten (10) days' written notice thereof. The commissioner after the hearing shall make an order either approving or disapproving the rate and any interested party may appeal from the ruling of the commis-

sioner to the court as in this act provided and during the pendency of the appeal the commissioner's order shall be held in abeyance. If any insurer grants a lower rate on any class of property than that fixed by the bureau of which it is a member or subscriber, this rate shall not be increased by the insurer until one (1) year has elapsed without first securing the approval of the commissioner. A declaration filed with the commissioner of insurance by any insurer of its intention to write insurance at a uniform variation of a certain per cent from the bureau rate shall be sufficient compliance with this

(3) **Unprofessional conduct.** A violation of any of the provisions of this act, or soliciting employment from any principal, or instigating the introduction of legislation for the purpose of obtaining employment in opposition thereto, or attempting to influence the vote of legislators on any measure pending or to be proposed by the promise of support or opposition at any future election, or by any other means than argument on the merits thereof, or by making public any unsubstantiated charges of improper conduct on the part of any other lobbyist or of any legislator, or engaging in practices which reflect discredit on the practice of lobbying or the legislature.

**History:** En. Sec. 2, Ch. 157, L. 1959.

**43-803. Licensing of lobbyists—fee—expiration, suspension or revocation—reinstatement.** (1) Licenses—fees—eligibility. Any person of adult age and good moral character who is a citizen of the United States and otherwise qualified under this act may be licensed as a lobbyist as herein provided. The secretary of state shall provide for the form of application for license. Such application may be obtained in the office of the secretary of state and filed therein. Upon approval of such application and payment of the license fee of ten dollars (\$10.00) to the secretary of state, a license shall be issued which shall entitle the licensee to practice lobbying on behalf of any one or more principals. Each license shall expire on December 31 of each odd numbered year. No application shall be disapproved without affording the applicant a hearing which shall be held and decision entered within ten (10) days, of the date of filing of the application. The license fees collected by the secretary of state under this act shall be deposited by him in the state treasury in a special fund to be known as the "Lobby License Fund" which fund is to be expended in the manner hereinafter provided.

(2) Suspension or revocation of license. Upon verified complaint in writing to the attorney general of the state of Montana charging the holder of a license with having been guilty of unprofessional conduct or with having procured his license by fraud or perjury or through error, the attorney general is hereby authorized to bring civil action in the district court for Lewis and Clark county, state of Montana, against the holder and in the name of the state as plaintiff to revoke the license. Hearing shall be held by the court unless the defendant-licensee demands a jury trial. The trial shall be held as soon as possible and at least twenty (20) days after the filing of the charges and shall take precedence over all other matters pending before the court. If the court finds for the plaintiff judgment shall be rendered revoking the license, and the clerk of the court shall file a certified copy of the judgment with the secretary of state. Costs shall be paid from the "Lobby License Fund." The licensing authority may commence any such action on his own motion.

(3) Suspension of lobbying privileges. No lobbyist whose license has been suspended or revoked and no person who has been convicted of a violation of any provision of this act shall engage in any lobbying until he has been reinstated to the practice of lobbying and duly licensed.

(2) Any principal employing any lobbyist shall when further subjects of legislation are introduced or arise which such lobbyist is to promote or oppose, make or cause to be made additional entries in the docket stating such employment so that the docket will show at all times all subjects of legislation in relation to which the lobbyist is employed or the general statement provided above.

(3) Within ten (10) days after his registration in the docket, a lobbyist shall file with the secretary of state a written authorization to act as such signed by his principal.

## TITLE 45—LIENS

Chapter 10. Laborers' and materialmen's liens on oil and gas wells and pipelines, 45-1001 to 45-1012.

14. Crop or grain lien for dusting or spraying, 45-1402.

### CHAPTER 2—PRIORITY OF LIENS

#### 45-201. (8235) Priority of liens.

##### Operation and Effect

Where executors advanced money from their personal funds to the legatee of a cash bequest before distribution of the estate, their claim against the indebted-

ness of the estate was prior in time, and so superior, to the claim of a judgment debtor of the legatee. *Hustad v. Reed*, 133 M 211, 321 P 2d 1083, 1089.

### CHAPTER 5—MECHANICS' LIENS

#### 45-501. (8339) Who entitled to lien.

##### Construction Superintendent

Lien of general construction superintendent on housing projects was invalid and void where there was no proof in the record of the amount of money due and

owing to him under terms of contract which he made with investment company and party doing actual construction work. *Harsh Montana Corp. v. Locke*, — M —, 328 P 2d 926, 929.

#### 45-504. (8342) What property affected.

##### Estoppel

A performance bond given by a contractor whereby the contractor guaranteed to save the bank harmless from any and all liens and encumbrances in itself estops the contractor from asserting the priority of any lien of theirs over the bank's mortgage. *McGaffick v. Leigland*, 130 M 332, 303 P 2d 247.

Equitable estoppel will prevent a contractor from asserting a lien preference for an amount over the contract price against the first mortgagee where the contractor made representation as to the total price of the work to the mortgagee and knew that the loan would not have been granted had it been for a greater amount. *McGaffick v. Leigland*, 130 M 332, 303 P 2d 247.

#### 45-509. (8347) All persons interested may be made parties.

##### Where Principal Contractor is in Bankruptcy

Ordinarily, in a suit to establish a materialman's lien, the principal contractor is an indispensable party; but where plaintiff had named the contractor as a defendant but he had not been served and

the contractor's trustee in bankruptcy was also named and relief was sought against him, the absence of the principal contractor as a party was immaterial. *Monarch Lumber Co. v. Wallace*, 132 M 163, 314 P 2d 884.

**45-1008. Payment by the owner to the original contractor of all or any part of the contract price, prior to the receipt of such notice, shall operate to discharge and satisfy all liens attaching to the property of such owner by virtue of this chapter to the extent of such payment. Until such notice is delivered as above provided, no such purchaser shall be liable to the claimant for any oil or gas produced from the interest upon which the lien is claimed or the proceeds thereof, except to the extent of such part of the purchase price of such oil or gas or the proceeds thereof as may be owing by such purchaser at the time of delivery of such written notice. Such purchaser shall withhold payments for such oil or gas runs to the extent of the lien amount claimed until delivery of notice in writing that the claim has been paid.

#### 46-201. (3260) Creation of livestock sanitary board.

##### Diagnostic Laboratory—Bonds for Construction

Chapter 262 of Laws 1959 provided for the construction of a diagnostic laboratory and provided for the issuance of bonds to finance such construction. The act read as follows:

An act providing for the construction, furnishing and equipping a livestock sanitary board diagnostic laboratory building in Gallatin County, Montana; authorizing the state board of examiners to issue and sell bonds for such purpose; designating the funds from which said bond shall be paid; providing for an interest and sinking fund; approving expenditures of \$100,000.00 from the livestock sanitary board fund 151; pledging amounts to meet principal and interest on said bonds from the levy imposed by section 84-4211, R. C. M., 1947; providing a repealing clause and effective date of this act.

Section 1. The Montana state board of examiners is hereby authorized and directed upon the request of the Montana livestock sanitary board to cause to be constructed, furnished and equipped a livestock sanitary board diagnostic laboratory building in Gallatin County, Montana. Said building shall be erected upon a site on the present campus grounds of Montana state college or upon lands owned or hereafter acquired by the state in Gallatin County.

Section 2. The state board of examiners is hereby authorized upon the request of the Montana livestock sanitary board to issue and sell bonds for the purpose of constructing, furnishing and equipping the livestock sanitary board diagnostic laboratory building. The state board of examiners shall advertise for bids

on said building in the manner provided by law and shall let the contract for said building. The board shall require both the contractor and architect to give bonds to the state of Montana in such amount as the board may determine for the faithful performance of their respective duties and contracts. The total cost of constructing, furnishing, and equipping said building shall not exceed the sum of two hundred and ninety thousand dollars (\$290,000.00).

Section 3. For the purpose of providing funds for the constructing, furnishing and equipping of the livestock sanitary board diagnostic laboratory building authorized by this act, the state board of examiners is hereby authorized and empowered to issue and sell diagnostic laboratory building bonds of the state of Montana upon the request of the Montana livestock sanitary board in an amount not exceeding one hundred and ninety thousand dollars (\$190,000.00). Said bonds shall bear interest at a rate not exceeding four per cent (4%) per annum, payable semi-annually. The bonds shall be either amortization or serial bonds, shall bear such date as the state board of examiners shall prescribe and shall be payable over such period of years, not exceeding ten (10), as said board may specify. All bonds shall be redeemable three (3) years after the date of issue and on any interest payment date thereafter, at the option of the state board of examiners. Said bonds shall be in such denomination and form and shall contain such recitals as the state board of examiners may determine, shall be signed by the governor, the attorney general and the secretary of state and shall be paid at the office of the state treasurer of the

state of Montana. The coupons attached to said bonds may bear the facsimile signatures of members of said board.

Section 4. Said bonds shall be sold by the state board of examiners at such time, in such manner and under such conditions and terms as the board shall deem best to carry out the provisions of this act; provided that none of such bonds shall be sold for less than par, plus accrued interest to the date of delivery of the bonds. Each of said bonds shall be registered before delivery with the state treasurer of the state of Montana, who shall keep accurate accounts of payments of interest and principal upon said bonds.

Section 5. The cost of constructing, furnishing and equipping said building shall be payable out of the following funds and from them only: First, the Montana livestock sanitary board is hereby authorized to expend the sum of one hundred thousand dollars (\$100,000.00) from the livestock sanitary board fund 151 which fund is derived from a one and one-half (1½) mill levy on all livestock and is the separate tax levied pursuant to the provisions of section 84-5211, R. C. M., 1947. Second, from the proceeds of the bond issue as hereinbefore provided, which bonds shall be retired and interest paid from the proceeds of the tax levy authorized by section 84-5211, R. C. M., 1947, in

an amount fixed and determined by the state board of examiners at the time of the sale of the bonds as necessary for the payment of principal and interest of the bonds. Provided, however, that the income from said tax levy over the amount necessary to pay principal and interest of the bonds may be used by the Montana livestock sanitary board as provided by section 84-5211, R. C. M., 1947.

Section 6. To provide for the payment of the interest and principal of bonds authorized by this act there is hereby created a special fund to be known as the diagnostic laboratory interest and sinking fund. With the consent and approval of the Montana livestock sanitary board, additional money from the funds realized from the tax levy provided in section 84-5211, R. C. M., 1947, may be paid by the state board of examiners into the interest and sinking fund in any one year for the payment and retirement of optional bonds.

Section 7. The expenditure and dedication of funds herein provided for shall be deemed and held valid notwithstanding the provisions of the budget act.

Section 8. All acts and parts of acts in conflict herewith are hereby repealed.

Section 9. This act shall be in full force and effect from and after its passage and approval. Approved March 13, 1959.

#### 46-243. (3293) Personal liability—members and officers of board.

##### Operation and Effect

A city, the chief of police, and police officers were not liable to a dog owner for damages, where the owner's dog was killed by the officers acting under an

emergency quarantine measure which was passed to meet a threatening situation involving rabies. *Ruona v. City of Billings*, — M —, 323 P 2d 29, 31.

Section 46-609. Fees for recorder of marks and brands.

### 46-605. (3303) Designation of years for re-recording brands.

#### Operation and Effect

Where the holder of a registered brand died and thereafter the brand expired without being re-registered, the brand was then open to record by anyone; hence, mandamus brought by the administrator of the deceased person at a later date

would not lie to require the recorder of marks and brands to record the brand in the administrator's name as there is no clear legal duty upon the recorder to do what the administrator required by his complaint. *Benolken v. Miracle*, 129 M 495, 289 P 2d 953, 954.

**46-609. (3307) Fees for recorder of marks and brands.** The general recorder of marks and brands shall charge and collect for recording each mark or brand the sum of eight dollars (\$8.00), and for re-recording each mark or brand the sum of four dollars (\$4.00), and for a certified copy of any such record and each duplicate certificate one dollar (\$1.00), and all fees so collected shall be paid into the livestock commission fund; providing, however, that not more than ten per cent (10%) of the net re-recording fees after all expenses of re-recording are paid, shall be expended in any one year except in case of an emergency declared by the governor.

#### Amendment

The 1957 amendment in subd. (6) (e) deleted the word "such" which appeared between the words "any" and "animal" and added subsec. (g) to subd. (6).

**46-802. Duties of state stock inspectors and deputy state stock inspectors.** It shall be the duty of state stock inspectors and deputy state stock inspectors, upon the application of the owner of any such animal referred to in section 46-801, or the duly authorized agent of such owner, to inspect all such animals intended for removal or shipment as in this act provided, and to issue his certificate of inspection therefor, if it shall appear with reasonable certainty that the applicant is the owner of such animal or has the lawful right to the possession thereof.

### CHAPTER 15—HERD DISTRICTS

Section 46-1501. Herd districts—creation, size, location—dissolution—exclusion of government land—records.

**46-1501. (3384) Herd districts—creation, size, location—dissolution—exclusion of government land—records.** (a) Herd districts may be created in any county in the state of Montana to contain twelve (12) square miles or more, lying not less than one (1) mile in width, outside of the incorporated cities; excepting only that herd districts may be created containing not less than six (6) nor more than fifty-four (54) square miles, lying not less than two (2) miles in width, when such territory joins and is contiguous with the boundaries of a city having a population of ten thousand (10,000) or more and such territory so to be created in a herd district has a suburban population of not less than two hundred (200) people; upon petition of owners or possessors of fifty-five per centum (55%) of the land in such district, and providing twenty-five per centum (25%) or more of the land in such district is in actual cultivation, or being used for residential purposes.

In formation of such a district the entire holding of any owner or lessee must be included unless such owner or lessee consent that less than his

entire contiguous holdings be included in the petition. And such petition shall designate the months of the year when herd district is effective, and upon presentation and filing of such petition, properly signed, giving outside boundaries and description of proposed district and the post-office address of the signers thereto, with the clerk and recorder in the county in which the said district is being created, the county commissioners of such county, upon receipt thereof, shall set a date for hearing protests and verifying the signatures thereto, and shall give not less than twenty (20) days' notice of the same by three (3) publications in a newspaper of general circulation in the county of the proposed district. At the hearing held pursuant to such notices the county commissioners shall examine the petition and shall cause a map to be made in order to determine the shape and regularity of the boundaries of the proposed district. The said commissioners may then establish the district, but such district shall be established only in such manner that the district will be reasonably regular and symmetrical in shape, or practicable in relation to the geographical features of such district.

Should it appear to such county commissioners after such hearing that the signatures attached to such petition were genuine, they shall immediately declare such herd district created and established; after which the county commissioners must give notice by four (4) weekly publications in some newspaper nearest the district of the creation of such districts, also stating period such districts will be in effect, and such districts shall not be in effect until thirty (30) days have expired after the order. Upon petition of any owner or possessor of lands lying contiguous and adjoining any herd district theretofore created, and upon like hearing and notice as hereinabove provided for, such lands shall be included in said herd district and become a part thereof. Should the signature of lessee appear on the petition creating or abolishing any herd district, the owner or owners of said land may appear either in person or agent and enter their protest. And the board of county commissioners shall remove the name of the lessee from said petition, and no person shall be permitted to withdraw his name after the hour set for hearing same.

(b) When a petition praying that any established herd district be dissolved is filed with the county clerk and recorder of the county wherein such district has been established, and it is set forth therein that such petition is signed by the owners or possessors of fifty-five per cent (55%), or more of the lands lying within such district, and that less than twenty-five per cent (25%) of the lands included in such district is in actual cultivation, the said county clerk and recorder shall call such petition to the attention of the board of county commissioners of the county at its next regular meeting; and at said meeting by its order the said board shall set such petition for hearing at a specified time on a day certain of which notice shall be given by publication at least once in each week for three (3) successive weeks in some newspaper of general circulation in the county.

At the time fixed for hearing the board of county commissioners shall first require proof of publication of the notice of said hearing to be made and thereafter shall consider the petition and hear all interested parties.

At the conclusion of any such hearing if the board of county commissioners shall find that notice of hearing has been given in the manner and for the time prescribed herein and that the owners or possessors of fifty-five per cent (55%), or more of the lands lying within such herd district have signed the petition and request that such district be dissolved, and that less than twenty-five per cent (25%), of the lands included in such district are in actual cultivation, then the said board shall forthwith spread such findings upon its minutes and thereupon shall enter an order in terms that by reason of such findings and of the proceedings had upon such petition the said herd district is thereby dissolved. Forthwith upon the making and entry of any such order aforesaid the herd district affected thereby shall be dissolved for all purposes thereafter.

(c) Any tract of land embraced within any established herd district and which contains eighteen (18) government sections of land, or more, so located that at least one-fourth ( $\frac{1}{4}$ ) of the perimeter of such tract coincides with the existing boundaries of such herd district, may be excluded therefrom upon proceedings had before the board of county commissioners of the county wherein the said district has been established on a like petition, notice and hearing and by a like order as in the case of proceedings for dissolving herd districts; provided that when the exclusion of any such tract of land from an existing herd district is sought the petition shall describe the tract to be excluded with common certainty and shall set forth that it is signed by the owners or possessors of fifty-five per cent (55%), or more of the lands lying within the boundaries of the tract to be excluded, and that less than fifteen per cent (15%), of the lands included in such tract is in actual cultivation; and provided further that in any such case if the board of county commissioners at the conclusion of the hearing had shall find that the tract of land to be excluded conforms to the requirements of this section and that the allegations of the petition are true its findings to that effect shall be spread upon the minutes and the board shall thereupon enter its order in terms that by reason of such findings and of the proceedings had upon such petition the tract of land described in the petition which shall be further set forth with common certainty in the order is thereby excluded from such herd district for all purposes thereafter. Forthwith upon the making and entry of any such order of exclusion the tract of land therein described shall be deemed for all purposes thereafter to be excluded from and to form no part of the herd district affected thereby.

Any person or persons, firm, company, or corporation allowing or permitting female breeding cattle to run at large upon the public ranges or national forest reserves in the state of Montana must place upon said range or national forest reserve one purebred graded bull of a recognized beef type, not less than fifteen (15) months nor more than eight (8) years of age, for every thirty (30) head of female breeding cattle, pastured upon such range or national forest reserve; provided, however, that any two (2) or more such users of the public range or national forest reserve may join together in furnishing such bull when the aggregate number of female breeding cattle turned loose upon the same range or national forest reserve by such two (2) or more users thereof does not exceed thirty (30) head.

A purebred bull as contemplated by this act must be a bull having a registration certificate from the breeding association of its particular breed. A graded bull as defined in this act, shall be one selected by a committee of permittees.

## Inquiry as to Ownership

Where defendant found a purebred dairy bull running at large upon his pasture it would not have been either un-

natural or unreasonable for the defendant to have contacted his neighbor, the plaintiff, to ascertain what, if anything, either knew about the bull. By failing to do this the defendant was liable to the plaintiff, the owner of the bull, for castrating it. Holden v. Varner, 128 M 211, 272 P 2d 1008, 1010.

46-2104. Duty of county commissioners—petition of sheep owners.

**46-2102. County commissioners may require per capita license fee on sheep.** To defray the expense of such protection the board of county commissioners of any county shall have the power to require all owners or persons in possession of any sheep, coming one year old or over, in the county on the regular assessment date of each year to pay a license fee of not exceeding ten cents (10¢) per head of sheep so owned or possessed by him in the county; provided that all owners or persons in possession of any sheep, coming one year old or over, coming into the county after the regular assessment date and subject to taxation under the provisions of section 84-6008 shall also be subject to payment of the license fee herein prescribed. Upon the order of the board of county commissioners such license fees may be imposed by the entry thereof in the name of the licensee upon the property tax rolls of the county by the county assessor. Said license fees shall be payable to and collected by the county treasurer, and when so levied, shall be a lien upon the property, both real and personal of the licensee. In case the person against whom said license fee is levied owns no real estate against which said license fee is or may become a lien, then said license fee shall be payable immediately upon its levy and the treasurer shall collect the same in the manner provided by law for the collection of personal property taxes which are not a lien upon real estate. When collected, said fees shall be placed by the treasurer in the predatory animal control fund and the moneys in said fund shall be expended on order of the board of county commissioners of the county for predatory animal control only. The word "owners" or "persons" shall include natural persons, co-partnerships, corporations, trusts and estates.

The license fee determined and set by the board, within said limits, shall remain in full force and effect from year to year without change, unless there is filed with the board a petition subscribed by the resident owners of

at least fifty-one per cent (51%) of the sheep in the county, as shown by the assessment rolls of the last assessment preceding the filing of the petition, for termination of the program and repeal of the license fee, in which event the program shall by order of the board of county commissioners be disestablished and the license fee shall not be further levied. If the resident owners of at least fifty-one per cent (51%) of the sheep in the county either (a) petition for an increase in the license fee, subject always to the maximum limitation of ten cents (10¢) per head of sheep, or (b) petition for a decrease in the license fee then in force, the board of county commissioners shall upon receipt of any such petition fix a new license fee to continue from year to year and the program shall thereupon continue within the limits of the aggregate amount of the license fee as collected from year to year.

**46-2320. Distribution of grazing preferences.** When a state district is organized, grazing preferences shall be distributed in the following manner: Any member of a state district owning or controlling dependent commensurate property as heretofore defined may be given a grazing preference. If the carrying capacity of the range exceeds the reasonable needs of the members owning or controlling dependent commensurate property, members owning or controlling commensurate property shall have the preference. If the carrying capacity of the range exceeds the reasonable needs of the members owning or controlling dependent commensurate property or commensurate property, temporary grazing permits may be issued to nonmembers or members, preferring those that have used the range for any three (3) or any two (2) consecutive years in the five-year period immediately preceding June 28, 1934; or in the case of districts organized after March 15, 1945, preferring those that have used the range five (5) years immediately preceding the organization of such districts. When such temporary permit is utilized by a permittee in connection with forage-producing lands owned or controlled by such permittee within or near the district for a period of any combination of four (4) years out of five (5), then the forage-producing lands owned or controlled by such permittee may be considered dependent commensurate property, and upon application, the district may accordingly grant such permittee membership and preference in the district providing an application had been made for temporary rights for each of the five (5) years. Provided, however, such temporary permits shall at all times be merely privileges granted from year to year, and their possession shall in no event establish a preference

right unless such preference right be expressly granted by the district and in the manner herein provided.

If reduction in grazing privileges become necessary, operators with temporary permits will be reduced first on a proportionate basis. When the extent of reduction of privileges exceeds that of temporary permits, then the rights of operators with both dependent commensurate property and commensurate property shall be reduced together on a proportionate basis.

**46-2326. Running livestock at large or in herd without permit forbidden—liability of owner—penalty—procedure—release to owner.** (1) No owner or person in control of livestock shall permit the same to run at large, or under herd, within the exterior boundaries of any state district, unless the owner or person in control of such livestock shall first obtain a grazing permit for same from such state district; and the owner or person in control of such livestock running at large, or under herd, within a state district, without a permit from the district, or in excess of such permit, shall be liable for all damages sustained thereby by any member, permittee or state district. If any such livestock wrongfully enters upon premises within such district, the owner or person in control of such trespassing livestock, who willfully or negligently permits same to run at large within the district, without first obtaining a permit therefor from the district, shall be guilty of a misdemeanor and upon conviction thereof, shall be punished by a fine not less than ten dollars (\$10.00), nor more than five hundred dollars (\$500.00), and in addition to said punishment, shall be liable for all damages sustained thereby to the party entitled thereto; provided that this provision shall not require any person to obtain a grazing permit to graze livestock upon land owned or controlled by him within such state district, if the stock so grazed is restrained from running at large within such state district and from grazing upon any other lands within the state district.

(2) The state district or its duly authorized agent controlling the land upon which such wrongful entry is made by trespassing livestock, may take into its possession such livestock and shall reasonably care for same while in its possession and may retain possession of said livestock and have a lien and claim thereon as security for payment of such damages and reasonable charges for the care of said livestock while in its possession. The state district taking up such livestock shall, within seventy-two (72) hours after taking possession thereof, notify said owner, owners, or person in charge thereof, by a notice in writing, describing said livestock by number of animals and brands thereon, if any, the amount of damages claimed to date, and the charge per animal unit per day for caring for and feeding the same thereafter, such charges not to exceed fifty cents (50c) per animal unit per day, and describing by general description, the

location of the premises upon which said livestock is held, and requiring such owner or owners, within ten (10) days after receiving said notice, to take said livestock away after making full payment of all damages and costs of said livestock.

(3) In case the parties do not agree as to the amount of damages, the state district taking up such livestock, may, at the expense of the owner, retain a sufficient amount of such livestock to cover the amount of damages claimed by the state district. Provided, however, that the owner may, upon furnishing a good and sufficient bond, conditioned for the payment to the state district of all sums, including costs that may be recovered by said state district in a civil action to foreclose its lien, have returned to him all livestock held as aforesaid, and said state district shall be liable to such owner for any loss or injury to said livestock accruing through the state district's lack of reasonable care. If the state district taking up livestock shall fail to recover in a civil action a sum equal to that offered to the state district by the owner of the livestock, the former shall bear the expense of keeping and feeding same while in its possession. Such notice may be given by personal service on the said owner, owners or person in charge thereof, or by leaving said notice at his usual place of residence with some member of his family over the age of fourteen (14) years, or by sending said notice by prepaid registered mail, addressed to his last known place of residence. Said service by registered mail shall be deemed complete upon the deposit of said notice in the post office.

(4) Upon demand, the state district or its authorized agent controlling the land, or party in charge of such livestock, shall release and deliver possession of such livestock to the owner or person entitled thereto, upon payment of damages and charges; but said payment of damages and charges shall not act as a bar to the prosecution of said person, owner or persons in control of such livestock, as hereinbefore provided. If the amount of damages or costs demanded by the party taking up such livestock is in excess of the actual damage and actual costs, the owner or person in charge of such livestock, may pay same under protest and thereafter sue to recover the amount paid in excess of the actual damages and reasonable costs, provided suit to recover same is filed in the district court within sixty (60) days after payment.

(5) If after due diligence to discover the owner or possessor of such livestock, such owner or possessor can not be found, or the ownership of such livestock discovered, the state district taking up such livestock, or said owner or claimant shall refuse to pay the amount of damages or charges, or furnish bonds therefor, as herein provided, the party taking up such livestock shall, within ten (10) days from the time that said livestock was taken up, deliver to the sheriff or a constable of the county in which the livestock was taken up, a statement containing the information required to be given in the notice, hereinbefore set out, and in addition thereto, he shall mail, by prepaid registered mail, a copy of said statement addressed to the nearest state livestock inspector. Upon receipt of such statement, the sheriff or constable shall proceed to advertise and sell, at public auction, the livestock so taken up.

(6) Such livestock shall be sold on five (5) days' notice posted at the

courthouse of each county in which any portion of the district lies and posted in three (3) public places in such county, one of which shall be within the district. Provided, however, that such sheriff may require from the state district a good and sufficient bond, conditioned that the state district has used reasonable diligence to discover the owner of such stock and to notify him in the premises and that all requirements of law on the part of the state district to be performed in the premises have been performed and indemnifying the sheriff against all liability for the sale of said livestock except as to his own failure to perform the things required of him by law.

(7) The proceeds of the sale shall, by the sheriff, after first deducting his costs and expenses, be applied to the discharge of the claims and the costs of the proceedings in selling the property and to the payment of the damages, claims and costs of the party taking up such livestock, and the remainder, if any, may be paid over to the owner of such livestock, if known, and if the owner is not known, then such remainder shall be deposited with the county treasurer, who shall keep the same in a public fund to be designated state grazing district fund (giving the name of the district). A separate fund, styled as above, shall be kept by the county treasurer for each of said districts within his county. The county treasurer shall make a record of the number and type of animals sold and the brands on same, if any, the amount received for same and the amount of deductions, which record shall be open to public inspection; and any person making claim to the board of county commissioners at any time within one (1) year from date of sale, of ownership of such livestock and submitting proof of ownership to such board, with such claim to the satisfaction of such board, shall be entitled to receive such excess received from the sale of such livestock. Any money received from the sale of any such livestock, which shall not be so claimed within one (1) year after such sale, shall, at the expiration of said period, be transferred to the general fund of the county.

(8) No officer, board or employee of any county or of any state district, nor any employee of such officer or board shall be liable for any act performed in good faith in discharging official duties under this act; and all such acts shall be presumed to have been in good faith and in conformity with this act.

(9) The state district, or the party taking up such trespassing livestock, may cause same to be impounded at any suitable place within the state district, or within five (5) miles from the exterior boundaries thereof, and such livestock shall be deemed legally impounded if placed in a corral or upon land enclosed by a legal fence or placed in charge of a herder or herders.

(10) Any person taking or rescuing from the possession of a state grazing district or an agent thereof any animal taken up and impounded pursuant to this section shall be guilty of a misdemeanor and upon conviction thereof shall be punishable by a fine not exceeding two hundred dollars (\$200.00).

(11) Regarding fences within the external boundaries of state districts; the cost of construction and maintenance of fence-enclosing lands con-

trolled by any member, nonmember or state district within the external boundaries of such state district, shall be borne by such member, nonmember or state district, unless otherwise provided for in the duly approved by-laws of such state district.

(12) In the event of the adoption of provisions to the by-laws of a state district whereby the cost of construction and maintenance of fence is to be distributed proportionately among the parties affected by such cost of construction and maintenance of fence, the state district's proportionate share of such costs and maintenance shall be financed only by assessments levied by the state district against the permittee members of the district upon consent thereto by fifty-five percentum (55%) of such permittee members.

(13) Nothing contained herein shall be so construed as to restrict the right of parties to obtain injunctive relief from a court of competent jurisdiction.

**47-209. **History:** En. Sec. 9, Ch. 283, L. 1959.

**47-210. Rates and charges — refunds — past due amounts — excess charges, effect.** (a) Maximum rate of charge. Every licensee hereunder may contract for and receive, on any loan of money not exceeding one thousand dollars (\$1,000) in amount, charges not in excess of twenty dollars (\$20) per year one hundred dollars (\$100) on that part of the loan not exceeding three hundred dollars (\$300); sixteen dollars (\$16) per year per one hundred dollars (\$100) on that part of the loan exceeding three hundred dollars (\$300) but not exceeding five hundred dollars (\$500), and twelve dollars (\$12) per year per one hundred dollars (\$100) on that part of the loan in excess of five hundred dollars (\$500) but not exceeding one thousand dollars (\$1,000) when the loan is made for a period of one year, and proportionately at these rates for a greater or lesser amount within said limits or for a greater or lesser period of time. Said charges shall be added to the principal of the loan and shall not be discounted or deducted therefrom nor paid or received at the time the loan is made.

For the purpose of computing charges for a fraction of a month, a day shall be considered one-thirtieth of a month.

(b) On loans of ninety dollars (\$90) or less a licensee may charge, in lieu of charges specified in (a) of this section, not in excess of one dollar (\$1) for each five dollars (\$5) of cash or credit advanced to the borrower, up to the amount of ninety dollars (\$90); and a period of at least fifteen (15) days must be allowed for the repayment of each five dollars (\$5) cash or credit advanced, such charges cannot be assessed by any subterfuge or device on any loan over ninety dollars (\$90) or on any balance of ninety dollars (\$90) or less, when the original loan was greater than ninety dollars (\$90).

(c) Refund. When any loan contract is paid in full by cash, a new loan, renewal or otherwise, one month or more before the final installment date, the licensee shall refund or credit the borrower with that portion of the total charges which shall be due the borrower as determined by schedules prepared under the rule of 78ths or sum of the digits principle as follows: The amount of the refund or credit shall be as great a proportion of the total charges originally contracted for as the sum of the consecutive monthly balances of the contract scheduled to follow the date of prepayment bears to the sum of all the consecutive monthly balances of the contract, both sums to be determined according to the payment schedule originally contracted for.

(d) If the contract so provides, the additional charge for any amount past due according to the original terms of the contract, whether by reason of default or extension agreement, may be five per cent (5%) of the amount past due and said amount may be charged once and no more.

(e) Recording fees. The licensee may collect from the borrower the actual fees paid a public official, or agency of the state, for filing, recording or releasing any instrument securing the loan.

(f) No further charges, no splitting contracts; certain contracts void. No further or other charges shall be directly or indirectly contracted for or received by any licensee except those specifically authorized by this act. No licensee shall divide into separate parts any contract made for the purpose of or with the effect of obtaining charges in excess of those authorized by this act. All balances due to a licensee from any person, as a borrower, or as an endorser, guarantor or surety for any borrower or otherwise, or due from any husband or wife, jointly or severally, shall be considered a part of any loan being made by a licensee to such person for the purpose of computing interest or charges. If any amount in excess of the charges permitted by this act is charged, contracted for, or received, except as the result of an accidental and bona fide error of computation, the contract of loan shall be void and the licensee shall have no right to collect or receive any principal, charges or recompense whatsoever.

**History:** En. Sec. 10, Ch. 283, L. 1959.

**47-211. Installment payment—contract period.** No licensee shall enter into any contract of loan of three hundred dollars (\$300) or less, exclusive of charges, under this act which the borrower agrees to make any scheduled repayment of principal more than twenty-one (21) calendar months

from the date of making such contract, nor any contract or loan for more than three hundred dollars (\$300) exclusive of charges, under which the borrower agrees to make any scheduled repayment of principal more than twenty-five (25) calendar months from the date of making. Every loan contract shall require payment of principal and charges in installments which shall be payable at approximately equal periodic intervals except that payment dates may be omitted to accommodate borrowers with seasonal incomes. No installment contracted for shall be substantially larger than any preceding installment. When a loan contract provides for monthly installments, the first installment may be payable at any time within forty-five (45) days of the date of the loan and the charges for the number of days in excess of thirty (30) from the date of making may be added to the scheduled amount of said installment.

**History:** En. Sec. 11, Ch. 283, L. 1959.

**47-212. Copy of contract or statement of contents—receipts—return of note.** (a) Borrower to receive copy of contract; or statement of contents. At the time the loan is made, there will be delivered to the borrower, or if there be two (2) or more borrowers, to one (1) of them a copy of the loan contract, or a written statement in the English language showing in clear and distinct terms:

The management of each mine shall adopt and comply with adequate minimum systematic standards for roof support suitable to the roof conditions of the mine or sections thereof. Such standards may require the use of conventional supports (timbers, jacks, cross bars, etc.), or may, as hereinafter provided, require the use of roof bolts in conjunction with conventional supports. Such standards shall be described in writing and illustrated by drawings, copies of which shall be posted at one or more conspicuous places at the mine. Such standards shall require that additional roof support be added wherever necessary to afford adequate protection.

2. Minimum systematic standards for roof supports in mines or sections thereof where conventional supports are to be used as the sole means of support shall be approved, in writing, by the state coal mine inspector before they are made effective.

3. A. B. Before roof bolting is adopted in conjunction with conventional timbering as a means of support, the effectiveness of roof bolts shall be proved by experimental installations in rooms or back entries where there is likely to be little travel. Such installations shall be made in accordance with the recommendations of an authorized representative of the United States bureau of mines, and their effectiveness shall be observed for a period of not less than two months. The minimum systematic support standards shall be determined on the basis of such observations.

C. Minimum systematic support standards for mines or sections thereof where roof bolts are used in conjunction with conventional roof supports shall show:

- (I) Type of bolts to be used.
- (II) Dimensions of bolts.
- (III) Spacing of bolts.
- (IV) Maximum width of places where bolts are to be installed.
- (V) Maximum distance from face bolts are to be installed.
- (VI) Type and size of bearing plates.
- (VII) Safety precautions to be taken.
- (VIII) Timbers to be set in connection with bolting.
- (IX) Area of mine involved.

D. No change shall be made in any support standards concerning roof bolts until and unless a written permit granting such change has been issued by the state coal mine inspector, and further that such change is in compliance with the recommendations of an authorized representative of the United States bureau of mines.

E. Roof-bolt testing shall be done by qualified persons designated by the mine foreman.

F. Any violation by mine management of the provisions of subsections 3A, 3B, 3C, 3D, and 3E shall automatically void the permit for using roof bolts in conjunction with conventional timbers.

4. The management shall provide at or near the face workings an ample supply of suitable materials of proper size with which to secure all working places in a safe manner.

5. Safety parts, jacks, or cross bars shall be set close to the face when necessary, before other mining operations are begun, and as needed thereafter.

6. All underground working places, active roadways and travelways shall be adequately supported to protect employees from falls of roof, face or ribs. Loose roof and overhanging or loose faces and ribs shall be taken down or adequately supported.

7. Roof shall be adequately supported to protect employees where roof material is being taken down, cross bars are being installed, roof-bolt holes are being drilled, and when roof bolts are being installed.

8. Supports knocked out accidentally shall be replaced promptly.

9. Permanent supports in active workings shall not be removed unless and until equivalent protection is provided.

10. Where roof supports are required at the working faces, persons shall not advance beyond artificially supported roof, except those who are assigned to install supports or inspect the place.

11. The management shall instruct, or have instructed all underground employees in the proper testing of roof, face, and ribs.

12. To detect dangerous conditions, during the work on any shift, the mine foreman in charge or his designated assistants shall examine or cause to be examined by a competent person, roof, face, and ribs or working places, and passageways where men travel. Where found, such dangerous conditions shall be corrected promptly by removing loose roof or rib, by adding adequate roof support, or by duplicating defective supports where necessary.

13. Wherever conventional timbers are used, they shall be set to conform to the clearance provisions hereinafter provided.

14. Where there is danger of face coal rolling on a person during or after undercutting or center cutting, it shall be spragged by placing blocks in the cut or by blocking with leaning posts.

15. A bar of proper length shall be used to bar down loose material.

16. In worked-out places where timbers are being removed, persons engaged in drawing timber shall not be permitted to work alone.

17. A. Each employee shall examine his working place upon entering the same and shall not commence to mine or load until it is made safe. He shall be very careful to keep his working place in a safe condition at all times.

B. When draw slate is over the coal, the miner shall not go underneath the draw slate until it is made safe from falling by securely posting it, and he shall not remove the posts until the coal is removed and he is ready to take down the draw slate. He shall not place in the gob or refuse pile any fine coal or coal dust but shall load same into cars.

C. Should he at any time find his place becoming dangerous from any cause or condition, to such an extent that he is unable to take care of the same personally, he shall at once cease work and notify the mine foreman or his assistant of such danger, and upon leaving such place he shall place some plain warning at the entrance thereof to warn others from entering into the said danger, and he shall not return to his place until ordered to do so by the mine foreman or his assistant. Each miner shall obey any order or orders given by the superintendent or mine foreman relating to the width of his working place or safety of the same. Such miner or other person shall not be held to have violated the provisions of this section, if the owner, lessee, agent, superintendent, or mine foreman fail to supply the necessary props, caps, timber, or necessary material as provided in this act.

D. Each miner or other person shall avoid waste of props, caps, timber, or other material. When he has props, caps, timber, or other material unsuited for his purpose, he shall not cover them up or destroy them, but shall place same near the track where they can be readily seen.

### CHAPTER 5—REGULATION OF COAL MINING INDUSTRY— COAL MINING CODE CONTINUED

Section 50-501. Mine foreman and his duties.

**50-501. (3515) Mine foreman and his duties.** In order to secure efficiency in the coal mines, the operator or superintendent shall employ a competent and practical foreman; said mine foreman shall have passed an examination and obtained a certificate of competency as required by this act, and said mine foreman shall devote the whole of his time to his duties at the mine when in operation.

Provisions of these sections requiring a state certified foreman may be waived by the state coal mine inspector in mines where five men or less are employed on any one shift; provided, however, that the state inspector considers the person in charge of the underground work has adequate ability to supervise the safety of the workers and to carry out the duties imposed by law in the mine concerned.

The mine foreman or his assistant shall visit and examine every working place in the mine at least once each day, or more often if necessary, while the miners of such places are or should be at work, and shall examine and see that each working place is secured by the standards of section 1 [50-474] of this act so that the safety of the mine is assured; he shall see that a sufficient supply of roof support material is always on hand at the working places in compliance with this act.

When the mine foreman is personally unable to carry out the requirements of this act as pertaining to his duties, on account of sickness or of other unavoidable conditions, a competent person shall be appointed to act in his place. The said person so appointed shall possess a mine foreman's certificate of competency.

Whenever such mine foreman, his assistant or assistants, shall have an unsafe place reported to him or them, he or they shall order and direct that the same be placed in a safe condition, and until such is done no person or persons shall enter such unsafe place except for the purpose of making it safe.

#### Repeal

This section (Sec. 83, Ch. 120, L. 1911; Sec. 14, Ch. 38, L. 1945), relating to the

care of working places to be taken by miners, was repealed by Sec. 4, Ch. 188, Laws 1959.

CHAPTER 7—LOCATION AND RECORD OF MINING  
AND MILLSITE CLAIMS

50-702. (7366) Record of certificate of location.

Location Notices

In action to quiet title to mining claims, location notices of defendants were void where they were so indefinite and uncer-

tain that it would be very difficult or perhaps impossible, to locate the corners of the claims. Robinson v. Laffoon, 131 M 446, 311 P 2d 768, 771.

50-713. (7377) Defective locations good against persons with notice.

Application of Section

In action to quiet title it appeared that defendants were aware of the claims of plaintiffs and were watching to ascertain whether plaintiffs performed their assessment work. Plaintiffs had been interested in their claims for 21 years and they were originally located in 1930. One of the de-

fendants had been familiar with the area of the claims since 1932. Defendants in such circumstances could not maintain that they located their claims without notice of the prior claims of plaintiffs. Robinson v. Laffoon, 131 M 446, 311 P 2d 768, 772.

## TITLE 52—MORTGAGES

### CHAPTER 2—MORTGAGES OF REAL PROPERTY

#### 52-212. (8273) Recordation of mortgages, deeds of trust, etc.

##### Collateral References

Priority as between artisan's lien and chattel mortgage, as affected by statutory

provision for recording mortgage. 36 ALR 2d 240.

### CHAPTER 3—MORTGAGES OF PERSONAL PROPERTY

#### 52-301. (8275) Chattel mortgages—interest which may be mortgaged, etc.

##### Operation and Effect

A chattel mortgage, which by its terms was to be security for future advances also, was security for future loans so that attachment will not lie in an action based on the default of the later loan, since the debt was secured. The chattel mortgage

was plain and unambiguous and needed no construction so that parol evidence which tended to vary or alter the terms of the written mortgage was required to be disregarded. First Nat. Bank of Plains v. Green Mt. Soil Conservation District, 130 M 1, 293 P 2d 289.

#### 52-313. (8287) Sales—commencement and postponement.

##### Collateral References

Effect of purchase of property by

pledgee on foreclosure of mortgage held as collateral security. 37 ALR 2d 1397.

#### 52-319. (3308.1) Notices of chattel mortgages on livestock, renewals, etc.

##### Application of Statute

Compliance with state recording statutes was immaterial where federal common law was controlling on the question of whether there was a conversion of

property subject to a chattel mortgage in favor of the United States securing an F H A loan, sold through the agency of a livestock company. United States v. Sig Ellingson & Co., 164 F Supp 7.

Any excess funds shall remain in the highway fund for the construction, reconstruction, maintenance, engineering on the public highways of this state."

#### Repeal

These sections (Secs. 1 to 6, Ch. 121, L. 1929; Secs. 1 to 6, Ch. 126, L. 1933),

relating to the licensing and registration of out-of-state vehicles, were repealed by Sec. 1, Ch. 101, Laws 1959.

**53-129. (1760.7) Foreign vehicles used in gainful occupation—reciprocity board may make reciprocal agreements to exempt.** (1) Before any foreign licensed motor vehicle shall be operated on the highways of this state for hire, compensation or profit, or before the owner thereof uses the vehicle while engaged in gainful occupation or business enterprise, in the state of Montana, including highway work, the owner of such vehicle shall make application to a county treasurer for registration, upon an application form furnished by the registrar of motor vehicles. Upon satisfactory evidence of ownership submitted to such county treasurer, the treasurer shall accept the application for registration and shall collect the regular license fee required for the vehicle. The treasurer shall thereupon issue to the applicant a copy of the application entitled "Owner's Certificate of Registration Receipt" and forward a duplicate copy of certificate of registration to the registrar of motor vehicles. The treasurer shall at the same time issue to the applicant the proper license plates or other identification markers, which shall at all times be displayed upon such vehicle, when operated or driven upon roads and highways of this state, during the period of the life of such license. The registration receipt shall not constitute evidence of ownership, but shall only be used for registration purposes. No Montana certificate of title shall be issued for this type of registration. This paragraph shall not be applicable to any vehicle which is a part of an interstate fleet registered and licensed under the provisions of section 53-114, Revised Codes of Montana, 1947, as amended, nor to any vehicle covered by a valid and existing reciprocal agreement or declaration entered into as hereinafter set forth.

(2) (a) There is hereby created for the purpose of the administration of this act a state reciprocity board, which consists of five (5) members to be appointed by the governor. One of said members shall be a member of

the registrar of motor vehicles; one shall be a member of the Montana highway patrol; one shall be a member of the Montana state highway commission; one shall be a member of the state board of equalization; and one shall be the attorney for the Montana state highway commission. The members of the state reciprocity board shall meet in the offices of the state highway commission at the state capitol and organize as a state reciprocity board during the first week in July, 1955, or as soon thereafter as possible. At the first annual meeting and at each annual meeting thereafter the board shall elect a secretary who may be, but need not be, a member of said board, and the board shall elect a chairman from its own membership who shall hold office for one (1) year. Election as chairman shall not interfere with the member's right to vote on all matters before the board. The board shall meet at such other times as it deems advisable, but at least once every thirty (30) days, and shall from time to time adopt rules and regulations for the administration of this act as may be deemed necessary.

(b) The board shall act collectively in harmony with recorded resolutions or motions adopted by the majority of the board at regular or special meetings, notice of which meetings shall be given to all members pursuant to the rules of said board. Three (3) members shall constitute a quorum at any meeting; but no resolution, motion, or other decision of the board shall be adopted or passed without the favorable vote of at least three (3) members.

(3) (a) The state reciprocity board shall have the power to enter into agreements or arrangements with the duly authorized representatives of other states, the District of Columbia, territories or possessions of the United States and foreign states, provinces or countries granting exemption to owners of vehicles which are properly registered or licensed in such jurisdictions, and upon which evidence of registration is conspicuously displayed, from the payment, wholly or partially, of any taxes, fees or other charges imposed upon such owners with respect to the ownership or operation of such vehicles under the laws of this state. Such agreements or arrangements shall provide that owners of vehicles registered or licensed in this state who operate vehicles upon the highways of such other states, the District of Columbia, territories or possessions of the United States and foreign states, provinces or countries shall receive substantially equivalent exemptions, benefits and privileges as are extended to owners of vehicles from such jurisdictions in this state.

(b) Agreements or arrangements entered into under the authority herein granted may contain provisions authorizing an owner or owners of one of the states, district, territories or possessions of the United States or foreign states, provinces or countries which is a party thereto to register or license vehicles in another jurisdiction which is a party thereto. Vehicles registered or licensed in one of such jurisdictions under such provision shall be exempt from registration or licensing requirements in the other jurisdiction or jurisdictions which are parties thereto and shall be entitled to all exemptions, benefits and privileges granted with respect to other vehicles registered or licensed in such jurisdiction, as to such interstate operations.

(c) Agreements or arrangements entered into under the authority herein granted may contain provisions denying the exemptions, benefits and privileges granted thereunder to any owner who violates conditions stated therein or who violates rules and regulations for the administration of reciprocal exemptions, benefits and privileges issued by the state reciprocity board.

(d) The state reciprocity board is authorized to examine the legal requirements of motor vehicle registration, license and weight fee statutes of states which grant reciprocal privileges to out-of-state owners but which do not authorize negotiation or execution of agreements by administrative officials and it is authorized to determine, by such examination, and to declare the extent and nature of the reciprocal exemptions, benefits and privileges to which owners of vehicles from such states shall be entitled under the laws of this state.

(e) All agreements, arrangements, declarations and rules and regulations authorized by this section shall be in writing and shall become effective when filed with the secretary for the state reciprocity board who shall make copies available to the public upon request.

#### Amendment

The 1955 amendment in subd. (1) substituted the sentence "The treasurer shall thereupon issue to the applicant a copy of the application entitled 'owner's certificate of registration receipt' and forward a duplicate copy of certificate of registration to the registrar of motor vehicles" for a former one which read "The treasurer shall thereupon forward to the registrar of motor vehicles such application form"; deleted a sentence which read "Upon receipt of the application for registration, the registrar of motor vehicles shall issue to the owner of the vehicle a

#### Operator of Truck as Agent

Owner of truck-tractor, not a common carrier, and the driver thereof, were agents of common carrier authorized to transport freight in Canada and Montana, where at time of collision truck-tractor was hauling freight accepted by common

carrier as a carrier for hire under an arrangement whereby the owner of the truck-tractor received a percentage of the freight charges collected by the common carrier. *Thomas v. Warren*, 162 F Supp 101, 102, 106.

**Delay in Affidavit**

Delay in filing affidavit of compliance is not ground for setting aside service. *Bucholz v. Hutton*, 153 F Supp 62, 68.

**Insufficient Service of Process**

Service of process was insufficient for failure to comply with the provisions of this section where (1) notice of service was mailed by plaintiff's attorney before service was actually made upon the sec-

retary of state; (2) the notice was not sent by registered mail "requiring personal delivery" to the defendant; and (3) the defendant did not himself sign the return receipt, and there was no evidence that anyone else had authority to sign the receipt on his behalf or that he actually received the notice of service and copy of summons and complaint. *Bucholz v. Hutton*, 153 F Supp 62, 68.

of 53-422 following an accident of the other co-owner while driving another vehicle. *State ex rel. Penhale v. State Highway Patrol*, 133 M 162, 321 P 2d 612, 614.

#### Amendment

The 1959 amendment in subd. (b) substituted "each and every owner or co-owner of a motor vehicle, which is" for

"each owner of a motor vehicle"; inserted the words "except those registrations of co-owned vehicles not involved in such accident" and deleted the phrase "and if such operator is a nonresident the privilege of operating a motor vehicle in any manner involved in such accident."

### DECISIONS UNDER FORMER LAW

#### Operation and Effect

The authority to suspend all registrations of each owner of a motor vehicle did not extend to a wife who was the co-owner, with her husband, of an automobile, even though the husband, while driving another vehicle of his own, was involved in a situation calling for the suspension of registrations of the owners of vehicles. *State ex rel. Penhale v. State Highway Patrol*, 133 M 162, 321 P 2d 612, 614.

#### Right to Writ of Mandamus

Mandamus was the proper remedy for a wife to regain license plates for an automobile she owned with her husband, where the plates had been removed by the highway patrol following the husband's involvement in an accident while operating another vehicle which he owned. *State ex rel. Penhale v. State Highway Patrol*, 133 M 162, 321 P 2d 612, 614.

**53-423. Further exceptions to requirement of security.** The requirements as to security and suspension in section 53-422 shall not apply:

1. to the operator or the owner of a motor vehicle involved in an accident wherein no injury or damage was caused to the person or property of any one other than such operator or owner;
2. to the operator or the owner of a motor vehicle legally parked or legally stopped at the time of the accident;
3. to the owner of a motor vehicle if at the time of the accident the vehicle was being operated without his permission, express or implied, or was parked by a person who has been operating such motor vehicle without such permission; nor

4. if, prior to the date that the supervisor would otherwise suspend license and request and require of the registrar suspension of registration or nonresident's operating privilege under section 53-422, there shall be filed with the supervisor evidence satisfactory to him that the person who would otherwise have to file security has been released from liability or been finally adjudicated not to be liable or has executed a duly acknowledged written agreement providing for the payment of an agreed amount in installments, with respect to all claims for injuries or damages resulting from the accident; nor

5. if, prior to the date that the supervisor would otherwise suspend the license or the nonresident's operating privilege under section 53-422, there shall be filed with the supervisor evidence satisfactory to him that the person who would otherwise be required to file security has in any manner settled the claims of the other persons involved in the accident and if the supervisor determines that, considering the circumstances of the accident and the settlement, the purposes of this act and of protection of operators and owners of other motor vehicles are best accomplished by not requiring the posting of security or the suspension of the license. For the purpose of administering this section, the supervisor may consider a settlement made by an insurance company as the equivalent of a settlement made directly by the insured.

**History:** En. Sec. 6, Ch. 204, L. 1951; amd. Sec. 1, Ch. 187, L. 1957; amd. Sec. 2, Ch. 83, L. 1959.

Provided, that in addition to the fees provided for in Schedules I and II of this act, for each motor truck, truck-tractor, trailer, or semitrailer hauling loads in excess of forty-two thousand (42,000) pounds and within the weight limits specified in section 32-1123, Revised Codes of Montana, 1947, as amended by section 1, chapter 73, Laws of 1953, and all other amendments thereto, there shall be collected a fee of fifty dollars (\$50.00) for each two thousand (2,000) pounds, or fraction thereof.

Provided, that in lieu of the additional fee provided in this section there shall be collected a fee of five dollars (\$5.00) on any motor truck, truck-tractor, trailer or semitrailer used only for the purpose of transporting any air compressor, rock crusher, conveyor, hoist, wrecker, donkey engine, cook house, tool house or bunk house attached to or made a part of such motor truck, trailer or semitrailer.

For each fee so paid other than at the time of payment of the basic license fee, an additional fee of one dollar (\$1.00) shall be charged. The state highway commission is authorized to establish rules and regulations relative to the issuance and display of certificates or insignia, which shall state the quarters for which the vehicle is licensed.

No vehicle licensed under the provisions of this section shall be operated over the public highways unless the owner and/or operator thereof within ten (10) days after the expiration of any such three-month period apply for, and pay the required fee for, a license for an additional three-month period, or for the remainder of the year. Any person who operates any such vehicle upon the public highways after the expiration of said ten (10) days, shall be guilty of a misdemeanor, and in addition shall be required to purchase a gross weight license for the vehicle involved at the fee covering an entire year's license for operation thereof, less the fees for any period or periods of the year already paid. If, within five (5) days thereafter, no license for a full year has been purchased as required aforesaid, the Montana highway patrol, county sheriff or city police shall impound such vehicle in such manner as may be directed for such cases by the supervisor of the Montana highway patrol, until such requirement is met.

Provided further, that there shall be paid and collected annually for each bus or auto stage with the exception of school busses the sum of seven dollars (\$7.00) per seat exclusive of the first seven (7) seats and the operator, for the maximum adult seating capacity thereof; provided further, that motor vehicles which are regularly used to haul freight and passengers shall be taxed upon the basis of the gross weight schedule hereinabove established; provided further, that school busses shall not be exempt if they enter charter service.

**53-625. Reciprocity — proportional registration of fleets of motor vehicles engaged in interstate commerce.** (a) Reciprocity shall be granted, notwithstanding any thing to the contrary herein, in accordance with section 53-129, Revised Codes of Montana, 1947, as amended.

(b) Any owner or operator engaged in operating fleets of two or more motor vehicles in this state in interstate commerce may license such fleet for operation in this state by filing a sworn application with the state highway commission and an identical copy with the county treasurer or county treasurers of the proper county or counties of licensing declaring the total mileage operated during the preceding calendar year or fiscal year, as designated by the state reciprocity board, in this state and in all states having on file with the state reciprocity board a valid agreement or arrangement providing for proportional payment of the annual fees provided in this act. Said statement shall describe and identify each such vehicle to be operated in this state during the ensuing license year. At the discretion of the state reciprocity board, such interstate fleet may be licensed on the basis of proportional vehicle proration or proportional dollar proration. For the purpose of this act proportional vehicle proration is defined as the licensing of a sufficient number of certain vehicles under this section to produce total fee payments not less than an amount obtained by applying the proportion of in-state fleet miles to total fleet miles, as reported in said statement, to the fees which would otherwise be required for total fleet licensing in this state. Proportional dollar proration is defined as the payment of sufficient fees under this section to equal the amount produced by applying the proportion of in-state fleet miles to total fleet miles, as reported in said statement, to the fees which would otherwise be required for total fleet licensing in this state. The state high-

way commission, on payment of the proper fees under this section, shall upon payment of a fee of two dollars for each motor vehicle issue distinctive plates, stickers or other identification for each vehicle named in said statement identifying it as an interstate fleet which shall be exempt from all further license and weight fee requirements of this state, which may be specified in Title 53, Chapter 6, Replacement Volume Number Three (3) of the Revised Codes of Montana, 1947, and acts amendatory, provided, that each of such vehicles is properly and duly licensed and registered in this state or some other state, district, possession or territory of the United States or some foreign province, state or country. The proportional licensing provisions of this section shall apply to vehicles added to said fleet and operated in this state during the license year. Montana operators electing to license an interstate fleet shall comply with all requirements of this section relating to the payment of property taxes on his entire fleet.

Mileage proportions for interstate fleets not operated in this state during the preceding year will be determined by the state highway commission upon the sworn application of the applicant on forms to be supplied by the state highway commission, which will show the operations of the preceding year in other states and the estimated operation in Montana or if no operations were conducted the previous year a full statement of the proposed method of operation.

Any owner or operator complying with and being granted proportional licensing shall preserve the records on which the application is made for a period of four (4) full years following the year upon which said application is based. Upon request of the state highway commission, the owner or operator agrees to make such records available to the state highway commission at its offices for audit as to accuracy of computation and payments, or to pay the costs of an audit by the state highway commission or its duly appointed representative at the home office of the owner or operator. If by audit, it is determined that the owner or operator should have licensed more vehicles or paid higher fees in Montana under provisions of this paragraph, the state highway commission may deny such owner or operator the right of any further benefits by reason of any reciprocal agreement or arrangement until the fees for such additional vehicle or vehicles which should have been licensed are paid to the state highway commission. All license fees which should have been paid under the provisions of this paragraph shall be a lien upon all the property of the owner or operator and such lien shall attach at the time the license fees shall be determined by the state highway commission and shall have the effect of an execution duly levied on such property of the owner or operator and shall so remain until said additional fees, so determined, are paid or the property sold for the payment thereof.

(c) The license and weight fees provided for in this act shall mean the fees specified in Title 53, Chapter 6, Replacement Volume Number Three (3) of the Revised Codes of Montana, 1947, and acts amendatory.

#### 57-102. (8643) Public nuisance.

##### Chicken Raising Business

#### 57-110. (8651) Action for public nuisance, when private person, etc.

##### Chicken Raising Business

Where defendants kept their property clean and conducted the chicken raising enterprise in a reasonable and proper manner; none of the structures or the chickens, nor the manner of use thereof, had damaged the plaintiff or the neighborhood, and the structures did not constitute a fire hazard, there was no existence of a nuisance or damages resulting therefrom. *McCollum v. Kolokotrones*, 131 M 438, 311 P 2d 780, 783.

##### Special Damage

Where owner of tourist camp sought to have chicken raising business on nearby property declared a public nuisance and abated, it was incumbent upon the plaintiff to prove special damage, in other words, damage distinct from that unto the public at large. *McCollum v. Kolokotrones*, 131 M 438, 311 P 2d 780, 783.

## TITLE 58—OBLIGATIONS

### CHAPTER 2—JOINT AND SEVERAL, CONDITIONAL AND ALTERNATE OBLIGATIONS

##### Operation and Effect

Under a lease contract wherein it was agreed that the lessee would not assign the lease without the consent of the lessor, and further that the sale of more than 50% of the stock would be considered an assignment, it was held there was not a violation of the lease where the facts showed that the lessor had consented to the sale of stock in one instance, and

further that such stock was then pledged as security for a loan, which security was then surrendered for the payment of the loan. Such surrender was by operation of law and provisions restraining the assignment of a lease includes only voluntary assignments and is not operative against an assignment effected by law. *Lipsker v. Billings Boot Shop*, 129 M 420, 288 P 2d 660.

### CHAPTER 6—OBLIGATIONS IMPOSED BY LAW

#### 58-605. (7577) Restoration of thing wrongfully acquired.

Restitution should be granted when to do otherwise would give offense to equity and good conscience, so, where plaintiff's attorneys had knowledge that there was some question as to whether the named defendant was the proper party defendant

prior to the entry of a default judgment, which was later set aside, defendant was entitled to restitution of money seized under the default judgment. *Waggoner v. Glacier Colony of Hutterites*, 131 M 525, 312 P 2d 117, 119.

**59-1103.1. Such liability shall arise in considera-

tion of the employee's retention in the service of the state, or his entry upon such service, after the enactment of this act.

(b) The contribution imposed by this section shall be collected by deducting the amount of the contribution from wages as and when paid, but failure to make such deduction shall not relieve the employee from liability for such contribution.

(c) If more or less than the correct amount of the contribution imposed by this section is paid or deducted with respect to any remuneration, proper adjustments, or refund if adjustment is impracticable, shall be made, without interest, in such manner and at such times as the state agency shall prescribe.

(a) Each political subdivision of the state shall submit for approval by the state agency a plan for extending the benefits of title II of the social security act, in conformity with applicable provisions of such act, to employees of such political subdivision. Each such plan and any amendment thereof shall be approved by the state agency if it finds that such plan, or such plan as amended, is in conformity with such requirements as are provided in regulations of the state agency, except that no such plan shall be approved unless:

(1) it is in conformity with the requirements of the social security act and with the agreement entered into under section 4 [59-1103];

(2) it provides that all services which constitute employment as defined in section 2 [59-1102] and are performed in the employ of the political subdivisions by employees thereof, shall be covered by the plan, except that it may exclude services performed by individuals to whom section 218(c)(3)(C) of the social security act is applicable;

(3) it specifies the source or sources from which the funds necessary to make the payments required by paragraph (1) of subsection (c) and by subsection (d) are expected to be derived and contains reasonable assurance that such sources will be adequate for such purpose;

(4) it provides for such methods of administration of the plan by the political subdivision as are found by the state agency to be necessary for the proper and efficient administration of the plan;

(5) it provides that the political subdivision will make such reports, in such form and containing such information, as the state agency may from time to time require, and comply with such provisions as the state agency or the secretary of health, education, and welfare may from time to time find necessary to assure the correctness and verification of such reports;

(6) it authorizes the state agency to terminate the plan in its entirety, in the discretion of the state agency, if it finds that there has been a failure to comply substantially with any provision contained in such

plan, such termination to take effect at the expiration of such notice and on such conditions as may be provided by regulations of the state agency and may be consistent with the provisions of the social security act.

(b) The state agency shall not finally refuse to approve a plan submitted by a political subdivision under subsection (a), and shall not terminate an approved plan, without reasonable notice and opportunity for hearing to the political subdivision affected thereby.

(2) Each political subdivision required to make payment under paragraph (1) of this subsection shall, in consideration of the employee's retention in, or entry upon, employment after enactment of this act, impose upon each of its employees, as to services which are covered by an approved plan, a contribution with respect to his wages (as defined in section 2 [59-1102] of this act), not exceeding the amount of the employee tax which would be imposed by the federal insurance contributions' act if such services constituted employment within the meaning of that act, and to deduct the amount of such contribution from his wages as and when paid. Contributions so collected shall be paid into the contribution fund in partial discharge of the liability of such political subdivision or instrumentality under paragraph (1) of this subsection. Failure to deduct such contribution shall not relieve the employee or employer of liability therefor.

(d) Delinquent payments due under paragraph (1) of subsection (c) may, with interest at the rate of six per centum (6%) per annum, be recovered by action in a court of competent jurisdiction against the political subdivision liable therefor, or may, at the request of the state agency, be deducted from any other moneys payable to such subdivision by any department, agency or fund of the state.

B. The oil and gas conservation commission of the state of Montana shall be composed of five (5) persons to be appointed by the governor, with the concurrence of the state senate. That of the commissioners, two (2) and not more than two (2) will be appointed for a period of two (2) years, and they shall be from industry. One (1) nonindustry man shall be appointed for three (3) years and one for four (4) years and one (1) for five (5) years. At the expiration of the term of the two (2) industry men, the appointment of their successors shall be for four (4) and five (5) years respectively, after which all vacancies shall be filled for five (5) year terms. All appointed members of the commission shall be subject to removal by the governor for cause at any time. In case of a vacancy in the office of a member of the commission, an appointment shall be made to fill such vacancy in the manner prescribed by the Constitution of the state of Montana.

C. Persons appointed as members of the commission shall have been bona fide residents of the state of Montana for at least one (1) year before such appointment, and the two (2) industry members, shall have had at least three (3) years' experience in the production of oil or gas.

D. Each member appointed to the commission and each person appointed to office by the said commission before entering upon the duties of his office shall take and subscribe to the oath specified in section 1, Article 19, of the Constitution of the state of Montana and such oaths shall be filed in the office of the secretary of state.

E. The commission shall have a seal with the words engraved thereon: "Oil and Gas Conservation Commission of Montana," and such seal shall be affixed to all writs, authentication of records or other official proceedings of the commission. The courts of this state take judicial notice of such seal.

F. The commission shall appoint an executive secretary and may employ such other persons as experts, geologists, petroleum engineers, attorneys, assistants, field supervisors, clerks and stenographers and may acquire such personal property as may be necessary to perform the duties that may be required of it, and fix the compensation of the executive secretary and employees. Each member of the commission shall receive, as compensation for his services, the sum of fifteen dollars (\$15.00) per day for each day actually engaged in the performance of the duties of his office, including time of travel between his home and the place at which he performs such duties, together with transportation and per diem expenses as provided by law in the discharge of said duties; provided, however, that the total expenditures of such commission shall not exceed in the aggregate during any fiscal year, the amount actually collected under the provisions of section 60-145, plus any amount appropriated for that purpose, or otherwise accruing to said fund.

**History:** En. Sec. 2, Ch. 238, L. 1953; amd. Sec. 1, Ch. 11, L. 1955.

#### **Amendment**

The 1955 amendment in subd. F substituted the words "Each member of the commission shall receive, as compensation for his services, the sum of fifteen dollars (\$15.00) per day for each day actually engaged in the performance of the duties of his office, including time of travel between his home and the place at which he performs such duties, together with transportation and per diem expenses as provided by law in the discharge of said duties" for the words "The

members of the commission shall be allowed their transportation and per diem expenses as provided by law incurred in the discharge of their duties."

#### **Repealing Clause**

Section 2 of Ch. 11, Laws 1955 repealed all acts and parts of acts in conflict therewith.

#### **Effective Date**

Section 3 of Ch. 11, Laws 1955 provided the act should be in effect from and after its passage and approval. Approved February 5, 1955.

**60-144. Owners shall make available to commission cores and cuttings.** Any owner drilling a well for gas or oil shall make available to the commission at its field offices representative cores or chips, when available, and the cuttings from such well. Providing, however, that cores, chips or cuttings need not be so made available for a period of six (6) months following completion or abandonment of such wells. As pertains to the furnishing of cores, cuttings, or chips, the commission may, however, relieve the owner of any well of the obligation to furnish the same when in the opinion of the commission, the furnishing thereof would be unduly burdensome for such owner; provided, however, that such owner desiring relief must apply to and receive permission from the commission to not so furnish. The owner of any stratigraphic test well drilled for the purpose of obtaining lithologic information useful in potential oil and gas operations, as such well is defined by the commission's rules and regulations, shall within six (6) months from the date of the cessation of the drilling of such well, make available to the commission, complete sets of sample cuttings and representative cores or chips and well logs of such wells, which logs shall include among other information the size of casing used and the type and depth of water if any located, and such cuttings, cores, chips and logs shall be impounded and kept secure and confidential by the commission until such time that the commission shall

desire to use the same; provided that the commission may not use such logs, chips, cores and cuttings from stratigraphic test wells until a period of three (3) years from the date of their impounding by the commission has elapsed unless the owner of such stratigraphic test well consents to their use by the commission prior to the expiration of the three (3) year period. The commission, during the period of impoundment for any cores, cuttings, chips, or logs from any stratigraphic test well, shall not give any person access to said cores, chips, cuttings or logs, and it shall not disclose any information relating thereto or derived therefrom. The commission shall require, and the owner of any stratigraphic test well shall furnish, prior to the commencement of drilling of such well, a good and sufficient surety bond, to be approved prior to the commencement of such drilling, conditioned upon the proper plugging of such well prior to abandonment, the amount of the said bond to be determined by the estimated depth as in the commission's rules and regulations provided for oil and gas wells, and, prior to abandonment, such wells shall be plugged by the owner thereof, or by the surety should the said owner be in default, such plugging to conform to the standards set down and determined by the commission. The provisions of this section shall not apply to core holes or tests less than one thousand (1,000) feet in depth drilled primarily for structural information.

**History:** En. Sec. 21, Ch. 238, L. 1953; amd. Sec. 1, Ch. 224, L. 1955; amd. Sec. 1, Ch. 234, L. 1959.

For the purposes of this section, a "lease" shall mean that particularly described tract of land contained in a contract in writing, under seal, whereby a person having a legal estate in the land so described conveys a portion of his interest to another, in consideration of a certain rental or other recompense or consideration. Further, for the purposes of this section, leases owned or operated by one lessee which in whole or in part cover or affect an underground reservoir containing a common accumulation of crude petroleum oil or natural gas, or both, or which are encompassed within or affected by one particular unit agreement shall be considered as one lease relative to payments to be made under this section.

In addition to the above-mentioned privilege and license tax, any person, before commencing the drilling of any oil or gas well, shall secure from the commission a drilling permit and shall pay to the commission therefor the following amounts: for each well whose estimated depth is thirty-five hundred (3500) feet or less, twenty-five dollars (\$25.00); from thirty-five hundred and one (3501) feet to seven thousand (7,000) feet, seventy-five dollars (\$75.00); seven thousand (7,000) feet and deeper, one hundred fifty dollars (\$150.00).

Each producer of natural gas in the state of Montana shall render like statements to the state treasurer of all natural gas produced by him in this state, and shall make payment of the assessment provided for in said subsection A. of this section, above, at such times and for such periods as may be prescribed by regulation of the commission. Any producer carrying on business at more than

one (1) place or location in this state may include all such places of business in one (1) statement.

C. Any such assessment not paid within the time herein specified shall be delinquent, and a penalty of twenty-five per cent (25%) thereof shall be added thereto and the whole thereof shall bear interest at the rate of one per cent (1%) per month from the date of delinquency until paid. Upon request of the commission it shall be the duty of the attorney general to commence and prosecute to final determination in any court of competent jurisdiction an action at law to collect the same.

D. All money collected under the provisions of this act shall be deposited in a special fund to be known as the "Oil and Gas Conservation Fund" by the state treasurer of the state of Montana, and the fund to be raised shall be used for the purpose of paying all expenses of said commission and for no other purpose; all monies from this fund shall be used by said commission subject to the approval of the controller and biennial appropriations by the legislative assembly. ### 60-209. (3913.9) Grades of domestic and industrial fuel oil.

#### Operation and Effect

In a personal injury action it was proper to refuse to admit evidence of the flash point of fuel remaining in a storage tank following an explosion where the test fuel was not drawn from the tank until about three weeks after the accident, the tank was not in the exclusive control of anyone up to the date the sample was taken, and the sample was not tested for

its flash point by the statutory method. *Richardson v. Farmers Union Oil Co.*, 131 M 535, 312 P 2d 134, 141.

The only way to prove that a burner fuel would have a lower flash point than is required would be to prove a test by the statutory method. *Richardson v. Farmers Union Oil Co.*, 131 M 535, 312 P 2d 134, 140.

## CHAPTER 7—LEASE OF LAND OF LOCAL GOVERNMENTAL UNITS FOR DEVELOPMENT OF OIL AND GAS

**60-704. Tax deed lands of county—leases of reserved or excepted interest—validating existing leases.** When in any deed or contract for

sale a county has reserved or excepted an interest in oil and gas in and under any land acquired by tax deed, the board of county commissioners may lease such interest for oil and gas development purposes upon the same terms and conditions as are provided for the leasing of lands which have been acquired by tax deed, offered for sale and not sold, or may ratify, confirm and adopt any then existing mineral or oil and gas lease insofar as it describes such land. All such leases, ratifications, confirmations and adoptions heretofore executed by the board of county commissioners are declared to be valid and are ratified, approved and confirmed.

**History:** En. Sec. 1, Ch. 155, L. 1957.

CHAPTER 8—UNDERGROUND GAS STORAGE RESERVOIRS

Section 60-801. Definitions.

60-802. Underground storage.

60-803. Eminent domain—use and limitations.

60-804. Certificate of commission—publication.

60-805. Proceedings.

**60-801. Definitions.** As used in this act (a) "underground reservoir" shall mean any subsurface sand, stratum or formation of the earth suitable for the injection and storage of natural gas therein and the withdrawal of natural gas therefrom; (b) "natural gas" shall mean gas either while in its original state or after the same has been processed by removal therefrom of component parts not essential to its use for light and fuel; (c) "native gas" shall mean gas which has not been previously withdrawn from the earth; (d) "natural gas public utility" shall mean any person, firm or corporation authorized to do business in this state and engaged in the business of transporting or distributing natural gas by means of pipelines into, within or through this state for ultimate public use; (e) "commission" shall mean the oil and gas conservation commission of the state of Montana; (f) "underground storage" shall mean the process of injecting and storing of natural gas within and withdrawing of natural gas from an underground reservoir.

**History:** En. Sec. 1, Ch. 259, L. 1955.

**Title of Act**

An act relating to and providing for the acquisition by a natural gas public utility through the exercise of the right of eminent domain of sands, strata and formations in land for use as underground gas storage reservoirs and other property for use in connection therewith, and to

amend sections 93-9902, 93-9903, 93-9908 and 93-9911 of the Revised Codes of Montana of 1947, as amended by the Session Laws of Montana, 1953, chapter 245, sections 1, 2, 3 and 4, respectively, and to amend section 93-9909 of the Revised Codes of Montana of 1947, all relating to the right of eminent domain, and repealing all acts and parts of acts in conflict herewith.

**60-802. Underground storage.** The underground storage of natural gas which promotes conservation thereof, which permits the building of reserves for orderly withdrawal in periods of peak demand, which makes

more readily available natural gas to the domestic, commercial and industrial consumers of this state, or which provides a better year-round market to the various gas fields, serves the public interest and welfare of this state.

Therefore, in the manner hereinafter provided the commission and the court may find and determine that the underground storage of natural gas as hereinbefore defined is in the public interest.

**History:** En. Sec. 2, Ch. 259, L. 1955.

**60-803. Eminent domain—use and limitations.** Any natural gas public utility may acquire through the exercise of the right of eminent domain as hereinafter provided for its use for the underground storage of natural gas any underground reservoir which the commission shall have found to be suitable and in the public interest for the underground storage of natural gas, and in connection therewith may acquire such other interests in property as may be required adequately to maintain and operate such underground reservoir facilities; provided, however, that the acquisition by the exercise of the right of eminent domain of underground reservoirs granted hereby, shall be limited as follows:

(a) No sand, formation, or stratum which is producing or has produced, or which is capable of producing oil, shall be subject to appropriation hereunder.

(b) No gas bearing sand, formation, or stratum shall be subject to appropriation hereunder, unless the recoverable volumes of native gas therein have all been produced or unless such sand, formation or stratum has a greater value or utility as an underground reservoir for the purpose of insuring an adequate supply of natural gas for domestic, commercial, or industrial consumers of natural gas, or for the conservation of natural gas, than for the production of the remaining relatively small volumes of native gas as compared with the original volumes of natural gas therein, provided that no gas, sand, formation or stratum shall be acquired under the terms of this act when the gas in the underground reservoir is being used for the secondary recovery of oil unless gas in necessary and required amounts is furnished to the operator or operators of the secondary recovery operations for as long as oil is produced in paying quantities in the secondary operations for the recovery of oil at the same cost as the cost to it or them at the time of acquisition of the gas being used in such secondary operations, not exceeding, however, the quantity of the appropriated gas that remained recoverable from such sand, formation or stratum at the time of its acquisition, if such operator was or such operators were at such time entitled to the whole thereof, or if it was or they were at such time entitled to less than the whole thereof, then not to exceed the quantity thereof to which such operator was or operators were then entitled.

(c) Only such area of such underground sand, formation or stratum as may reasonably be expected to be penetrated by gas displaced or injected into such underground gas storage reservoir may be appropriated hereunder.

(d) No rights or interests in existing underground gas reservoirs, be-

ing used for the injection, storage or withdrawal of natural gas, owned or operated by a natural gas public utility as defined in this act other than the natural gas public utility seeking to acquire the same, shall be subject to appropriation hereunder.

The exercise of the right of eminent domain hereby granted shall be without prejudice to the rights of the owner of said lands or of other rights or interests therein to drill or bore into or through the underground reservoir so appropriated in such manner as shall comply with orders, rules and regulations of the commission issued for the purpose of protecting underground reservoir against pollution and against the escape of natural gas therefrom and shall be without prejudice to the rights of the owner of said lands or other rights or interests therein as to all other uses thereof. The additional cost of complying with such regulations or orders in order to protect the storage reservoir shall be paid by the natural gas public utility.

**History:** En. Sec. 3, Ch. 259, L. 1955.

**60-804. Certificate of commission—publication.** Any natural gas public utility desiring to exercise the right of eminent domain as to any property for use for underground storage of natural gas shall, as a condition precedent to the filing of its complaint in the district court, apply for and obtain from the commission a certificate setting out findings of said commission (a) that the underground sand, stratum or formation sought to be acquired is suitable for an underground reservoir for the storage of natural gas and that its use for such purposes is in the public interest; (b) the amount of native gas, if any, remaining therein and the portion thereof recoverable; (c) and that the applicant has in good faith sought to acquire the rights sought hereunder; provided, that the commission shall issue no such certificate until after public hearing is had on the application, pursuant to notice given to all persons known to have an interest in the property proposed to be acquired in the manner provided by the laws of the state of Montana for service of process in a civil action as set forth in Chapter 30, Title 93, Revised Codes of Montana of 1947, as amended, and the executive secretary of the commission shall for such purposes be vested with the same powers and charged with the same duties as the clerk of the district court has under said chapter.

**History:** En. Sec. 4, Ch. 259, L. 1955.

**60-805. Proceedings.** Any natural gas public utility having first obtained a certificate from the commission as hereinbefore provided, desiring to exercise the right of eminent domain for the purpose of acquiring property for the underground storage of natural gas shall do so in the manner hereinafter provided. Such natural gas public utility shall present to the district court of the county wherein the land is situated, or to the judge thereof a complaint setting forth the purpose for which the said property is sought to be acquired, a description of the property sought to be appropriated and the names of the owners thereof as shown by the records of such county. The plaintiff shall file the certificate of the commission as a part of its complaint and no order by the court granting said complaint shall be entered without such certificate being filed therewith, and subse-

quent proceedings shall follow the procedure provided by law in the exercise of the rights of eminent domain, sections 93-9901, et seq. Revised Codes of Montana of 1947, as amended.

Sections 6 to 10 of Ch. 259, Laws 1955

## TITLE 61—PARENT AND CHILD

- Chapter 1. Parent and child—children by birth and by adoption, 61-112.1, 61-112.2, 61-130.  
2. Adoption, 61-201 to 61-217.

### CHAPTER 1—PARENT AND CHILD—CHILDREN BY BIRTH AND BY ADOPTION

- Section 61-112.1. Destruction of property by person under 18—liability of parents for.  
61-112.2. Limitation on amount of recovery.  
61-130. Consent of child's parents—when required—when not required—court process.

#### 61-104. (5833) Obligations of parents for the support and education, etc.

##### Manslaughter

Omission to perform an act required by law can be the basis for manslaughter. Hence, where evidence disclosed that child, age of 5 months, died due to starvation, that his weight at death was only 5 pounds 14 ounces, which was but 10 ounces over weight at birth, and that the father and mother had the means with which to care for the child, evidence would be sufficient to support conviction of manslaughter. *State v. Bischert*, 131 M 152, 308 P 2d 969.

##### Operation and effect

In a homicide prosecution of a mother for the alleged wilful omission to provide sufficient food and care for her three month old daughter, the state's own evidence showing that defendant did feed the infant, was seen holding and loving the child and did have the child to a doctor, and this evidence negated wilfulness and malice and there could not be a finding of second degree murder. *State v. Rivers*, 133 M 129, 320 P 2d 1004, 1006.

The omission to perform an act required by law can be the basis for manslaughter. *State v. Rivers*, 133 M 129, 320 P 2d 1004, 1006.

#### 61-105. (5834) Custody of legitimate child.

##### Habeas Corpus to Gain Custody

When decree of divorce was rendered in Utah and custody of children was granted to mother she then had the preference right. She waived this right when she offered to give up their custody and father took them to his home in Montana, and she could not deprive father of custody by habeas corpus proceedings in Montana unless he was an unfit person to

have the custody, or unless it was shown that the best welfare of the children required that they be taken from him. *State ex rel. Lessley v. District Court*, 132 M 357, 318 P 2d 571, 574.

61-112.1. Destruction of property by person under 18—liability of parents for. Any municipal corporation, county, city, town, school district or department of the state of Montana, or any person, or any religious organization whether incorporated or unincorporated, shall be entitled to recover damages in a civil action in an amount not to exceed three hundred dollars (\$300.00) in a court of competent jurisdiction from the parents of any person under the age of eighteen (18) years, living

with the parents, who shall maliciously or wilfully destroy property, real, personal, or mixed, belonging to such municipal corporation, county, city, town, school district or department of the state of Montana, or person or religious organization.

districts, departments of the state of Montana, or any person, religious organizations, by any person under the age of eighteen (18) years; providing for a limit of such damages of three hundred dollars (\$300.00) from parents, and court costs; providing for a repealing clause.

**61-112.2. Limitation on amount of recovery.** The recovery shall be limited to the actual damages in an amount not to exceed three hundred dollars (\$300.00) in addition to taxable court costs.

**History:** En. Sec. 2, Ch. 195, L. 1957.

#### **Repealing Clause**

These sections were among those mentioned as repealed in the title of chapter 240, Laws 1957 which enacted a new adoption law. However, there was no specific

repeal of these sections in the body of the act. Chapter 240 is compiled as 61-201 to 61-217. The title of act is set out as a note under 61-201.

**61-130. (5859) Consent of child's parents—when required—when not required—court process.** (1) A legitimate minor child cannot be adopted

without the consent of both of its parents, if such parents be living;

(2) An illegitimate minor child cannot be adopted without the consent of its mother, if such mother be living; except that consent by the parents of a legitimate minor child, or consent by the mother of an illegitimate minor child shall not, in either case, be necessary, from a father or mother,

(a) deprived of civil rights by a court of competent jurisdiction; or,

(b) adjudged guilty by a court of competent jurisdiction of the crime of adultery; or,

(c) adjudged guilty by a court of competent jurisdiction of physical cruelty or habitual mental cruelty, toward said child; or,

(d) divorced by decree of a court of competent jurisdiction for adultery; or,

(e) adjudged to be an habitual drunkard; or,

(f) who has been judicially deprived of the custody of the child on account of cruelty or neglect toward the child; or,

(g) who has, in the state of Montana, or in any other state of the United States, wilfully abandoned such child; or,

(h) who has caused the child to be maintained by any public orphan's home, asylum, charitable home or charitable agency or any licensed adoption agency, or the state department of public welfare of the state of Montana for a period of one (1) year without contributing to the support of said child during said period.

(3) When any child who is an orphan (i.e., a child who has lost both father and mother), or a half-orphan (i.e., a child who has lost either father or mother), or who is an illegitimate child, has been kept and maintained in or at any public orphan's home, asylum, charitable home or charitable agency, or by the state department of public welfare in this state for a period of one (1) year or more, such orphan, half-orphan, or illegitimate child may be adopted with the consent of a licensed adoption agency as such an agency is defined by law, or with the consent of the state department of public welfare, or with the consent of the Montana state orphan's home, without the consent of a living parent, if any, unless such living parent has paid toward the expense of maintenance of such half-orphan or illegitimate child at least sixty per centum (60%) of the legitimate cost of keeping and maintaining said child during said period of one (1) year or more if able to do so.

(4) Whenever any child has been left by its parents in any public orphan's home, or asylum, or a children's home, or with any licensed adoption agency or foster home, for a period of more than one (1) year, and the parents of such child, if living, are not residents of the state of Montana, or the surviving parent, if living, is not a resident of the state of Montana, the consent of such parents or parent is not necessary to its adoption irrespective of whether such parents or parent have contributed to the support of the child during said period and, in all such cases, the state department of public welfare, or the Montana state orphan's home, or any licensed adoption agency, is authorized to give such consent as is in this chapter required, and such consent shall be given in the same manner that parents are authorized by law to consent to the adoption of children.

(5) (a) Whenever the adoption of a child, whether legitimate or illegitimate, is sought in any petition for adoption, and the case is one in which the consent of the parent is not required, the court shall, nevertheless, upon the filing of such petition, cause notice of said petition, and service of process for the attendance of said parent or parents at the hearing on said petition to be made on the parent or parents of the child in the following manner: The court shall order a citation to issue to the parent or parents in the name of the state of Montana, and under the seal of the court, directing such parent or parents to appear in court at a time to be fixed by the court, and show cause why said petition should not be granted; except no citation shall be required in any case where the parent or parents have been deprived of the custody of their child or children by the judgment of a court of competent jurisdiction in a proceeding to have such child or children declared neglected or dependent children under the provisions of sections 10-501 to 10-519. Such citation together with a copy of the petition for adoption shall be personally served upon such parent or parents.

(b) If, however, any such parent or parents cannot be found within this state, service may be had by publication of a copy of said citation in the manner provided for the publication of summons by section 93-3014. If after completion of such service, any parent so served does not appear, the court may act upon the petition, and the order of the court thereon shall be binding upon all persons so served; provided that any such person shall have the right to appeal from the order in the manner and form provided for appeals from the judgment in civil actions.

#### **Operation and Effect**

Where a will created a trust for the sons of the testatrix, and provided that if either son should die before reaching fifty

years of age leaving issue and a wife, the son's share would be divided between such issue and the wife, a child adopted by a son after the death of the testatrix was not entitled to share as "issue." In re Miller's Trust, 133 M 354, 323 P 2d 885.

Under this statute, an adopted child does not obtain the status of a natural child as to relatives of the adoptive par-

ent, and the general rule that "issue" does not include an adopted child seeking to inherit through the adoptive parent is not altered. In re Miller's Trust, 133 M 354, 323 P 2d 885, 887.

#### Right of Adopted Child to Inherit from Natural Parents

There is nothing in this section or in

section 61-134, or in any other section of the laws of Montana that says that, upon adoption, the lawfully begotten bodily issue of a person ceases to be the heir of its natural parent. In re Kay's Estate, 127 M 172, 260 P 2d 391, 395.

(2) One copy of the petition shall be retained by the court. The

(3) Any written consent required by this act may be attached to the petition, or may be filed, after the filing of the petition, with the consent of the court.

From the date of the final decree of adoption, the child shall be entitled to inherit real and personal property from and through the adoptive parents in accordance with the statutes of descent and distribution, and the adoptive parents shall be entitled to inherit real and personal property from and through the child in accordance with said statutes.

(2) After a final decree of adoption is entered, the natural parents of the adopted child, unless they are the adoptive parents or the spouse of an adoptive parent shall be relieved of all parental responsibilities for said child and have no rights over such adopted child or to his property by descent and distribution.

##### Sale of Partnership Property

## TITLE 65—PLEDGES AND TRUST RECEIPTS

### CHAPTER 2—UNIFORM TRUST RECEIPTS ACT

#### 65-201. Definition of terms.

##### Operation and Effect

An insurance company was liable for the damage to an automobile in possession of an insured dealer who was a trustee under a trust receipt transaction, where the policy provided for the payment of all

sums the dealer became obligated to pay because of injury to property customarily left in garages, but excluded property owned or loaned or rented to the insured. *Keating v. Universal Underwriters Ins. Co.*, 133 M 89, 320 P 2d 351, 354.

#### 65-202. What are trust receipt transactions.

##### In general

Where the financier advances funds for the purchase of the chattel, purchases it and receives title to it from the manufacturer, and delivers possession to the dealer, who gives his trust receipt to the financier, it is a tripartite or true orthodox trust receipt transaction, and where the dealer has title and gives his receipt to the financier it is a bipartite trust receipt transaction. *Keating v. Universal Underwriters Ins. Co.*, 133 M 89, 320 P 2d 351, 354.

A cardinal object of trust receipt transactions is to enable the borrower to sell the goods in order to pay the lender, but

the transactions never have for their object the vesting of ownership in the dealer. *Keating v. Universal Underwriters Ins. Co.*, 133 M 89, 320 P 2d 351, 355.

A trustee under a trust receipt transaction assumes the full risk of loss or destruction of property left in his possession when the loss is due to his negligence. *Keating v. Universal Underwriters Ins. Co.*, 133 M 89, 320 P 2d 351, 357.

One of the purposes of the act is to make bipartite trust receipt transactions as valid as tripartite trust transactions. *Keating v. Universal Underwriters Ins. Co.*, 133 M 89, 320 P 2d 351, 357.

#### 65-213. Filing and refiling.

##### Operation and Effect

Even though none of the documents in a trust receipt transaction between an automobile dealer and a finance company were filed or recorded, the fact made no

difference with respect to the liability of an insurer for injury to an automobile in the possession of the insured dealer. *Keating v. Universal Underwriters Ins. Co.*, 133 M 89, 320 P 2d 351, 357.

(b) The practice of architecture within the meaning and intent of this act consists of rendering or offering to render services by consultations, preliminary studies, drawings, specifications, or any other service in connection with the design of a building or addition or alteration thereto, whether one or all of these services are performed either in person or as the directing head of an organization.

(c) An architect within the meaning of this act is an individual technically and legally qualified to practice architecture and who is authorized under this act to practice architecture.

Said board shall cause such examination to be both scientific and practical, but of sufficient severity to test the candidate's fitness to practice architecture in this state. After examination said board shall, if the candidate has been found qualified, grant a certificate to such candidate to practice architecture within the state of Montana, which said certificate can only be granted on the consent of not less than two members of the board, and attested by the secretary, and have the seal of said board attached thereto; provided, that the president of the board may, in the time of intervening between the sessions of the board, grant a certificate to any person desiring to practice architecture within the state of Montana, after satisfying himself of the qualifications of the applicant, which said certificate shall be good until the next regular meeting of the board; provided, however, the board may make arrangements with similar boards in the several states insofar as practicable, whereby due credit for state and territorial licenses will be allowed in the state of Montana to such licensees of said boards as desire to secure license to practice architecture in this state, and whereby licensees of the board of architectural examiners in this state will secure due credit for license issued by said board whenever such licensees desire to secure license to practice in any other state or territory; but no arrangement shall be made under the provisions of this section which will be liable to lower the standard of practice of architecture in the state of Montana. The board may, if deemed necessary, require an examination of applicants for license from other states after careful consideration of credentials from such states. The board shall by regulation establish methods and procedures for investigation of applicants for license by reciprocity.

(f) Any properly qualified person shall be granted registration without examination who submits an affidavit establishing to the satisfaction of the board of architectural examiners that he or she was a resident of the state of Montana for one (1) year immediately preceding the passage and approval of this act, that he or she was regularly engaged in the practice of architecture in the state of Montana for five (5) years immediately preceding July 1, 1957; provided that registration shall not be granted under this subsection unless the application therefor is filed with the board of architectural examiners within one (1) year after passage and approval of this act.

After examination, such board, if the candidate has been found qualified, shall grant a certificate to such candidate to practice medicine and surgery in the state of Montana, which said certificate can be granted only by the consent of not less than four (4) members of said board, and which said certificate shall be signed by the president and signed and attested by the secretary of said board and authenticated by the seal thereof; provided, however, that in all cases where an applicant for a certificate under this section shall produce and exhibit to said board a genuine certificate from a board of medical examiners (however designated by the law of any other state or a Province of Canada) duly appointed and existing under the laws of any state of the United States or a Province of Canada, and which state or Province of Canada through its said board recognizes certificates or licenses issued by the board of medical examiners of Montana, certifying to the facts:

1 to 8. \* \* \* [Subdivisions 1 to 8, same as parent volume.]

9. To replace or duplicate ophthalmic lenses with or without a prescription or to dispense ophthalmic lenses from prescriptions, without having at the time of so doing a valid, unrevoked certificate of registration as an optometrist; provided, however, that the provisions hereof shall not be construed so as to prevent an optical mechanic from doing the merely mechanical work on an ophthalmic lens which is ordered on a prescription signed by a duly licensed optometrist and is dispensed only by said optometrist or a person employed by said optometrist and who does so in the office of and under the direct personal supervision of an optometrist; or

If the applicant meets the requirements of such rules and regulations, said applicant, before beginning to practice optometry in this state, must pass an examination given by and conducted before said board of examiners. All examinations shall be practical in character and designated to ascertain the applicant's fitness to practice the profession of optometry and shall be conducted in the English language. In lieu of said certificates of graduation an applicant for examination may, with like effect, furnish an affidavit that he has practiced optometry exclusively for a period of at least six years in some other state or states.

4. Every person desiring to be examined in optometry shall file an application in the manner prescribed by said board at least four weeks

before the examination shall be held, and a fee of twenty-five dollars (\$25.00) shall accompany said application.

The board may use not to exceed ten dollars (\$10.00) from each renewal fee for the purpose of presenting to registered optometrists at least one annual educational program. If any person shall fail or neglect to procure his annual renewal of registration, his certificate of registration shall be revoked by said board; provided, however, that no certificate of registration shall be revoked without ninety days' notice having been given to the delinquent, who within such period shall have the right to the renewal of his certificate of registration on the payment of the renewal fee with a penalty of twenty-five dollars (\$25.00).

Such sums shall be paid from the fees received by said board under the provisions of this act, and no part of the salary or other expenses of the board shall ever be paid out of the state treasury. All moneys received in excess of said expenses, as above provided for, shall be held by the secretary as a special fund for meeting expenses of said board, and carrying out the provisions of this act, and he shall give such bonds as the board shall from time to time direct, and the secretary of said board shall make an annual report of its proceedings to the governor on

the first Monday in January of each year, which report shall contain an account of all moneys received and disbursed by them pursuant to this act.

**History:** En. Ch. 138, L. 1907; re-en. Sec. 1617, Rev. C. 1907; re-en. Sec. 3165, R. C. M. 1921; amd. Sec. 5, Ch. 171, L. 1925; amd. Sec. 5, Ch. 252, L. 1959.

CHAPTER 15—PHARMACY—REGULATION OF SALE OF DRUGS AND MEDICINES

66-1508. Store license—certified pharmacy license—suspension or revocation.

**66-1507. (3177) Annual renewal of registration fees.** Every person licensed and registered by the board shall annually pay to the board a renewal of registration fee of five dollars (\$5.00). It shall be unlawful for any such person who refuses or fails to pay such renewal fee to practice pharmacy in this state. The practice of pharmacy in the state of Montana is declared a professional practice affecting the public health, safety and

welfare and is subject to regulation and control in the public interest. Every certificate and renewal shall expire at the time prescribed, not later than one (1) year from its date. Any person who has been registered and licensed by the board and has defaulted in the payment of said renewal fee may be reinstated within two (2) years of such default without examination upon payment of the arrears.

**History:** En. Sec. 647, Pol. C. 1895; re-en. Sec. 1629, Rev. C. 1907; re-en. Sec. 8, Ch. 134, L. 1915; re-en. Sec. 3177, R. C. M. 1921; amd. Sec. 7, Ch. 175, L. 1939; amd. Sec. 1, Ch. 70, L. 1957.

**Amendment**

The 1957 amendment inserted the third sentence.

**66-1508. Store license—certified pharmacy license—suspension or revocation.** (a) The state board of pharmacy shall upon application upon such forms as it may prescribe and upon the payment of an annual fee of five dollars (\$5.00), license stores other than a pharmacy wherein may be sold ordinary household or medicinal drugs prepared in sealed packages or bottles by a manufacturer, qualified under the laws of the state wherein such manufacturer resides. The name and address of such manufacturer shall appear conspicuously on each package sold by such licensee. It shall be unlawful for any such store to sell, deliver or give away such household medicinal drugs, without first having secured such license and thereafter keeping the same in force by proper renewal, provided, also, that nothing herein shall be construed to prevent any vendor from selling any patent or proprietary medicine in the original package when plainly labeled, nor such non medical articles as are usually sold by such vendors.

(b) The state board of pharmacy shall require and provide for the annual registration and licensing of every pharmacy now or hereafter doing business within this state within the meaning of the act. Upon presentation of evidence satisfactory to the board and upon application upon such form as the board may prescribe and upon the payment of an annual fee of five dollars (\$5.00), the board shall license any pharmacy as a "CERTIFIED PHARMACY," provided, however, that such license shall be granted only to such pharmacies as are operated by registered pharmacists or assistant registered pharmacists qualified as herein prescribed. Such license must be exposed in a conspicuous place in the pharmacy for which it is issued, and shall expire on the thirtieth day of June following the date of issue. It shall be unlawful for any person to conduct such pharmacy unless such license has been duly issued and is in full force and effect.

(c) The board may suspend, revoke or refuse to renew any store or pharmacy license obtained by false representation, or fraud of any character, or when the pharmacy for which the license shall have been issued is kept open for the transaction of business without a pharmacist in charge thereof, or when the person to whom the license shall have been granted has been convicted for violation of any of the provisions of the act or for a felony, or convicted for any violation of the Federal Food, Drug and Cosmetic Act of June 25, 1938, (52 United States Statutes at Large, 1040 through 1059; Title 21, United States Code, sections 301-392

as from time-to-time revised, amended, and supplemented), or, if a natural person, whose pharmacist or assistant pharmacist license has been revoked, or when the store or pharmacy is conducted in violation of the provisions of this act. Before any license can be revoked the holder thereof shall be entitled to a hearing by the board after reasonable notice, and judicial review of the action of the board.

**History:** En. Sec. 8, Ch. 175, L. 1939; amd. Sec. 1, Ch. 76, L. 1959.

#### Amendment

the amendment substituted the words "and upon application upon such form as the board may prescribe and upon the payment of an annual fee of five dollars (\$5.00), the board shall" for the words "it may" and in subd. (c) the amendment inserted the reference to a conviction under the federal food, drug and cosmetic act.

### 66-1522. Use of words "drug store," "pharmacy," etc.

#### Unconstitutional

Held, that since under sections 66-1508 and 66-1525 a store can sell ordinary household or medicinal drugs, they cannot be deprived of the use of the word "drug" in advertisement under this section since the act makes no requirement that the registered pharmacist who may use the name "drug" and sell the drugs make any analysis, inspection or examination of the drug to be passed on by him to the purchasing public. *Pike v. Porter*, 126 M 482, 253 P 2d 1055, 1056.

The provision excluding those who are not registered pharmacists from the use of the word "drug" in advertising household drugs bears no reasonable relationship to the protection of human life, health or safety but merely discriminates in favor of a certain class and is in consequence unconstitutional and invalid. *Pike v. #### **Amendment**

The 1955 amendment inserted the words "at least" between the words "hold" and "two" in the second sentence; substituted the words "three (3) members of the

board" for "a majority" in the third sentence and substituted the last sentence for two former sentences which read: "The board may take testimony and proofs concerning all matters within its jurisdiction. The board may make all by-laws and rules not inconsistent with law needed in performing its duties."

**66-2203. (3219) Expenses and funds—records and reports.** Each member of the board shall be entitled to receive all necessary traveling and subsistence expenses, provided such expenses shall not exceed the amount in the treasury during any fiscal year. The secretary-treasurer shall receive an additional salary to be fixed annually by the board and not to exceed five hundred dollars (\$500.00) per annum. The board shall require the secretary-treasurer to give bond in such sum and with such conditions as the board may from time to time direct. The board shall keep full and complete minutes of its proceedings and of its receipts and disbursements, and a full and accurate list of all persons licensed and registered by it, and such records shall be public records, and shall, at all times, be open to public inspection. The secretary-treasurer of said board shall be the legal custodian of all moneys received for licenses or certificates of registration, as provided by this article, up to and including the sum of five thousand dollars (\$5,000.00). If, at any time, the amount of moneys received, after deducting such salaries and expenses, shall amount to more than five thousand dollars (\$5,000.00), the secretary-treasurer shall forward the amount in excess of five thousand dollars (\$5,000.00) to the treasurer of the state of Montana, and receive his official receipt for same. Said board shall, not later than July fifteenth of each year, submit to the governor a full and complete report of its proceedings during the twelve (12) months immediately preceding.

secretary-treasurer to" for "The secretary-treasurer shall"; in the fifth sentence substituted "five thousand dollars" for "one thousand dollars" and after the word "dollars" deleted the words "which shall constitute a trust fund to be used, besides salaries and other expenses of the board, in carrying on prosecutions under the provisions of this act" and in the sixth sentence substituted "five thousand dollars" for "one thousand dollars" and "the amount in excess of five thousand dollars" for "the same."

**66-2204. (3220) Applications for license to practice—examinations—fees.** Any citizen of the United States who is over the age of twenty-one (21) years desiring to begin the practice of veterinary medicine or veterinary surgery in the state of Montana, or who shall desire to hold himself or herself out to the public as a practitioner of veterinary medicine or veterinary surgery, except as provided in section 66-2211, shall make application to said board of examiners for license so to do. Such application

shall be upon a form furnished by said board, and shall be accompanied by satisfactory evidence of the good moral character of the applicant, and shall present evidence of his having graduated in and received a degree from a legally authorized veterinary medical school having educational standards equal to those approved by the American veterinary medical association. On application, a photostatic copy of the diploma of said applicant shall be submitted to said board for inspection and verification, and such photostatic copy shall be and remain the property of the board. Every person applying to said board for license to practice shall pay to the board the fee of twenty-five dollars (\$25.00), which fee shall in no case be refunded, and which shall become a part of the funds of the treasury of the board. Said board shall by means of examination, either oral or written or practical, or such combination of oral or written or practical as the board may determine, ascertain the professional qualifications for license of all applicants under this act, except that investigation under reciprocity arrangements may replace examination for licensees from other states as provided by section 66-2208, and the board shall issue such license to all who are found upon such examination or investigation to be in the judgment of said board competent to practice, and no such license shall be issued to any person who is not found by such examination or investigation to be competent.

Such examination shall be held in January and June of each year at a time and place or places specified by said board. Such examination shall cover theory and practice, materia medica [medica] and therapeutics, livestock sanitation, surgery, and communicable diseases and such other subjects chosen by the board as are ordinarily included in the curriculum of a legally chartered school of veterinary medicine recognized and approved by the American veterinary medical association.

Said board shall consecutively number all applications received and note upon each the disposition made of it and preserve same for reference, and shall number consecutively all licenses issued; provided, that veterinarians who are at the time of the passage and approval of this act licensed and registered to practice veterinary medicine in the state of Montana, shall be entitled to a license without such examination.

All applicants must achieve a grade of seventy per cent (70%) in all subjects in order to obtain a license. An applicant who has failed an examination may apply to be re-examined at any subsequent examination, shall pay another application fee in the amount of twenty-five dollars (\$25.00), and shall take another complete examination in all subjects.

An applicant for examination hereunder may in the discretion of the board be given a temporary permit to practice veterinary medicine prior to taking the examination, provided such applicant is employed by and working under the supervision of and in the same office with a veterinarian licensed under this act; such temporary permit shall be valid only until the date of the next succeeding examination, and no longer, and under no circumstances shall the board issue a second temporary permit to the same person. A temporary permit shall not be issued to a person who has failed an examination given by the board.

#### Amendment

The 1955 amendment made numerous changes in this section. For section prior to amendment see parent volume.

#### 66-2207. (3223) Issuance, registration and reinstatement of licenses.

The state board of veterinary medical examiners will, at the conclusion of a regular examination or after investigation under reciprocity arrangements as provided by section 66-2208, if in their judgment the applicant is duly qualified therefor, issue a license to practice veterinary medicine.

Every license so granted by the board shall be issued under seal, and shall be signed by the president and secretary-treasurer of the board, and shall state that the licensee has given satisfactory evidence of fitness as to age, character, veterinary medical education, and all other matters required by law, and that after full examination or investigation under reciprocity arrangements he or she has been found duly qualified to practice.

Each person licensed by the board to practice veterinary medicine in this state shall procure from the secretary of the board on or before July first, annually, his certificate of registration. Such certificate shall be issued by the secretary upon the payment of a fee to be fixed annually by the board, not exceeding the sum of ten dollars (\$10.00), and certificate so issued shall be prima facie evidence of the right of the holder to practice veterinary medicine in this state during the time for which it is issued. Failure of a person licensed by the board to procure a certificate of registration on or before July first of every year shall ipso facto constitute a forfeiture of the license held by such person, provided, however, that any person who has thus forfeited his license may have it restored to him by making written application for restoration within one (1) year of such forfeiture setting forth the reasons for failure to procure the certificate of registration at the time specified by this section and accompanied by payment of the registration fee hereinabove set forth and such additional restoration fee not to exceed ten dollars (\$10.00) as the board may require. Such person so making application for restoration of license within one (1) year of its forfeiture by him shall not be required to submit to examination.

Notwithstanding any other provisions in this chapter, any person licensed by the board who enters, or is called to active duty by, any branch of the armed services of the United States shall be entitled to receive automatic registration of his license during the period of his duty with the armed services, provided, however, that within one (1) year after release or discharge from duty in such armed services he shall procure a certificate of renewal from the board and pay the regular fee therefor. Failure of such person to procure such certificate of renewal within one (1) year after such release or discharge shall be the equivalent of a failure to procure a certificate of registration on or before July first of any year, and the same forfeiture and restoration requirements shall be invoked.

Each person licensed by the board shall at all times have his residence and office address on file with the board.

**History:** En. Sec. 7, Ch. 82, L. 1913;  
re-en. Sec. 3223, R. C. M. 1921; amd. Sec.

**Amendment**

The 1955 amendment made numerous changes in this section. For section prior to amendment see parent volume.

**66-2208. (3224) Display of license and certificate—arrangement with other boards.** No person shall practice veterinary medicine in the state of Montana without possessing and displaying prominently in his or her principal office a license and a current and valid certificate of registration issued pursuant to the provisions of this act. The board of veterinary medical examiners may make arrangement with similar boards in the several states insofar as practicable, whereby due credit for state and territorial licenses will be allowed in the state of Montana to such licensees of said board as desire to secure license to practice veterinary medicine in this state, and whereby licensees of the board of veterinary medical examiners in this state will secure due credit for license issued by said board, whenever such licensees desire to secure license to practice in any other state or territory; but no arrangement shall be made under the provisions of this section which will be liable to lower the standard of practice of veterinary medicine in the state of Montana. The board may, if deemed necessary, require an examination of applicants for license from other states after careful consideration of credentials from such states. The board shall by regulation establish methods and procedures for investigation of applicants for license by reciprocity, and no license shall be issued as a result of reciprocity between the states to any applicant unless such applicant has been lawfully and continuously in practice as a licensed veterinarian for at least one (1) year in the state from which he applies immediately preceding the date of his application for a license to practice in this state.

re-en. Sec. 3224, R. C. M. 1921; amd. Sec.  
6, Ch. 90, L. 1955.

**Amendment**

The 1955 amendment substituted the first sentence for one which read "Every person practicing veterinary medicine or veterinary surgery in the state of Montana, or representing himself as so practicing, shall display or cause to be dis-

played conspicuously in his or her usual place of business, license or certificate of registration issued to him or pursuant to the provisions of this act"; at the beginning of the second sentence substituted "The board of veterinary medical examiners may" for "The board of examiners shall"; deleted the words "or surgery" which appeared after the words "veterinary medicine" in the second sentence and added the last sentence.

**66-2209. (3225) Veterinary medicine defined.** Any person shall be deemed in the practice of veterinary medicine when he does any of the following:

(a) Represents himself as or is engaged in the practice of veterinary medicine in any of its branches either directly or indirectly.

(b) Uses any words, titles, or letters in such connection or upon any display or advertisement or under any circumstances so as to induce the belief the person using them is engaged in the practice of veterinary medicine. Such use shall be prima facie evidence of the intention to represent oneself as engaged in the practice of veterinary medicine in any of its branches.

(c) Diagnoses, prescribes or administers any drug, medicine, appliance, application, or treatment of whatever nature, or performs a surgical opera-

tion or manipulation, for the prevention, cure, or relief of a pain, deformity, wound, fracture, or bodily injury or physical condition or disease of animals.

(d) Instructs, demonstrates or solicits, by any notice, sign, or other indication, with contract either express or implied, or otherwise, with or without the necessary instruments for the administration of biologics or medicines or animal disease cures for the prevention and treatment of disease of animals and any and all remedies for the treatment of internal parasites in animals.

No person shall practice veterinary medicine or veterinary surgery, or farriery, in the state of Montana unless licensed by the state board of veterinary medical examiners of the state of Montana, and registered as required by this chapter; nor shall any person practice veterinary medicine, surgery, or farriery, whose authority to practice is suspended or revoked by said board.

**Amendment**

The 1955 amendment completely rewrote this section. For section prior to amendment see parent volume.

**66-2210. (3226) Refusal, suspension, and revocation of license and certificate.** The state board of veterinary medical examiners may either refuse to issue a license or refuse to issue a certificate of registration or suspend or revoke a license and certificate of registration upon any of the following grounds:

- (a) Fraud or deception in procuring the license.
- (b) The publication or use of any untruthful or improper statement, or representation with the view of deceiving the public, or any client or customer in connection with the practice of veterinary medicine.
- (c) The conviction of a felony as shown by a certified copy of the record of the court of conviction.
- (d) Habitual intemperance in the use of intoxicating liquors, or habitual addiction to the use of morphine, cocaine, or other habit forming drugs; or conviction of a violation of any federal or state law relating to narcotic drugs.
- (e) Immoral, unprofessional, or dishonorable conduct manifestly disqualifying the licensee from practicing veterinary medicine.
- (f) Gross malpractice, including failure to furnish to the board, upon written application by it, any report or information relating thereto.
- (g) The employment of unlicensed persons to perform work which under this chapter can lawfully be done only by persons licensed to practice veterinary medicine.
- (h) Fraud or dishonest conduct in applying or reporting diagnostic biological tests or in issuing health certificates.
- (i) Failure to keep one's premises in a clean and sanitary condition.
- (j) Violation of any of the provisions of this act or of any of the rules, regulations or orders promulgated by the state board of veterinary medical examiners to carry out the provisions of this chapter.
- (k) Revocation by proper authorities for any of the above reasons of a license issued by a sister state.

The board may neither refuse to issue a license or certificate of registration nor suspend or revoke any license and certificate of registration, however, for any such cause, unless the person accused has been given at least twenty (20) days' notice in writing of the charge against him, and a public hearing by the board is first had.

Such hearing shall be held by the board or by a referee appointed by the board; and the board or its duly authorized referee is hereby authorized to administer oaths, subpoena witnesses and compel the production of relevant books and papers and receive evidence in order to carry out the provisions of this act.

The operations known and designated as spaying, castrating or dehorning of large animals shall not be considered the practice of veterinary medicine within the meaning of this chapter.

The secretary of the board shall receive such salary as the board shall determine in addition to the compensation and expenses provided for in section 6 [66-2329]. The board may appoint an assistant secretary or executive secretary or may employ such clerical or other assistants as are necessary for the proper performance of its work, and may make expenditures of this fund for any purpose which in the opinion of the board is reasonably necessary for the proper performance of its duties under this act, including the expenses of the board's delegates to annual conventions of, and membership dues to, the national council of state boards of engineering examiners. Under no circumstances shall the total amount of warrants issued by the state auditor in payment of the expenses and compensation provided for in this act exceed the amount of the examination and registration fees collected as herein provided.

History: En. Sec. 10, Ch. 150, L. 1957.

**66-2334. Records and reports—register.** The board shall keep a record of its proceedings and a register of all applicants for registration, which register shall show (a) the name, age, and residence of each applicant; (b) the date of the application; (c) the place of business of such ap-

plicant; (d) his educational and other qualifications; (e) the branch or branches of engineering in which the applicant qualified; (f) whether or not an examination was required; (g) whether the applicant was rejected; (h) whether a certificate of registration was granted; (i) the date of the action of the board; and (j) such other information as may be deemed necessary by the board.

The records of the board shall be prima facie evidence of the proceedings of the board set forth therein, and a transcript thereof, duly certified by the secretary of the board under seal, shall be admissible in evidence with the same force and effect as if the original were produced.

Annually, as of June 30, the board shall submit to the governor a report of its transactions of the preceding year, and shall also transmit to him a complete statement of the receipts and expenditures of the board, attested by affidavits of its chairman and its secretary.

**History:** En. Sec. 11, Ch. 150, L. 1957.

**66-2335. Roster.** A roster showing the names and places of business of all registered professional engineers and all registered land surveyors shall be published by the secretary of the board during the month of April of each year. Copies of this roster shall be mailed to each person so registered, placed on file with the secretary of state, the clerk of each incorporated city and town and in the office of each county clerk and recorder within the state, and furnished to the public upon request.

**History:** En. Sec. 12, Ch. 150, L. 1957.

**66-2336. Requirements for registration.** The following shall be considered as minimum evidence satisfactory to the board that the applicant is qualified for registration as a professional engineer, or land surveyor, or for certification as an engineer-in-training, respectively:

(1) As a professional engineer:

a.—Graduation in an approved engineering curriculum of four years or more from a school or college approved as of satisfactory standing by the engineers' council for professional development, or its successor as an agency evaluating professional engineering curricula; and a specific record of an additional four years or more of experience in engineering work of a character satisfactory to the board, and indicating that the applicant is competent to practice engineering (in counting years of experience, the board at its discretion may give credit, not in excess of one year, for satisfactory graduate study in engineering), and by successfully passing an oral or written examination, or both, as the board may determine; or

b.—A specific record of eight years or more of experience in engineering work of a character satisfactory to the board, and successfully passing a written, or written and oral, examination designated to show that the applicant is competent to practice engineering; or

c.—A specific record of twelve years or more of lawful practice in engineering work of a character satisfactory to the board and indicating that the applicant is competent to practice engineering and has had responsible charge of important professional engineering work for at least five years, and provided applicant is not less than thirty-five years of age.

(2) As an engineer-in-training:

a.—Graduation in an accredited engineering curriculum of four scholastic years or more from a school or college approved as of satisfactory standing by the engineers' council for professional development, or its successor as an agency evaluating professional engineering curricula, and successfully passing a written examination in the basic engineering subjects; or

b.—A specific record of four years or more of experience in engineering work of a character satisfactory to the board, and successfully passing a written examination in the basic engineering subjects.

(3) As a land surveyor:

a.—Graduation from a school or college approved as of satisfactory standing by the engineers' council for professional development, or its successor as an agency evaluating professional engineering curricula, including the completion of an approved course in surveying; and an additional two years or more of experience in land surveying work of a character satisfactory to the board and indicating that the applicant is competent to practice land surveying; or

b.—A specific record of six years or more of experience in land surveying work of a character satisfactory to the board and indicating that the applicant is competent to practice land surveying, and successfully passing a written, or written and oral, examination in surveying prescribed by the board; or

c.—A specific record of ten years or more of lawful practice in land surveying work of a character satisfactory to the board and provided applicant is not less than thirty years of age.

No person shall be eligible for registration as a professional engineer, or land surveyor, or certification as an engineer-in-training, who is not of good character and reputation.

In considering the qualifications of applicants, engineering teaching may be construed as engineering experience.

The satisfactory completion of each year of an approved curriculum in engineering in a school or college approved as of satisfactory standing by the engineers' council for professional development, or its successor as an agency evaluating professional engineering curricula, without graduation, shall be considered as equivalent to a year of experience in section 13 (1) b and (2) b [this section]. Graduation in a curriculum other than engineering from a college or university of recognized standing may be considered as equivalent to two years of experience in section 13 (1) and (2) b [this section]; provided, however, that no applicant shall receive credit for more than four years of experience because of undergraduate educational qualifications.

The mere execution, as a contractor, of work designed by a professional engineer, or the supervision of the construction of such work as a foreman or superintendent shall not in itself be deemed to be qualifying engineering experience.

Any person having the necessary qualifications prescribed in this act to entitle him to registration shall be eligible for such registration although

he may not be practicing his profession at the time of making his application.

**History:** En. Sec. 13, Ch. 150, L. 1957.

**66-2337. Application for registration—fees.** Applications for registration shall be on forms prescribed and furnished by the board, shall contain statements made under oath, showing the applicant's education and detailed summary of his technical work, and shall contain not less than five references, of whom three or more shall be engineers having personal knowledge of his engineering experience.

The registration fee for professional engineers shall be twenty dollars (\$20.00), ten dollars (\$10.00) of which shall accompany application, the remaining ten dollars (\$10.00) to be paid upon issuance of certificate. When a certificate of qualification issued by the national bureau of engineering registration is accepted as evidence of qualification, the total fee for registration as professional engineer shall be ten dollars (\$10.00).

The fee for engineer-in-training shall be ten dollars (\$10.00), which shall accompany the application and shall include the cost of examination and issuance of certificate. When certification as an engineer-in-training by another state, or any territory or possession of the United States, or of any country, is accepted as evidence of qualification, the fee for engineer-in-training in Montana shall be one dollar (\$1.00). When registration as a professional engineer is completed by an engineer-in-training, an additional fee of ten dollars (\$10.00) shall be paid before issuance of certificate as a professional engineer.

The registration fee for land surveyors shall be ten dollars (\$10.00), which shall accompany the application. The fee for registration as both a professional engineer and land surveyor shall be thirty dollars (\$30.00), ten dollars (\$10.00) of which shall accompany the application, the remaining twenty dollars (\$20.00) to be paid upon issuance of certificate.

Should the board deny the issuance of a certificate of registration to any applicant the initial fee deposited shall be retained as an application fee.

**History:** En. Sec. 14, Ch. 150, L. 1957.

**66-2338. Examinations.** When oral or written examinations are required, they shall be held at such time and place as the board shall determine. When examinations are required on fundamental engineering subjects (such as are ordinarily given in college curricula), the applicant shall be permitted to take this part of the professional examination prior to his completion of the requisite years of experience in engineering work, and satisfactory passage of this portion of the professional examination by the applicant shall constitute a credit for a period of ten years. The board shall issue to each applicant upon successfully passing the examination in fundamental engineering subjects a certificate stating that he has passed the examination and that his name has been recorded as an engineer-in-training.

The scope of the examinations and the methods of procedure shall be prescribed by the board but, with special reference to the applicant's abil-

ity to design and supervise engineering works, so as to insure the safety of life, health, and property. Examinations shall be given for the purpose of determining the qualifications of applicants for registration separately in engineering and in land surveying. A candidate failing on examination may apply for re-examination at the expiration of six months and will be re-examined without payment of additional fee. Subsequent examinations will be granted upon payment of a fee to be determined by the board.

**History:** En. Sec. 15, Ch. 150, L. 1957.

**66-2339. Certificates of registration—seal.** The board shall issue a certificate of registration, upon payment of registration fee as provided for in this act, to any applicant who, in the opinion of the board, has satisfactorily met all the requirements of this act. In the case of a registered engineer, the certificate shall authorize the "practice of engineering." In the case of an engineer-in-training, the certificate shall state that the applicant has successfully passed the examination in fundamental engineering subjects required by the board and has been enrolled as an "engineer-in-training." In the case of a registered land surveyor, the certificate shall authorize the "practice of land surveying." Certificates of registration and certificates as engineer-in-training shall show the full name of the registrant, shall have a serial number, and shall be signed by the chairman, and the secretary of the board under seal of the board.

The issuance of a certificate of registration by this board shall be prima facie evidence that the person named therein is subject to the responsibilities and entitled to all the rights and privileges of a registered professional engineer or of a registered land surveyor, while the said certificate remains unrevoked or unexpired.

Each registrant hereunder shall upon registration obtain a seal of the design authorized by the board, bearing the registrant's name and the legend, "Registered Professional Engineer," and/or "Registered Land Surveyor." Plans, specifications, plats, and reports prepared by a registrant shall be stamped with the said seal when filed with public authorities, during the life of the registrant's certificate, but it shall be unlawful for any one to stamp or seal any documents with said seal after the certificate of the registrant named thereon has expired or has been revoked, unless said certificate shall have been renewed or reissued.

**History:** En. Sec. 16, Ch. 150, L. 1957.

**66-2340. Expiration and renewals—fee.** Certificates of registration shall expire on the last day of the month of December following their issuance or renewal and shall become invalid on that date unless renewed; provided, however, that certificates issued after the effective date of this act and prior to January 1, 1958, shall expire December 31, 1958. It shall be the duty of the secretary of the board to notify every person registered under this act, of the date of the expiration of his certificate and the amount of the fee that shall be required for its renewal for one year; such notice shall be mailed at least one month in advance of the date of the expiration of said certificate. Renewal may be effected at any time during the month of December by the payment of a fee of five dollars (\$5.00) for

either a professional engineer or land surveyor, or both. The failure on the part of any registrant to renew his certificate annually in the month of December as required above shall not deprive such person of the right of renewal, but the fee to be paid for the renewal of a certificate after the month of December shall be increased ten per cent for each month or fraction of a month that payment of renewal is delayed; provided, however, that the maximum fee for delayed renewal shall not exceed twice the normal renewal fee.

**History:** En. Sec. 17, Ch. 150, L. 1957.

**66-2341. Persons presently registered as civil engineer and/or land surveyor.** No person who heretofore has been duly registered as a civil engineer and/or land surveyor under the laws of Montana and whose registration has not been revoked shall be required to register again under this act, and his former registration shall be fully recognized under the provisions of this act. All certificates including those for engineer-in-training heretofore issued and not revoked shall have the same force and effect as if they had been issued under the provisions of this act, and shall be subject to the same rules, terms and conditions as are the certificates provided for in this act.

**History:** En. Sec. 18, Ch. 150, L. 1957.

**66-2342. Present professional engineers—persons in military service.** At any time within one year after this act becomes effective, upon application therefor and the payment of the registration fee of twenty dollars (\$20.00), the board shall issue a certificate of registration, without oral or written examination, to any professional engineer, who shall submit evidence under oath satisfactory to the board that he is of good character, has been a resident of the state of Montana for at least one year immediately preceding the date of his application; and was practicing engineering in a branch of engineering other than civil engineering and land surveying, as defined in section 66-2303 of the Revised Codes of Montana, 1947, at the time this act became effective, and was performing engineering work of a character satisfactory to the board.

The board at its discretion may require applicants under this section to appear for personal interview.

After this act shall have been in effect one year, the board shall issue certificates of registration only as provided for in section 13 [66-2336] or section 22 [66-2345] hereof, except for individuals who are in the military service of the United States at the time this act becomes effective who were residents of this state at the time of entering such service, and who were practicing engineering immediately preceding or during said service, and have performed work of a character satisfactory to the board, for whom the provisions of this section shall apply at any time within one year after their respective honorable separations from said service.

Graduates of an approved engineering curriculum of four years or more from a school or college approved as of satisfactory standing by the engineers' council for professional development, or its successor as an agency evaluating professional engineering curricula; who are in the military

service of the United States at the time this act becomes effective, shall be certified as engineers-in-training without examination, upon application therefor and payment of the fee of ten dollars (\$10.00) at any time within one year after honorable separation from such service.

For civil engineers or land surveyors the preceding applies, except that such individuals shall have been in the military service of the United States as of July 1, 1948, as was provided in section 66-2318, Revised Codes of Montana, 1947.

**History:** En. Sec. 19, Ch. 150, L. 1957.

**66-2343. Engineering plans and specifications for public works.** All engineering plans and specifications for public works of the state of Montana, or any agency thereof, or of any county, city, or school district of the state, shall bear the seal and signature of the engineer responsible therefor.

**History:** En. Sec. 20, Ch. 150, L. 1957.

**66-2344. Registration of persons registered by other states or authorities.** The board may, upon application therefor, and the payment of a fee of ten dollars (\$10.00), issue a certificate of registration as a professional engineer to any person who holds a certificate of qualification or registration issued to him by proper authority of the national council of state boards of engineering examiners, or of the national bureau of engineering registration, or of any state or territory or possession of the United States, or of any country, provided that the applicant's qualifications meet the requirements of this act and the rules established by the board.

**History:** En. Sec. 21, Ch. 150, L. 1957.

**66-2345. Revocation of registration—hearings—re-issuance of certificate—appeals.** The board shall have the power to revoke the certificate of registration of any registrant who is found guilty of:

(a) The practice of any fraud or deceit in obtaining a certificate of registration;

(b) Any gross negligence, incompetency, or misconduct in the practice of engineering or land surveying as a registered professional engineer or land surveyor.

Any person may prefer charges of fraud, deceit, gross negligence, incompetency, or misconduct against any registrant. Such charges shall be in writing, and shall be sworn to by the person making them and shall be filed with the secretary of the board.

All charges, unless dismissed by the board as unfounded or trivial, shall be heard by the board within three months after the date on which they shall have been preferred.

The time and place for said hearing shall be fixed by the board, and a copy of the charges, together with a notice of the time and place of hearing, shall be personally served on or mailed to the last known address of such registrant, at least thirty days before the date fixed for the hearing. At any hearing, the accused registrant shall have the right to appear personally and by counsel, to cross-examine witnesses appearing against him, and to produce evidence and witnesses in his own defense.

If, after such hearing, three or more members of the board vote in favor of finding the accused guilty, the board shall revoke the certificate of registration of such registered professional engineer or land surveyor.

The board, for reasons it may deem sufficient, may re-issue a certificate of registration to any person whose certificate has been revoked, providing three or more members of the board vote in favor of such re-issuance. A new certificate of registration, to replace any certificate revoked, lost, destroyed, or mutilated, may be issued, subject to the rules of the board, and a charge of three dollars (\$3.00) shall be made for such issuance.

Any person who shall feel aggrieved by any action of the board in denying or revoking his certificate of registration may appeal therefrom to the district court of the county in which such denial or revocation was made, and, after full hearing, said court shall make such decree sustaining or reversing the action of the board as to it may seem just and proper.

**History:** En. Sec. 22, Ch. 150, L. 1957.

**66-2346. Violations—penalties—enforcement of act.** Any person who shall practice, or offer to practice, engineering or land surveying in this state without being registered in accordance with the provisions of this act, or any person presenting or attempting to use as his own the certificate of registration or the seal of another, or any person who shall give any false or forged evidence of any kind to the board or to any member thereof in obtaining a certificate of registration, or any person who shall falsely impersonate any other registrant of like or different name, or any person who shall attempt to use an expired or revoked certificate of registration, or any person who shall violate any of the provisions of this act, shall be guilty of misdemeanor, and shall, upon conviction, be sentenced to pay a fine of not less than one hundred dollars (\$100.00), nor more than five hundred dollars (\$500.00), or suffer imprisonment for a period not exceeding three months, or both.

It shall be the duty of all duly constituted officers of the law of this state, or any political subdivision thereof, to enforce the provisions of this act and to prosecute any persons violating same. The attorney general of the state or his assistant shall act as legal adviser of the board and render such legal assistance as may be necessary in carrying out the provisions of this act.

**History:** En. Sec. 23, Ch. 150, L. 1957.

- (a) The practice of any other legally recognized professions or trades.
- (b) The mere execution of work by a contractor as distinguished from the planning or design thereof, or the supervision of the construction of such work as a foreman or superintendent; or
- (c) The practice of a person not a resident of and having no established place of business in this state, practicing or offering to practice herein the profession of engineering or land surveying, when such practice does not exceed in the aggregate more than thirty days in any calendar year; provided such person is legally qualified by registration to prac-

(d) The practice of a person not a resident of and having no established place of business in this state, or who has recently become a resident thereof, practicing or offering to practice engineering or land surveying herein for more than thirty days in any calendar year, if he shall have filed with the board an application for a certificate of registration and shall have paid the fee required by this act; provided that such a person is legally qualified by registration to practice engineering or land surveying in his own state or country in which the requirements and qualifications for obtaining a certificate of registration are not lower than those specified in this act. Such practice shall continue only for such time as the board requires for the consideration of the application for registration; or

All accusations must be in writing, verified by some party familiar with the facts therein charged, and three copies thereof must be filed with the secretary of the board. Upon receiving the accusation the board shall, if

it deem the accusation sufficient, make an order setting the same for hearing, and requiring the accused to appear and answer such charge or accusation at said hearing, at a specified time and place in the county wherein the alleged violation occurred, and the secretary shall cause a true copy of said order of the board and of the accusation or charge to be served upon the accused at least ten (10) days before the day appointed in the order for said hearing.

**History:** En. Sec. 9, Ch. 251, L. 1959.

**66-2421. Process and proof of service—appearance of accused.** Process issued by the board, and proof of service shall be made as provided in civil cases in courts of record and shall be filed with the secretary of the board. The accused must appear at the time appointed in the order and answer the charges and make his defense to the same, unless for sufficient cause, upon the accused's application or the board's order, the board assign another day for that purpose.

**History:** En. Sec. 10, Ch. 251, L. 1959.

**66-2422. Hearing on revocation or suspension of license—procedure—subpoenas.** If the accused does not appear the board may proceed and determine the accusation in his absence. If the accused confess the accusation or refuse to answer the charge, or upon the hearing thereof, the board shall find the charge or accusation (whether one or more) true, it may proceed to an order either revoking the license of the accused or suspending it for a fixed period. The board and the accused may have the benefit of counsel, and the board shall have the power to administer oaths, take depositions of witnesses in the manner provided by law in civil cases, and to issue subpoenas for the attendance of witnesses and the producing of papers, books, accounts, documents and testimony in any inquiry, investigation, hearing or proceeding in any part of the state. Such subpoena shall be issued over the signature of the secretary of the board and in the name of the state of Montana.

**66-2423. Judicial review of revocation or suspension—jurisdiction.** In case of revocation or suspension of a license by said board, the licensee whose license shall have been revoked by said board, shall have the right to judicial review of said revocation or suspension by commencing proper proceedings therefore within thirty (30) days of the filing of the order of cancellation or revocation of said license. Such review shall be in the district court in and for the county in which was held the meeting of the board in which such order of revocation or suspension was made.

**History:** En. Sec. 12, Ch. 251, L. 1959.

**66-2424. Municipal ordinances for plumbing standards—authority.** Any municipality of the state of Montana may by ordinance adopt rules and regulations governing plumbing, drainage and ventilation of plumbing within its corporate limits, but the standards provided for therein shall not be less nor lower than the minimum standards provided for them in the state plumbing code.

**History:** En. Sec. 13, Ch. 251, L. 1959.

**66-2425. Effective date of state plumbing code.** The state plumbing code shall be in full force and effect thirty (30) days after the mailing by said board of a copy of the state plumbing code to each person holding a license under the provisions of Title 66, chapter 24 [66-2401 to 66-2411] of the laws of the state of Montana; provided, however, said code shall be mailed not later than the first day of August 1959.

**History:** En. Sec. 14, Ch. 251, L. 1959.

**66-2426. Exceptions from act.** This act shall not be construed to apply to, or to affect, plumbing installations in any mines, mills, smelters, refineries, reduction works, public utilities, manufacturing industries, or plumbing installations on farms having their own individual water supply or sewage disposal system.

**History:** En. Sec. 15, Ch. 251, L. 1959.

joint tenancy is a joint interest and the legislature did not abrogate the common law right of survivorship incident to a joint tenancy. *Hennigh v. Hennigh*, 131 M 372, 309 P 2d 1022, 1024.

## CHAPTER 4—CONDITIONS AND LIMITATIONS OF OWNERSHIP

- Section 67-406. How long it may be suspended.  
 67-407. Future interests suspending power of alienation void.  
 67-413. Other directions—when void in part.  
 67-423. Pension trusts—inapplicability of statutory and common law limitations.  
 67-424. Validity of pension trusts.

**67-405. (6704) Conditions restraining alienation void.****Operation and Effect**

Where there was added to a printed warranty deed the typewritten statement that the grantees agreed not to sell or dispose of the land except to the grantors or

their heirs, the typewritten words violated this section, and did not limit the interest conveyed to a life estate. In *re Vincent's Estate*, 133 M 424, 324 P 2d 403, 411.

**67-406. (6705) How long it may be suspended.** (a) The absolute power of alienation cannot be suspended by any limitation or condition whatever, for a period longer than twenty-one (21) years after some life in being at the creation of the interest and any period of gestation involved in the situation to which the limitation applies. The lives selected to govern the time of suspension must not be so numerous or so situated that evidence of their deaths is likely to be unreasonably difficult to obtain.

(b) When interest must vest. No interest in real or personal property shall be good unless it must vest not later than twenty-one (21) years after some life in being at the creation of the interest and any period of gestation involved in the situation to which the limitation applies. The lives selected to govern the time of vesting must not be so numerous nor so situated that evidence of their deaths is likely to be unreasonably difficult to obtain. It is intended by the enactment of this statute to make effective in this state the American common law rule against perpetuities.

**History:** En. Sec. 1150, Civ. C. 1895; re-en. Sec. 4463, Rev. C. 1907; re-en. Sec. 6705, R. C. M. 1921; amd. Sec. 1, Ch. 213, L. 1959. Cal Civ. C. Sec. 715. Based on Field Civ. C. Sec. 201.

**Amendment**

The 1959 amendment designated the previous text as subd. (a); substituted the

latter part of subd. (a), beginning with the words "for a period longer than" and including the entire second sentence, for a clause reading "for a longer period than during the continuance of the lives of persons in being at the creation of the limitation or condition, except in the single case mentioned in section 67-513," and added subd. (b).

**67-407. (6706) Future interests suspending power of alienation void.** Every future interest is void in its creation which, by any possibility, may suspend the absolute power of alienation for a longer period than is prescribed in this chapter. Such power of alienation is suspended when there are no persons in being by whom an absolute interest in possession can be conveyed. The period of time during which an interest is destructible pursuant to the uncontrolled volition and for the exclusive personal benefit of the person having such a power of destruction is not to be included in determining the existence of a suspension of the absolute power of alienation or the permissible period for the vesting of an interest within the rule against perpetuities.

**History:** En. Sec. 1151, Civ. C. 1895; re-en. Sec. 4464, Rev. C. 1907; re-en. Sec. 6706, R. C. M. 1921; amd. Sec. 2, Ch. 213, L. 1959. Cal Civ C. Sec. 716. Field Civ. C. Sec. 202.

**Amendment**

The 1959 amendment added the third sentence.

**Repealing Clause**

Section 3 of Ch. 213, Laws 1959 read "All acts or parts of acts in conflict herewith are hereby repealed, including specifically sections 67-422, 67-513, 67-515, 67-516, 67-517 and 67-518, Revised Codes of Montana, 1947."

**67-413. (6712) Other directions—when void in part.** If the direction for an accumulation of the income of property is for a longer term than is limited in the last section (section 67-412, Revised Codes of Montana, 1947), the direction only, whether separable or not from the other provisions of the instrument, is void as respects the time beyond the limit prescribed in said last section, and no other part of such instrument is affected by the void portion of such direction.

**History:** En. Sec. 1163, Civ. C. 1895; re-en. Sec. 4470, Rev. C. 1907; re-en. Sec. 6712, R. C. M. 1921; amd. Sec. 1, Ch. 144, L. 1957. Cal Civ. C. Sec. 725. Field Civ. C. Sec. 207.

**Amendment**

The 1957 amendment completely rewrote this section. For section prior to amendment see parent volume.

**Effective Date**

**Repeal**

This section (Sec. 1191, Civ. C. 1895), relating to the time of creation of a limitation, condition, or future interest, was repealed by Sec. 3, Ch. 213, Laws 1959.

**67-423. Pension trusts—inapplicability of statutory and common law limitations.** No statutory or common law rule or provision relating to restraints against alienation, suspension of the power of alienation, accumulations of income, perpetuities or remoteness of vesting shall apply to any trust heretofore or hereafter created as part of a pension, retirement, insurance, savings, stock bonus, profit-sharing or similar plan established or maintained for the benefit of employees, eligible to participate in such plan, of an employer or of a group of employers, or for the benefit of the members, eligible to participate in such plan, of any labor union or of any other association or group of employees, or for the benefit of other beneficiaries eligible to participate in such plan.

CHAPTER 8—OBLIGATIONS INCIDENTAL TO THE OWNERSHIP OF REAL PROPERTY—MONUMENTS AND FENCES

67-801. (6776) Duties of tenant for life.

**Operation and Effect**

Fire insurance on buildings and insurance on an automobile taken out by the executor in favor of the estate was properly chargeable against the corpus rather

than income. *In re Lindhardt's Estate*, 133 M 65, 320 P 2d 357, 364.

Ordinary repairs on business property, such as repairs on a furnace, a new door and a lock should have been paid out of

income since the duty to pay was on the life tenant; however, repairs normally charged off over more than one accounting period, such as new roofs, a new sidewalk, and repairing the interior in connection with business property should be paid for by charging the initial expense to the estate funds, and then allocating a portion from each year's income to be deducted and paid back into the corpus. *In re Lindhardt's Estate*, 133 M 65, 320 P 2d 357, 362.

The cost of installation of a sidewalk and steps, and painting done at the re-

quest of the life tenant at a private dwelling, occupied by her, should be paid from the income of the life tenant and not out of corpus or estate funds. *In re Lindhardt's Estate*, 133 M 65, 320 P 2d 357, 362.

Improvements made by an executor pursuant to some ordinance or statute, or improvements where the property was in an untenable condition should be charged to the corpus of the estate. *In re Lindhardt's Estate*, 133 M 65, 320 P 2d 357, 364.

## 67-802. (6777) Monuments and fences.

### Construction without Agreement

In boundary dispute, fence constructed by defendant as a stock barrier, without any agreement to fix boundary line, was

not the true line as against line established by plaintiffs' surveyor. *Tillinger v. Frisbie*, 132 M 583, 318 P 2d 1079, 1081, 1083.

## 67-806. (6781) When partition fence removed.

### Removal of Line Fence

Absent agreement, a line fence may be removed by either owner only after six months notice to the other. *Thompson v. Mattuschek*, — M —, 333 P 2d 1022, 1026.

In action to restrain trespass by livestock and to recover for partial loss of a growing barley crop then being trampled and grazed down by livestock after defendant had removed a long-standing sec-

tion line fence bounding one side of a field which plaintiff had just planted to barley, complaint alleging a malicious removal of the fence was sufficient to state a cause of action for trespass of cattle upon plaintiff's property although he did not allege a secure enclosure of the barley field but did so testify. *Thompson v. Mattuschek*, — M —, 333 P 2d 1022, 1026.

## CHAPTER 10—ALIEN LAND LAW

(Unconstitutional—*State v. Oakland*, 129 M 347, 287 P 2d 39, 42)

## 67-1001 to 67-1008. Unconstitutional.

### Unconstitutional

The Alien Land Law, comprising sections 67-1001 to 67-1008 (Secs. 1 to 8, Ch. 58, L. 1923), is unconstitutional and void as being in contravention of the equal pro-

tection clause of the Fourteenth Amendment to the Constitution of the United States. *State v. Oakland*, 129 M 347, 287 P 2d 39, 42.

## CHAPTER 12—ACQUISITION OF PROPERTY BY OCCUPANCY

## 67-1203. (6818) Prescription.

### Ditch Right

Title by prescription to a ditch conveying water may be obtained by use thereof whenever water is needed. *Te Selle v. Storey*, 133 M 1, 319 P 2d 218, 220.

Where deed to defendant after describing property by legal subdivisions contained clause: "Together with all the tenements, hereditaments and appurtenances, water rights and water ditches to the same belonging," if defendant's predecessor used the ditch for more than ten years there was title in him by prescription which passed to defendant by deed and it

was of no consequence that the deed did not specifically mention the ditch right as an appurtenance. *Te Selle v. Storey*, 133 M 1, 319 P 2d 218, 220.

### Nature of Title

A title by prescription is as effective as though evidenced by a deed. *Te Selle v. Storey*, 133 M 1, 319 P 2d 218, 220.

\_\_\_\_\_ (Signature of custodian)”

(3) If the subject of the gift is money, by paying or delivering it to a broker or a bank for credit to an account in the name of the donor, another adult person (an adult member of the minor’s family, a guardian of the minor) or a bank with trust powers, followed in substance, by the words: “as custodian for \_\_\_\_\_ under the Montana Uniform  
 (name of minor)

Gifts to Minors Act.”

(b) Any gift made in a manner prescribed in subsection (a) may be made to only one minor and only one person may be the custodian.

(c) A donor who makes a gift to a minor in a manner prescribed in subsection (a) shall promptly do all things within his power to put the subject of the gift in the possession and control of the custodian, but neither the donor’s failure to comply with this subsection, nor his designation of an ineligible person as custodian, nor renunciation by the person designated as custodian affects the consummation of the gift.

History: En. Sec. 2, Ch. 245, L. 1957.

67-1803. Effect of gift. (a) A gift made in a manner prescribed in this act is irrevocable and conveys to the minor indefeasibly vested legal title to the security or money given, but no guardian of the minor has any right, power, duty or authority with respect to the custodial property except as provided in this act.

(b) By making a gift in a manner prescribed in this act, the donor incorporates in his gift all the provisions of this act and grants to the custodian, and to any issuer, transfer agent, bank, broker or third person dealing with a person designated as custodian, the respective powers, rights and immunities provided in this act.

History: En. Sec. 3, Ch. 245, L. 1957.

67-1804. Duties and powers of custodian. (a) The custodian shall collect, hold, manage, invest and reinvest the custodial property.

(b) The custodian shall pay over to the minor for expenditure by him, or expend for the minor's benefit, so much of or all the custodial property as the custodian deems advisable for the support, maintenance, education and benefit of the minor in the manner, at the time or times, and to the extent that the custodian in his discretion deems suitable and proper, with or without court order, with or without regard to the duty of himself or of any other person to support the minor or his ability to do so, and with or without regard to any other income or property of the minor which may be applicable or available for any such purpose.

(c) The court, on the petition of a parent or guardian of the minor or of the minor, if he has attained the age of fourteen years, may order the custodian to pay over to the minor for expenditure by him or to expend so much of or all the custodial property as is necessary for the minor's support, maintenance or education.

(d) To the extent that the custodial property is not so expended, the custodian shall deliver or pay it over to the minor on his attaining the age of twenty-one years or, if the minor dies before attaining the age of twenty-one years, he shall thereupon deliver or pay it over to the estate of the minor.

(e) The custodian, notwithstanding statutes restricting investments by fiduciaries, shall invest and reinvest the custodial property as would a prudent man of discretion and intelligence who is seeking a reasonable income and the preservation of his capital, except that he may, in his discretion and without liability to the minor or his estate, retain a security given to the minor in a manner prescribed in this act.

(f) The custodian may sell, exchange, convert or otherwise dispose of custodial property in the manner, at the time or times, for the price or prices and upon the terms he deems advisable. He may vote in person or by general or limited proxy a security which is custodial property. He may consent, directly or through a committee or other agent, to the reorganization, consolidation, merger, dissolution or liquidation of an issuer, a security which is custodial property, and to the sale, lease, pledge or mortgage of any property by or to such an issuer, and to any other action by such an issuer. He may execute and deliver any and all instruments in writing which he deems advisable to carry out any of his powers as custodian.

(g) The custodian shall register each security which is custodial property and in registered form in the name of the custodian, followed, in substance, by the words: "as custodian for \_\_\_\_\_ under  
(name of minor)

the Montana Uniform Gifts to Minors Act." The custodian shall hold all money which is custodial property in an account with a broker or in a bank in the name of the custodian, followed, in substance, by the words: "as custodian for \_\_\_\_\_ under the Montana Uniform  
(name of minor)

Gifts to Minors Act." The custodian shall keep all other custodial property separate and distinct from his own property in a manner to identify it clearly as custodial property.

(h) The custodian shall keep records of all transactions with respect to the custodial property and make them available for inspection at reasonable intervals by a parent or legal representative of the minor or by the minor, if he has attained the age of fourteen years.

(i) A custodian has (and holds as powers in trust), with respect to the custodial property, in addition to the rights and powers provided in this act, all the rights and powers which a guardian has with respect to property not held as custodial property.

History: En. Sec. 4, Ch. 245, L. 1957.

**67-1805. Custodian's expenses, compensation, bond and liabilities.**

(a) A custodian is entitled to reimbursement from the custodial property for his reasonable expenses incurred in the performance of his duties.

(b) A custodian may act without compensation for his services.

(c) Unless he is a donor, a custodian may receive from the custodial property reasonable compensation for his services determined by one of the following standards in the order stated:

(1) A direction by the donor when the gift is made;

(2) A statute of this state applicable to custodians;

(3) The statute of this state applicable to guardians;

(4) An order of the court.

(d) Except as otherwise provided in this act, a custodian shall not be required to give a bond for the performance of his duties.

(e) A custodian not compensated for his services is not liable for losses to the custodial property unless they result from his bad faith, intentional wrongdoing or gross negligence or from his failure to maintain the standard of prudence in investing the custodial property provided in this act.

History: En. Sec. 5, Ch. 245, L. 1957.

**67-1806. Exemption of third persons from liability.** No issuer, transfer agent, bank, broker or other person acting on the instructions of or otherwise dealing with any person purporting to act as a donor or in the capacity of a custodian is responsible for determining whether the person designated by the purported donor or purporting to act as a custodian has been duly designated or whether any purchase, sale or transfer to or by or any other act of any person purporting to act in the capacity of custodian is in accordance with or authorized by this act, or is obliged to inquire into the validity or propriety under this act of any instrument or instructions executed or given by a person purporting to act as a donor or in the capacity of a custodian, or is bound to see to the application by any person purporting to act in the capacity of a custodian of any money or other property paid or delivered to him.

History: En. Sec. 6, Ch. 245, L. 1957.

**67-1807. Resignation, death or removal of custodian—bond—appointment of successor custodian.** (a) Only an adult member of the minor's family, a guardian of the minor or a trust company is eligible to become a successor custodian. A successor custodian has all the rights, powers, duties and immunities of a custodian designated in a manner prescribed by this act.

(b) A custodian, other than the donor, may resign and designate his successor by:

(1) executing an instrument of resignation designating the successor custodian; and

(2) causing each security which is custodial property and in registered form to be registered in the name of the successor custodian followed, in substance, by the words: "as custodian for \_\_\_\_\_ under the (name of minor)

Montana Uniform Gifts to Minors Act"; and

(3) delivering to the successor custodian the instrument of resignation, each security registered in the name of the successor custodian and all other custodial property, together with any additional instruments required for the transfer thereof.

(c) A custodian, whether or not a donor, may petition the court for permission to resign and for the designation of a successor custodian.

(d) If the person designated as custodian is not eligible, renounces or dies before the minor attains the age of twenty-one years, the guardian of the minor shall be successor custodian. If the minor has no guardian, a donor, his legal representative, the legal representative of the custodian, an adult member of the minor's family, or the minor, if he has attained the age of fourteen years, may petition the court for the designation of a successor custodian.

(e) A donor, the legal representative of a donor, an adult member of the minor's family, a guardian of the minor or the minor, if he has attained the age of fourteen years, may petition the court that, for cause shown in the petition, the custodian be removed and a successor custodian be designated or, in the alternative, that the custodian be required to give bond for the performance of his duties.

(f) Upon the filing of a petition as provided in this section, the district court shall grant an order, directed to the persons and returnable on such notice as the court may require, to show cause why the relief prayed for in the petition should not be granted and, in due course, grant such relief as the court finds to be in the best interests of the minor.

History: En. Sec. 7, Ch. 245, L. 1957.

**67-1808. Accounting by custodian.** (a) The minor, if he has attained the age of fourteen years, or the legal representative of the minor, an adult member of the minor's family, or a donor or his legal representative may petition the court for an accounting by the custodian or his legal representative.

(b) The court, in a proceeding under this act or otherwise, may require or permit the custodian or his legal representative to account and, if the custodian is removed, shall so require and order delivery of all custodial property to the successor custodian and the execution of all instruments required for the transfer thereof.

History: En. Sec. 8, Ch. 245, L. 1957.

**67-1809. Construction.** (a) This act shall be so construed as to effectuate its general purpose to make uniform the law of those states which enact it.

(b) This act shall not be construed as providing an exclusive method for making gifts to minors.

History: En. Sec. 9, Ch. 245, L. 1957.

**67-1810. Short title.** This act may be cited as the "Montana Uniform Gifts to Minors Act."

History: En. Sec. 10, Ch. 245, L. 1957.

**Separability Clause**

Section 11 of Ch. 245, Laws 1957 read "If any provision of this act or the application thereof to any person or circumstances is held invalid, the invalidity shall not affect other provisions or applications of the act which can be given effect with-

out the invalid provision or application, and to this end the provisions of this act are severable."

**Repealing Clause**

Section 13 of Ch. 245, Laws 1957 repealed all acts and parts of acts in conflict therewith.

**History:** En. Sec. 1, Ch. 277, L. 1959.

**Title of Act**

An act concerning the ascertainment of principal and income and the apportion-

ment of receipts and expenses among tenants and remaindermen, and to make uniform the law with reference thereto; containing a repealing clause and providing an effective date.

**67-1902. Act to govern ascertainment of principal and income and apportionment of receipts and expenses.** This act shall govern the ascertainment of income and principal, and the apportionment of receipts and expenses between tenants and remaindermen, in all cases where a principal has been established with or, unless otherwise states hereinafter, without the interposition of a trust; except that in the establishment of the principal, provision may be made touching all matters covered by this act, and the person establishing the principal may himself direct the manner of ascertainment of income and principal and the apportionment of receipts and expenses or grant discretion to the trustee or other person to do so, and such provision and direction, where not otherwise contrary to law, shall control notwithstanding this act.

**History:** En. Sec. 2, Ch. 277, L. 1959.

**67-1903. Receipts constituting income or principal—use.** (1) All receipts of money or other property paid or delivered as rent of realty or hire of personalty or dividends on corporate shares payable other than in shares of the corporation itself, or interest on money loaned, or interest on or the rental or use value of property wrongfully withheld or tortiously damaged, or otherwise in return for the use of principal, shall be deemed income unless otherwise expressly provided in this act.

(2) All receipts of money or other property paid or delivered as the consideration for the sale or other transfer, not a leasing or letting, of property forming a part of the principal, or as a repayment of loans, or in liquidation of the assets of a corporation, or as the proceeds of property taken on eminent domain proceedings where separate awards to tenant and remainderman are not made, or as proceeds of insurance upon property forming a part of the principal except where such insurance has been issued for the benefit of either tenant or remainderman alone, or otherwise as a refund or replacement or change in form of principal, shall be deemed principal unless otherwise expressly provided in this act. Any profit or loss resulting upon any change in form of principal shall inure to or fall upon principal.

(3) All income after payment of expenses properly chargeable to it shall be paid and delivered to the tenant or retained by him if already in his possession or held for accumulation where legally so directed by the terms of the transaction by which the principal was established; while the principal shall be held for ultimate distribution as determined by the terms of the transaction by which it was established or by law.

**History:** En. Sec. 3, Ch. 277, L. 1959.

**67-1904. Death of tenant between payment dates—apportionment.** Whenever a tenant shall have the right to income from periodic payments, which shall include rent, interest on loans, and annuities, but shall not include dividends on corporate shares, and such right shall cease and determine by death or in any other manner at a time other than the date when such periodic payments should be paid, he or his personal representative shall be entitled to that portion of any such income next payable which amounts to the same percentage thereof as the time elapsed from the last due date of such periodic payments to and including the day of the determination of his right is of the total period during which such income would normally accrue. The remaining income shall be paid to the person next entitled to income by the terms of the transaction by which the principal was established. But no action shall be brought by the trustee or tenant to recover such apportioned income or any portion thereof until after the day on which it would have become due to the tenant but for the determination of the right of the tenant entitled thereto. The provisions of this section shall apply whether an ultimate remainderman is specifically named or not. Likewise when the right of the first tenant accrues at a time other than the payment dates of such periodic payments, he shall only receive that portion of such income which amounts to the same percentage thereof as the time during which he has been so entitled is of the total period during which such income would normally accrue; the balance shall be a part of the principal.

**History:** En. Sec. 4, Ch. 277, L. 1959.

**67-1905. Corporate dividends—stock dividends—subscription rights—liquidation of corporation—merger.** (1) All dividends on shares of a corporation forming a part of the principal which are payable in the shares of the corporation shall be deemed principal. Subject to the provisions of this section, all dividends payable otherwise than in the shares of the corporation itself, including ordinary and extraordinary dividends and dividends payable in shares or other securities or obligations of corporations other than the declaring corporation, shall be deemed income. Where the trustee shall have the option of receiving a dividend either in cash or in the shares of the declaring corporation, it shall be considered as a cash dividend and deemed income, irrespective of the choice made by the trustee.

(2) All rights to subscribe to the shares or other securities or obligations of a corporation accruing on account of the ownership of shares or other securities in such corporation, and the proceeds of any sale of such rights, shall be deemed principal. All rights to subscribe to the shares or other securities or obligations of a corporation accruing on account of the ownership of shares or other securities in another corporation, and the proceeds of any sale of such rights, shall be deemed income.

(3) Where the assets of a corporation are liquidated, amounts paid upon corporate shares as cash dividends declared before such liquidation occurred or as arrears of preferred or guaranteed dividends shall be deemed income; all other amounts paid upon corporate shares on disbursement of

the corporate assets to the stockholders shall be deemed principal. All disbursements of corporate assets to the stockholders, whenever made, which are designated by the corporation as a return of capital or division of corporate property shall be deemed principal.

(4) Where a corporation succeeds another by merger, consolidation or reorganization or otherwise acquires its assets, and the corporate shares of the succeeding corporation are issued to the shareholders of the original corporation in like proportion to, or in substitution for, their shares of the original corporation, the two corporations shall be considered a single corporation in applying the provisions of this section. But two corporations shall not be considered a single corporation under this section merely because one owns corporate shares of or otherwise controls or directs the other.

(5) In applying this section the date when a dividend accrues to the person who is entitled to it shall be held to be the date specified by the corporation as the one on which the stockholders entitled thereto are determined, or in default thereof the date of declaration of the dividend.

**History:** En. Sec. 5, Ch. 277, L. 1959.

**67-1906. Bonds or obligations as principal—valuation—loss or gain on sale.** Where any part of the principal consists of bonds or other obligations for the payment of money, they shall be deemed principal at their inventory value or in default thereof at their market value at the time the principal was established, or at their cost where purchased later, regardless of their par or maturity value; and upon their respective maturities or upon their sale any loss or gain realized thereon shall fall upon or enure to the principal.

**History:** En. Sec. 6, Ch. 277, L. 1959.

**67-1907. Operation of business—net profits—ascertaining income—increase or loss of principal.** (1) Whenever a trustee or a tenant is authorized by the terms of the transaction by which the principal was established, or by law to use any part of the principal in the continuance of a business which the original owner of the property comprising the principal had been carrying on, the net profits of such business attributable to such principal shall be deemed income.

(2) Where such business consists of buying and selling property, the net profits for any period shall be ascertained by deducting from the gross returns during and the inventory value of the property at the end of such period, the expenses during and the inventory value of the property at the beginning of such period.

(3) Where such business does not consist of buying and selling property, the net income shall be computed in accordance with the customary practice of such business, but not in such way as to decrease the principal.

(4) Any increase in the value of the principal used in such business shall be deemed principal, and all losses in any one calendar year, after the income from such business for that year has been exhausted, shall fall upon principal.

**History:** En. Sec. 7, Ch. 277, L. 1959.

**67-1908. Animals constituting principal—offspring.** Where any part of the principal consists of animals employed in business, the provisions of section 7 [67-1907] shall apply; and in other cases where the animals are held as a part of the principal partly or wholly because of the offspring or increase which they are expected to produce, all offspring or increase shall be deemed principal to the extent necessary to maintain the original number of such animals and the remainder shall be deemed income; and in all other cases such offspring or increase shall be deemed income.

**History:** En. Sec. 8, Ch. 277, L. 1959.

**67-1909. Natural resources—proceeds from severance.** Where any part of the principal consists of property in lands from which may be taken timber, minerals, oils, gas or other natural resources and the trustee or tenant is authorized by law or by the terms of the transaction by which the principal was established to sell, lease or otherwise develop such natural resources, and no provision is made for the disposition of the net proceeds thereof after the payment of expenses and carrying charges on such property, such proceeds, if received as rent on a lease, shall be deemed income, but if received as consideration, whether as royalties or otherwise, for the permanent severance of such natural resources from the lands, shall be deemed principal to be invested to produce income. Nothing in this section shall be construed to abrogate or extend any right which may otherwise have accrued by law to a tenant to develop or work such natural resources for his own benefit.

**History:** En. Sec. 9, Ch. 277, L. 1959.

**67-1910. Property subject to depletion as principal.** Where any part of the principal consists of property subject to depletion, such as leaseholds, patents, copyrights and royalty rights, and the trustee or tenant in possession is not under a duty to change the form of the investment of the principal, the full amount of rents, royalties or return from the property shall be income to the tenant; but where the trustee or tenant is under a duty, arising either by law or by the terms of the transaction by which the principal was established, to change the form of the investment, either at once or as soon as it may be done without loss, then the return from such property not in excess of five per centum (5%) per annum of its fair inventory value or in default thereof its market value at the time the principal was established, or at its cost where purchased later, shall be deemed income and the remainder principal.

**History:** En. Sec. 10, Ch. 277, L. 1959.

**67-1911. Unprofitable principal—change in form of investment—delayed income.** (1) Where any part of a principal in the possession of a trustee consists of realty or personalty which for more than a year and until disposed of as hereinafter stated has not produced an average net income of at least one per centum (1) per annum of its fair inventory value or in default thereof its market value at the time the principal was established or of its cost where purchased later, and the trustee is under a duty to change the form of the investment as soon as it may be done

without sacrifice of value and such change is delayed, but is made before the principal is finally distributed, then the tenant, or in case of his death his personal representative, shall be entitled to share in the net proceeds received from the property as delayed income to the extent hereinafter stated.

(2) Such income shall be the difference between the net proceeds received from the property and the amount which, had it been placed at simple interest at the rate of five per centum (5%) per annum for the period during which the change was delayed, would have produced the net proceeds at the time of change, but in no event shall such income be more than the amount by which the net proceeds exceed the fair inventory value of the property or in default thereof its market value at the time the principal was established or its cost where purchased later. The net proceeds shall consist of the gross proceeds received from the property less any expenses incurred in disposing of it and less all carrying charges which have been paid out of principal during the period while it has been unproductive.

(3) The change shall be taken to have been delayed from the time when the duty to make it first arose, which shall be presumed, in the absence of evidence to the contrary, to be one (1) year after the trustee first received the property if then unproductive, otherwise one (1) year after it became unproductive.

(4) If the tenant has received any income from the property or has had any beneficial use thereof during the period while the change has been delayed, his share of the delayed income shall be reduced by the amount of such income received or the value of the use had.

(5) In the case of successive tenants the delayed income shall be divided among them or their representatives according to the length of the period for which each was entitled to income.

**History:** En. Sec. 11, Ch. 277, L. 1959.

**67-1912. Expenses—apportionment.** (1) All ordinary expenses incurred in connection with the trust estate or with its administration and management, including regularly recurring taxes assessed against any portion of the principal, water rates, premiums on insurance taken upon the estates of both tenant and remainderman, interest on mortgages on the principal, ordinary repairs, trustees' compensation except commissions computed on principal, compensation of assistants, and court costs and attorneys' and other fees on regular accountings, shall be paid out of income. But such expenses where incurred in disposing of, or as carrying charges on, unproductive estate as defined in section 11 [67-1911], shall be paid out of principal, subject to the provisions of subsection (2) of section 11 [69-1911].

(2) All other expenses, including trustees' commissions computed upon principal, cost of investing or reinvesting principal, attorneys' fees and other costs incurred in maintaining or defending any action to protect the trust or the property or assure the title thereof, unless due to the fault or cause of the tenant, and costs of, or assessments for, improvements to property forming part of the principal, shall be paid out of principal. Any tax levied by any authority, federal, state or foreign,

upon profit or gain defined as principal under the terms of subsection (2) of section 3 shall be paid out of principal, notwithstanding said tax may be denominated a tax upon income by the taxing authority.

(3) Expenses paid out of income according to subsection (1) which represent regularly recurring charges shall be considered to have accrued from day to day, and shall be apportioned on that basis whenever the right of the tenant begins or ends at some date other than the payment date of the expenses. Where the expenses to be paid out of income are of unusual amount, the trustee may distribute them throughout an entire year or part thereof, or throughout a series of years. After such distribution, where the right of the tenant ends during the period, the expenses shall be apportioned between tenant and remainderman on the basis of such distribution.

(4) Where the costs of, or special taxes or assessments for, an improvement representing an addition of value to property held by the trustee as part of principal are paid out of principal, as provided in subsection (2), the trustee shall reserve out of income and add to the principal each year a sum equal to the cost of the improvement divided by the number of years of the reasonably expected duration of the improvement.

**History:** En. Sec. 12, Ch. 277, L. 1959.

**67-1913. Expenses where no trust created—improvements.** (1) The provisions of section 12 [67-1912], so far as applicable and excepting those dealing with costs of, or special taxes or assessments for, improvements to property, shall govern the apportionment of expenses between tenants and remaindermen where no trust has been created, subject, however, to any legal agreement of the parties or any specific direction of the taxing or other statutes; but where either tenant or remainderman has incurred an expense for the benefit of his own estate and without the consent or agreement of the other, he shall pay such expense in full.

(2) Subject to the exceptions stated in subsection (1) the cost of, or special taxes or assessments for, an improvement representing an addition of value to property forming part of the principal shall be paid by the tenant, where such improvement cannot reasonably be expected to outlast the estate of the tenant. In all other cases a portion thereof only shall be paid by the tenant, while the remainder shall be paid by the remainderman. Such portion shall be ascertained by taking that percentage of the total which is found by dividing the present value of the tenant's estate by the present value of an estate of the same form as that of the tenant except that it is limited for a period corresponding to the reasonably expected duration of the improvement. The computation of present values of the estates shall be made on the expectancy basis set forth in the American Experience Tables of Mortality and no other evidence of duration or expectancy shall be considered.

**History:** En. Sec. 13, Ch. 277, L. 1959.

**67-1914. Interpretation of act—uniformity.** This act shall be so interpreted and construed as to effectuate its general purpose to make uniform the law of those states which enact it.

**History:** En. Sec. 14, Ch. 277, L. 1959.

67-1915. **Short title.** This act may be cited as the Uniform Principal and Income Act.

**History:** En. Sec. 15, Ch. 277, L. 1959.

67-1916. **Effective date—application to estates created after date.** This act shall take effect upon its passage and approval and shall apply to all estates of tenants or remaindermen which become legally effective after that date.

**History:** En. Sec. 17, Ch. 277, L. 1959.

**68-203. Who are ineligible to membership in system.** The following employees shall not become members of the retirement system:

(a) Elective officers, other than elective officers who filed with the board of administration an election in writing to become members; provided, that any person so excluded from membership, who later becomes

a member hereof, shall have the option of making contributions to the retirement system in the amount which he would have contributed had he not been so excluded, and he shall then receive credit for prior service in the same manner as if he had not been so excluded. If he shall affirmatively exercise the option, the contributions of the state, or the contracting city because of his membership, shall be the same as they would have been had he not been so excluded.

(b) Inmates of state institutions who are allowed compensation for such service as they are able to perform.

(c) Persons in state institutions principally for the purpose of training, but who receive compensation.

(d) Independent contractors who are not employees.

(e) Employees serving in employment which does not exceed the equivalent of sixty (60) working days in any fiscal year.

(f) Persons in state service on July 1, 1945, or prior thereto who filed with the board of administration an election not to become members, provided any person so excluded from membership by his own election may on or before, but not after, July 1, 1948, file with the board of administration an election to become a member and receive credit for prior service, and shall become a member of the retirement system on the date of filing such election. Such person shall receive credit for prior service only if his election to become a member is filed with the board on or before, but not after July 1, 1948, and shall have the option of paying to the retirement system all or part of the amount which he would have contributed had he not been so excluded but had been a member to and including the date of filing such election to become a member, plus interest which would have accumulated thereon through such date. Upon the retirement of such person under section 68-801, the pensions provided by contributions of the state under this act shall be the same as if such person affirmatively exercised the option to pay to the retirement system all of that amount with accumulated interest.

(g) Persons directly appointed by the governor, who do not file with the board of administration an election in writing to become members.

(h) Persons who are members of any other retirement or pension system supported wholly or in part by funds of the United States government, any state government or political subdivision thereof and who are receiving credit in such other system for service, it being the purpose of this section to prevent a person from receiving credit for the same service in two (2) retirement systems supported wholly or in part by public funds, and no person shall receive such credit under any circumstances. Any member of the retirement system who, because of his employment by the state, shall be required to become a member of any such other systems, shall be considered solely for the purposes of section 68-701 (m) as permanently separated from state service. The accumulated contributions of any member who shall have died after becoming a member of such other system and before receiving said accumulated contributions, shall be paid to the beneficiary nominated by him to receive any death benefit payable under section 68-1101. Contributions to the retirement fund under section 68-1307 on the basis of compensation earned by members after

the effective date of termination of membership herein because of the membership in such other system, shall be repaid to the fund from which said contributions were made. For the purpose of this section, persons who merely are receiving pensions or retirement allowances, or other payments, from any source whatever, on account of service rendered to some other agency than the state and when such persons were not in state service, shall not be considered, because of such receipt, members of any other retirement or pension system.

(i) Appointive members of boards and commissions who serve the state or contracting agency on an intermittent basis, and who are paid on a per diem basis.

#### Amendments

The 1955 amendment added subds. (i) and (j).

The 1959 amendment substituted present subd. (e) for one that read "(e) Employees serving on a part-time basis unless such employees are members at January 1, 1946, or any time of employment after that date on a part time basis, or unless such employment is regular and continuous and in the opinion of the employing power will extend for more than one (1) year, and requires service for at least one-half ( $\frac{1}{2}$ ) the time required of employees in the same group or class, serving on a full time basis. Any employee

who is a member at January 1, 1946, and who is serving on a part time basis not requiring at least one-half ( $\frac{1}{2}$ ) the time required of employees in the same group or class serving on a full time basis, may elect to terminate his membership in the system. Any employee so selecting shall be considered as permanently separated from state service, solely for the purposes of section 68-701 (m)."

#### Membership

As to elected officers and persons directly appointed by the governor the Public Employees' Retirement Act provides that they may elect to become members by complying with the provisions of subdivisions (a), (f) and (g) hereof. *Corwin v. Bieswanger*, 126 M 337, 251 P 2d 252, 253.

## CHAPTER 5—BOARD OF ADMINISTRATION—POWERS AND DUTIES

### Section 68-501. Board of administration.

**68-501. Board of administration.** The board of administration shall consist of five (5) members appointed by the governor, three (3) of which members shall be public employees and shall be members of the retirement system, and two (2) of which shall be members at large. Terms of office shall be for five (5) years provided, however, that those first appointed after this act takes effect shall be for terms, respectively, of one (1), two (2), three (3), four (4), and five (5) years but their successors shall hold office for terms of five (5) years; provided not more than one (1) employee member of the retirement board shall be an employee of the same department, bureau or agency of the state or contracting public agency. Members of the board shall be paid their actual and necessary expenses and those members of the board who are not members of the public employees' retirement system shall be entitled to receive in addition to actual and necessary expenses compensation at the rate of ten dollars (\$10.00) per day.

The attorney general is hereby designated legal counsel for the board.

(a) Vacancy on board—how filled. Any vacancy occurring ninety (90) days or more before the expiration of the term of any member of the retirement board shall be filled by appointment by the governor. The person thus appointed shall serve for the remainder of the unexpired term.

(b) The board may establish such rules and regulations as it deems proper, within the limitations of this act and for its proper administration, operation and enforcement. The board shall elect one (1) of its members president, and shall appoint and fix the compensation of a secretary who shall have the power to administer oaths, and other necessary employees. It shall maintain its office in the city of Helena. A quorum of the board shall be three (3) members. The board may appoint a committee of one or more of its members, which shall have authority to perform routine acts, such as retirement of members and fixing of retirement allowances, approval of death claims and correction of records necessary in the administration of the system in accordance with the provisions of this act and rules and regulations of the board. All expenses of the administration of this act in excess of amount provided by the one dollar (\$1.00) membership fee shall be a charge on the appropriation made from the general fund of the state.

(c) The board shall determine who are employees within the meaning of this act and shall be the sole authority and judge under this act as to the conditions under which persons may be admitted to and continue to receive benefits under the retirement system, and shall have exclusive control of the administration and investment of the fund. As soon as practical after the close of each fiscal year, the board shall file with the governor a report of its work for such fiscal year.

(d) Subject to the following and to all other provisions of this act, and such rules and regulations as it may adopt in pursuance thereof, the board shall determine and may modify allowances for service and disability.

(e) The board of administration shall fix and determine how much service rendered in any fiscal year shall be the equivalent of a year of service and parts thereof, but shall credit one (1) year for two hundred and fifty (250) or more days of service rendered by employees on a per diem basis and one (1) year for ten (10) months or more of service rendered by employees on a monthly basis, but not more than one (1) year for all service in any fiscal year. In determining the credit to be granted for service rendered on a part time basis, for purposes of calculating retirement allowances, the service shall be reduced to a full time basis according to the service required, in the next preceding sentence, for credit for one (1) year of service. In calculating benefits based on service so determined, except in calculating the additional pension provided in subdivision (g) of section 68-901 compensation earnable shall be taken as the compensation which would be earnable if the employment had been on a full time basis, and with a compensation derived by multiplying the member's compensation by ratio of full time to the time he was required by his employment to engage in his duties. In calculating the credit to be granted for service rendered on a part time basis, for purposes of de-

termining qualifications for retirement, and of calculating benefits payable upon death before retirement, the service required in this paragraph for credit for a year of service shall not be used, but instead, a year of service shall be credited for each year during which the member was employed throughout the year on a part time basis and was engaged in his duties the full amount of time he was required by his employment to be so engaged. Credit for fractional years will be granted to the extent of the fraction derived by dividing the time during which the member was engaged in his duties within the year, by the time he was required by his employment to be so engaged.

(f) Time during which a member is absent from public service without compensation shall not be allowed in computing service; except that time during which a member is absent from public service by reason of having been ordered on duty with the armed forces of the United States, or by reason of voluntary service by the member in said forces or on ships operated by or for the United States government, either during a war involving the United States as a belligerent or in any other national emergency, and for ninety (90) days thereafter shall be considered as time spent in public service, for the purpose of qualification for retirement and death benefits, but not for calculation of retirement benefits unless the member elects to contribute and contributes under the retirement system. Any member so absent and until his return within the said ninety (90) days may resign from the system. Any members so absent shall have the right to contribute to said system, either during his service with the armed forces of the United States or in the merchant marine of the United States, and ninety (90) days thereafter or upon his return to the state service, at times and in a manner fixed by the board of administration, amounts equal to the contribution which would have been made by him to the system on the basis of his compensation earnable at the commencement of his absence. If he does so contribute he shall receive credit for public service for such time in the same manner as if he had not been absent from public service. Whenever a member elects to continue his contributions, the state or the contracting city, or county or other agency shall thereupon contribute an amount equal to that which it would have contributed under section 68-1307 or under the contract between the board and the legislative body, as the case may be, if the member had not been absent from state service.

Any member so absent or any member absent from state service by reason of having been ordered by an authorized official of the state of Montana or the United States, to duties outside state service shall be paid upon his request, his accumulated contributions. Such payment shall terminate any election by said member under this section to contribute.

Time during which a member is absent from public service by reason of injury or illness determined within one (1) year after the end of such absence as arising out of and in the course of his employment, shall be considered as spent in public service, for the purpose of qualification for retirement and death benefits, but not for the calculation of retirement benefits, except as he received compensation, as defined in this act and as distinguished from disability indemnity under the workmen's compensation

act during the absence, and then only to the extent of compensation received.

(g) Each employee shall file with the board of administration such information affecting his status as a member of the retirement system as the board may require.

(h) Credit for prior service shall be granted to each person other than persons who are employees of the university or of a contracting city at the time of becoming members of the retirement system, who has rendered such service as defined in this act, and who has become a member of the retirement system on January 1, 1946, or within three (3) years after last rendering prior service. Credit for prior service shall be granted to each person who is employed by the university at the time of becoming a member of the retirement system regardless of whether he had been retired under the system prior to the effective date hereof, who has rendered such service as defined in this act, and who has become a member of the retirement system on January 1, 1946, or within three (3) years after last rendering prior service.

Credit for prior service shall be granted to each person who is employed by a contracting city at the time of becoming a member of the system, who has rendered such service as defined in this act, and who has become a member of the retirement system within three (3) years after last rendering prior service. Notwithstanding the three (3) sentences next preceding, credit for prior service shall be granted to each person employed by the state including the university, who became a member while employed on a part time basis, because of amendments to this retirement act, or who became a member prior to said amendments, because of a change in status to a full time basis. The credit for prior service to be granted persons employed by a contracting city who are included under the retirement system shall be established by contract between the board and the legislative body of such city; and such credit as may be granted to a person shall be in the form of a percentage, not to exceed the analogous percentage applicable to employees of the state, for each year of prior service. Prior service so credited shall be the basis for a retirement allowance or benefit as provided in this act only if the membership in the retirement system continues unbroken until retirement or retirement allowance or until the granting of such other benefit; provided, that termination of membership by withdrawal of accumulated contributions followed by the redeposit of such contributions upon re-entrance into public service as herein provided shall not constitute a break in membership, but this section shall not be construed to entitle any person to credit as prior service for time during which he was not in public service as defined in this act.

Credit for any prior service, not previously granted, shall be granted to a member upon request for retirement provided that the member has a total of not less than ten (10) years of creditable state service of which not less than three (3) years have been as a contributing member of the retirement system and the retirement allowance does not include credit for all state service prior to July 1, 1945, or in the case of a contracting

city prior to the date of the contract, or July 1, 1947, whichever is earlier. Proper certification of such service must be furnished.

(i) The management and control of the retirement system shall be vested in the board of administration, and it shall exercise the following powers and perform the following duties:

(j) The board of administration shall keep in convenient form such data as shall be necessary for the actuarial valuation of the retirement fund created by this act. On July 1, 1946, and at the end of every two-year period thereafter, it shall cause to be made an actuarial investigation into the mortality, service and compensation experience of the members and beneficiaries under the provision of this act, and shall further cause to be made an actuarial valuation of the assets and liabilities of the public employees' retirement fund herein created, and from time to time shall determine the rate of interest being earned on the said retirement fund. Upon the basis of any or all of such investigation, valuation, and determination, said board shall adopt such mortality, service and other tables and such interest rate, in lieu of the interest rate specified herein, or any of such items as it shall deem necessary, and shall make such revision in rates of contributions of members as it may deem necessary to comply with the provisions of section 68-701. No adjustment shall be included in the new rates for time prior to the effective date of such revision.

(k) The board shall credit contributions of members of the state and contracting cities with interest at the rate being used under the system on the effective date hereof, compounded each June 30, subject to the foregoing subdivision (j) of section 68-501. At the end of each fiscal year, beginning with the second fiscal year of the operation of the retirement system, it may credit to all contributions held in the retirement fund on June 30 of the then current fiscal year, such interest in excess of said rate provided herein as it may deem proper in the light of the earnings of the retirement fund during such fiscal year, but such additional interest credited during any fiscal year shall not be greater than the excess of said earnings over the interest otherwise credited to contributions during that year. Interest at said rate, compounded annually, subject to said foregoing subdivision (j) hereof, shall be used in the calculation of benefits under any mortality table adopted by the board, regardless of any additional interest allowed on contribution under this paragraph.

In addition to other records and accounts, it shall keep such records and accounts as may be necessary to show at any time:

The total accumulated contributions of members.

The total accumulated contributions of retired members less the annuity payments made to such members.

The accumulated contributions of the state and of contracting cities held for the benefit of members on account of service rendered as members of the retirement system.

All other accumulated contributions of the state and of contracting cities which shall include the amounts available to meet the obligation of the state and of the contracting cities, respectively on account of benefits that have been granted to retired employees and on account of prior service of members.

(l) In addition to rendering the annual report to the governor required by subsection (c) of this section, it shall cause to be published annually a financial statement showing an actuarial valuation of the assets and liabilities of the retirement system created by this act and a statement as to the accumulated cash and securities in the retirement fund as certified by the state auditor, but until all prior service is verified, the board of administration may omit from the financial statement published annually, assets and liabilities resulting from such prior service, and may include assets and liabilities on account of service rendered as members in amounts equal only to accumulated contributions held on account of such service.

#### Amendment

The 1955 amendment in subd. (h) substituted the third paragraph for two former paragraphs which read "Credit for prior service shall be granted to all persons who have been at any time since July 1, 1945, or who may at any time hereafter become members or employees of the state or of a contracting city, contracting county, public agency or contracting public agency, notwithstanding any other provisions of the Public Employees' Retirement Act, as amended or supplemented; subject however, to the following conditions: namely, that any such person desiring to qualify for the benefits of the act must contribute to the pension accumulation fund of the public employees' retirement system for the purpose of accomplishing such qualification, an amount which shall be based on age and sex at the time of original membership, and upon the compensation earnable by such person during the month preceding the separation of such person from the state service. The time of orig-

inal membership is hereby defined as the date when any such person elects to become a member of the public employees' retirement system. Provided that credit for prior service shall be granted to all retired members for all state service rendered prior to January 1, 1945, notwithstanding the date of participation of the contracting public agency in the public employees' retirement system or any other limitation or provision of the Public Employees' Retirement Act." In subd. (k) substituted the words "on June 30" for "at June 30th."

#### Subd. (h) Retroactive

Under the amendment by chapter 224 of Laws 1951, subsection (h) is retroactive and a person who retired in 1949 is entitled to a credit for his service prior to January 1, 1945 and his increase in the retirement pension would be from the date of his retirement not just the date that chapter 224 of Laws 1951 went into effect. *Davidson v. Love*, 127 M 366, 264 P 2d 705. (See, however, dissenting opinion, 127 M 366, 264 P 2d 705, 708.)

## CHAPTER 7—MANAGEMENT OF RETIREMENT FUND

Section 68-701. Management of retirement fund.

**68-701. Management of retirement fund.** The retirement fund shall be managed as follows:

(a) The board of administration shall have exclusive control of the administration of said fund except as otherwise provided.

(b) The said fund shall be invested by the state board of land commissioners as part of the long term investment fund.

(c) The board of administration shall deposit monthly in the state treasury all amounts received by it as provided in this section and section 68-1307.

(d) The state treasurer shall be custodian of the retirement fund, subject to the exclusive control of the board of administration as to the ad-

ministration thereof and the state board of land commissioners as to the investment thereof. All payments from said fund shall be made by him only upon vouchers signed by two (2) board members designated by the board of administration. A duly attested copy of a resolution of the board of administration designating such persons and bearing on its face specimen signatures of such persons shall be filed with the treasurer as his authority for making payments upon such vouchers. No voucher shall be drawn unless it has previously been authorized by resolution of the board of administration.

(e) Interest earned on any cash deposit in a bank by the state treasurer and income on other assets constituting a part of the said fund shall be paid into said fund as received. Income, of whatever nature, earned on the retirement fund during any fiscal year, in excess of the interest credited to contributions during said year shall be retained in said fund as a reserve against deficiencies in interest earned in other years, losses under investments, and other contingencies.

(f) Except as herein provided, no member and no employee of the board of administration shall have any interest direct, or indirect, in the making of any investment, or in the gains of profits accruing therefrom. And no member or employee of the said board directly or indirectly, for himself or as an agent or partner of others, shall borrow any of its funds or deposits, nor shall any such member or employee in any manner use the same except to make such current and necessary payments as are authorized by said board; nor shall any member or employee of said board become an indorser or surety as to, or in any manner an obligor for investments by the board.

(g) The normal rates of contribution of members shall be based on sex and the age at the nearest birthday at the time of entrance into the retirement system. The normal rates of contribution shall be such as will provide an average annuity at age sixty-five (65) equal to one one hundred-fortieth ( $1/140$ ) of the final compensation of members, according to the tables adopted by the board, for each year of service rendered after entering the system. Nothing in this section shall prevent the adoption of one (1) schedule of rates for males and one (1) schedule for females.

(h) The actual amount of annuity receivable by any member upon retirement shall be the actuarial equivalent of his accumulated contributions, as provided in subdivisions (a) and (k) of section 68-1307.

(i) From and after July 1, 1955, the board of administration shall certify to the head of each office or department of the state and to the registrar of the university the normal rate of contribution as provided in this act for each member in such office, department, or the university, respectively. The head of each office or department of the state shall apply such rate of contribution to the compensation of each member, and shall certify to the state auditor on each and every payroll the amount to be contributed and shall furnish immediately to the board of administration a copy of each and every such payroll; and each such amount shall be deducted by the head of each office or department and shall be remitted to the board. The registrar of the university shall apply the rate of contribution certified to him by the board to the compensation of each member employed by the

university and the contributions so determined shall be deducted by the registrar of the university from the compensation of each such member; each such amount shall be remitted to the board and the registrar of the university shall furnish to the board a copy of each and every salary roll and payroll from which such amounts have been deducted. Each contribution deducted and remitted to the board shall be credited by the board, together with regular interest, to an individual account of the member for whom the contribution was made. Payment of salaries or wages less such contribution shall be full and complete discharge and acquittance of all claims and demands whatsoever for the service rendered by members during the period covered by such payment, except their claims to the benefits to which they may be entitled under the provisions of this act.

(j) From and after July 1, 1955, the board of administration shall certify to the city clerk, or other officer designated by the legislative body, of each contracting city the rate of contribution as provided in this act for each member included under the retirement system respectively. The city clerk, or other officer, shall apply the rate of contribution certified to him by the board to the compensation of each member included in the retirement system and the contribution so determined shall be deducted by the city clerk, or other officer, from the compensation of each such member; each such amount shall be remitted to the board and the city clerk or other officer, shall furnish to the board a copy of each and every salary roll and payroll from which such amounts have been deducted. Each contribution deducted and remitted to the board shall be credited by the board, together with regular interest, to an individual account of the member for whom the contribution was made. Payment of salaries or wages less such contribution shall be full and complete discharge and acquittance of all claims to the benefits to which they may be entitled under the provisions of this act.

(k) Subject to the rules and regulations to be established and promulgated by the board of administration, any member may elect to contribute at rates in excess of those provided for in subsection (i) and (j) of this section of this act, for the purpose of providing additional benefits, but the exercise of this privilege by a member shall not place on the state or contracting city any additional financial obligation. The provisions of subdivision (f) and (g) of section 68-203 shall apply also to additional contributions. The board, upon application shall furnish to such member information concerning the nature and amount of additional benefits to be provided by such additional contributions.

(l) In addition to the contributions hereinbefore provided to be paid by employees who are members of the retirement system created by this act, every such employee shall pay an annual membership fee of one dollar (\$1.00) which amount, together with other moneys appropriated for that purpose, shall be used for the support of the board of administration.

(m) From and after July 1, 1955, should the state service of a member be discontinued otherwise than by death or retirement, he shall after the date of discontinuance, be paid such part of his contributions as he demands. The board may, in its discretion, withhold for not more than one (1) year after a member last rendered state service, all or part of his

contributions if after a previous discontinuance of state service he withdrew all or part of his contributions and failed to redeposit such withdrawn amount in the retirement fund as provided in subsection (n).

Any member with ten (10) or more years of service, whose service is discontinued otherwise than by death or retirement, shall have the right to elect within ninety (90) days after such termination of service, and without right or revocation, whether to allow his accumulated contributions to remain in the retirement fund. Upon the qualification for retirement by reason of age or disability of a member who has elected to allow his accumulated contributions to remain in the retirement fund, he shall receive a retirement allowance in accordance with the provisions of section 68-901, exclusive of subparagraph (g) of section 68-901.

(n) Any member may redeposit in the retirement fund, in one sum or in not to exceed twelve (12) monthly or twenty-four (24) semimonthly payments, an amount equal to that which he withdrew therefrom at the last termination of his membership, subject to minimum monthly or semimonthly payments as fixed by the board of administration. If a member, upon re-entering the retirement system after a termination of his membership, does not elect to make or, having so elected, subsequently does not make such redeposit, he shall re-enter as a new member without credit for any service except the prior service credited to him before said termination, and the rate of his contribution for future years shall be the normal rate provided for in this act at his age of re-entrance; otherwise his rate of contribution for future years shall be the same as his rate prior to the last termination of his membership, and his membership shall be the same as if unbroken by such last termination. Regardless of whether such redeposit is made, the documents held by the retirement system as executed by said member prior to termination of membership shall be held by the system for the same purposes as prior to said termination, and beneficiaries nominated in such documents shall continue unchanged until changed as provided herein.

(o) The board may in its discretion transfer the savings account of a member to the pension accumulation fund if the account has been dormant for a period of ten (10) years provided that no right of the member shall be jeopardized by such transfer and the savings account shall be transferred to the member's name upon subsequent re-entry to membership.

(i) (j) and (m) the phrase "From and after July 1, 1955," deleted the words "so much of" and "as does not exceed four hundred sixteen dollars and sixty-six cents (\$416.66), per month" which appeared twice in subd. (i) and once in subd. (j); in subd. (m) deleted from the end of the first sentence an exception clause which read "except that if a member is credited with less

than ten (10) years of state service and, in the opinion of the board of administration is permanently separated from state service by reason of such discontinuance, he shall be paid forthwith ninety per centum (90%) of his accumulated contributions without interest," in the second paragraph of subd. (m) substituted the words "right of revocation" for the words "right or revocation" and added subd. (o).

The 1959 amendment deleted the word "accumulated" before "contributions" in the first sentence of subd. (m) and deleted the words "accumulated normal" in two places before "contributions" in the second sentence of subd. (m).

## CHAPTER 8—RETIREMENT—COMPULSORY—VOLUNTARY

Section 68-801. Voluntary service retirement.

68-802. Compulsory retirement.

**68-801. Voluntary service retirement.** (a) Retirement of a member for service shall be made by the board of administration upon his attaining the age of sixty (60) years or more and upon his completion of ten (10) or more years of public service credited under this act and the filing of his written application to the board, subject to the provisions of section 68-901; and provided, however, that the service retirement allowance shall commence on the day following the member's last day of state service or on the first day of the month in which his application is filed with the board of administration, whichever is later.

(b) Notwithstanding any other provision of this act, any person who has been retired for service (as distinguished from disability) under the provisions of this act may be employed in state service in accordance with the laws governing such service in the same manner as a person who has not been so retired.

(c) Any person so employed shall be considered as reinstated from retirement and his retirement allowance shall be cancelled forthwith. His individual account shall be credited with an amount which is the actuarial equivalent of his annuity at the time of such reinstatement, and his rate of contribution for future years shall be the same as if he had continued in state service during the period of his retirement. Such person shall receive credit for prior service in the same manner as if he had never been retired.

**History:** En. Sec. 19, Ch. 212, L. 1945; amd. Sec. 7, Ch. 297, L. 1947; amd. Sec. 5, Ch. 186, L. 1951; amd. Sec. 1, Ch. 35, L. 1955; amd. Sec. 4, Ch. 246, L. 1959.

**Amendments**

The 1955 amendment substituted the present subd. (a) for the former one which read "(a) From and after July 1, 1947, until January 1, 1951, every member other than elective officers and officers appointed directly by the governor shall be retired on the first (1st) day of the calendar month next succeeding that in which he attains the age of seventy-five (75) years. Elective officers and officers appointed directly by the governor who have elected to become and are members of the system may continue to serve in office for the duration of the term for which elected or appointed. Every employee of the university who becomes a member, and who, at the time of becoming such member has attained the age of seventy-five (75) years, shall be retired

forthwith. On and after January 1, 1951, every member who at that time has attained the age of seventy (70) years, shall be retired forthwith, and thereafter every such member must be retired on the first (1st) day of the calendar month next succeeding that in which he attains the age of seventy (70) years"; in subd. (b) deleted the words "until October 1, 1947, or the termination of the war in which the United States is now engaged, whichever is earlier," which appeared between the words "act" and "any" and at the end of subd. (b) after the word "retired" deleted the following words "upon the determination of the board of administration, by medical examination, that he is not incapacitated for the duties proposed to be assigned to him." The 1955 amendment also deleted former subds. (d) and (e) for text of which see parent volume.

The 1959 amendment added the proviso to subd. (a).

**68-802. Compulsory retirement.** Any member forced to retire at age sixty-five (65) or over, not having accumulated ten (10) or more years of public service credited under the Montana public employees retirement system may, by filing his written application with the board, elect to re-

ceive a service retirement allowance subject to the provisions of section 68-901, Revised Codes of Montana, 1947.

**History:** En. 68-802 by Sec. 1, Ch. 244, L. 1959.

**Title of Act**

An act providing for a law to be known as section 68-802, Revised Codes of Montana, 1947, providing that members of the public employees retirement system who are forced to retire at age sixty-five or

over, having less than ten years service accumulated, be permitted to receive service retirement benefits; and providing a repealing clause.

**Repealing Clause**

Section 2 of Ch. 244, Laws 1959 repealed all acts or parts of acts in conflict therewith.

CHAPTER 9—SERVICE AND DISABILITY RETIREMENT ALLOWANCES

Section 68-901. Service retirement allowance.

**68-901. Service retirement allowance.** A member upon retirement from service is entitled to receive a service retirement allowance which shall consist of:

(a) An annuity which shall be the actuarial equivalent of his accumulated contributions at the time of his retirement.

(b) A pension, purchased by the contributions of the state, or the contracting city, equal to that portion of the annuity purchased by the accumulated normal contributions of the member; and

(c) An additional pension, purchased by the contributions of the state, for members other than persons who are employees of the university at the time of becoming members, and members employed by a contracting city. Such additional pension shall be equal to one-seventieth (1/70) of the member's final compensation, multiplied by the number of years of prior service, except that if a member retires before attaining the age of sixty-five (65) years, the additional pension shall be reduced to that amount which the value of the pension computed as provided in this paragraph as deferred to age sixty-five (65) will purchase at the actual age of retirement.

(d) If a member retires before attaining the age of sixty-five (65) years, the additional pension shall be reduced to that amount which the value of the pension computed as provided in this section as deferred to age sixty-five (65) will purchase at the actual age of retirement.

(e) An additional pension, purchased by contributions of the state, for members who are also employees of the university at the time of becoming members, said additional pension to accrue from the date of retirement under the system regardless of whether said retirement was prior to the effective date hereof. Such additional pension shall be equal to one-seventieth (1/70) of the average annual compensation earnable by him during the three (3) years preceding retirement, multiplied by the number of years of prior service credited to him, except that if a member retires before attaining the age of sixty-five (65) years, the additional pension shall be reduced to that amount which the value of the pension computed as provided in this paragraph as deferred to age sixty-five (65), will purchase at the actual age of retirement. If, however, a member who is employed by the university at the time of becoming a member, shall not have rendered state service before January 1, 1946,

his additional pension shall be based upon one-seventieth ( $1/70$ ) of the average annual compensation earnable by him during the first year of the state service, or such portion thereof as he may have served before January 1, 1946, multiplied by the number of years of prior service credited to him.

(f) An additional pension on account of prior service, purchased by the contributions of the contracting city for members who are also employees of a contracting city as may be provided for under the contract between the board and the contracting city.

#### MINIMUM GUARANTEE

(g) When a member enters the retirement system with, or without, credit for prior service, and is otherwise eligible for retirement after attaining the age of seventy (70) years, if his final compensation was such that one-half ( $1/2$ ) thereof is in excess of the total of his pension, annuity, and additional pension for prior service, a second additional pension for prior service sufficient to cause his retirement allowance to amount to one-half ( $1/2$ ) of such final compensation shall be paid him on account of prior service, but in no event shall a greater second additional pension be paid than will cause the total retirement allowance, exclusive of the annuity provided by his accumulated additional contributions, to amount to the sum of four hundred eighty dollars (\$480.00) per year. The provisions of this section shall not apply to the members who are employees of a contracting city unless provided for by contract between the board and the contracting city, but if a member be employed by more than one (1) of such cities, his aggregate retirement allowances shall be taken into account in applying said provisions, and said application shall be made as if the member was employed by one or more offices or departments of the state.

#### DISABILITY RETIREMENT

(h) Any member who has not reached seventy (70) years of age shall be retired for disability if incapacitated for the performance of duty as the result of any injury or disease arising out of and in the course of his employment. Incapacity for performance of duty shall be determined by the board of administration of the public employees' retirement system, and said board of administration shall determine whether such incapacity is the result of injury or disease arising out of and in the course of employment. In the discharge of its duty regarding such determination, the board or any member thereof or duly authorized examiner or other duly authorized representative of the board shall have power to conduct hearings, administer oaths and affirmations, take depositions, certify to official acts and issue subpoenas to compel the attendance of witnesses and the production of books, papers, correspondence, memoranda and other records deemed necessary as evidence in connection with a claim for disability retirement. If the board determines on the evidence that it obtains and application filed that the disability resulted from injury or disease arising out of and in the course of employment, the said member

shall be retired forthwith and be paid the benefits provided under the retirement system. Any such member incapacitated for the performance of duty by reason of a cause not included in the immediately preceding sentence, and any other member so incapacitated, regardless of the cause, shall be retired forthwith regardless of age but only after ten (10) years of service to the state, or to the contracting city.

Any compensation paid by the industrial accident board of the state of Montana to any member of the retirement system for total and permanent disability resulting from injury or disease arising out of and in the course of employment shall be deducted from the benefits payable under the retirement system for such disability.

In any case where the industrial accident board makes a determination that disability of a state employee resulted from injury or disease arising out of and in the course of employment and pays compensation thereon for a total and permanent disability, the industrial accident board shall certify its findings and determination to the board of administration of the public employees' retirement system.

(i) Subject to the requirements as to service and cause of disability stated in subdivision (h) of this section, and upon the application of a member or upon the application of the head of the office or department in which such member is or was last employed, or upon application of the university, if such member is an employee of the university, or any other person on behalf of such member, while such member is in state service, within four (4) months after such member's discontinuance of state service, or while such member continuously, from the date of discontinuance of state service to the time of the application or motion, is physically or mentally incapacitated to perform his duties, may apply for, or the board of administration upon its own motion may order, a medical examination to determine the existence of such incapacity. Upon the receipt of such application, the board of administration shall order such medical examination. If the medical examination and other available information show, to the satisfaction of said board, that the member is incapacitated physically or mentally for the performance of his duties in the state service, the said board shall forthwith retire the member for disability. The said board shall secure such medical service and advice as is necessary to carry out the purposes of this section and of sections 68-1001 through 68-1004, and shall pay for such medical services and advice such compensation as the board deems reasonable.

#### DISABILITY RETIREMENT ALLOWANCE

(j) Upon retirement for disability a member who has attained the age of sixty (60) years shall receive a service retirement allowance as provided by subsections (a), (b), (c) of this section. Upon retirement of a member for disability resulting from injury or disease arising out of and in the course of employment, such member shall receive a retirement allowance of fifty per centum (50%) of his final compensation.

(k) Upon retirement for disability a member who is an employee of the university and who has attained the age of sixty (60) years, shall

receive a service retirement allowance as provided in subdivisions (a), (b), and (c) of this section.

(1) Every other member retired for disability shall receive a retirement allowance which shall consist of:

(i) An annuity which shall be the actuarial equivalent of his accumulated contributions at the time of his retirement; and

(ii) If, in the opinion of the board of administration, such disability is not due to intemperance, wilful misconduct or violation of law on the part of the member, a pension purchased by the contributions of the state, or of the contracting city which, together with his annuity provided by his accumulated normal contributions, shall make the retirement allowance, exclusive of the annuity provided by his accumulated additional contributions, equal to (a) ninety per cent (90%) of one-seventieth ( $1/70$ ) of his final compensation multiplied by the number of years of service credited to him, if such disability retirement allowance exceeds one-fourth ( $1/4$ ) of his final compensation; otherwise, (b) ninety per cent (90%) of one-seventieth ( $1/70$ ) of his final compensation multiplied by the number of years of service which would be creditable to him were his service to continue until attainment by him of age sixty-five (65), but in such case the retirement allowance shall not exceed one-fourth ( $1/4$ ) of such final compensation. In no event, however, shall the pension purchased by the contributions of the state or of the contracting city be more than sufficient to make the disability retirement allowance, exclusive of the annuity provided by accumulated additional contributions, exceed the service retirement allowances, exclusive of any annuity purchased by accumulated additional contributions, receivable by the member should he retire at the lowest age at which he would be eligible for service retirement.

(iii) If, in the opinion of the board, the disability is due to intemperance, wilful misconduct or violation of law, on the part of the member, and the annuity to which said member is entitled under subdivisions (j), (k) and (l) of this section, is less than two hundred forty (\$240.00) dollars per year, the board of administration in its discretion, may pay to said member, in one lump sum and in lieu of said annuity, his accumulated contributions.

**History:** En. Sec. 20, Ch. 212, L. 1945; amd. Sec. 6, Ch. 186, L. 1951; amd. Sec. 5, Ch. 246, L. 1959.

#### **Amendment**

The 1959 amendment in subd. (g) inserted the words "or without" the first time they appear and substituted "is otherwise eligible for retirement" for "retires."

#### **Separability Clause**

Section 6 of Ch. 246, Laws 1959 read "If any clause, sentence, paragraph, section, subdivision, or part of this act shall, for any reason, be adjudged by any court of competent jurisdiction to be invalid, inoperative, or unconstitutional; such decision shall not affect, impair, or invalidate the remaining portions of this act,

but shall be confined in its operation to the clause, sentence, paragraph, section, subdivision, or part directly adjudged to be invalid, inoperative or unconstitutional."

#### **Repealing Clause**

Section 7 of Ch. 246, Laws 1959 repealed all acts or parts of acts in conflict therewith.

#### **Effective Date**

Section 8 of Ch. 246, provided the act should be in effect from and after its passage and approval. Approved March 12, 1959.

#### **Payments from Industrial Accident Board**

Where person was entitled to benefits under both the disability retirement act

and the workmen's compensation act, and the award of the industrial accident board was for permanent partial disability, the retirement board was without authority to deduct such amount from the retirement

allowance since it is only authorized where the award of the industrial accident board is for total and permanent disability. State ex rel. Ebel v. Schye, 130 M 537, 305 P 2d 350, 354.

#### CHAPTER 10—REINSTATEMENT—REDUCTION OF ALLOWANCE— OPTIONAL MODIFICATION OF ALLOWANCES

Section 68-1001. Reinstatement from disability retirement.

68-1002. Reduction of allowance when employed.

68-1003. Effect of refusal of beneficiary to submit to medical examination.

**68-1001. Reinstatement from disability retirement.** (a) The board of administration, may, at its pleasure, require any disability beneficiary to undergo medical examination. Such examination shall be made by a physician or surgeon, appointed by the board, at the place of residence of said beneficiary or other place mutually agreed upon. Upon the basis of such examination the board shall determine whether said disability beneficiary is still incapacitated, physically or mentally, for service in the office or department of the state or of the contracting city, where he was employed and in the position held by him when retired for disability, or for duties proposed to be assigned to him. If the board of administration determines that said beneficiary is not so incapacitated, his retirement allowance shall be cancelled forthwith. If he was an employee of the state or of the university, he shall be reinstated to the position held by him when retired for disability or to a position in the same classification with duties within his capacity. If he was an employee of a contracting city, the board shall notify the proper official of said city that said disability has been terminated and that said person is eligible for reinstatement to duty. The fact that said person was retired for disability shall not prejudice any right to reinstatement to duty which he may have or claim to have.

(b) In the case of such a member who is an employee of a contracting city, and who for any reason is not so reinstated or is not re-employed by said city in a position subject to the retirement system, he shall be paid an amount which is the actuarial equivalent of his annuity at that time, as based on a disabled life, but said amount shall not exceed the amount of his accumulated contributions as such amount stood at the time of his retirement for disability.

(c) Should a disability beneficiary re-enter the state service and be eligible for membership in the retirement system in accordance with section 68-202, his retirement allowance shall be cancelled and he shall immediately become a member of the retirement system, his rate of contribution for future years being that established for his age at the time of such re-entry. His individual account shall be credited with an amount which is the actuarial equivalent of his annuity at that time, as based on a disabled life, but such amount shall not exceed the amount of his accumulated contributions as such amount stood at the time of his retirement for disability. Such member shall receive credit for prior service in the same manner as though he had never been retired for disability.

**History:** En. Sec. 21, Ch. 212, L. 1945; amd. Sec. 6, Ch. 92, L. 1955.

**Amendment**

The 1955 amendment deleted the words "under the age of sixty (60)" which appeared between the words "beneficiary" and "to" in the first sentence.

**Finding that Person No Longer Incapacitated**

Where there was substantial evidence to support the trial court's implied finding

that the retirement board acted capriciously and arbitrarily in finding that a person was no longer incapacitated that finding will be upheld on appeal; however, this affirmation does not have the effect of ousting the board from jurisdiction to so find in the future. State ex rel. Ebel v. Schye, 130 M 537, 305 P 2d 350, 358. Special concurring opinion in denying petition for rehearing.

**68-1002. Reduction of allowance when employed.** Should a disability beneficiary engage in a gainful occupation not in the state service or should he re-enter the state service in a capacity ineligible for membership in the retirement system, the board of administration shall reduce the amount of his monthly pension to an amount which, when added to the compensation earned monthly by him in such occupation, shall not exceed the amount of his monthly compensation at the time of his retirement. Should the earning capacity of such beneficiary be further altered, the board may further alter his pension to an amount which shall not exceed the amount upon which he was originally retired, but which, subject to such limitation, shall equal, when added to the compensation earned by him, the amount of his compensation at the time of his retirement.

**History:** En. Sec. 22, Ch. 212, L. 1945; amd. Sec. 7, Ch. 92, L. 1955.

**Amendment**

The 1955 amendment deleted the words "prior to attaining age sixty (60)" which appeared between the words "beneficiary" and "engage" in the first sentence and

also deleted a former last sentence which read "When such a disability beneficiary reaches age sixty (60), his retirement allowance shall be made equal to the amount upon which he was originally retired, and shall not again be modified for any cause."

**68-1003. Effect of refusal of beneficiary to submit to medical examination.** Should any disability beneficiary refuse to submit to medical examination, his pension may be discontinued until his withdrawal of such refusal, and should such refusal continue for one (1) year his retirement allowance may be cancelled.

**History:** En. Sec. 23, Ch. 212, L. 1945; amd. Sec. 8, Ch. 92, L. 1955.

between the words "beneficiary" and "refuse."

**Amendment**

The 1955 amendment deleted the words "under age sixty (60)" which appeared

Death benefit.** Upon the death before retirement of a member while in the state service, or within four (4) months after the discontinuance of state service, or while physically or mentally incapacitated for the performance of his duty, if such incapacity has been continuous from the discontinuance of state service, the retirement system shall be liable for a death benefit, which if there is a surviving wife or surviving children under eighteen (18) years of age, shall be paid in monthly install-

ments and to the surviving wife and children as presented therein; otherwise such death benefit shall be paid to his estate, or to such person having an insurable interest in his life as he has nominated by written designation duly executed and filed with the retirement board; provided, however, that death benefits shall not be payable to the beneficiary of a member who (a) has elected a joint life annuity option as provided in section 68-1005, Revised Codes of Montana, 1947, as amended, or (b) who has received a disability retirement allowance as provided for in paragraphs (i) through (l) of section 68-901, Revised Codes of Montana, 1947, as amended, for a period of four (4) months immediately preceding death. Such death benefit shall consist of:

(a) His accumulated contributions, and in addition thereto,

(b) An amount, provided from contributions by the state, or by a contracting city, which shall be equal to one-twelfth (1/12th) of the annual compensation earnable by the deceased during the twelve (12) months immediately preceding his death, multiplied by the number of completed years of service under the system, but not to exceed fifty (50) per centum of such compensation.

(c) A member, or a beneficiary after death of a member, may elect, by written designation, duly executed and filed with the board of administration to have the death benefit provided in clauses (a) and (b) paid in monthly installments, fixed in number or amount, all subject to such rules and regulations as the board may adopt. Regular interest shall be credited on the unpaid balance of such benefit, at rates then in use under the system as adopted by the board from time to time.

(d) If compensation is awarded by the industrial accident board of the state of Montana by reason of a finding that the member's death resulted from injury or disease arising out of or in the course of employment, the death benefit payable hereunder shall be limited to a refund of the member's accumulated contributions. In any case where the industrial accident board makes a determination that death of a state employee resulted from injury or disease arising out of and in the course of employment and pays compensation therefor, the industrial accident board shall certify its findings and determination to the board of administration of the public employees' retirement system.

(e) Survivorship provision. In lieu of the benefits provided in (a) and (b) above, if the deceased member is qualified by reason of service for a retirement benefit, the beneficiary nominated by the deceased member may elect to receive a monthly life annuity. Said monthly life annuity is to be based on the beneficiary's attained age at the time of the deceased member's death and to be calculated from an amount equal to the required reserve for the deceased member's creditable service, together with the deceased member's accumulated contributions; and provided that this provision be retroactive for all members who had an option for a lesser retirement allowance filed in the retirement system office at the time of their death.

(f) The beneficiary named in (e) above shall have the right within ninety (90) days of the member's death to elect to receive a death benefit instead of the benefit designated in (e) above.

The board shall continuously study the vital statistics of the state, and endeavor to make intelligent use of the records of births, deaths and sickness among the people; it shall make sanitary investigations and inquiries regarding the causes of disease, and especially communicable diseases and epidemics; the causes of mortality, and the effects of localities, employments, conditions, ingesta, habits, and other factors and circumstances affecting the health of the people; it shall gather such information in respect to all these matters as it may deem proper for diffusion among and use by the people; it shall cause to be made an inspection at least once in each year, and at such other times as it may be directed to do so by the governor, of all public institutions of the state of Montana, and make a report as to their sanitary conditions and environment, with suggestions and recommendations to the governor and to their respective boards of directors or trustees, visitors, officers and administrators for amelioration or abatement of conditions and factors adverse to health, and for correction, betterment
